### **PROFIT WARNING**

This announcement is made by C.P. Pokphand Co. Ltd. (the “Company”, and together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571, Law of Hong Kong).

The board of directors of the Company (the “Board”) wishes to inform shareholders of the Company (the “Shareholders”) and potential investors that, based on preliminary information, the Company is expected to record a small consolidated loss attributable to Shareholders of up to US\$3 million for the three months ended 31 March 2018. This estimated loss compares to the consolidated profit attributable to Shareholders of approximately US\$14 million for the corresponding period last year. The Group’s worsened performance in this period was primarily due to (i) the continued drop in Vietnam swine prices as compared to those prevailing in the corresponding period last year; (ii) losses at recently acquired integrated poultry business in China; and (iii) losses at new food factories in China which commenced trial operation at the end of 2017.

The information contained in this announcement is based on information currently available to the Company and the Company is still in the process of preparing the unaudited consolidated results for the three months ended 31 March 2018. The Company expects to announce the first quarter results of the Group in mid-May 2018.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
