12. GENERAL INFORMATION

Your attention is also drawn to the information set out in the appendices to this circular.

Yours faithfully,
By order of the Board
Mengke Holdings Limited
Zhang Weixiang
Chairman and non-executive Director

This appendix serves as an explanatory statement, as required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules, to provide you with the requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to approve the grant of the Buyback Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, a total of 500,000,000 Shares were in issue. As at the Latest Practicable Date, the Company did not have any outstanding options, warrants and convertible securities to subscribe for the Shares.

Assuming that no further Shares are issued or repurchased during the period from the Latest Practicable Date up to the date of the AGM, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 50,000,000 Shares representing 10% of the issued share capital of the Company as at the Latest Practicable Date. Any Shares repurchased by the Company pursuant to the Buyback Mandate shall be fully paid-up.

2. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Shares but consider that the Buyback Mandate will provide the Company with the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases, depending on market conditions and funding arrangements at the time, may lead to enhancement of the net asset value of the Company and/or the earnings per Share and will only be made when the Directors consider that such repurchases will benefit the Company and the Shareholders as a whole. The number of the Shares to be repurchased on any occasion and the price and other terms on which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. SOURCE OF FUNDS FOR REPURCHASES

The Company is empowered by the Articles to repurchase its Shares. In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the Listing Rules, the Memorandum, the Articles, the Companies Law and all other applicable laws, rules and regulations, as the case may be.

Any repurchase of the Shares may only be effected out of profits of the Company, out of share premium, out of the proceeds of a fresh issue of Shares made for the purpose or, subject to the Companies Law, out of capital. The premium, if any, payable on a repurchase over the par value of the Shares to be repurchased must be provided for out of profits of the Company, out of the Company's share premium account before or at the time the Shares are repurchased or, subject to the Companies Law, out of capital.

The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange in effect from time to time.

As compared with the position disclosed in the audited consolidated financial statements of the Company as at 31 December 2017, the Directors consider that there could be a material adverse impact on the working capital and on the gearing level of the Company in the event that the proposed repurchases under the Buyback Mandate were to be carried out in full during the proposed purchases period. However, the Directors do not propose to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

4. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the proposed resolution for the Buyback Mandate in accordance with the Listing Rules, the Articles and the Companies Law and all other applicable laws, rules and regulations, as the case may be.

5. INTENTION TO SELL SHARES

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention, in the event that the proposed resolution for the Buyback Mandate is approved by the Shareholders, to sell any of their Shares to the Company.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any of their Shares to the Company or has undertaken not to sell any of their Shares to the Company, in the event that the Company is authorised to make repurchases of the Shares.

6. CONSEQUENCES UNDER THE TAKEOVERS CODE

If, as a result of a repurchase of the Shares by the Company pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code if the Buyback Mandate is exercised.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Shareholders who were interested in 5% or more of the issued share capital of the Company, according to the register of interests required to be kept by the Company under section 336 of the SFO, were as follows. Their respective interests as at the Latest Practicable Date is shown under the column "Percentage of shareholding as at the Latest Practicable Date" while their respective interest in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the Repurchase Mandate (and assuming that the issued share capital of the Company remains unchanged from the Latest Practicable

-------------------	--

The Directors, to the best of their knowledge and belief, are not aware of any Shareholders or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any repurchases of the Shares made pursuant to the Buyback Mandate.

Any repurchase of the Shares which results in the number of the Shares held by the public being reduced to less than the prescribed percentage of the Shares then in issue could only be implemented with the approval of the Stock Exchange to waive the Listing Rules requirements regarding the public float under Rule 8.08 of the Listing Rules. However, the Directors have no present intention to exercise the Buyback Mandate to such an extent that, in the circumstances, there is insufficient public float as prescribed under the Listing Rules.
