SHARE CAPITAL

At the Latest Practicable Date, the number of Shares in issue is 3,800,008,501 Shares. As at the Latest Practicable Date, there were outstanding share options granted under the Company's share option scheme entitling the Holders to subscribe for an aggregate of 76,573,688 Shares, among which 30,478,338 outstanding share options are exercisable before the AGM to subscribe for an aggregate of 30,478,338 Shares.

Subject to the passing of the ordinary resolution granting the Directors the Share Buy-back Mandate and on the basis that none of the outstanding share options is exercised and that no further Share is issued, allotted or repurchased by the Company prior to the AGM, the Directors would be authorized under the Share Buy-back Mandate to repurchase, during the period in which the Share Buy-back Mandate remains in force, up to a maximum of 380,000,850 Shares representing not more than 10% of the total number of issued shares of the Company as at the date of passing of the resolution to approve the Share Buy-back Mandate.

REASONS FOR REPURCHASE

The Directors believe that the Share Buy-back Mandate is in the best interests of the Company and its Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or earnings per Share. The Directors are seeking the granting of a general mandate to repurchase the Shares in order to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining. Repurchases will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

Since 2012, the Board has resolved to exercise the power of the Share Buy-back Mandate granted at the annual general meetings of the Company to repurchase an aggregate number of Shares equivalent to the aggregate number of new Shares issued upon the exercises of vested share options granted under the Company's share option scheme as and when appropriate. The Board will continue to do so should the proposed ordinary resolution to approve the Share Buy-back Mandate is passed at the AGM.

FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such propose in accordance with its Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. Repurchases pursuant to the Share Buy-back Mandate would be financed entirely by the Company's available cash flow or working capital facilities.

The Company may not repurchase its own securities on the Hong Kong Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Hong Kong Stock Exchange. Subject to the foregoing, any repurchase of the Company may be made out of the Company's funds which would otherwise be available for dividend or distribution or out of proceeds of a new issue of Shares made for the purpose of the repurchase. Any amount of premium payable on the purchase over the par value of the Shares must be out of the funds which would otherwise be available for dividend or distribution or from sums standing to the credit of the Company's share premium account.

IMPACT OF REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company, as compared with the position disclosed in the audited financial statements for the year ended December 31, 2017, in the event that the Share Buy-back Mandate is exercised in full. However, the Directors do not propose to exercise the Share Buy-back Mandate to such extent that would, in the circumstances, have a material adverse effect on the working capital requirements or gearing position of the Company.

DIRECTORS' UNDERTAKING

The Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the Share Buy-back Mandate only in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the powers to repurchase Shares, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

At the Latest Practicable Date, according to the register maintained by the Company under Section 336 of the SFO, MGM Resorts International and Ms. Pansy Ho together with their Associates and the parties acting in concert with them were interested in Shares representing 78.4% of the issued share capital of the Company. Assuming the shareholdings of MGM Resorts International and Ms. Pansy Ho together with their Associates and the parties acting in concert with them remain unchanged, full exercise by the Company of the Share Buy-back Mandate will result in an increase in their aggregate interests to approximately 87.15% of the reduced issued share capital of the Company immediately after the exercise in full of the Share Buy-back Mandate.

Although exercise in full of the Share Buy-back Mandate will not result in MGM Resorts International or Ms. Pansy Ho becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code, the Company will not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 21.6%, being the prescribed public float under the waiver granted by the Hong Kong Stock Exchange to the Company upon the Listing. In exercising the Repurchase Mandate (whether in full or otherwise), the Directors will ensure that the Company shall comply with the requirements of the Listing Rules and the exemption granted by the Hong Kong Stock Exchange upon the Listing.

Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of an exercise of the Repurchase Mandate.

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their Close Associates have any present intention to sell any Shares to the Company or its subsidiaries in the event that the Share Buy-back Mandate is approved by the Shareholders.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Buy-back Mandate is approved by the Shareholders.
