GENERAL MANDATE TO ISSUE SHARES

At the last annual general meeting of the Company held on 26 May 2017, the Directors were given a general mandate to allot and issue Shares. The mandate will expire at the conclusion of the Annual General Meeting. At the Annual General Meeting, an ordinary resolution No.6(A) will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to allot and issue new Shares in the share capital of the Company up to 20 per cent. of the total number of issued Shares of the Company on the date of passing the relevant resolution in relation to such general mandate. In addition, subject to a separate approval of the ordinary resolution No.6(C), the number of Shares purchased by the Company under ordinary resolution No.6(B) will also be added to the 20 per cent. general mandate as mentioned in the ordinary resolution No.6(A). The Directors wish to state that they have no immediate plans to issue any new Shares of the Company pursuant to such general mandate.

LETTER FROM THE BOARD (CONTINUED)

The Company also confirms that there is nothing unusual about the proposed amendments for a company listed on the Stock Exchange.

The Shareholders are advised that the Bye-laws are available only in English and the Chinese translation of the amendments to the Bye-laws in Chinese is for reference only. In case of any inconsistency, the English version shall prevail.

APPENDIX I - EXPLANATORY STATEMENT ON THE BUY-BACK MANDATE

The following is the explanatory statement required to be sent to Shareholders under the Listing Rules in connection with the Proposed Buy-back Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,013,309,000 Shares. Subject to the passing of the resolution granting the Proposed Buy-back Mandate and on the basis that no further Shares are issued or bought back before the Annual General Meeting, the Company will be allowed to buy back a maximum of 201,330,900 Shares which represent 10 per cent. of the total number of issued shares of the Company during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF BUY-BACK

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to buy back its Shares on the Stock Exchange. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders. If such a buy-back is made, the Directors propose to use the Company's internal cash surplus to fund such buy-back.

Buy-back of Shares will be financed out of funds legally available for the purpose and in accordance with the Bye-laws and the applicable laws of Bermuda. Under Bermuda law, any buy-back by the Company may be made out of capital paid up on the Shares to be bought back, or out of funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of premiums payable on buy-back, funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company.

The Directors have no present intention to buy back any Shares and they would only exercise the power to buy back in circumstances where they consider that the buy-back would be in the best interests of the Company. The Directors consider that if the general mandate to buy back Shares was to be exercised in full at the current prevailing market value, it could have a material adverse impact on the working capital but not the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2017, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to buy back Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Buy-back Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

No core connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so.

If as a result of a buy-back of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, TCC is interested in 705,819,720 Shares representing approximately 35.05 per cent. of the existing issued share capital of the Company. In the event that the Directors should exercise in full the Proposed Buy-back Mandate, the shareholding of TCC in the Company, assuming there shall be no change in its interests in the Shares after the Latest Practicable Date, will be increased to approximately 38.95 per cent. of the issued share capital of the Company respectively. To the best knowledge and belief of the Directors, such increase would give rise to an obligation of TCC to make a mandatory offer under the Takeovers Code. Currently, the Directors have no present intention to buy back the Shares to the extent that it will trigger the obligations under the Takeovers Code for TCC to make a mandatory offer.

APPENDIX I - EXPLANATORY STATEMENT ON THE BUY-BACK MANDATE (CONTINUED)

GENERAL (CONTINUED)

The Listing Rules prohibit a company from making buy-back on the Stock Exchange if the result of the buy-back would be that less than 25 per cent. (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to buy back Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE BUY-BACK MADE BY THE COMPANY

The Company had not bought back any Share (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

- (2)
 - (a) The shares allotted pursuant to the provisions of paragraph (1) of this Bye-law shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Bye-law in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Bye-law shall rank for participation in such distribution, bonus or rights.
 - (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Bye-law, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Bye-law a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Bye-law shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.
- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Bye-law shall mutatis mutandis apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.”
