CHAIRMAN'S STATEMENT

Dear Shareholders,

During the year 2017, we have completed strategic transformation and realized a considerable achievement. On behalf of the board (the "Board") of directors (the "Directors") of Kangda International Environmental Company Limited (the "Company") together with its subsidiaries (collectively, the "Group"), I am pleased to present the annual report of the Group for the year ended 31 December 2017 to you.

RESULTS REVIEW

During the year 2017, thanks to the dedicated hard work of all our employees, we recorded encouraging results under the external condition of fierce peer competition. During the year ended 31 December 2017, the Group achieved a revenue of RMB2,523.9 million, representing an increase of approximately 31% as compared to the year 2016. During the year ended 31 December 2017, profit attributable to equity shareholders of the Group (the "Shareholders") was RMB414.4 million, representing an increase of approximately 24% as compared to the year 2016, which is equivalent to basic earnings per share of RMB20.05 cents.

As at 31 December 2017, the Group entered into a total of 106 service concession agreements, including 99 wastewater treatment projects, 3 water distribution projects, 3 sludge treatment projects and 1 reclaimed water treatment project, representing an increase of approximately 10% as compared to 96 service concession arrangements projects as at 31 December 2016. As at 31 December 2017, the Group's daily treatment capacity was approximately 4,113,350 tonnes, representing an increase of approximately 22% as compared to the Group's daily treatment capacity of approximately 3,363,350 tonnes as at 31 December 2016.

INDUSTRY DEVELOPMENT

The year of 2017 is an important year for the country's implementation of the "13th Five-Year" Plan, with the focus of the development of environmental protection industry shifted from environmental pollution control to the environmental quality improvement. In the 19th National Congress of the Communist Party of China (the "19th CPC National Congress"), the concept of "upholding a harmonious coexistence between human and nature" was explicity identified as one of the fourteen basic strategic directions under socialism with Chinese characteristics. The inclusion of "Promoting the concept of clear water and lush mountains are invaluable assets" into the Party Constitution brings environmental protection to a new height. The report delivered to the 19th CPC National Congress proposed to solve the prominent environmental protection problems, enhance the prevention and control the pollutions such as air, water and solid waste pollution, tighten up the emission standards of pollutants, and establish a government-initiated environmental governance system in which the enterprises would play a leading role with the joint participation of social organizations and public.

The Clean Water Action Plan (水十條) explicitly proposed to substantially eliminate foul water body in the built-up areas of municipalities, provincial capitals and city specifically designated in the state plan by the end of 2017. As 2018 is the intermediate assessment year of the Clean Water Action Plan, it is probable that the State might introduce policies to improve the sewage discharge standard of industry segments on the supply side and supervise the projects working on water environment situation. The level of our orders will be maintained until 2020 due to the catalytic effects of factors such as the Clean Water Action Plan and river supervisor system.

CHAIRMAN'S STATEMENT

In terms of the PPP policy, with the successive issuance of several circulars, such as Circular of Cai Ban Jin [2017] No. 92 (財辦金[2017] 92號文), Circular of Guo Zi Fa Cai Guan [2017] No. 192 (國資發財管[2017] 192號文), etc., the regulation on PPP mode has been strengthened. In short term, the sustained high interest rate will affect the release of funds for projects and financing, but the direction of PPP to promote and encourage participation of private capital will not be changed in the long term. In the national PPP project database, there are environmental protection projects with a combined value of approximately RMB1.2 trillion not being implemented, with most of them being water treatment and ecological rehabilitation projects. With the introduction of green tax, official implementation of the new Water Pollution Prevention and Control Law* (水污染防治法) and regular supervision carried out by the central environmental protection inspector which enforces the eco-responsibility of provinces, environmental protection PPP projects will continue to be implemented at a relatively high pace in the future.

On 16 May 2017, the Belt and Road Forum for International Cooperation ("一帶一路"國際合作高峰論壇) was convened in Beijing. The proactive cooperation between the countries along the Belt and Road and China has presented a good opportunity for the Group to broaden its presence in overseas environmental protection market.

DEVELOPMENT STRATEGY AND FUTURE OUTLOOK OF THE GROUP

The environmental protection industry in China is policy-driven. We will take full advantage of the golden development opportunities brought about by the environmental protection policies implemented by the central government, to obtain as many quality water environmental projects as possible under such favorable environment for PPP, to increase our market shares and secure orders from projects of larger scale in order to establish solid foundation for the development of the Company in the next five to ten years. Under vigorous changes in the environmental protection market, by leveraging the Group's professional experience in the sewage treatment industry, the PPP operation model will become our major business model in addition to the established Build-Operate-Transfer (the "BOT") and Transfer-Operate-Transfer (the "TOT") operation models.

The Group is now undergoing further reform to explore its potential and enhance its efficiency. With the expectation of higher emission standard of pollutants, we actively implement reformation and expansion of existing sewage treatment factories, increase fees on sewage treatment and lower operation and administrative cost to enhance the Group's operating capacity.

Meanwhile, we are actively establishing strategic collaborative partnership with local governments and regional stateowned enterprises to achieve mutual advantages by jointly establishing regional environmental protection entities. We have successfully opened up an advantageous market in Henan Province and Jiangxi Province. The Group will also continue to expand both upstream and downstream along the water industrial chain and engage in the businesses of sludge disposal in water supply, recycling of reclaimed water and industrial wastewater treatment etc.

We will continuously promote innovation of internal management of the Group and enhance motivation by adequate redesignation of staff to reinforce our overall capability. We will enhance our branding comprehensively, implement a talent cultivation program, improve talent introduction and increase investment in research and development for technology innovation, so as to constantly enhance the Group's competitive advantages.

Finally, I would like to take this opportunity to express our gratitude to all the Shareholders and all the collaborative partners of our Group for their dedicated support to the Group's development, and also to all staff of our Group for their endeavors and contributions made during the year.

Zhao Juanxian (alias, Zhao Junxian)

Chairman of the Board

Hong Kong, 27 March 2018

DEVELOPMENT STRATEGIES AND FUTURE DEVELOPMENT

In the year of 2017, the state continues to strengthen its regulation on water environmental protection industry with the introduction of comprehensive reform on the environment assessment system, comprehensive implementation of river chief system, and the approval and formal implementation of a series of environmental protection regulations such as the introduction of Green Tax (環保稅) and the new Water Pollution Prevention and Control Law (水污染防治法) and regular supervision carried out by the central environmental protection inspector which enforces the ecoresponsibility of local governments.

In the first half of 2017, according to the national transaction statistics of Public-Private Partnership (the "PPP") projects, central state-owned enterprises accounted for 3.12 trillion or 52% of the transaction volume, while local state-owned enterprises and private enterprises accounted for 22% and 25%, respectively. Therefore, central state-owned enterprises still play a major role in nationwide PPP projects. At the end of 2017, the Central-government commences its regulation on PPP investments. In particular, Cai Ban Jin [2017] No.92 (財辦金[2017] 92號) and Circular of Guo Zi Fa Cai Guan [2017] No. 192 (國資發財管[2017] 192號文) were issued to prevent reckless investment of central state-owned enterprises on PPP projects. Although this policy cooled down the participation in PPP projects in the short term, it benefits the substantial development of PPP in the long term, and provides more rooms for development of private enterprises. Meanwhile, the introduction of various policies such as the issuance of PPP projects bonds and asset securitization also reflects the government's attitude on encouraging investment on PPP projects.

Although the promulgation of a series of PPP policies further strengthened the regulation on PPP models, the Group is actively motivating the implementation of existing projects while developing PPP projects with high quality. We also closely monitor PPP projects which have been included in the database as well as strictly control and prevent PPP project risks to ensure successful implementation.

The Group has obtained a number of merger and acquisition projects in 2017, including the acquisition of approximately 1.09% equity interest in Protection (Asia) Water Treatment Holding Limited, 100% equity interest in Hatlen Investment (Aus.) Pty Ltd, 100% equity interest in Shandong Fengmin Water Co., Ltd.* (山東豐民水務有限公司), 100% equity interest in Wenzhou City Chuangyuan Water Co., Ltd.* (溫州市創源水務有限公司) and 100% equity interest in Sichuan Weiyuan Hefeng Bioengineering Co., Ltd.* (四川威遠禾豐生物工程有限公司).

The Group has obtained a number of Urban Water Treatment projects in 2017 amidst market competition, including Guangdong Province Huizhou City Huiyang District Danshui Sewage Treatment Project, Guangdong Province Huizhou City Maan Town Domestic Sewage Treatment Project, Guangdong Province Zhongshan City Dongsheng Town Wastewater Treatment Project and so on.

The Group's strategy of having external strategic alliance starts to take effect and makes a turnaround into benefits in 2017. With the implementation of PPP projects, the Group has obtained corresponding projects of Engineering-Procurement-Construction (the "EPC") as well as the equity investment contribution to our results. In 2017, the Group has obtained the three sub-projects of ecological environment protection and comprehensive treatment (Phase I) project in Fu River Basin in Fuzhou City, Jiangxi Province, the entire county domestic wastewater treatment facilities bundle project in Jiaoling County, Guangdong Province as well as the wastewater treatment plant reconstruction and expansion project in Dongfang City, Hainan Province and so on.

^{*} For identification purpose only

In terms of business development strategy, the Group will continue to push forward the transformation from a traditional wastewater treatment service provider to an urban environmental and comprehensive treatment solutions provider to continuously expand water environment management service, which includes comprehensive water environment remediation, foul water body remediation, sponge city, urban comprehensive pipe tunnel etc., while extending its traditional water business to full water industry chain rapidly, accumulating project reserve quickly, to consolidate the foundation for the Group's development in the next ten years.

In terms of internal management strategy, the Group will continue to innovate its internal management, optimize the Group's internal organizational structure, explore potential, increase efficiency, boost the motivation of our staff, enhance our overall strengths, comprehensively strengthen our brand, actively implement talent training programmes, increase our attraction to talents as well as enhance our investment in the research and development of innovated technologies. Meanwhile, we will further actively motivate the implementation of reformation and expansion of existing sewage treatment factories, increase fees of sewage treatment, and lower operation and administrative cost to enhance the Group's operating capacity, thus increasing the Group's competitive advantages.

In the coming two years, the Group plans to capture more business opportunities in the environmental protection industry. Taking advantage of the opportunities brought about by new environmental protection policies and the PPP model, the Group intends to combine internal and external resources to boost the Group's financial results and our position in the industry and continuously bring more values to our shareholders.

BUSINESS REVIEW

In the year of 2017, the Group continued to execute the development strategy which was performed in the last year. In order to match the Group's strategy and marketing development, the Group conducted the divisions to focus on marketing, constructing and operating tightly. The Group gained good results in 2017, and will seize the prosperous opportunities in the fields of environmental protection in the following years. The principal businesses of the Group include Urban Water Treatment, Water Environment Comprehensive Remediation, Rural Water Improvement, etc.

The scope of Urban Water Treatment includes constructions and operations in Urban Water Treatment, reclaimed water treatment and usage, sludge disposal, water distribution, O&M (operation and maintenance of a water or wastewater treatment facility), etc. The Group has the overall industry chain in Urban Water Treatment, which is executed under the contracts of BOT, TOT, PPP, Build-Own-Operate (the "BOO"), EPC and O&M.

The scope of Water Environment Comprehensive Remediation includes river harnessing and improvement, foul water body remediation, sponge city construction, pipeline network projects, urban comprehensive pipe tunnel, etc. The Group engages in and pursues expanding market share in Water Environment Comprehensive Remediation, which is executed under the contracts of PPP and EPC.

The scope of Rural Water Improvement includes the construction and operation related to "the Construction of Beautiful Village", such as wastewater treatment, pipeline for collecting wastewater, rural living environment improvement, etc. The Group started to carry out this business in 2016, and continued to acquire more sound projects in the related areas.

In the future, the Group will continuously pursue more market opportunities in the above mentioned three divisions by investing in new projects as well as merger and acquisition. The Group is very confident about the prospects and future profitability.

1.1 Urban Water Treatment

As at 31 December 2017, the Group had entered into a total of 106 service concession arrangements projects, including 99 wastewater treatment plants, 3 water distribution plants, 3 sludge treatment plants and 1 reclaimed water treatment plant. Total daily treatment capacity for new projects secured for the year ended 31 December 2017 was 750,000 tonnes, including wastewater treatment projects of 600,000 tonnes and water distribution projects of 150,000 tonnes. The Group will further expand its Urban Water Treatment chain in the future, in order to improve the profitability and competitiveness.

As at 31 December 2017, the Group's total daily treatment capacity was 4,113,350 tonnes, representing a satisfied increase of approximately 22% as compared with the capacity of 3,363,350 tonnes as at 31 December 2016. The increase of the Group's service concession arrangements projects portfolio was a result of strong execution due to its market expansion and development strategy at beginning of the year.

Analysis of the Group's projects on hand as at 31 December 2017 is as follows:

	Daily wastewater treatment capacity	Daily water distribution capacity	Daily reclaimed water treatment capacity	Daily sludge treatment capacity	Total
(Tonnes)					
In operation	3,046,500	_	40,000	350	3,086,850
Not yet started operation/

Total -	103	4,112,800	878.6
Sludge treatment services	3	550	
Total	106	4,113,350	878.6

^{*} Other provinces/municipalities include Beijing, Tianjin, Hebei, Jilin, Liaoning, Shaanxi, Fujian and Sichuan.

1.1.1 Operation Services

As at 31 December 2017, the Group had 81 wastewater treatment projects, 1 reclaimed water treatment project, and 1 sludge treatment project in operation in Mainland China. Total daily treatment capacity in operation of wastewater treatment plants, reclaimed water treatment plant, and sludge treatment plant as at 31 December 2017 reached 3,046,500 tonnes, representing an increase of approximately 24% (31 December 2016: 2,451,500 tonnes), 40,000 tonnes (31 December 2016: 40,000 tonnes) and 350 tonnes (31 December 2016: 350 tonnes), respectively. For the year ended 31 December 2017, the annualized utilization rate for wastewater and reclaimed water treatment plants in operation was approximately 86%. The actual average water treatment tariff for the year ended 31 December 2017 was approximately RMB1.33 per tonne (year ended 31 December 2016: approximately RMB1.32 per tonne). The actual aggregate processing volume for the year ended 31 December 2017 was 878.6 million tonnes, representing an increase of approximately 23% (year ended 31 December 2016: 712.9 million tonnes).

Total operation revenue of Urban Water Treatment services recorded for the year ended 31 December 2017 was RMB695.0 million representing an increase of approximately 30% (year ended 31 December 2016: RMB535.7 million). The corresponding increase was primarily due to the commencement of operation of new water treatment projects through construction and business combination.

1.1.2 Construction Services

The Group entered into a number of service concession arrangements under BOT, BOO and PPP contracts in relation to its Urban Water Treatment business. Under the International Financial Reporting Interpretation Committee 12 Service Concession Arrangements, the Group recognizes the construction revenue with reference to the fair value of the construction service delivered in the building phase. The fair value of such service is estimated on a cost-plus basis with reference to a prevailing market rate of gross margin at the inception date of service concession agreement. Construction revenue from BOT, BOO, PPP and EPC projects is recognized by using the percentage-of-completion method.

For the year ended 31 December 2017, construction revenue was recognized for 32 projects, including 26 waste water treatment plants, 3 water distribution plants and 3 sludge treatment plants which were mainly located in Henan, Shandong, Heilongjiang and Guangdong provinces in Mainland China. Total construction revenue of those projects for the year ended 31 December 2017 was RMB901.4 million representing an increase of approximately 24% (year ended 31 December 2016: RMB728.4 million). The corresponding increase was primarily due to an increase in construction work of new BOT and PPP projects. As at 31 December 2017, the total daily treatment capacity of the service concession arrangements plants, which was still in the construction stage, was 780,200 tonnes, including wastewater treatment plants of 600,000 tonnes, water distribution plants of 180,000 tonnes and sludge treatment plants of 200 tonnes.

1.2 Water Environment Comprehensive Remediation

In the year of 2017, the Group devoted more efforts to the business of Water Environment Comprehensive Remediation under the guidance of the core strategy set in the year of 2016. The Group entered into 2 PPP projects and 6 EPC projects in Henan, Shandong, Jiangxi and Hainan provinces in Mainland China, of which the contract amount reached approximately RMB6,589.97 million. And the Group pursues more market opportunities in the business of Water Environment Comprehensive Remediation.

The Group had 8 Water Environment Comprehensive Remediation projects under construction during the year 2017. The projects were mainly located in Henan, Shandong, Jiangxi and Hainan provinces in Mainland China. For the year ended 31 December 2017, total revenue of those projects was RMB390.9 million, representing an increase of approximately 170% (year ended 31 December 2016: RMB144.5 million), the corresponding increase was primarily due to an increase in commencement of construction work of new PPP and EPC projects.

1.3 Rural Water Improvement

In the year of 2017, the Group expanded the business of Rural Water Improvement to 2 projects which were located in Guangdong province. The Group will seize the opportunities brought about by the environmental protection policies implemented by the central government, to secure more environmental protection projects in this division in the coming year.

For the year ended 31 December 2017, total revenue of those projects was RMB68.6 million, representing a decrease of approximately 41% (year ended 31 December 2016: RMB115.4 million). The corresponding decrease was due to the unsteady construction progress when the project was in different stages of construction, and because the commencement of construction of Jiaoling County Entire County Domestic Wastewater Treatment Facilities Bundle PPP Project* (蕉嶺縣生活污水處理設施全縣捆綁PPP項目) was in the last quarter of 2017.

* For identification purpose only

FINANCIAL ANALYSIS

Revenue

For the year ended 31 December 2017, the Group recorded a revenue of RMB2,523.9 million, representing an increase of approximately 31% compared to the previous corresponding period of RMB1,926.5 million. The increase was mainly due to the increase in construction revenue of RMB375.7 million, the increase in operation revenue of RMB159.3 million, and the increase in financial income of RMB62.4 million. The increase in construction revenue was mainly due to the increase in commencement of construction work for the Group's new BOT, BOO, PPP and EPC projects, especially due to the new projects of Water Environment Comprehensive Remediation. The increase in operation revenue was mainly due to the increase in commencement of operation of new BOT projects of Urban Water Treatment. The increase in financial income was mainly due to the increase in the Group's total water treatment capacity and the increased financial assets as well.

Cost of Sales

The Group's cost of sales for the year ended 31 December 2017 amounted to RMB1,570.6 million, representing an increase of approximately 42% as compared to the previous corresponding period of RMB1,103.2 million. The increase was due to the increase in construction costs of RMB412.4 million and the increase in operation costs amounted to RMB55.0 million. The increase in construction costs was mainly due to the increase in commencement of construction work of new projects for Water Environment Comprehensive Remediation services and Urban Water Treatment services. The increase in operation costs was in line with the increased daily treatment capacity in operation. Cost of sales mainly includes construction costs of RMB1,174.7 million and operation costs of water treatment plants of RMB395.9 million.

Gross Profit Margin

For the year ended 31 December 2017, gross profit margin was approximately 38%, representing a decrease of 5 percentage points as compared to the previous corresponding period of approximately 43%. The decrease was mainly due to (i) the decrease of the construction margin caused by the highly competitive market environment, however the Group's construction margin of new projects still remained at the reasonable level under the market competition, (ii) the increase of operation margin caused by the stable operation for the newly commenced water treatment plants, and (iii) the decrease in the proportion of financial income.

Other Income and Gains

The Group recorded other income and gains of RMB190.7 million for the year ended 31 December 2017, representing an increase of approximately 50% as compared to the previous corresponding period of RMB127.1 million. The amount for this period primarily included government grants of RMB124.4 million, which was mainly comprised of VAT refund under "Notice on the Issuing of the Catalogue of Value-Added Tax Preferences for Products and Labor Services Involving the Comprehensive Utilization of Resources" (關於印發《資源綜合利用產品和 勞務增值稅優惠目錄》的通知) (Cai Shui [2015] No. 78 (財稅[2015]78號文)) and grants for environmental protection, bank interest income of RMB11.2 million, interest income of RMB21.9 million from loans to third parties, gains on foreign exchange transactions of RMB22.2 million, and investment income of RMB8.7 million.

Selling and Distribution Expenses

The Group's selling and distribution expenses for the year ended 31 December 2017 was RMB12.0 million, representing an increase of approximately 9% as compared to RMB11.0 million of last year, which was as a result of continuously ongoing market expansion strategy.

Administrative Expenses

Administrative expenses for the year ended 31 December 2017 was RMB278.9 million, representing an increase of approximately 18% as compared to the previous corresponding period of RMB235.8 million. The increase was mainly due to the increase in staff costs of RMB16.2 million which was caused by the increase of companies operated in line with the Group's expansion plan, the increase in professional expense amounting to RMB13.7 million, and travelling expenses related to the Group's development and subsidiary management amounting to RMB6.5 million.

Other Expenses

Other expenses for the year ended 31 December 2017 was RMB7.8 million, which was mainly comprised of the loss and the write-off of Build-Transfer (the "BT") receivables during the year.

Finance Costs

Finance costs for the year ended 31 December 2017 mainly represented interests on interest-bearing bank borrowings and corporate bonds of RMB354.9 million, representing an increase of approximately 32% as compared to RMB269.5 million in the previous corresponding period. The increase in finance costs was mainly due to the increase of interest-bearing bank borrowings and corporate bonds in line with the increase in project portfolio. The average amount of interest-bearing bank borrowings and corporate bonds increased approximately RMB1,834.2 million and the average interest rate decreased to 4.99%.

Share of Profits and Losses of Associates

Share of profits and losses of associates for the year ended 31 December 2017 was RMB43.7 million, representing an increase of approximately 56% as compared to RMB28.1 million for the previous corresponding period, primarily including the share of profits of RMB41.0 million from the Group's associate Zhongyuan Asset Management Co., Ltd.* (中原資產管理有限公司) for the nine months in 2017, which was classified as "available-for-sale financial investment" on 30 September 2017, and the share of profits of RMB3.2 million from the Group's associate Nanchang Qingshanhu Sewage Treatment Co., Ltd.* (南昌青山湖污水處理有限公司). We have unified the basis for the preparation of the financial statements of associates and the Group.

Share of Profits and Losses of Joint ventures

Share of profits and losses of joint ventures for the year ended 31 December 2017 was RMB2.6 million, representing an increase as compared to the loss of RMB1.3 million in the previous corresponding period, primarily because 49% equity interest in the Group's joint venture Zibo Tianqiyuan Water Distribution Co., Ltd.* (淄博市天齊淵供水有限公司) was acquired on 31 August 2017 and recognised a profit of RMB3.1 million.

^{*} For identification purpose only

Income Tax Expense

Income tax expense for the year ended 31 December 2017 included the current PRC income tax of RMB70.7 million and deferred tax expenses of RMB38.5 million, compared to RMB37.4 million and RMB54.0 million for the previous corresponding period, respectively. The Group's effective tax rate for the year ended 31 December 2017 was approximately 20%, representing a slightly decrease as compared with 21% for the last corresponding period.

Financial Receivables

Receivables for service concession arrangements Receivables for BT arrangements
Subtotal of financial receivables Portion classified as current
Non-current portion

As at		
31 December	31 December	
2017	2016	
RMB'000	RMB'000	
9,087,022	7,044,612	
-	9,643	
9,087,022	7,054,255	
1,410,155	1,268,065	
7,676,867	5,786,190	

As at 31 December 2017, the Group's financial receivables were RMB9,087.0 million, representing an increase of approximately 29% as compared to RMB7,054.3 million as at 31 December 2016. The increase was primarily due to the increase in construction of the Group's service concession arrangements projects under BOT and PPP contracts and the acquisition of waste water treatment projects through business combination.

Construction contracts

As at 31 December 2017, the figure of construction contracts, which are gross amounts due from customers for contract work, was RMB80.5 million, representing a decrease of approximately 57% as compared to RMB188.4 million as at 31 December 2016. The decrease was primarily due to the increase in progress billing for the EPC projects.

Trade and Bills Receivables

As at 31 December 2017, the Group's trade and bills receivables of RMB1,146.1 million (31 December 2016: RMB765.2 million) mainly arose from the provision of wastewater treatment and sludge treatment services for Urban Water Treatment projects as well as construction services for the Group's Water Environment Comprehensive Remediation projects. The balance increased by RMB380.9 million, mainly due to (i) the increase of Urban Water Treatment projects receivables of approximately RMB62.2 million, (ii) the increase of Water Environment Comprehensive Remediation projects receivables of approximately RMB333.4 million, which included cash collected from Yucheng and Wendeng BT projects of approximately RMB27.4 million, and EPC project net receivables of approximately RMB360.8 million arose from the progress billing and cash settlement, and (iii) the decrease of bills receivables of approximately RMB14.7 million caused by bills endorsement and expires.

Prepayments, Deposits and Other Receivables

As at 31 December 2017, the Group's prepayments, deposits and other receivables of RMB823.8 million (31 December 2016: RMB1,051.0 million) decreased by RMB227.2 million, mainly arose from the decrease in loans to third parties of approximately RMB258.4 million according to the business acquisition and construction contract, deposits collected from the Group's new projects through business acquisition of approximately RMB47.8 million, and increase in other operational receivables of approximately RMB79.0 million.

Cash and Cash Equivalents

As at 31 December 2017, the Group's cash and cash equivalents of RMB1,689.6 million (31 December 2016: RMB675.3 million) increased by RMB1,014.3 million. The increase was due to the increase of Group's interest-bearing bank borrowings.

	For the year ended 31 December	
	2017 2016	
	RMB'000	RMB'000
Net cash flows used in operating activities ⁽¹⁾	(812,723)	(199,583)
Net cash flows used in investing activities	(479,452)	(1,081,231)
Net cash flows from financing activities	2,310,139	655,521
Net increase/(decrease) in cash and cash equivalents	1,017,964	(625,293)
Effect of foreign exchange rate changes	(3,616)	8,808
Cash and cash equivalents at beginning of the period	675,285	1,291,770
Cash and cash equivalents at end of the period	1,689,633	675,285

Note:

(1) For the years ended 31 December 2017 and 2016, the Group invested RMB1,213.4 million and RMB540.4 million, respectively, in the Group's BOT, TOT and PPP projects. Such investments were counted towards cash flows used in operating activities. Under the relevant accounting treatment, part of such cash outflows used in operating activities was used to form the non-current portion of financial receivables in the Group's consolidated statement of financial position. For the years ended 31 December 2017 and 2016, the Group would have incurred cash inflows of RMB400.7 million and cash inflows of RMB340.8 million, respectively, if the Group's investments in BOT, TOT and PPP activities were not accounted for as cash flows used in operating activities.

Trade and Bills Payables

As at 31 December 2017, the Group's trade and bills payables of RMB1,290.5 million (31 December 2016: RMB916.7 million) increased by RMB373.8 million, which was in line with the Group's construction work carried out and settlements.

Other Payables and Accruals

As at 31 December 2017, the Group's other payables and accruals of RMB514.5 million (31 December 2016: RMB263.1 million) increased by RMB251.4 million, which was mainly due to increase of the consideration payables for new projects through business acquisition and other operational payables.

Liquidity and Financial Resources

The Group's principal liquidity and capital requirements primarily relate to investments in Urban Water Treatment projects, Water Environment Comprehensive Remediation projects, and Rural Water Improvement projects, merger and acquisition of subsidiaries, costs and expenses related to the operation and maintenance of the Group's facilities, working capital and general corporate purpose.

As at 31 December 2017, the carrying amount of the Group's cash and cash equivalents was RMB1,689.6 million, representing an increase of approximately RMB1,014.3 million as compared to RMB675.3 million as at 31 December 2016, which was mainly due to the net cash inflows from financing activities of RMB2,310.1 million, settlements of acquisition and investing payables amounting to RMB569.3 million and cash outflows of RMB134.3 million for purchases and construction of property, plant and equipment and intangible assets from investing activities, repayments of loans to third party amounting to RMB146.0 million from investing activities, repurchase of available-for-sale financial investments amounting to RMB158.4 million from investing activities, and the net cash outflows from operating activities of RMB812.7 million.

The Group's total interest-bearing bank borrowings amounted to RMB6,395.1 million as at 31 December 2017 (31 December 2016: RMB4,521.0 million), over 81% of which bear interest at floating rates.

The Group's total corporate bonds amounted to RMB2,048.8 million as at 31 December 2017 (31 December 2016: RMB1,246.8 million), which comprised corporate bonds issued on 18 December 2015, 30 June 2016, 13 July 2017, 10 August 2017, 14 September 2017, and 19 December 2017, with an aggregate amount of RMB900.0 million, RMB60.0 million, RMB200.0 million, RMB300.0 million, RMB300.0 million, respectively. All the corporate bonds bear interest at fixed rates.

As at 31 December 2017, the Group had banking facilities amounting to RMB57,366.2 million, of which RMB49,702.0 million have not been utilised. Of the unutilised banking facilities as at that date, RMB380.0 million were unrestricted facilities and the remaining RMB49,322.0 million were restricted facilities, which were mainly limited to be utilized on environmental protection infrastructure and comprehensive management.

As at 31 December 2017, the gearing ratio (calculated by net debt divided by capital and net debt) is 67%, while the gearing ratio was 63% as at 31 December 2016. The increase of gearing ratio is mainly due to the increase of the interest-bearing bank borrowings and issuance of corporate bonds for the new investments and acquisitions.

Charges on the Group's Assets

Outstanding balance of interest-bearing bank and other borrowings as at 31 December 2017 was approximately RMB6,395.1 million, which were repayable within one month to twenty-eight years and were secured by financial receivables, service concession intangible assets, property, plant and equipment, trade receivables and pledged deposits, of which the total amounts of the pledge of assets amounted to RMB5,560.7 million.

Capital Expenditure

During the year ended 31 December 2017, the Group's total capital expenditure were RMB1,898.2 million, compared to RMB1,590.9 million in 2016, primarily including the consideration of approximately RMB1,228.2 million for construction and acquisition of BOT, TOT, BOO and PPP projects and the consideration of approximately RMB597.6 million for acquisition of equity interests in subsidiaries, associates and joint venture.

SIGNIFICANT INVESTMENTS AND ACQUISITIONS

(a) On 1 July 2017, Chongqing Kangda Environmental Protection Industry (Group) Co., Ltd.* (重慶康達環保產業 (集團) 有限公司) ("Chongqing Kangda") acquired 70% interest in Wenzhou Chuangyuan Water Co., Ltd. (溫州市創源水務有限公司) ("Wenzhou Chuangyuan"). Meanwhile, pursuant to the agreements between Chongqing Kangda, Zhongtong Zhiye Group Co., Ltd* (中通置業集團有限公司) ("Zhongtong Zhiye") and Zhejiang Xinbang Holdings Group Co., Ltd.* (浙江新邦控股集團有限公司) ("Zhejiang Xinbang"), Chongqing Kangda was given the present access to returns over all of the shares held by Zhongtong Zhiye and Zhejiang Xinbang, then there was no non-controlling interest presented in equity and Chongqing Kangda accounts for the business combination of Wenzhou Chuangyuan as though it acquired a 100% interest. The consideration was RMB324.8 million, including the consideration for 100% of the equity interest in Wenzhou Chuangyuan, amounted to approximately RMB209.8 million, and the liabilities of Wenzhou Chuangyuan to be assumed by Chongqing Kangda, amounted to approximately RMB115.0 million. The daily treatment capacity gained through acquisition of Wenzhou Chuangyuan was 250,000 tonnes for wastewater treatment. The equity transfer agreement was entered into on 23 May 2017, while the transaction was finally completed on 1 July 2017.

Further details of the transaction were set out in the Company's announcement dated 23 May 2017.

(b) On 31 August 2017, Kangda Investment (Hong Kong) Company Limited, an indirectly wholly-owned subsidiary of the Group, acquired 100% interest in Meiling Environmental Technology (Zibo) Co., Ltd.* (美陵環境科技(淄博) 有限公司) ("Meiling Zibo"), 100% interest in Jining Meiling Sewage Purification Co., Ltd.* (濟寧市美陵污水淨化有限公司) ("Jining Meiling"), 100% interest in Qingzhou Meiling Sewage Purification Co., Ltd.* (青州市美陵污水淨化有限公司) ("Qingzhou Meiling") (Meiling Zibo, Jining Meiling, and Qingzhou Meiling are collectively referred to as the "Meiling Group"), and 49% interest in Zibo Tianqiyuan Water Distribution Co., Ltd.* (淄博市天齊淵供水有限公司) ("Zibo Tianqiyuan"). The consideration was RMB543.3 million, including the consideration for 100% of the equity interest in Meiling Group and 49% interest in Zibo Tianqiyuan amounted to approximately RMB377.3 million, and the liabilities of Meiling Group to be assumed by Chongqing Kangda, amounted to approximately RMB166.0 million. The daily treatment capacity gained through acquisition of Meiling Group was 200,000 tonnes for wastewater treatment and 20,000 tonnes for O&M. The equity transfer agreement was entered into on 16 December 2016, while the transaction was finally completed on 31 August 2017.

Further details of the transaction were set out in the Company's announcement dated 16 December 2016.

Save as disclosed above, the Group had no significant investments, acquisitions and disposals of subsidiaries and associated companies during the year ended 31 December 2017.

EMPLOYEES AND REMUNERATION POLICIES

The Group had 2,427 employees as at 31 December 2017. The remuneration package of the Group is generally determined with reference to market conditions and individual performance. Salaries are normally reviewed annually based on performance appraisals and other relevant factors. The Group provides external and internal training programs to its employees.

CONTINGENT LIABILITIES

As at 31 December 2017, the Group did not have any significant contingent liabilities (31 December 2016: Nil).

* For identification purpose only

FOREIGN EXCHANGE RISK

Majority of the subsidiaries of the Company operate in the PRC with most of the transactions denominated and settled in RMB. As at 31 December 2017, except for the bank deposits and certain amount of interest-bearing bank borrowings denominated in foreign currencies, the Group did not have significant foreign currency exposure from its operations. Currently, the Group has not used derivative financial instruments to hedge its foreign currency risk.

DIRECTORS

The Board is responsible and has general powers for the management and operation of the Group's business. The Board currently consists of nine Directors, including six executive Directors and three independent non-executive Directors.

Executive Directors

Mr. Zhao Juanxian (alias, Zhao Junxian) (趙雋賢), aged 65, is the founder of the Group. He is an executive Director, and the chairman of the Board (the "Chairman") of the Company, responsible for strategic development and planning, overall operational management, market development and major decision making. He was appointed as a Director on 22 August 2011. He has acted as a director and the chief executive officer of Chongqing Kangda since the beginning of the establishment of Chongqing Kangda and ceased to be the chief executive officer of Chongqing Kangda in September 2012. Mr. Zhao has served as the chairman of the board of directors and general manager of Chongqing Kangte Environmental Protection Industry Holdings Co., Ltd.* (重慶康特環保產業控股有限公司) since November 1994. He has also served as a director of Jilin Kangda Environmental Protection Co., Ltd.* (吉林康達環保有限公司) ("Jilin Kangda") and Hebi Kangda Water Co., Ltd.* (鶴壁康達水務有限公司) ("Hebi Kangda") since September 2011 and February 2012, respectively. He graduated from the political administration at elementary level* (黨政幹部基礎科專業) from Sichuan University* (四川大學) located in Chengdu City, Sichuan Province, and Sichuan Higher Vocational and Examination Committee* (四川省高等中專教育自學考試指導委員會) in June 1988, and attended a one-month education programme of Sichuan foreign-related business from Shenzhen University* (深圳大學) located in Shenzhen City, Guangdong Province, in July 1988.

Mr. Zhao Juanxian has about 25 years of experience in the environmental protection and wastewater treatment industry and was awarded for several times for his valuable contribution to the development of environmental protection and his expertise in environmental protection technology by relevant environmental protection industry associations from 2004 to 2009. Mr. Zhao Juanxian was granted the title of Outstanding Environmental Technology Entrepreneurs by the Chinese Society for Environmental Sciences* (中國環境科學學會) in September 2004. He received the China Environmental Protection Industry Development Award granted by the China Association of Environmental Protection Industry* (中國環境保護產業協會) in January 2005. He was also granted the title of Outstanding Individual of Environmental Protection by the People's Government of Chongqing Municipal* (重慶市人 民政府) in July 2006 and Outstanding Entrepreneur of China Environmental Protection Industry by China Association of Environmental Protection Industry* (中國環境保護產業協會) in October 2009. Mr. Zhao Juanxian served as the vice president of the 3rd and 4th Session of Chongqing Municipal Environmental Protection Industry Association* (重慶市 環境保護產業協會第三屆及第四屆理事會) in 2005 and 2012, respectively, and the vice president of the 3rd and 4th Session of China Association of Environmental Protection Industry* (中國環境保護產業協會第三屆及第四屆理事會) in 2005 and 2009, respectively. In January 2015, he served as the vice chairman of the board of directors of China Stateowned Industry Innovation Alliance (中國國資國企產業創新戰略聯盟) and the vice chairman of the board of directors of Hong Kong-Mainland International Investment Society (香港國際投資總會), respectively.

For identification purposes only

Mr. Zhang Weizhong (張為眾), aged 66, is the Company's chief executive officer (the "Chief Executive Officer") and an executive Director. He was appointed as the Director on 15 March 2013. He was appointed as the president of Chongqing Kangda on 25 September 2012. He completed a nine-month training programme of financial accounting in Sichuan Institute of Finance and Economics* (四川財經學院, currently known as Southwestern University of Finance and Economics* (西南財經大學)) located in Chengdu City, Sichuan Province, from October 1980 to July 1981 and graduated from Sichuan Radio and TV University* (四川廣播電視大學) located in Chengdu City, Sichuan Province, with a college degree* (大學專科) in industrial accounting in July 1986. Mr. Zhang Weizhong has over 30 years of experience of management and has obtained the qualification of senior accountant in the PRC granted by the People's Government of Chongqing Municipal* (重慶市人民政府) in December 1988. He was granted the title of Outstanding Accountant by the People's Government of Chongqing Municipal* (重慶市人民政府) in November 1982, Outstanding Accountant by Shizhong District Government of Chongqing* (重慶市市中區人民政府) in December 1982 and Senior Accounting Worker by Sichuan Province Government* (四川省人民政府) in December 1986. In January 2015, he served as the deputy secretary-general of China State-owned Industry Innovation Alliance (中國國資國企產業創新戰略聯盟).

Mr. Zhang Weizhong has served as an executive director of the Painting Branch of China Chemical Accounting Association* (中國化工會計學會塗料分會) since November 1991 and an executive director of Hainan Association of Chief Accountant* (海南省總會計師協會) since December 2004. Mr. Zhang held directorships in China Huandao (Group) Limited Company* (中國寰島集團公司), Sea Master Finance Limited (海領財務公司) and Cheer Harvest Industries Limited (資合實業有限公司). In addition, he was also the general manager and chairman of Huandao South Development Limited Company* (寰島南方實業發展有限公司), as well as the general manager and legal representative of Haikou Haidian Island Real Estate Development Limited Company* (海口海甸島房地產開發總公司). Even though Mr. Zhang held directorships and other management positions in other companies, Mr. Zhang has confirmed that his respective employments in other companies will not materially affect the discharge of his duties to the Company.

Ms. Liu Zhiwei (劉志偉), aged 53, is an executive Director and was appointed as a Director on 15 May 2012. She joined the Group in 1996 and has served various positions, including chief accountant, chief officer of asset management department, deputy chief financial officer, audit director, executive director and vice president, and is currently responsible for the investor relationship and risk control matters of the Group. Ms. Liu has approximately 20 years of experience in the field of accounting. She obtained the qualification of senior accountant in the PRC granted by the People's Government of Chongqing Municipal* (重慶市人民政府) in November 2000.

Mr. Gu Weiping (顧衛平), aged 63, is an executive Director and was appointed as a Director on 15 May 2012. He joined the Group in 1996 and has served various positions, including general manager assistant, vice president and deputy chairman. He is currently responsible for the management of administrative and human resource affairs of the Group. He has also served as a director of Hebi Kangda and Kangda (Dongying) Environmental Protection Water Co., Ltd.* (康達(東營)環保水務有限公司) since February 2012 and November 2012, respectively. He completed the training course on administration and management for two years and graduated in political management and administration at elementary level* (黨政管理幹部基礎專修科專業) from Sichuan Radio and TV University* (四川廣播電視大學) located in Chongging Municipal, in July 1986. He obtained the qualification of environmental engineer in the PRC granted by the People's Government of Chongqing Municipal* (重慶市人民政府) in September 1993. Mr. Gu Weiping has over 35 years of experience in the environmental protection industry. The research project he participated, namely the Research on the National Environmental Monitoring Standardisation of Analytical Methods* (全國環境監 測分析方法標準化研究), won the Second Prize of Environmental Protection Science and Technology Progress Award* (環境保護科學技術進步二等獎) granted by the National Environmental Protection Bureau* (國家環境保護局) in October 1987. He was awarded by the People's Government of Chongging Municipal* (重慶市人民政府) for his outstanding contribution to the development of engineering technology and projects on wastewater treatment in 1998 and 2011.

* For identification purposes only

Mr. Wang Litong (王立彤), aged 49, is an executive Director and was appointed as a Director on 30 October 2013. He was appointed as the vice president of Chongqing Kangda in charge of marketing department, technology management department and water projects management department on 28 July 2011. He is currently in charge of the marketing and business development of the Group. He has also served as a director of Jilin Kangda since September 2011. He graduated from Tianjin Institute of Technology* (天津理工學院, currently known as Tianjin University of Technology* (天津理工大學)) located in Tianjin, with major in mechanical design in July 1991. He has more than 20 years of experience in relation to municipal environmental protection and was involved in a number of projects in municipal environmental design engineering, sewage treatment, solid waste disposal and research work on environmental protection facilities. Mr. Wang obtained the qualification of senior engineer in the PRC granted by the Tianjin Human Resource and Social Security Bureau* (天津市人力資源和社會保障局) in December 2010, and he has served as a member of the Committee for Drainage of Civil Engineering* (土木工程學會排水委員會) since November 2012. He has participated in the compilation of 10 sets of national standards in technology of construction and has been recognised by the Ministry of Housing and Urban – Rural Development of the PRC (中華人民共和國住房和城鄉建設部) for his outstanding consultancy, project design and development of technology.

Mr. Wang Tianci (王天賜), aged 49, is an executive Director and was appointed as a Director on 26 May 2017. He is currently in charge of the finance and fund operation of the Group. He graduated from Zhejiang University* (浙江大學) in July 1992 with a bachelor degree in economics and from Northeastern University* (東北大學) in April 2013 with a doctor degree in management. Mr. Wang previously held various positions in several sub-branches and functional departments of Hainan branch of Bank of China* (中國銀行海南省分行), including the president of the Dongfang sub-branch of Bank of China* (中國銀行海南省分行) from January 2009, the general manager of the sales department of the Hainan branch of Bank of China* (中國銀行海南省分行) from January 2009 to May 2011, the president of the Meishehe sub-branch of Bank of China in Haikou City* (中國銀行海口市美舍河支行) from May 2011 to March 2014, and the general manager of the risk management department of the Hainan branch of Bank of China* (中國銀行海南省分行) from March 2014 to November 2014. Since December 2014, Mr. Wang has been serving as the vice president of Chongqing Kangda Environmental Protection Industry (Group) Co., Ltd.* (重慶康達環保產業(集團)有限公司), an indirectly wholly-owned subsidiary of the Company, the general manager of Kangrun (Shenzhen) International Finance Leasing Co., Ltd.* (康潤(深圳)國際融資租賃有限公司) and a director of Zhongyuan Asset Management Co., Ltd.* (中原資產管理有限公司), concurrently.

Non-executive Director

Mr. Zhuang Ping (莊平), aged 53, was a non-executive Director nominated by Baring Private Equity Asia V Holding (5) Limited. He joined the Group on 30 October 2013 when he was appointed as a non-executive Director. He obtained a bachelor degree in water supply and engineering from Xi'an Institute of Metallurgy and Construction* (西安冶金建 築學院, currently known as Xi'an University of Architecture and Technology* (西安建築科技大學)) located in Xi'an City, Shaanxi Province, in July 1983, a master degree in environmental engineering from Tianjin University* (天津大學) located in Tianjin, in June 1988, a doctorate degree in civil and environmental engineering from Clarkson University in New York, the US, in May 1994. Mr. Zhuang became a grade II wastewater treatment plant operator granted by the Water Pollution Control System Operations Certification Commission of the State of North Carolina, the US, in February 1996, a professional engineer in North Carolina, the US, in February 1997, a professional engineer in Florida, the US, in October 1997. His engineering license has been recognised by the National Council of Examination for Engineering and Surveying in the US in July 1997. He has been working for more than 20 years in the fields of urban development, water and wastewater treatment, solid waste management, groundwater and soil remediation, energy efficiency as well as many other infrastructure projects related work, including research, investment planning (fund raising), feasibility studies, project development, financing, implementation, operation and maintenance. He has participated in Asia Development Bank (ADB) financed environmental protection projects in China, mainly responsible for project implementation and commissioning.

Mr. Zhuang has served as the chairman and general manager of Easen International Co., Ltd. (美國宜生國際有限公司) since October 2005.

Mr. Zhuang resigned on 31 March 2017 before the expiration of his term of appointment.

* For identification purposes only

Independent non-executive Directors

Mr. Tsui Yiu Wa Alec (徐耀華), aged 68, is an independent non-executive Director. He joined the Group on 30 October 2013 when he was appointed as an independent non-executive Director. Mr. Tsui graduated from the University of Tennessee located in Knoxville, Tennessee, the US, with a bachelor degree in science in industrial engineering in June 1975 and a master degree in engineering in June 1976 and completed the programme for senior managers in government at the John F. Kennedy School of Government at Harvard University located in Cambridge, Massachusetts, the US, in August 1993. Mr. Tsui has over 20 years of experience in finance and administration, corporate and strategic planning, information technology and human resources management.

Mr. Tsui Yiu Wa Alec served various positions, including the chief executive of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") from February 1997 to July 2000, the chief operating officer of Hong Kong Exchanges and Clearing Limited (香港交易及結算所有限公司) from March 2000 to July 2000 and the chairman of Hong Kong Securities Institute (香港證券專業學會) from December 2001 to December 2004. Mr. Tsui has been the chairman of the board of directors of WAG Worldsec Corporate Finance Limited (香港華高和昇財務顧問有限公司), a private company which provides professional consulting services and financial solutions to corporations, since February 2006, mainly responsible for overall strategic direction and operational management, and had resigned as the chairman and director of WAG Worldsec Corporate Finance Limited on June 2016.

Mr. Tsui is also an independent non-executive director of Industrial and Commercial Bank of China (Asia) Limited and Zhuhai Da Heng Qin Company Limited. He is also an independent non-executive director of a number of listed companies in Hong Kong, namely, COSCO Shipping International (Hong Kong) Limited (previously known as COSCO International Holdings Limited), Melco Resorts & Entertainment Limited, Pacific Online Limited, Summit Ascent Holdings Limited, and DTXS Silk Road Investment Holdings Company Limited (previously known as UDL Holdings Limited) as well as independent non-executive director of certain companies listed overseas including ATA INC (listed on National Association of Securities Deal Automated Quotation (NASDAQ) in the US), and Melco Resorts & Entertainment (Philippines) Corporation (listed in the Republic of Philippines).

Mr. Peng Yongzhen (彭永臻), aged 69, is an independent non-executive Director. He joined the Group on 26 February 2015 when he was appointed as an independent non-executive Director. Mr. Peng graduated from Harbin Institute of Technology* (哈爾濱工業大學) (formerly known as Harbin University of Architecture and Engineering (哈爾濱建築大學), the same below) in June 1995 with a doctor degree in environmental engineering and was a senior visiting scholar in Gunma University (日本群馬大學) from October 1996 to April 1997. Mr. Peng previously held various positions in water supply and sewerage engineering major in the urban construction department of Harbin Institute of Technology* (哈爾濱工業大學), including the teaching assistant position from September 1976 to October 1978, the teaching assistant, lecturer and associate professor positions from December 1981 to September 1993, and the professor position from September 1993 to February 2000. Since 2000, he has been a chief professor of the environment engineering department, a professor, a tutor of doctoral candidates and the chief of the environmental engineering department and water pollution control research laboratory in Beijing University of Technology* (北京工業大學), and the chief of Beijing Engineering Technology Research Center of Sewage Nitrogen and Phosphorus Removal* (北京市污水脱氮除磷處理工程技術研究中心) of Beijing University of Technology, concurrently.

He has long been engaged in the research of urban sewage disposal measures, of which some technological achievements have been massively applied into practice. Mr. Peng has earned diverse national-level titles and awards for his academic achievements, including without limitations National Role Model Lecturer* (全國模範教師) in 2007, National Outstanding Faculty* (國家教學名師) in 2009 and National Excellent Technical Personnel* (全國優秀科技工作者) in 2012. He was selected to be one of the first talents sponsored by National Special Support Plan for High-level Personnel* (國家高層次人才特殊支持計劃) in 2013. He was granted the Second Prize of National Prize for Progress in Science and Technology* (國家科技進步獎) in 2004, 2009 and 2012, respectively, and the First Prize of Beijing Municipal Prize for Progress in Science and Technology* (北京市科技進步獎) in 2012. Mr. Peng received a special allowance from China's State Council in 2000.

Mr. Chang Qing (常清), aged 60, is an independent non-executive Director. He joined the Group on 8 January 2016 when he was appointed as an independent non-executive Director. Mr. Chang graduated from the Chinese Academy of Social Sciences* (中國社會科學院) with a doctorate degree in agricultural economics and management in 2001, graduated from Jilin University (吉林大學) with a bachelor's degree in economics in 1982 and a master's degree in national economics in 1985. Mr. Chang had successively served as a research assistant, a deputy research fellow and a research fellow of Development Research Center of the State Council (國務院發展研究中心) from 1985 to 2005 and the vice chairman of China Futures Association (中國期貨業協會) from 1999 to 2006. Mr. Chang has worked in the College of Economics and Management of China Agriculture University (中國農業大學經濟管理學院) since 2005. He has also served as the chairman of the board of Jinpeng International Futures Co., Ltd (金鵬期貨經紀有限公司) since 1993.

Mr. Chang has served as an independent non-executive director of China Chengtong Development Group Limited (中國誠通發展集團有限公司), which is listed on the Stock Exchange (stock code: 00217), and as an independent director of Tibet Summit Industry Co., Ltd.* (西藏珠峰工業股份有限公司), which is listed on the Shanghai Stock Exchange (stock code: 600338), and Tebian Electric Apparodus Stock Co., Ltd. (特變電工股份有限公司), which is listed on the Shanghai Stock Exchange (stock code: 600089), since January 2013, June 2011 and September 2015, respectively. He served as an independent director of Shenwu Environmental Technology Co., Ltd. (神霧環保技術股份有限公司), which is listed on the Shenzhen Stock Exchange (stock code: 300156), from September 2008 to August 2015, and as an independent director of Rongfeng Holding Group Co., Ltd. (榮豐控股集團股份有限公司), which is listed on the Shanghai Stock Exchange (stock code: 000668), from August 2007 to September 2013.

Mr. Liang completed the education programmes on senior industrial accounting in Chongging Staff Accountant Training College* (重慶職工會計專科學校) located in Chongging Municipal, in autumn 1981, spring 1983 and autumn 1983. He has also completed a two-year long-distance programme on economics and management in Beijing Economic Correspondence University* (北京經濟函授大學, currently known as Beijing Institute of Economic Management Correspondence College* (北京經濟管理函授學院)) located in Beijing, in January 1989. He passed the examination of college level accounting* (會計專業職務大專水平) in Sichuan Province in September 1988. He has over 20 years experience over accounting, financing and auditing affairs and was qualified as an accountant in the PRC granted by the Ministry of Finance of the PRC in November 1993.

CORPORATE GOVERNANCE PRACTICES

Adapting and adhering to the recognised standards of corporate governance principles and practices has always been one of the top priorities of the Company. The Board believes that good corporate governance is one of the areas that lead to the success of the Company and in balancing the interests of Shareholders, customers and employees, and the Board is devoted to ongoing enhancements of the efficiency and effectiveness of such principles and practices.

The Company has adopted the code provisions included in the corporate governance code (the "Corporate Governance Code") as set out in Appendix 14 of The Rules Governing the Listing of Securities on the Stock Exchange (the "Listing Rules"). The Board is of the view that during the year ended 31 December 2017, the Company has complied with the Corporate Governance Code and there has been no deviation from the code provisions as set forth under the Corporate Governance Code.

The Group further strengthened the control over budget, risk, performance and responsibilities, optimised management approaches and strategies, improved supporting mechanism and enhanced control effectiveness and operational efficiency of the Group.

The Group enhanced overall control over target responsibilities and budget control, which was promoted and implemented within the entities under the Group as well as management level, and implemented the main body responsibility system through organic combination of the trinity to fully stimulate team members' initiative.

The Group also took initiative to enhance efforts in fund management, financial risk control, project investment decisions, legal risk control, information disclosure and maintenance of investor relationship to strive for more effective and transparent management in accordance with the Corporate Governance Code.

COMPLIANCE WITH MODEL CODE FOR SECURITIES TRANSACTIONS BY DIRECTORS

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code") as set out in Appendix 10 of the Listing Rules as a code of conduct regarding the Directors' dealings in the Company's securities.

The Company has made specific enquiries to all of the Directors and all of the Directors have confirmed that they have complied with the required standard as set out in the Model Code throughout the year ended 31 December 2017.

THE BOARD OF DIRECTORS

The Board is responsible for leadership and control of the Company and overseeing the Group's businesses, strategic decisions and performance. The Board has delegated to the chief executive officer, of which the Directors also undertake, and through him, to the senior management the authority and responsibility for the day-to-day management and operation of the Group. In addition, the Board has established Board committees and has delegated to these Board committees various responsibilities as set out in their respective terms of reference.

The composition of the Board is set out below:

Executive Directors

Zhao Juanxian (alias, Zhao Junxian) (Chairman) Zhang Weizhong (Chief executive officer) Liu Zhiwei Gu Weiping Wang Litong Wang Tianci (appointed on 26 May 2017)

Non-executive Director

Zhuang Ping (resigned on 31 March 2017)

Independent non-executive Directors

Tsui Yiu Wa Alec Peng Yongzhen Chang Qing

The Directors have no financial, business, family or other material/relevant relationships with each other.

During the year ended 31 December 2017, the Board at all time complied with the requirements of the Listing Rules relating to the appointment of at least three independent non-executive Directors with at least one independent non-executive Director possessing appropriate professional qualifications or accounting or related financial management expertise.

The Company has received written annual confirmation from each of the independent non-executive Directors of his independence pursuant to Rule 3.13 of the Listing Rules. The Company considers all independent non-executive Directors to be independent in accordance with the independence guidelines as set out in the Listing Rules.

A code provision of the Corporate Governance Code requires Directors to disclose to the issuer the number and nature of offices held in public companies or organisations and other significant commitments as well as the nature of such companies or organisations and the time involved in such offices, each Director has agreed to disclose their commitments to the Company in a timely manner.

CHAIRMAN AND CHIEF EXECUTIVE OFFICER

The roles and duties of the chairman and the chief executive officer of the Company are carried out by different individuals and have been clearly defined in writing.

The Chairman is Mr. Zhao Juanxian (alias, Zhao Junxian) and the Chief Executive Officer is Mr. Zhang Weizhong. The positions of Chairman and Chief Executive Officer are held by separate persons in order to preserve independence and a balance of views and judgement.

With the support of the senior management, the Chairman is responsible for ensuring that the Directors receive adequate, complete and reliable information in a timely manner and appropriate briefing on issues arising at Board meetings. The Chief Executive Officer focuses on implementing objectives, policies and strategies approved and delegated by the Board. He is in charge of the Company's day-to-day management and operations. The Chief Executive Officer is also responsible for developing strategic plans and formulating the organisational structure, control systems and internal procedures and processes for the Board's approval.

APPOINTMENT AND RE-ELECTION OF DIRECTORS

Each of the executive Directors (except for Mr. Wang Tianci) has entered into a service contract with us for an initial fixed term of three years commencing on 4 July 2014, the listing date of the Company (the "Listing Date") and will continue thereafter until terminated by not less than three months' notice in writing served by either party to the other.

Mr. Wang Tianci has entered into a service contract with the Company for an initial fixed term of three years commencing on 26 May 2017 and will continue thereafter until terminated by not less than three months' notice in writing served by either party to the other.

The non-executive Director has signed an appointment letter issued by us regarding appointing him as the non-executive Director for a fixed term of one year commencing on the Listing Date and will continue thereafter until terminated by not less than three months' notice in writing served by the non-executive Director or by immediate notice in writing served by the Company. On 31 March 2017, Mr. Zhuang Ping resigned as a non-executive Director.

Each of the independent non-executive Directors (except for Mr. Peng Yongzhen and Mr. Chang Qing) has entered into a service contract with us for an initial fixed term of one year commencing on 1 November 2013 and will continue thereafter until terminated by not less than one month's notice in writing served by either party to the other.

Mr. Peng Yongzhen has entered into a service contract with the Company for an initial fixed term of one year commencing on 26 February 2015 and will continue thereafter until terminated by not less than one month's notice in writing served by either party to the other.

Mr. Chang Qing has entered into a service contract with the Company for an initial fixed term of one year commencing on 8 January 2016 and will continue thereafter until terminated by not less than one month's notice in writing served by either party to the other.

In accordance with the articles of association of the Company (the "Articles of Association"), all Directors are subject to retirement by rotation at least once every three years and any new Director appointed by the Board to fill a causal vacancy shall submit himself/herself for re-election by Shareholders at the first general meeting after his/her appointment or in case as an addition to the Board, the new Director shall hold office only until the next following annual general meeting of the Company and then be eligible for re-election.

The procedures and process of appointment, re-election and removal of Directors are laid down in the Articles of Association. The Nomination Committee is responsible for reviewing the Board composition, monitoring the appointment and succession planning of Directors and assessing the independence of independent non-executive Directors.

The Board is collectively responsible for performing the corporate governance duties and formalised the inclusion of the following corporate governance duties into the terms of reference of the Board:

- a. to develop and review the Company's policies and practices on corporate governance and make recommendations to the Board;
- b. to review and monitor the training and continuous professional development of Directors and senior management;
- c. to review and monitor the Company's policies and practices on compliance with legal and regulatory requirements;
- d. to develop, review and monitor the code of conduct and compliance manual (if any) applicable to employees and Directors; and
- e. to review the Company's compliance with the Corporate Governance Code and disclosure in the corporate governance report in the annual report of the Company.

The Board had reviewed and approved the corporate governance report contained in this annual report. The Board had also reviewed the Company's policies and practices on corporate governance and compliance with legal and regulatory requirements.

The Board had adopted a board diversity policy aiming to set out the approach to achieve the diversity of members of the Board to enhance the effectiveness of the Board. The Company recognises and embraces the benefits of diversity of Board members. It endeavours to ensure that the Board has a balance of skills, experience and diversity of perspectives appropriate to the requirements of the Company's business. All Board appointments will continue to be made on a merit basis with due regard for the benefits of diversity of the Board members. Selection of candidates of Board members will be based on a range of diversity perspectives, including but not limited to gender, age, cultural and educational background, experience (professional or otherwise), skills and knowledge. The ultimate decision will be made upon the merits and contribution that the selected candidates will bring to the Board.

Each newly appointed Director receives formal, comprehensive and tailored induction on the first occasion of his/her appointment to ensure appropriate understanding of the business and operations of the Company and full awareness of Director's responsibilities and obligations under the Listing Rules and relevant statutory requirements.

Directors are continually updated on the statutory and regulatory regime and the business environment to facilitate the discharge of their responsibilities. Continuing briefing and professional development for Directors will be arranged where necessary. Individual Directors also participated in the courses relating to the roles, functions and duties of a listed company director or further enhancement of their professional development by way of attending training courses or via online aids or reading relevant materials.

DIRECTORS' TRAINING

According to the records provided by the Directors, a summary of training received by the Directors for the year ended 31 December 2017 is as follows:

BOARD MEETINGS

Notice of regular Board meetings will be dispatched to all Directors at least 14 days before the meeting. For other Board and committee meetings, reasonable notice is generally given.

Board papers together with all appropriate, complete and reliable information are sent to all Directors at least 3 days before each Board meeting or committee meeting to keep Directors apprised of the latest developments and financial position of the Company and to enable them to make informed decisions. The Board and each Director also have separate and independent access to the senior management where necessary.

The senior management, including Chief Executive Officer and chief financial officer/deputy chief financial officer, attend all regular Board meetings and where necessary, other Board and committee meetings, to advise on business developments, financial and accounting matters, statutory and regulatory compliance, corporate governance and other major aspects of the Company.

Draft minutes are normally circulated to Directors for comment within a reasonable time after each meeting and final versions are open for Directors' inspection.

The Articles of Association contains provisions requiring Directors to abstain from voting and not to be counted in the quorum at meetings for approving transactions in which such Directors or any of their associates have a material interest.

DIRECTORS' ATTENDANCE RECORDS

During the year ended 31 December 2017, four Board meetings and an annual general meeting were held, including reviewing and approving the annual results for the year ended 31 December 2016 and the interim results for the six months ended 30 June 2017, approving the appointment of Mr. Wang Tianci as an executive Director of the Company, and considering and approving the overall strategies and policies of the Company.

The attendance records of each Director at the Board meetings and the annual general meeting during the year ended 31 December 2017 are set out below:

DELEGATION BY THE BOARD

The Board undertakes responsibility for decision making in major Company matters, including the approval and monitoring of all policy matters, overall strategies and budgets, internal control and risk management systems, material transactions (in particular those that may involve conflict of interests), financial information and other significant financial and operational matters.

All Directors have full and timely access to all relevant information as well as the advice and services of the company secretary, with a view to ensuring that Board procedures and all applicable laws and regulations are followed. Each Director is normally able to seek independent professional advice in appropriate circumstances at the Company's expense, upon making request to the Board.

The day-to-day management, administration and operation of the Company are delegated to its Chief Executive Officer and the senior management.

BOARD COMMITTEES

The Board has established three committees, namely, the nomination committee, the remuneration committee and the audit committee.

NOMINATION COMMITTEE

The Company has established a nomination committee on 30 October 2013 (the "Nomination Committee") with written terms of reference in compliance with paragraph A.5 of the Corporate Governance Code. The primary function of the Nomination Committee is to make recommendations to the Board on the appointment or reappointment of Directors and succession planning for Directors, in particular the Chairman and the chief executive. The Nomination Committee currently consists of five members, comprising Mr. Zhao Juanxian (alias, Zhao Junxian), Mr. Zhang Weizhong, Mr. Tsui Yiu Wa Alec, Mr. Peng Yongzhen and Mr. Chang Qing, and Mr. Zhao Juanxian (alias, Zhao Junxian) is the chairman of the Nomination Committee.

The Nomination Committee held one meeting during the year ended 31 December 2017 and the attendance records are set out below:

	Attendance/	
Name of Directors	Number of Meetings	
Mr. Zhao Juanxian (alias, Zhao Junxian) (Chairman)	1/1	
Mr. Zhang Weizhong	1/1	
Mr. Tsui Yiu Wa Alec	1/1	
Mr. Peng Yongzhen	1/1	
Mr. Chang Qing	1/1	

The Nomination Committee had reviewed the size, structure and composition of the Board to complement the Group's corporate strategy, nominated candidates to fill the casual vacancy arising from the resigning Director during the year ended 31 December 2017.

REMUNERATION COMMITTEE

The Company has established a remuneration committee on 30 October 2013 (the "Remuneration Committee") with written terms of reference in compliance with paragraph B.1 of the Corporate Governance Code and Rule 3.25 to the Listing Rules. The primary duties of the Remuneration Committee are to review and approve the management's remuneration proposals with reference to the Board's corporate goals and objects and make recommendations to the Board on the remuneration package of individual executive Directors and senior management. The Remuneration Committee currently consists of three members, namely Mr. Chang Qing, Mr. Gu Weiping and Mr. Peng Yongzhen, and Mr. Chang Qing is the chairman of the Remuneration Committee.

The Remuneration Committee has reviewed the Directors' fees (including executive Directors, non-executive Director and independent non-executive Directors) in consideration of the increasing level of duties and responsibilities and market conditions; and approval of the remuneration incentive structure of the Group as a whole taking consideration of factors such as salaries paid by comparable companies, time commitment and their responsibilities.

The Remuneration Committee held one meeting during the year ended 31 December 2017 and the attendance records are set out below:

	Attendance/
	Number of
Name of Directors	Meetings
Mr. Chang Qing (Chairman)	1/1
Mr. Gu Weiping	1/1
Mr. Peng Yongzhen	1/1

REMUNERATION OF DIRECTORS AND SENIOR MANAGEMENT

The Company has established a formal and transparent procedure for formulating policies on remuneration of senior management of the Group. Details of the remuneration of each of the Directors for the year ended 31 December 2017 are set out in Note 8 to the Consolidated Financial Statements.

The biographies of the senior management are disclosed in the section headed "Directors and Senior Management" in this annual report. Remuneration paid to the senior management (excluding the Directors) by bands for the year ended 31 December 2017 is set out below:

Remuneration bands	Number of individuals
Nil to HK\$1,000,000	1
HK\$1,000,000 to HK\$1,500,000	1

AUDIT COMMITTEE

The Company has established an audit committee (the "Audit Committee") pursuant to a resolution of the Directors passed on 30 October 2013 in compliance with Rule 3.21 of the Listing Rules and paragraph C.3 of the Corporate Governance Code. The primary duties of the Audit Committee are to assist the Board in providing an independent view of the effectiveness of the financial reporting process, internal control and risk management systems, oversee the audit process and perform other duties and responsibilities as assigned by the Board. At present, the Audit Committee currently consists of three independent non-executive Directors, being Mr. Tsui Yiu Wa Alec, Mr. Peng Yongzhen and Mr. Chang Qing, and Mr. Tsui Yiu Wa Alec is the chairman of the Audit Committee.

The Audit Committee has reviewed the annual results and annual report of the Group for the year ended 31 December 2017. The Audit Committee has also discussed matters with respect to the accounting policies and practices adopted by the Company and internal control with senior management members of the Company.

During the year ended 31 December 2017, the Audit Committee discussed with the management of the Company about the internal controls and financial reporting matters, and reviewed the accounting principles and practices adopted by the Group and the effectiveness of the Group's internal control system. The Audit Committee also met with the external auditor twice to review the annual report of the Company for the year ended 31 December 2016 and the interim report of the Company for the six months ended 30 June 2017 and discuss about the annual audit planning of the Company for the year ended 31 December 2017.

The Audit Committee held three meetings during the year ended 31 December 2017 and the attendance records are set out below:

	Attendance/
	Number of
Name of Directors	Meetings
Mr. Tsui Yiu Wa Alec (Chairman)	3/3
Mr. Peng Yongzhen	3/3
Mr. Chang Qing	3/3

ACCOUNTABILITY AND AUDIT

The Directors acknowledge their responsibility for preparing the consolidated financial statements of the Company for the year ended 31 December 2017. The Directors consider that the Group has adequate resources to continue in business for the foreseeable future and are not aware of material uncertainties that may cast significant doubt on the Company's ability to continue as a going concern.

The Board is responsible for presenting a balanced, clear and understandable assessment of annual and interim reports, inside information announcements and other disclosures required under the Listing Rules and other statutory and regulatory requirements.

The management has provided to the Board such explanation and information as are necessary to enable the Board to carry out an informed assessment of the Company's consolidated financial statements, which are put to the Board for approval.

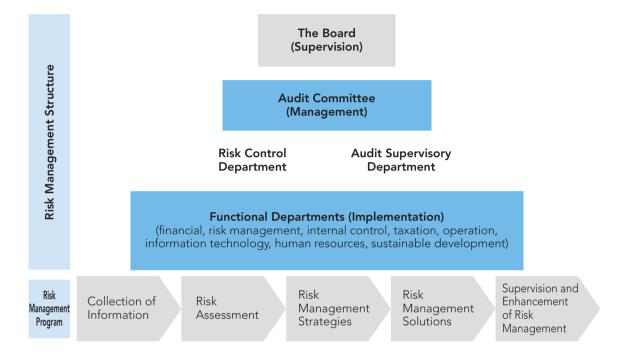

RISK MANAGEMENT AND INTERNAL CONTROL

The Board is solely responsible for the risk management and internal control system to protect the interests of the Company and the Shareholders as a whole. To achieve its aim, the Board monitors and approve the strategies and policies of the Group's risk management and internal control systems. The purpose of the relevant strategies and policies is to evaluate and determine the nature and extent of risks to make it suitable for the Group's strategic objectives and risk endurance. The main target is provide reasonable assurance against material misstatement or loss, rather than eliminate the risk of failure to achieve business objectives. To this end, management continues to allocate resources for an internal control and risk management system compatible with the COSO (Committee of Sponsoring Organizations of the Treadway Commission) standards to provide reasonable, though not absolute, assurance against material misstatement or loss and to manage rather than eliminate the risk of failure in the operating system of the Group and in achieving business objectives by the Group.

The Board, through the Audit Committee, has continuously monitored and annually reviewed the effectiveness of risk management and internal control system of the Group and its subsidiaries, and is of the view that the existing risk management and internal control system is sufficient and effective. The review covered all material aspects with regard to control, including financial control, operational control and compliance control. The internal audit reports submitted to the Audit Committee by the Group also covered aspects of risk management and internal control. The Board is not aware of any significant areas of concern which may affect the Shareholders, and believes that the Group has fully complied with the code provisions on internal controls, including compliance with legal and regulatory requirements, as set forth in the Corporate Governance Code. The Board, through the appraisal performed by the Audit Committee, reviewed the adequacy of resources, staff qualifications and experience, training programs received by the staff and budget of the Group's accounting, internal auditing and financial reporting function at the Board meeting. In light of the Group's nature of business and the recommendations on the Board's role in risk management, the Group has developed risk management system and policies, and established a risk control department, which is responsible for the Group's risk management, to communicate and assess the Group's risk profile and material risks, and track the progress of mitigation plans and initiatives of material risks and report on detailed examinations of specific risks as required.

RISK MANAGEMENT ORGANISATION SYSTEM

The Group has established a comprehensive organization structure to manage the risks encountered by the Group. The risk management structure comprises two key factors: risk management structure and risk management program.

RISK MANAGEMENT STRUCTURE

ORGANISATION

Audit supervisory department, responsible for making the internal audit arrangement based on the result of risk assessment **RISK**

assist the Group in carrying out risk management work, and formulate internal auditing SUPPORTING

- plan in accordance with the result of risk assessment;
- test the effectiveness of risk management through implementing accounting methods like walk through test and analytical review on its audit; and
- submit auditing results to the risk control department immediately after the internal audit.

2. RISK MANAGEMENT PROGRAM

The Group has established a comprehensive risk management program which is led by the risk control department and implemented with the assistance of the internal audit department. The risk management program is as follows:

- (1) to collect first-hand information for risk management;
- (2) to analyse and assess risks;
- (3) to propose risk management strategies and formulate risk management solutions; and
- (4) to supervise the implementation of risk management works performed by each business units and verify the overall appraisal;

Key risk management program of the Group

N	Risk Management Program	Collection of Information	Risk Assessment	Risk Management Strategies	Risk Management Solutions	Supervision and Enhancement of Risk Management
	Designed Functions	Each department collects first-hand information for risk management	Organise meetings to analyse and assess risks	Arrange discussion between the management and each risk unit and propose risk strategies	Arrange discussion between the management and each risk unit and propose risk management solutions land the solutions l	Supervise the implementation of risk imanagement works and verify the overall appraisal

SUPERVISION AND ENHANCEMENT OF RISK MANAGEMENT

The Group has set up basic procedures that cover the whole process of risk management, connecting the channels of communication of risk management information along the reporting lines and among various departments and business units to ensure timely, accurate and complete sharing of information and this has laid the foundation for the supervision and enhancement of risk management.

The senior management of the Group, focusing on material risks, material matters and material decisions, important management matters and the business flow, supervises the work relating to the first-hand information collection for risk management, risk assessment, risk management strategies, critical control activities and the implementation of risk management solutions. The risk control department carries out an annual review and examination on the implementation of the works on risk management by different departments and business units and its effectiveness for the year, assesses risk management strategies and evaluates inter-departmental risk management solutions and business units' risk management solutions, proposes suggestions for adjustments and recommendations for improvements and issues evaluation and recommendation reports which will be sent to the relevant senior management in a timely manner.

MATERIAL RISKS THE GROUP MAY FACE

In 2017, during the course of business planning, we identified the material risks that the Group may face which include macro-economic risks, risks of industry policies, risks of the PPP business model, risks of customers' credibility and competitors.

The potential risks of macro-economics arise from the effects of macro-economy's volatility; and the pressure of inflation. The Group's corresponding measures on the risk include reviewing the management strategies and mechanism for macro-economic risks; reviewing the relevant mechanism on the collection of information about the changes in the external macro-economic environment; clearly defining the macro-economic risk analysis session; analysing, reviewing, adjusting and improving the strategies for managing macro-economic risks in future.

The potential risks of industry policies arise from the change of relevant national laws and regulations in relation to the industries the Company mainly engaged in or proposed to expand into; introduction or changes in national environmental protection policies; and changes in policies relating to business partnership models. The Group's corresponding measures on the risks include reviewing management strategies and mechanism for risks of adjustment and changes in relevant national laws and regulations; collecting timely information on introduction or changes in national environmental protection policies; and enhancing the responsive mechanism for new business partnership models.

The potential risks of the PPP business model arise from the uncertainties within project revenues from the PPP business model; the key process of the PPP business model is yet to be clarified; and the industry is still exploring the PPP business model. The Group's corresponding measures on the risks include reviewing management strategies and mechanism for the PPP business model; collecting information from sample cases of PPP business model and accumulating experience in implementing the model; identify clearly the risk analyzing sessions of each aspect of the PPP business model; and continuing to analyse new issues encountered in the PPP business model to improve the corresponding risk handling measures.

The potential risks of customers' credits arise from the deteriorating debt crisis of local governments. The Group's corresponding measures on the risks include reviewing management strategies and mechanism for evaluating customers' credits; enhancing our capability to collect and analyse customers' information to provide information on the evaluation of customers' status; reviewing our capability to communicate and negotiate with customers; and strengthening management in collecting water bills.

The potential risk in relation to competitors may arise due to the new market strategies or tactics (e.g. price reduction) adopted by competitors which cause the Company to lag behind in competition, or due to deterioration in the competitive environment as a result of new market entrants, which in turn results in a more adverse position for the Company in the market competition, decrease in profitability and difficulties in obtaining orders. The Group's measures to mitigate the risk include putting more efforts into market analysis, collecting information of competitors from various channels, deepening the analysis on the sources of competitive advantages gained by competitors and paying close attention to the development progress on the core competencies and core business development of competitors, such that the decision makers can integrate resources and formulate corresponding strategies, establish a comprehensive market competition data base, as well as constantly monitoring the development of the competitors and the ever-changing market situation to provide strong support for project planning and management's decisions.

MANAGEMENT OF INSIDE INFORMATION

The Group has formulated a set of program of continuing obligations on information management and disclosure to formally regulate the monitoring of inside information that arises during the course of its current business development and has established the practice of delivering such information to the Shareholders, the media and analysts. When handling the relevant matters, the Group will comply with "Guidelines on Disclosure of Inside Information" issued by the Securities and Futures Commission and the related provisions issued by regulatory organisations and the Group has clearly stated that the unauthorised use of confidential or inside information is prohibited. The Group has set up a system of answering enquiries from external parties about the Group's affairs, and will appoint and authorise the senior executives of the Group to act as the Company's spokesperson in response to enquiries on a particular area.

EXTERNAL AUDITOR AND AUDITOR'S REMUNERATION

The statement of the external auditor of the Company about its reporting responsibilities for the Consolidated Financial Statements is set out in the "Independent Auditor's Report" on pages 56 to 60.

During the year ended 31 December 2017, the remuneration paid/payable to the Company's independent auditor, Ernst & Young, is set out below:

D84D

	RIVIB
Annual audit services	3,000,000
Total fees	3,000,000

COMMUNICATION WITH SHAREHOLDERS AND INVESTORS/INVESTOR RELATIONS

The Company considers that effective communication with Shareholders is essential for enhancing investor relations and investor understanding of the Group's business performance and strategies. The Company also recognises the importance of transparency and timely disclosure of corporate information, which will enable Shareholders and investors to make the best investment decisions. The general meetings of the Company provide a forum for face-to-face communication between the Board and the Shareholders dialogue. The Chairman as well as chairmen of the Nomination Committee, Remuneration Committee and Audit Committee or, in their absence, other members of the respective committees and, where applicable, the chairman of the independent Board committee, are available to answer questions at general meetings.

To promote effective communication, the Company maintains on its website up-to-date information and updates on the Company's business operations and developments, financial information, corporate governance practices and other information, which are posted and are available for public access.

AMENDMENTS TO THE ARTICLES OF ASSOCIATION

The Company has not made any significant changes to its constitutional documents during the year ended 31 December 2017.

SHAREHOLDERS' RIGHTS

To safeguard Shareholders' interests and rights, a separate resolution is proposed for each substantially separate issue at Shareholders' meetings, including the election of individual Directors.

All resolutions put forward at Shareholders' meetings will be voted on by poll pursuant to the Listing Rules and poll results will be posted on the websites of the Company and of the Stock Exchange after each general meeting.

Shareholders who intend to put forward their enquiries to the Board could send their enquiries to the Company's principal place of business in Hong Kong or the headquarters in the PRC or by email to kangda@kangdaep.com. Shareholders can contact Computershare Hong Kong Investor Services Limited, the Hong Kong branch share registrar of the Company, if they have any enquiries about their shareholdings and entitlements to dividend.

CONVENING OF EXTRAORDINARY GENERAL MEETINGS AND PUTTING FORWARD PROPOSALS

Pursuant to the Articles of Association, any one or more members holding at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company carrying the right of voting at general meetings of the Company shall at all times have the right, by written requisition to the Board or the secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionist(s) himself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

ENQUIRIES TO THE BOARD

Shareholders who intend to put forward their enquiries about the Company to the Board could send their enquiries to the Company's principal place of business in Hong Kong.

COMPANY SECRETARY

Mr. Cheng Wing Hong is the company secretary of the Company. In compliance with Rule 3.29 of the Listing Rules, Mr. Cheng has undertaken no less than 15 hours of relevant professional training during the year ended 31 December 2017.

The Board is pleased to present its report together with the audited consolidated financial statements of the Group for the year ended 31 December 2017.

COMPANY INFORMATION AND LISTING

The Company was incorporated in the Cayman Islands on 22 August 2011 as an exempted company with limited liability under the Companies Law of the Cayman Islands (the "Companies Law"). The shares of the Company were listed on the Stock Exchange on 4 July 2014.

PRINCIPAL ACTIVITIES

The Company is an investment holding company and its subsidiaries are principally engaged in constructions and operations in urban water treatment businesses, water environment comprehensive remediation and rural water improvement in the PRC.

RESULTS

The results of the Group for the year ended 31 December 2017 are set out in the consolidated statement of profit or loss and other comprehensive income on page 61 of this annual report.

FINAL DIVIDENDS

The Board has recommended a final dividend of RMB2.0 cents per share for the year ended 31 December 2017 (year ended 31 December 2016: RMB1.6 cents per share) subjected to the approval of the Shareholders at the forthcoming annual general meeting to be held on 14 June 2018 (the "Annual General Meeting").

BUSINESS REVIEW

A review of the Group's business for the year ended 31 December 2017 are presented in "Chairman's Statement", "Business Review" and "Financial Analysis". The "Financial Analysis" also includes an analysis of the Group's performance during the financial year in terms of key financial performance indicators. Likely future developments in the Group's business are disclosed in "Chairman's Statement" and "Development Strategies and Future Development" section of "Management Discussion and Analysis".

Except for the events disclosed in "Events After the Reporting Period", there is no important event affecting the Group since the end of the financial year.

ENVIRONMENTAL POLICIES AND PERFORMANCE

The Group has implemented internal recycling program on a continuous basis for consumable goods such as toner cartridges and paper to minimise the operation impact on the environment and natural resources. Recycled papers have also been used as key printing materials for internal use.

The Group has also implemented energy saving practices in offices and the Group's wastewater plants to enhance the efficiency of electricity consumption.

COMPLIANCE WITH LAWS AND REGULATIONS

Compliance procedures are in place to ensure adherence to applicable laws, rules and regulations in particular, those have significant impact on the Group. Any changes in the applicable laws, rules and regulations are brought to the attention of relevant employees and relevant operation units from time to time.

PRINCIPAL RISKS AND UNCERTAINTIES

The political, economic and social conditions in China are experiencing changes and reforms, which may adversely affect our business, growth strategies, operating results and financial condition.

Demand for the Group's services and business, financial condition, results of operations and prospects may be adversely affected by the following factors:

- political instability or changes in social conditions in China;
- changes in laws, regulations and administrative directives;
- measures which may be introduced to control inflation or deflation; and
- changes in the rate or method of taxation;

These factors are affected by a number of variables which are beyond control.

RELATIONSHIPS WITH KEY STAKEHOLDERS

EMPLOYEE

Employees are regarded as the most important and valuable assets of the Group. The objective of the Group's human resource management is to reward and recognise performing staff by providing a competitive remuneration package and implementing a sound performance appraisal system with appropriate incentives, and to promote career development and progression by appropriate training and providing opportunities within the Group for career advancement.

CUSTOMERS AND SUPPLIERS

The Group's customers are generally municipal, district or county level governments or their designees in China. We typically enter into agreements with the Group's customers to provide wastewater treatment and other services on a project-by-project basis.

The Group's business is built on a customer-oriented culture, and are focused on establishing relationships with district or county level governments or their designees in China. The Group also understands that it is important to maintain good relationship with its suppliers and customers to fulfil its immediate and long-term goals. To maintain its market competitiveness within the industry, the Group aims at delivering constantly high standards of quality in the service to its customers.

SHAREHOLDERS

One of the corporate goals of the Group is to enhance corporate value to Shareholders. The Group is poised to foster business developments for achieving the sustainability of earnings growth and rewarding Shareholders.

FINANCIAL SUMMARY

A summary of the Group's results, assets and liabilities, which are extracted from the prospectus of the global offering of the Company (the "Prospectus") and the annual audited reports, are set out on page 164 of this annual report. This summary does not form part of the audited consolidated financial statements.

MAJOR CUSTOMERS AND SUPPLIERS

For the year ended 31 December 2017, the Group's five largest suppliers accounted for 22% of the Group's total purchases and purchase from the Group's largest supplier included therein amounted to 7% of the total purchases for the year.

For the year ended 31 December 2017, the Group's sales to its five largest customers accounted for 34% of the Group's total sales and sales to the largest customer included therein amounted to 10% of the total sales for the year.

None of the Directors or any of their close associates or any Shareholders (which, to the best knowledge of the Directors, own more than 5% of the Company's issued share capital) had any interest in the Group's five largest customers and suppliers.

PROPERTY, PLANT AND EQUIPMENT

Details of movements in the property, plant and equipment of the Group during the year ended 31 December 2017 are set out in note 12 to the consolidated financial statements.

SHARE CAPITAL

Details of movements in the share capital of the Company during the year ended 31 December 2017 are set out in note 28 to the finance statements. 6,150,000 ordinary shares of the Company were cancelled during the year on shares repurchase of the Company.

RESERVES

Details of movements in the reserves of the Company and the Group during the year ended 31 December 2017 are set out in note 42 and in the consolidated statement of changes in equity on page 64 of this annual report respectively.

DISTRIBUTABLE RESERVES

As at 31 December 2017, the Company's reserves available for distribution, calculated in accordance with the provisions of Companies Law, amounted to approximately RMB1,738.9 million.

BANK LOANS AND CORPORATE BOND

Particulars of interest-bearing bank and other borrowings and corporate bonds of the Group as at 31 December 2017 are set out in note 26 and note 27 to the consolidated financial statements.

DIRECTORS

The Directors during the year ended 31 December 2017 and up to the date of this annual report were:

Executive Directors:

Zhao Juanxian (alias, Zhao Junxian) (Chairman) Zhang Weizhong (Chief Executive Officer) Liu Zhiwei Gu Weiping Wang Litong Wang Tianci (appointed on 26 May 2017)

Non-executive Director:

Zhuang Ping (resigned on 31 March 2017)

Independent non-executive Directors:

Tsui Yiu Wa Alec Peng Yongzhen Chang Qing

In accordance with the Articles of Association, Mr. Zhao Juanxian (alias, Zhao Junxian), Ms. Liu Zhiwei and Mr. Wang Tianci will retire, and being eligible, have offered themselves for re-election as Directors at the Annual General Meeting of the Company.

Details of the Directors to be re-elected at the Annual General Meeting of the Company are set out in the circular to the Shareholders.

BOARD OF DIRECTORS AND SENIOR MANAGEMENT

Biographical details of the Directors and senior management of the Group are set out on pages 18 to 23 of this annual report.

CONFIRMATION OF INDEPENDENCE OF INDEPENDENT NON-EXECUTIVE DIRECTORS

Each of the independent non-executive Directors has confirmed their independence pursuant to Rule 3.13 of the Listing Rules. The Company considers all of the independent non-executive Directors to be independent in accordance with the Listing Rules.

DIRECTORS' SERVICE CONTRACTS AND LETTER OF APPOINTMENTS

Each of the executive Directors (except for Mr. Wang Tianci) has entered into a service contract with the Company for an initial fixed term of three years commencing on the Listing Date and will continue thereafter until terminated by not less than three months' notice in writing served by either party to the other.

Mr. Wang Tianci has entered into a service contract with the Company for an initial fixed term of three years commencing on 26 May 2017 and will continue thereafter until terminated by not less than three months' notice in writing served by either party to the other.

The non-executive Director has signed an appointment letter for a fixed term of one year commencing on the Listing Date and will continue thereafter until terminated by not less than three months' notice in writing served by the non-executive Director or by immediate notice in writing served by the Company. On 31 March 2017, Mr. Zhuang Ping resigned as the non-executive Director.

Each of the independent non-executive Directors (except for Mr. Peng Yongzhen and Mr. Chang Qing) has entered into a service contract with the Company for an initial fixed term of one year commencing on 1 November 2013 and will continue thereafter until terminated by not less than one month's notice in writing served by either party to the other.

Mr. Peng Yongzhen has entered into a service contract with the Company for an initial fixed term of one year commencing on 26 February 2015 and will continue thereafter until terminated by not less than one month's notice in writing served by either party to the other.

Mr. Chang Qing has entered into a service contract with the Company for an initial fixed term of one year commencing on 8 January 2016 and will continue thereafter until terminated by not less than one month's notice in writing served by either party to the other.

None of the Directors has a service contract which is not determinable by the Group within one year without payment of compensation (other than statutory compensation).

DIRECTORS' INTERESTS IN TRANSACTIONS OF SIGNIFICANCE, ARRANGEMENTS OR CONTRACTS

No Director or any entity connected with a Director had a material interest, either directly or indirectly, in any transactions of significance, arrangements or contracts to the business of the Group to which the Company or any of its subsidiaries was a party during the year ended 31 December 2017.

PERMITTED INDEMNITY PROVISION

According to the Articles of Association, every Director or other officer of the Company shall be entitled to be indemnified out of the assets and profits of the Company against all losses or liabilities which he/she may sustain or incur in or about the execution of the duties of his/her office or otherwise in relation thereto. The Company has arranged appropriate directors' and officers' liability insurance coverage for the Directors and officers of the Group.

MANAGEMENT CONTRACTS

No contracts concerning the management and administration of the whole or any substantial part of the business of the Company were entered into or existed during the year ended 31 December 2017.

SHARE OPTION SCHEME

The Company has adopted the share option scheme (the "Share Option Scheme") on 14 June 2014 (the "Adoption Date"). The following is a summary of principal terms of the Share Option Scheme:

Purpose of the Share Option Scheme

The purpose of the Share Option Scheme is to give the Eligible Persons (as defined in the following paragraph) an opportunity to have a personal stake in the Company and help motivate them to optimise their future performance and efficiency to the Group and/or to reward them for their past contributions, to attract and retain or otherwise maintain on-going relationships with such Eligible Persons who are significant to and/or whose contributions are or will be beneficial to the performance, growth or success of the Group, and additionally in the case of Executives (as defined below), to enable the Group to attract and retain individuals with experience and ability and/or to reward them for their past contributions.

Who may join in the Share Option Scheme

The Board may, at its absolute discretion, grant options ("Option(s)") to subscribe for such number of Shares in accordance with the terms set out in the Share Option Scheme to:

- (a) any executive Director of, manager of, or other employee holding an executive, managerial, supervisory or similar position in any member of the Group ("Executive"), any full-time or part-time employee, or person for the time being seconded to work full-time or part-time for any member of the Group ("Employee");
- (b) a Director or proposed Director (including an independent non-executive Director) of any member of the Group;
- (c) a direct or indirect shareholder of any member of the Group;
- (d) a supplier of goods or services to any member of the Group;
- (e) a customer, consultant, business or joint venture partner, franchisee, contractor, agent or representative of any member of the Group;
- (f) a person or entity that provides design, research, development or other support or any advisory, consultancy, professional or other services to any member of the Group; and
- (g) an associate of any of the persons referred to in paragraphs (a) to (f) above (the person referred above are the "Eligible Persons").

Maximum number of Shares

The maximum number of Shares immediately following the completion of the Global Offering (as defined in the Prospectus) in respect of which Options may be granted under the Share Option Scheme was 200,000,000, representing 10% of the issued share capital of the Company.

Maximum entitlement of each participant

No Option may be granted to any one person such that the total number of Shares issued and to be issued upon exercise of Options granted and to be granted to that person in any 12-month period exceeds 1% of the Company's issued share capital from time to time.

Where any further grant of Options to such Eligible Person would result in the Shares issued and to be issued upon exercise of all Options granted and to be granted to such Eligible Person (including exercised, cancelled and outstanding Options) in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the Shares in issue, such further grant shall be separately approved by the Shareholders in general meeting with such Eligible Person and his or her associates abstaining from voting.

Offer and grant of Options

Subject to the terms of the Share Option Scheme, the Board shall be entitled at any time within 10 years from the Adoption Date to offer the grant of an Option to any Eligible Person as the Board may in its absolute discretion select to subscribe at the subscription price for such number of Shares as the Board may (subject to the terms of the Share Option Scheme) determine (provided the same shall be a board lot for dealing in the Shares on the Stock Exchange or an integral multiple thereof).

Minimum holding period, vesting and performance target

Subject to the provisions of the Listing Rules, the Board may in its absolute discretion when offering the grant of an Option impose any conditions, restrictions or limitations in relation thereto in addition to those set forth in the Share Option Scheme as the Board may think fit (to be stated in the letter containing the offer of the grant of Option) including (without prejudice to the generality of the foregoing) qualifying and/or continuing eligibility criteria, conditions, restrictions or limitations relating to the achievement of performance, operating or financial targets by the Company and/or the grantee, the satisfactory performance or maintenance by the grantee of certain conditions or obligations or the time or period before the right to exercise the Option in respect of any of Shares shall vest provided that such terms or conditions shall not be inconsistent with any other terms or conditions of the Share Option Scheme. For the avoidance of doubt, subject to such terms and conditions as the Board may determine as aforesaid (including such terms and conditions in relation to their vesting, exercise or otherwise) there is no minimum period for which an Option must be held before it can be exercised and no performance target which need to be achieved by the grantee before Option can be exercised.

AMOUNT PAYABLE ON ACCEPTANCE OF THE OPTION AND THE PAYMENT PERIOD

To accept the grant of an Option, HK\$1 as consideration for the grant of an Option must be received by the Company from the grantee within 30 days from the date on which the board resolution approves the grant of Options.

Subscription price

The subscription price in respect of any particular Option shall be such price as the Board may in its absolute discretion determine at the time of grant of the relevant Option (and shall be stated in the letter containing the offer of the grant of the Option) but the subscription price shall not be less than whichever is the highest of:

- (a) The nominal value of a Share;
- (b) The closing price of a Share as stated in the Stock Exchange's daily quotations sheet on the offer date; and
- (c) The average closing price of a Share as stated in the Stock Exchange's daily quotations for the 5 business days (as defined in the Listing Rules) immediately preceding the offer date.

The remaining life of the Share Option Scheme

The Share Option Scheme will remain in force for a period of 10 years.

On 19 December 2014, the Company has granted a total of 84,500,000 Options to subscribe 84,500,000 Shares in conformity with the Share Option Scheme to certain Directors and employees.

During the year ended 31 December 2017, 22,030,000 Options were lapsed and no Option was granted, exercised or cancelled under the Share Option Scheme. The share options granted shall vest and become exercisable within one year from the relevant date of vesting in three tranches in the proportion of 30%, 30% and 40% at the end of the 12th, 24th and 36th month after the date of grant, unless otherwise determined by the Company at its discretion in exceptional circumstances. As at 31 December 2017, 28,160,000 Shares were vested and became exercisable.

Set out below are the details of the outstanding options granted under the Share Option Scheme:

				Number of options					
Name of grantee	Date of grant	Closing Price as at the date of grant of options (HK\$)	Exercise price per share (HK\$)	Outstanding as at 1 January 2017	Granted during the Period	Exercised during the Period	Cancelled/ lapsed during the Period	Outstanding as at 31 December 2017	Exercise period (Note 1)
Director Zhang Weizhong (also the chief executive officer)	19/12/2014	3.340	3.386	- 1,950,000 2,600,000	- - -	- - -	_ (1,950,000) _	- - 2,600,000	A B C

Sub-total				1,750,000	-	-	(750,000)	1,000,000	
Other employees (in aggregate)	19/12/2014	3.340	3.386	- 14,160,000 18,880,000	- - -	- - -	- (14,160,000) (520,000)	- - 18,360,000	A B C
Sub-total				33,040,000	-	-	(14,680,000)	18,360,000	
Total				50,190,000	-	-	(22,030,000)	28,160,000	

Note:

- 1. The respective exercise periods of the share options granted are as follows:
 - A: 19 December 2015 to 18 December 2016
 - B: 19 December 2016 to 18 December 2017
 - C: 19 December 2017 to 18 December 2018

The Directors have established the values of the share options granted during the year, calculated using binomial model as at the date of grant of the share options.

The values of share options calculated using the binomial model are subject to certain fundamental limitations, due to the subjective nature of and uncertainty relating to a number of assumptions of the expected future performance input to the model, and certain inherent limitations of the model itself. The value of an option varies with different variables of certain subjective assumptions. Any change to the variables used may materially affect the estimation of the fair value of an option.

EMOLUMENT POLICY

The Remuneration Committee was set up for reviewing the Group's emolument policy and structure for all remuneration of the Directors and senior management of the Group, having regard to the Group's operating results, individual performance of the Directors and senior management and comparable market practices.

REMUNERATION OF DIRECTORS AND FIVE INDIVIDUALS WITH HIGHEST EMOLUMENTS

Details of the emoluments of the Directors and five highest paid individuals are set out in note 8 and note 9 to the consolidated financial statements.

DIRECTORS' AND CHIEF EXECUTIVE'S INTERESTS AND SHORT POSITION IN SHARES, UNDERLYING SHARES AND DEBENTURES

As at 31 December 2017, the interests and short positions of the Directors and the chief executive of the Company in the Shares, underlying Shares and debentures of the Company or any of its associated corporations (within the meaning of Part XV of the Securities and Futures Ordinance ("SFO")) (i) which were required to be notified to the Company and the Stock Exchange pursuant to Divisions 7 and 8 of Part XV of the SFO (including interests and short positions which were taken or deemed to have under such provisions of the SFO), or (ii) which were required, pursuant to section 352 of the SFO, to be entered into the register maintained by the Company, or (iii) which were required to be notified to the Company and the Stock Exchange pursuant to the Model Code were as follows:

			Approximate percentage of issued share
		Number of	capital of the
Name of Director	Nature of Interest	Shares	Company
Mr. Zhao Juanxian ⁽¹⁾			
(alias, Zhao Junxian)	Person acting in concert (long position)	1,145,319,004	55.56%
Mr. Zhang Weizhong ⁽²⁾	Beneficial owner (long position)	2,600,000	0.13%
Ms. Liu Zhiwei ⁽²⁾	Beneficial owner (long position)	2,200,000	0.11%
Mr. Gu Weiping ⁽²⁾	Beneficial owner (long position)	2,000,000	0.10%
Mr. Wang Litong ⁽²⁾	Beneficial owner (long position)	2,000,000	0.10%
Mr. Wang Tianci ⁽²⁾	Beneficial owner (long position)	1,000,000	0.05%

Note:

- (1) By virtue of Mr. Zhao Juanxian acting in concert with Mr. Zhao Sizhen, being the son of Mr. Zhao Juanxian, under the SFO, Mr. Zhao Juanxian is deemed to be interested in Mr. Zhao Sizhen's interests in the Company.
- (2) The Director is interested in the underlying Shares of the Company by virtue of the Options granted to him/her under the Share Option Scheme. For further details, please refer to the section headed "Share Option Scheme" in this report.

Save as disclosed above, as at 31 December 2017, none of the Directors and the chief executive of the Company had or was deemed to have any interest or short position in the Shares, underlying Shares or debentures of the Company or its associated corporations (within the meaning of Part XV of the SFO) that was required to be recorded in the register of the Company required to be kept under Section 352 of the SFO, or as otherwise notified to the Company and the Stock Exchange pursuant to the Model Code.

DIRECTORS' RIGHTS TO ACQUIRE SHARES OR DEBENTURES

Save as otherwise disclosed in this annual report, at no time during the year ended 31 December 2017 were rights to acquire benefits by means of the acquisition of Shares in or debentures of the Company granted to any Director or their respective spouse or children under 18 years of age, or were any such rights exercised by them; or was the Company and any of its subsidiaries a party to any arrangement to enable the Directors, or their respective spouse or children under 18 years of age, to acquire such rights in any other body corporate.

SUBSTANTIAL SHAREHOLDERS' INTERESTS AND SHORT POSITIONS IN SHARES AND UNDERLYING SHARES

As at 31 December 2017, to the best knowledge of the Directors, the following persons (not being a Director or chief executive of the Company) had interests or short positions in the Shares or underlying Shares which fall to be disclosed to the Company under the provisions of Divisions 2 and 3 of Part XV of the SFO as recorded in the register required to be kept by the Company pursuant to section 336 of the SFO:

Approximate

			percentage of issued share
		Number of	capital of the
Name	Capacity/Nature of interest	Shares	Company
Mr. Zhao Sizhen ⁽¹⁾	Interest in controlled corporation (long position)	1,142,419,004	55.42%
	Beneficial owner (long position)	2,900,000	0.14%
Kangda Holdings Company Limited ⁽²⁾	Beneficial owner (long position)	1,142,419,004	55.42%
Baring Private Equity Asia V Holding (5) Limited ⁽³⁾	Beneficial owner (long position)	344,129,996	16.69%
The Baring Asia Private Equity Fund V, L.P. ⁽³⁾	Interest in controlled corporation (long position)	344,129,996	16.69%
Baring Private Equity Asia GP V, L.P. ⁽³⁾	Interest in controlled corporation (long position)	344,129,996	16.69%
Baring Private Equity Asia GP V Limited ⁽³⁾	Interest in controlled corporation (long position)	344,129,996	16.69%
Jean Eric Salata ⁽³⁾	Interest in controlled corporation (long position)	344,129,996	16.69%

Notes:

- (1) By virtue of Mr. Zhao Juanxian acting in concert with Mr. Zhao Sizhen, under the SFO, Mr. Zhao Juanxian is deemed to be interested in Mr. Zhao Sizhen's interests in the Company.
- (2) Kangda Holdings Company Limited is wholly-owned and controlled by Mr. Zhao Sizhen and Mr. Zhao Sizhen is therefore deemed to be interested in the Shares held by Kangda Holdings Company Limited.
- (3) Baring Private Equity Asia V Holding (5) Limited is held as to approximately 99.35% by The Baring Asia Private Equity Fund V, L.P. Baring Private Equity Asia GP V, L.P., is the general partner of The Baring Asia Private Equity Fund V, L.P. Jean Eric Salata is the sole shareholder of Baring Private Equity Asia GP V Limited, the general partner of Baring Private Equity Asia GP V, L.P. Each of The Baring Asia Private Equity Fund V, L.P., Baring Private Equity Asia GP V Limited and Jean Eric Salata is deemed to be interested in the relevant Shares held by Baring private Equity Asia V Holding (5) Limited. Jean Eric Salata disclaims beneficial ownership of such Shares, other than to the extent of his economic interest in such entities.

Save as disclosed above, and as at 31 December 2017, the Directors were not aware of any persons (who were not Directors or chief executive of the Company) who had an interest or short position in the Shares or underlying Shares of the Company which would fall to be disclosed under Divisions 2 and 3 of Part XV of the SFO, or which would be required, pursuant to Section 336 of the SFO, to be entered in the register referred to therein.

PURCHASE, SALE AND REDEMPTION OF THE COMPANY'S LISTED SECURITIES

Pursuant to the general mandate granted by the Shareholders to the Directors at the annual general meeting held on 25 May 2017, the Company repurchased a total of 6,150,000 ordinary shares of the Company on the Stock Exchange during the year ended 31 December 2017 at an aggregate consideration of approximately HK\$11,566,000 (before expense). All the repurchased shares were subsequently cancelled by the Company. Details of repurchase of such ordinary shares were as follows:

	Number of			Aggregate
	ordinary shares			Consideration paid
Month/year	repurchased	Price per Share		(approximately)
		Highest	Lowest	HK\$
October 2017	1,000,000	2.01	1.94	1,974,000
November 2017	5,150,000	1.95	1.75	9,592,000

Save as disclosed above, neither the Company nor any of its subsidiaries has purchased, sold or redeemed any of the Company's listed securities during the year ended 31 December 2017.

PRE-EMPTIVE RIGHTS

There are no provisions for pre-emptive rights under the Articles of Association or the Companies Law, Chapter 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands where the Company was incorporated, which would oblige the Company to offer new Shares on a pro rata basis to existing Shareholders.

NON-COMPETITION UNDERTAKING

Each of Mr. Zhao Sizhen, Mr. Zhao Juanxian (alias, Zhao Junxian) and Kangda Holdings Company Limited (collectively as the "Controlling Shareholders") has executed a deed of non-competition in favour of the Company, pursuant to which they have jointly, severally and irrevocably undertaken with the Company (for itself and for benefit of its subsidiaries) not to, whether directly or indirectly, either on its or his own account or in conjunction with or on behalf of any person, firm or company or through any entities (except in or through any subsidiary of the Company).

The Controlling Shareholders have confirmed in writing to the Company of their compliance with the deed of non-competition for disclosure in this report during the year ended 31 December 2017.

The independent non-executive Directors have reviewed the deed of non-competition whether the Controlling Shareholders have abided by the non-competition undertaking. The independent non-executive Directors confirmed that they had determined that the Controlling Shareholders have not been in breach of the non-competition undertaking during the year ended 31 December 2017

DIRECTORS' INTEREST IN COMPETING BUSINESS

Save as disclosed in this annual report, as at 31 December 2017, none of the Directors or their respective associates had engaged in or had any interest in any business which competes or may compete with the businesses of the Group.

CONNECTED TRANSACTION

Pursuant to Rule 14A.09 of the Listing Rules, as Qitaihe Wanxinglong Water Co., Ltd.* (七台河萬興隆水務有限責任公司), Qishan County Dayuan Sewage Treatment Co., Ltd.* (岐山縣大源污水處理有限責任公司), Jinlin Kangda, Hebi Kangda, Weihai Kangda Ecological Environment Treatment Co., Ltd.* (威海康達生態環境綜合治理有限公司), Huizhou Kangda Yingzhihuang Water Co., Ltd.* (惠州康達英之皇水務有限公司), Zhengzhou Xinzhongzhou Water Co., Ltd.* (鄭州新中洲水務有限公司), Xinzheng Xinkang Water Co., Ltd.* (新鄭新康水務有限公司) and Pingdingshan City Bay Water Treatment Co., Ltd.* (平頂山市海灣水務有限公司) are insignificant subsidiaries of the Group, the related party transactions between the Group and their respective non-controlling shareholders set out in note 37(a) of the consolidated financial statements do not constitute connected transactions or continuing connected transactions under the Listing Rules.

On 25 May 2017, Chongqing Taiko & Kangda Environmental Protection Technology Co., Ltd.* (重慶大晃康達環保技術有限公司) ("Chongqing Taiko") and Chongqing Kangda entered into an equipment purchase framework agreement, pursuant to which, Chongqing Kangda agreed to purchase and Chongqing Taiko agreed to sell various types of wastewater treatment equipment from time to time for a term of two years ending 31 December 2017 and 2018 with annual caps of RMB20 million and RMB35 million, respectively. As Chongqing Taiko was held indirectly as to 40% by Chongqing Kangte, which was held by Mr. Zhao Juanxian, who served as an executive Director, chairman of the Board and was a controlling Shareholder of the Company, and Mr. Gu Weiping (on behalf of Mr. Zhao Juanxian), who served as an executive Director, as to 98% and 2%, respectively, Chongqing Taiko is deemed as a connected person of the Company under Chapter 14A of the Listing Rules. Accordingly, the transactions between the Group and Chongqing Taiko constitute continuing connected transactions of the Company under the Listing Rules, and the Company has complied with the disclosure requirements in accordance with Chapter 14A of the Listing Rules.

For identification purposes only

As set out in note 37(a) of the consolidated financial statements, certain bank borrowings of the Group were guaranteed by Mr. Zhao Juanxian, which constitute continuing connected transactions under Chapter 14A of the Listing Rules. However, pursuant to Rule 14A.90 of the Listing Rules, as the guarantees provided by Mr. Zhao Juanxian were conducted on normal commercial terms and not secured by the assets of the Group, the guarantees provided by Mr. Zhao Juanxian set out in note 37(a) of the consolidated financial statements are fully exempted from reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules. The Company has complied with the disclosure requirements in accordance with Chapter 14A of the Listing Rules.

Save as disclosed above, the other transactions set in note 37 of the consolidated financial statements either do not constitute connected transactions or continuing connected transactions of the Company or are exempted from reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

CONFIRMATION FROM INDEPENDENT NON-EXECUTIVE DIRECTORS AND AUDITORS

The independent non-executive Directors have reviewed the above continuing connected transactions of the Group and have confirmed that these transactions have been entered into:

- (i) in the ordinary and usual course of business of the Group;
- (ii) on normal commercial terms; and
- (iii) in accordance with the relevant agreement governing such transactions on terms that are fair and reasonable and in the interests of the Shareholders as a whole.

The auditors of the Company have reported to the Directors that nothing has come to their attention that causes the auditors to believe that, during the year ended 31 December 2017:

- (i) the above continuing connected transactions have not been approved by the Board;
- (ii) the above continuing connected transactions that involve provision of goods or services by the Group, were not, in all material respects, in accordance with the pricing policies of the Company;
- (iii) the above continuing connected transactions were not entered into, in all material respects, in accordance with the relevant agreement governing such transactions; and
- (iv) the respective cap amounts set out for the relevant agreement referred to above have been exceeded.

* For identification purposes only

NON-COMPLIANCE

As disclosed in the paragraph headed "Non-compliance" in the business section of the Prospectus, Huadian Kangda Environmental Protection Water Co., Ltd.* (樺甸康達環保水務有限公司, "Huadian Kangda") operated without a valid sewage discharge permit during the three years ended 31 December 2013 and up to the date of 13 June 2014. On 13 May 2015, Huadian Kangda obtained a temporary sewage discharge permit from Huadian Environmental Protection Agency* (樺甸市環境保護局) for a period from 13 May 2015 to 12 May 2016. On 7 June 2016, Huadian Kangda obtained a temporary sewage discharge permit from the Environmental Protection Bureau of Jilin Province (吉林省環境保護廳) for a period from 7 June 2016 to 6 June 2017. Upon the expiration of such temporary sewage discharge permit, the Environmental Protection Bureau of Jilin Province (吉林省環境保護廳) refused to issue the sewage discharge permit or renew the temporary sewage discharge permit when Huadian Kangda made the application to such bureau, according to which, the application processing for the sewage discharge permit or temporary sewage discharge permit has been suspended and further notice would be provided to Huadian Kangda once the application processing for the sewage discharge permit is resumed.

Save as disclosed above, as at 31 December 2017 and up to the date of this annual report, the historical non-compliance instances disclosed in the paragraph headed "Non-compliance" in the business section of the Prospectus were still under the progress of rectification. For further details of such historical non-compliance instances, please refer to the paragraph headed "Non-compliance" in the business section of the Prospectus. The Company will provide further information in its subsequence interim and annual report if there is any further update on the status of such non-compliance instances.

POST BALANCE SHEET EVENTS

The material post balance sheet events are disclosed in note 41 to the consolidated financial statements in this report.

AUDIT COMMITTEE

The Audit Committee had reviewed together with the management and independent auditor the accounting principles and policies adopted by the Group and the audited consolidated financial statements for the year ended 31 December 2017.

CODE OF CONDUCT REGARDING DIRECTORS' SECURITIES TRANSACTIONS

The Company has adopted a code of conduct regarding Directors' securities transactions on terms no less exacting than the required standard set out in the Model Code contained in the Listing Rules. Specific enquiry has been made to all the Directors and the Directors have confirmed that they had complied with such code of conduct during year ended 31 December 2017.

CORPORATE GOVERNANCE

The Company is committed to strengthening the corporate governance practices of the Group. Information on the corporate governance practices adopted by the Company is set out in the Corporate Governance Report on pages 24 to 39 of this annual report.

* For identification purpose only

SUFFICIENCY OF PUBLIC FLOAT

Based on information publicly available to the Company and to the knowledge of the Directors, at least 25% of the Company's total issued share capital, the prescribed minimum percentage of public float approved by the Stock Exchange and permitted under the Listing Rules, are held by the public at all times as at the date of this annual report.

AUDITOR

Ernst & Young has acted as auditor of the Company for the year ended 31 December 2017.

Ernst & Young shall retire in the Annual General Meeting and, being eligible, will offer themselves for re-appointment. A resolution for the re-appointment of Ernst & Young as auditor of the Company will be proposed at the Annual General Meeting.

On behalf of the Board **Zhao Juanxian (alias, Zhao Junxian)** *Chairman*

To the shareholders of Kangda International Environmental Company Limited

(Incorporated in the Cayman Islands with limited liability)

OPINION

We have audited the consolidated financial statements of Kangda International Environmental Company Limited (the "Company") and its subsidiaries (the "Group") set out on pages 61 to 164, which comprise the consolidated statement of financial position as at 31 December 2017, and the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2017, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRSs") issued by the International Accounting Standards Board ("IASB") and have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing ("ISAs") issued by the International Auditing and Assurance Standards Board ("IAASB"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

KEY AUDIT MATTERS (continued)

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matter

Provision for impairment of trade receivables

Trade receivables were significant to the consolidated financial statements and the majority of the receivables were generated under service concession arrangements and build-transfer contracts. Provision for trade receivables is made based on the assessment of the recoverability of receivables due from customers. When determining whether a trade receivable is collectable, significant management judgement is involved. Management considers various factors including ageing analysis, existence of disputes, recent historical payment patterns and any other available information concerning the creditworthiness of customers.

Relevant disclosures are included in note 2.4 summary of significant accounting policies — "impairment of financial assets", note 2.5 significant accounting judgements and estimates — estimation uncertainty — "Impairment of trade receivables and financial receivables" and note 20 "trade and bills receivables" to the consolidated financial statements.

Accounting for business combinations

During 2017, the Group completed significant business combinations. Management engaged external appraisers to evaluate the fair values of identifiable assets acquired and liabilities assumed. The accounting for business combinations relied on significant management's estimations and judgements in respect of fair value assessments, as well as the allocation of the purchase price.

Relevant disclosures are included in note 2.4 summary of significant accounting policies — "business combinations and goodwill", note 2.5 significant accounting judgements and estimates — judgements — "accounting for business combinations" and note 31 "business combination" to the consolidated financial statements.

How our audit addressed the key audit matter

We evaluated the Group's processes and controls relating to the monitoring of trade receivables. Our procedures to assess the recoverability of trade receivables included, among others, making inquiry about management's judgements, obtaining confirmations of trade receivables, examining evidence of receipts from the trade receivables after the year end, testing the correctness of the ageing analysis by customer, reviewing historical repayment patterns, and evaluating the financial strength of customers with significant overdue balances.

In addition, we evaluated the adequacy of the disclosures regarding impairment of trade receivables.

We obtained and read the share purchase agreements and checked to the payments of considerations. We performed detailed testing over the acquisition accounting, including identification and valuation of intangible assets and financial receivables. We evaluated the competency, independence and objectivity of the external appraisers engaged by the Group to perform the valuation and involved our internal valuation specialists to review the methodology and assumptions adopted in the valuation of acquired intangible assets and financial receivables, including determining whether the assumptions used for the purpose of valuing acquired intangible assets and financial receivables were consistent with what a market participant would use.

We also evaluated the adequacy of relevant disclosures for business combinations.

KEY AUDIT MATTERS (continued)

Key audit matter

Accounting for service concession arrangements

The Group engages in certain service concession arrangements in which the Group carries out construction work of the waste water treatment plants (the "WTPs"), reclaimed water treatment plants (the "RWTPs"), water distribution plants (the "WDPs"), sludge treatment plants (the "STPs") and other municipal infrastructure for certain governmental authorities or their designees (the "Grantors") and receives in return the rights to operate the WTPs, RWTPs, WDPs, STPs and other municipal infrastructure concerned in accordance with the pre-established conditions set by the Grantors. The measurement of revenue and cost for service concession arrangements involved significant management judgements and estimates including determination of applicable accounting model, estimation of the future guaranteed receipts, prevailing market rate of construction gross margins, and discount rates as used in the valuation process.

Relevant disclosures are included in note 2.4 summary of significant accounting policies — "service concession arrangements", note 2.5 significant accounting judgements and estimates — judgements — "accounting for service concession arrangements" and note 4 "revenue" and note 18 "financial receivables" to the consolidated financial statements.

How our audit addressed the key audit matter

We reviewed the contract terms of the service concession arrangements and assessed the appropriateness of accounting model adopted and the future guaranteed receipts. The management determined the gross margin for construction service and discount rates with the assistance of its external appraiser. We evaluated the competency and objectivity of the external appraiser engaged by the management. We also evaluated the appropriateness of basis and assumptions in the valuation and performed a comparison of the inputs used in the valuation to external market data. In addition, we involved our internal valuation specialists to assist us in evaluating the gross margin for construction service and the discount rates. We reviewed the methods and assumptions adopted by management in determining the total budgeted costs. We checked the relevant supporting documents for actual costs on a sample basis. We also performed cut-off testing procedures to check whether material costs had been recognised in the appropriate accounting periods.

We also assessed the adequacy of the relevant disclosures.

OTHER INFORMATION INCLUDED IN THE ANNUAL REPORT

The directors of the Company are responsible for the other information. The other information comprises the information included in the Annual Report, other than the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF THE DIRECTORS FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with IFRSs issued by the IASB and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors of the Company are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Company either intend to liquidate the Group or to cease operations or have no realistic alternative but to do so.

The directors of the Company are assisted by the Audit Committee in discharging their responsibilities for overseeing the Group's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS (continued)

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the Group to express an opinion on the consolidated financial statements. We are responsible
 for the direction, supervision and performance of the group audit. We remain solely responsible for our audit
 opinion.

We communicate with the Audit Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Audit Committee, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Ng Siu Ki Ricky.

CONSOLIDATED STATEMENT OF CHANGES IN EQUITY

Year ended 31 December 2017

* These reserve accounts comprise the consolidated reserves of RMB3,986,922,000 (31 December 2016: RMB3,530,541,000) in the consolidated statement of financial position.

Notes:

- (a) On 30 September 2017, the Group lost significant influence over Zhongyuan Asset Management Co., Ltd. (中原資產管理有限公司) ("Zhongyuan Asset"), and the equity investment in this entity is then classified as "available-for-sale financial investments" as disclosed in note 15. The difference between the carrying amount of Zhongyuan Asset upon loss of significant influence and the fair value of the equity investment, any cumulative gain that had been recognised in other comprehensive income, and share of other changes in equity of the associate in the Group's consolidated statement of changes in equity, collectively amounting to RMB7,398,000, were credited in profit or loss.
- (b) During the year, the Company repurchased 6,150,000 ordinary shares on the Hong Kong Stock Exchange at a total consideration of RMB9,844,000. The purchased shares were cancelled during the year and the issued share capital of the Company was reduced by the par value of RMB52,000. The total amount paid for the purchase of the shares of RMB9,792,000 was charged to the share premium of the Company.
- (c) On 19 December 2014, the Company granted a total of 84,500,000 share options to subscribe for a total of 84,500,000 ordinary shares in the share capital of the Company under the share option scheme adopted by the Company on 14 June 2014. The Group recognised a share option expense of RMB7,115,000 (2016: RMB15,857,000) during the year ended 31 December 2017 (note 29).
- (d) From 14 February 2012, the Group provided for and utilised the safety production expense fund according to the Circular on Printing and Issuing the Management Measures on the Enterprises Production Safety Expense of Enterprises Appropriation and Utilisation (2012 No.16) issued by the Ministry of Finance and the State Administration of Work Safety.

^{**} Kangyu Investment Co., Ltd. is registered as a wholly-foreign-owned enterprise under PRC law.

^{*} During the year, the Group acquired these companies. Further details of the acquisitions are included in note 31 to the consolidated financial statements.

31 December 2017

1. CORPORATE AND GROUP INFORMATION (continued)

The above table lists the subsidiaries of the Company which, in the opinion of the directors, principally affected the results for the year or formed a substantial portion of the net assets of the Group. To give details of other subsidiaries would, in the opinion of the directors, result in particulars of excessive length.

2.1 BASIS OF PREPARATION

These consolidated financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRSs") (which include all International Financial Reporting Standards, International Accounting Standards ("IASs") and Interpretations) issued by the International Accounting Standards Board ("IASB"), accounting principles generally accepted in Hong Kong and the disclosure requirements of the Hong Kong Companies Ordinance.

The consolidated financial statements have been prepared under the historical cost convention, except for available-for-sale financial investments which have been measured at fair value. These consolidated financial statements are presented in Renminbi ("RMB") and all values are rounded to the nearest thousand except when otherwise indicated.

Going concern

As at 31 December 2017, the Group's current liabilities exceeded its current assets by approximately RMB810,409,000 (31 December 2016: net current assets: RMB72,822,000). The directors of the Company have considered the Group's available sources of funds as follows:

- Unutilised banking facilities of approximately RMB49,702 million of the Group as at 31 December 2017.
 The directors of the Company are confident that the above mentioned banking facilities could be renewed upon expiration based on the Group's past experience and good credit standing;
- Unutilised Commercial Paper and Super & Short-term Commercial Paper facilities of total RMB1,900 million of the Group as at 31 December 2017; and
- Other available sources of financing from banks and other financial institutions given the Group's credit history.

The directors of the Company believe that the Group has adequate resources to continue operations for the foreseeable future of not less than 12 months from the approval date of these consolidated financial statements. The directors of the Company therefore are of the opinion that it is appropriate to adopt the going concern basis in preparing the consolidated financial statements.

31 December 2017

2.1 BASIS OF PREPARATION (continued)

Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiaries (collectively referred to as the "Group") for the year ended 31 December 2017. A subsidiary is an entity (including a structured entity), directly or indirectly, controlled by the Company. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee (i.e., existing rights that give the Group the current ability to direct the relevant activities of the investee).

When the Company has, directly or indirectly, less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- (a) the contractual arrangement with the other vote holders of the investee;
- (b) rights arising from other contractual arrangements; and
- (c) the Group's voting rights and potential voting rights.

The financial statements of the subsidiaries are prepared for the same reporting period as the Company, using consistent accounting policies. The results of subsidiaries are consolidated from the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Profit or loss and each component of other comprehensive income are attributed to the owners of the parent of the Group and to the non-controlling interests, even if this reports in the non-controlling interests having a deficit balance. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control described above. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises (i) the assets (including goodwill) and liabilities of the subsidiary, (ii) the carrying amount of any non-controlling interest and (iii) the cumulative translation differences recorded in equity; and recognises (i) the fair value of the consideration received, (ii) the fair value of any investment retained and (iii) any resulting surplus or deficit in profit or loss. The Group's share of components previously recognised in other comprehensive income is reclassified to profit or loss or retained profits, as appropriate, on the same basis as would be required if the Group had directly disposed of the related assets or liabilities.

31 December 2017

2.2 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The Group has adopted the following revised IFRSs for the first time for the current year's consolidated financial statements.

Amendments to IAS 7 Disclosure Initiative

Amendments to IAS 12 Recognition of Deferred Tax Assets for Unrealised Losses

Disclosure of Interests in Other Entities Clarification of the scope of **Annual Improvements** 2014-2016 Cycle

disclosure requirements in IFRS 12

The nature and the impact of the amendments are described below:

- Amendments to IAS 7 require an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes. Disclosure of the changes in liabilities arising from financing activities is provided in note 32 to the consolidated financial statements.
- Amendments to IAS 12 clarify that an entity, when assessing whether taxable profits will be available against which it can utilise a deductible temporary difference, needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount. The amendments have had no impact on the financial position or performance of the Group as the Group has no deductible temporary differences or assets that are in the scope of the amendments.
- Amendments to IFRS 12 clarify that the disclosure requirements in IFRS 12, other than those disclosure requirements in paragraphs B10 to B16 of IFRS 12, apply to an entity's interest in a subsidiary, a joint venture or an associate, or a portion of its interest in a joint venture or an associate that is classified as held for sale or included in a disposal group classified as held for sale. The amendments have had no impact on the Group's consolidated financial statements as the Group has no an entity's interest in a subsidiary, a joint venture or an associate, or a portion of its interest in a joint venture or an associate that are classified as held for sale as at 31 December 2017.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS

The Group has not applied the following new and revised IFRSs, that have been issued but are not yet effective, in the consolidated financial statements.

Amendments to IFRS 2 Classification and Measurement of Share-based

Payment Transactions¹

Amendments to IFRS 4 Applying IFRS 9 Financial Instruments with IFRS 4

Insurance Contracts¹

IFRS 9 Financial Instruments¹

Amendments to IFRS 9 Prepayment Features with Negative Compensation²

Amendments to IFRS 10 Sale or Contribution of Assets between an Investor and its Associate

and IAS 28 (2011) or Joint Venture⁴

IFRS 15 Revenue from Contracts with Customers¹

Amendments to IFRS 15 Clarifications to IFRS 15 Revenue from Contracts with Customers¹

IFRS 16 Leases²

IFRS 17 Insurance Contracts³

Amendments to IAS 28 Long-term Interests in Associates and Joint Ventures²

Amendments to IAS 40 Transfers of Investment Property¹

IFRIC Interpretation 22 Foreign Currency Transactions and Advance Consideration¹

IFRIC Interpretation 23 Uncertainty over Income Tax Treatments²

Annual Improvements 2014-2016 Cycle Amendments to IFRS 1 and IAS 281

Annual Improvements 2015-2017 Cycle Amendments to IFRS 3, IFRS 11, IAS 12 and IAS 23²

- ¹ Effective for annual periods beginning on or after 1 January 2018
- ² Effective for annual periods beginning on or after 1 January 2019
- Effective for annual periods beginning on or after 1 January 2021
- No mandatory effective date yet determined but available for adoption

Further information about those IFRSs that are expected to be applicable to the Group is described below.

The IASB issued amendments to IFRS 2 in June 2016 that address three main areas: the effects of vesting conditions on the measurement of a cash-settled share-based payment transaction; the classification of a sharebased payment transaction with net settlement features for withholding a certain amount in order to meet an employee's tax obligation associated with the share-based payment; and accounting where a modification to the terms and conditions of a share-based payment transaction changes its classification from cash-settled to equity-settled. The amendments clarify that the approach used to account for vesting conditions when measuring equity-settled share-based payments also applies to cash-settled share-based payments. The amendments introduce an exception so that a share-based payment transaction with net share settlement features for withholding a certain amount in order to meet the employee's tax obligation is classified in its entirety as an equity-settled share-based payment transaction when certain conditions are met. Furthermore, the amendments clarify that if the terms and conditions of a cash-settled share-based payment transaction are modified, with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as an equity-settled transaction from the date of the modification. On adoption, entities are required to apply the amendments without restating prior periods, but retrospective application is permitted if they elect to adopt for all three amendments and other criteria are met. The Group will adopt the amendments from 1 January 2018. The amendments are not expected to have any significant impact on the Group's consolidated financial statements.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

In July 2014, the IASB issued the final version of IFRS 9, bringing together all phases of the financial instruments project to replace IAS 39 and all previous versions of IFRS 9. The standard introduces new requirements for classification and measurement, impairment and hedge accounting. The Group will adopt IFRS 9 from 1 January 2018. The Group will not restate comparative information and will recognise any transition adjustments against the opening balance of equity at 1 January 2018. During 2017, the Group has performed a detailed assessment of the impact of the adoption of IFRS 9. The expected impacts relate to the classification and measurement and the impairment requirements and are summarised as follows:

(a) Classification and measurement

The Group does not expect that the adoption of IFRS 9 will have a significant impact on the classification and measurement of its financial assets. It expects to continue measuring at fair value all financial assets currently held at fair value. Equity investments currently held as available for sale will be measured at fair value through other comprehensive income as the investments are intended to be held for the foreseeable future and the Group will apply the option to present fair value changes in other comprehensive income. Gains and losses recorded in other comprehensive income for the equity investments cannot be recycled to profit or loss when the investments are derecognised.

(b) Impairment

IFRS 9 requires an impairment on debt instruments recorded at amortized cost or at fair value through other comprehensive income, lease receivables, loan commitments and financial guarantee contracts that are not accounted for at fair value through profit or loss under IFRS 9, to be recorded based on an expected credit loss model either on a twelve-month basis or a lifetime basis. The Group will apply the simplified approach and record lifetime expected losses that are estimated based on the present value of all cash shortfalls over the remaining life of all of its trade receivables. Furthermore, the Group will apply the general approach and record twelve-month expected credit losses that are estimated based on the possible default events on its other receivables within the next twelve months. The Group does not expect that the adoption of IFRS9 will have a significant impact on impairment of its financial assets.

Amendments to IFRS 10 and IAS 28 (2011) address an inconsistency between the requirements in IFRS 10 and in IAS 28 (2011) in dealing with the sale or contribution of assets between an investor and its associate or joint venture. The amendments require a full recognition of a gain or loss when the sale or contribution of assets between an investor and its associate or joint venture constitutes a business. For a transaction involving assets that do not constitute a business, a gain or loss resulting from the transaction is recognised in the investor's profit or loss only to the extent of the unrelated investor's interest in that associate or joint venture. The amendments are to be applied prospectively. The previous mandatory effective date of amendments to IFRS 10 and IAS 28 (2011) was removed by the IASB in December 2015 and a new mandatory effective date will be determined after the completion of a broader review of accounting for associates and joint ventures. However, the amendments are available for adoption now.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

IFRS 15, issued in May 2014, establishes a new five-step model to account for revenue arising from contracts with customers. Under IFRS 15, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The principles in IFRS 15 provide a more structured approach for measuring and recognising revenue. The standard also introduces extensive qualitative and quantitative disclosure requirements, including disaggregation of total revenue, information about performance obligations, changes in contract asset and liability account balances between periods and key judgements and estimates. The standard will supersede all current revenue recognition requirements under IFRSs. Either a full retrospective application or a modified retrospective adoption is required on the initial application of the standard. In April 2016, the IASB issued amendments to IFRS 15 to address the implementation issues on identifying performance obligations, application guidance on principal versus agent and licences of intellectual property, and transition. The amendments are also intended to help ensure a more consistent application when entities adopt IFRS 15 and decrease the cost and complexity of applying the standard. The Group plans to adopt the modified retrospective method in IFRS 15 to recognise the cumulative effect of initial adoption as an adjustment to the opening balance of retained earnings at 1 January 2018. In addition, the Group plans to apply the new requirements only to contracts that are not completed before 1 January 2018. The Group expects that the transitional adjustment to be made on 1 January 2018 upon initial adoption of IFRS 15 will not be material. During 2017, the Group does not expect that the adoption of IFRS 15 will have a significant impact on its consolidated financial statements from 2018 onwards.

The Group engages in certain service concession arrangements and construction services under Engineering Procurement Construction (the "EPC") arrangements. The expected impacts arising from the adoption of IFRS 15 on the Group are summarised as follows:

(a) Service concession arrangements

The Group has entered into a number of service concession arrangements with certain governmental authorities or their designees (the "Grantors"). The service concession arrangements consist of Build-Operate-Transfer (the "BOT") arrangements and Transfer-Operate-Transfer (the "TOT") arrangements. Under the BOT arrangements, the Group carries out construction work of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure for the Grantors and receives in return the rights to operate the service project concerned for a specified period of time (the "operation period") in accordance with the preestablished conditions set by the Grantors, the service project should be transferred to the Grantors with nil consideration at the end of the operation period. A TOT arrangement is similar to a BOT arrangement, except that the Group pays consideration for the rights to operate the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure that have been built. The Group has detailed assessed that the transaction price in certain service concession arrangements will be allocated to the performance obligations upon the adoption of IFRS 15 and the revenue allocated to the construction work will be recognised over the period that the services are provided upon the adoption of IFRS 15. The adoption of IFRS15 is not expected to have any significant impact on the Group's consolidated financial statements.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

(b) **EPC** arrangements

When the outcome of a construction contract under the EPC agreements can be estimated reliably, contract costs are recognised as an expense by reference to the stage of completion of the contract at the end of the reporting period. When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, contract costs are recognised as an expense in the period in which they are incurred.

When the outcome of a construction contract under the EPC agreements can be estimated reliably, contract revenue and expenses are recognised in profit or loss in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to surveyors of work performed. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable. An expected loss on a contract is recognised immediately in profit or loss.

Where contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is treated as an amount due from contract customers. Where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is treated as an amount due to contract customers.

The Group has further assessed that the construction services are satisfied over time given that the customers simultaneously receive and consume the benefits provided by the Group. Revenue allocated to the construction services will be recognised over the period that the construction services are provided. The adoption of IFRS15 is not expected to have any significant impact on the Group's consolidated financial statements.

(c) Presentation and disclosure

The presentation and disclosure requirements in IFRS 15 are more detailed than those under the current IAS 18. The presentation requirements represent a significant change from current practice and will significantly increase the volume of disclosures required in the Group's consolidated financial statements. Many of the disclosure requirements in IFRS 15 are new. In particular, the Group expects that the notes to the consolidated financial statements will be expanded because of the disclosure of significant judgements made on determining the transaction prices of those contracts that include variable consideration, how the transaction prices have been allocated to the performance obligations, and the assumptions made to estimate the stand-alone selling price of each performance obligation. In addition, as required by IFRS 15, the Group will disaggregate revenue recognised from contracts with customers into categories that depict how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors. It will also disclose information about the relationship between the disclosure of disaggregated revenue and revenue information disclosed for each reportable segment.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

IFRS 16, issued in January 2016, replaces IAS 17 Leases, IFRIC 4 Determining whether an Arrangement contains a Lease, SIC 15 Operating Leases — Incentives and SIC 27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise assets and liabilities for most leases. The standard includes two elective recognition exemptions for lessees — leases of low-value assets and short-term leases. At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the rights to use the underlying asset during the lease term (i.e., the right-ofuse asset). The right-of-use asset is subsequently measured at cost less accumulated depreciation and any impairment losses unless the right-of-use asset meets the definition of investment property in IAS 40, or relates to a class of property, plant and equipment to which the revaluation model is applied. The lease liability is subsequently increased to reflect the interest on the lease liability and reduced for the lease payments. Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. Lessees will also be required to remeasure the lease liability upon the occurrence of certain events, such as change in the lease term and change in future lease payments resulting from a change in an index or rate used to determine those payments. Lessees will generally recognise the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset. Lessor accounting under IFRS 16 is substantially unchanged from the accounting under IAS 17. Lessors will continue to classify all leases using the same classification principle as in IAS 17 and distinguish between operating leases and finance leases. IFRS 16 requires lessees and lessors to make more extensive disclosures than under IAS 17. Lessees can choose to apply the standard using either a full retrospective or a modified retrospective approach. The Group expects to adopt IFRS 16 from 1 January 2019. The Group is currently assessing the impact of IFRS 16 upon adoption and is considering whether it will choose to take advantage of the practical expedients available and which transition approach and reliefs will be adopted. Upon adoption of IFRS 16, certain amounts included therein may need to be recognised as new right-of-use assets and lease liabilities. Further analysis, however, will be needed to determine the amount of new rights of use assets and lease liabilities to be recognised, including, but not limited to, any amounts relating to leases of low-value assets and short term leases, other practical expedients and reliefs chosen, and new leases entered into before the date of adoption.

Amendments to IAS 28 issued in October 2017 clarify that the scope exclusion of IFRS 9 only includes interests in an associate or joint venture to which the equity method is applied and does not include long-term interests that in substance form part of the net investment in the associate or joint venture, to which the equity method has not been applied. Therefore, an entity applies IFRS 9, rather than IAS 28, including the impairment requirements under IFRS 9, in accounting for such long-term interests. IAS 28 is then applied to the net investment, which includes the long-term interests, only in the context of recognising losses of an associate or joint venture and impairment of the net investment in the associate or joint venture. The Group expects to adopt the amendments on 1 January 2019 and will assess its business model for such long-term interests based on the facts and circumstances that exist on 1 January 2019 using the transitional requirements in the amendments. The Group also intends to apply the relief from restating comparative information for prior periods upon adoption of the amendments.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

Amendments to IAS 40, issued in April 2017, clarify when an entity should transfer property, including property under construction or development, into or out of investment property. The amendments state that a change in use occurs when the property meets, or ceases to meet, the definition of investment property and there is evidence of the change in use. A mere change in management's intentions for the use of a property does not provide evidence of a change in use. The amendments should be applied prospectively to the changes in use that occur on or after the beginning of the annual reporting period in which the entity first applies the amendments. An entity should reassess the classification of property held at the date that it first applies the amendments and, if applicable, reclassify property to reflect the conditions that exist at that date. Retrospective application is only permitted if it is possible without the use of hindsight. The Group expects to adopt the amendments prospectively from 1 January 2018. The amendments are not expected to have any significant impact on the Group's consolidated financial statements.

IFRIC Interpretation 22, issued in December 2016, provides guidance on how to determine the date of the transaction when applying IAS 21 to the situation where an entity receives or pays advance consideration in a foreign currency and recognises a non-monetary asset or liability. The interpretation clarifies that the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) is the date on which an entity initially recognises the non-monetary asset (such as a prepayment) or non-monetary liability (such as deferred income) arising from the payment or receipt of the advance consideration. If there are multiple payments or receipts in advance of recognising the related item, the entity must determine the transaction date for each payment or receipt of the advance consideration. Entities may apply the interpretation on a full retrospective basis or on a prospective basis, either from the beginning of the reporting period in which the entity first applies the interpretation or the beginning of the prior reporting period presented as comparative information in the financial statements of the reporting period in which the entity first applies the interpretation prospectively from 1 January 2018. The interpretation is not expected to have any significant impact on the Group's consolidated financial statements.

IFRIC Interpretation 23, issued in June 2017, addresses the accounting for income taxes (current and deferred) when tax treatments involve uncertainty that affects the application of IAS 12 (often referred to as "uncertain tax positions"). The interpretation does not apply to taxes or levies outside the scope of IAS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The interpretation specifically addresses (i) whether an entity considers uncertain tax treatments separately; (ii) the assumptions an entity makes about the examination of tax treatments by taxation authorities; (iii) how an entity determines taxable profits or tax losses, tax bases, unused tax losses, unused tax credits and tax rates; and (iv) how an entity considers changes in facts and circumstances. The interpretation is to be applied retrospectively, either fully retrospectively without the use of hindsight or retrospectively with the cumulative effect of application as an adjustment to the opening equity at the date of initial application, without the restatement of comparative information. The Group expects to adopt the interpretation from 1 January 2019. The interpretation is not expected to have any significant impact on the Group's consolidated financial statements.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

In May 2017, the IASB issued IFRS 17, a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Once effective, IFRS 17 will replace the existing IFRS 4 *Insurance Contracts*. The standard applies to all types of insurance contracts (i.e., life, non-life, direct insurance and re-insurance), regardless of the type of entities that issue them, as well as to certain guarantees and financial instruments with discretionary participation features. A few scope exceptions will apply. The overall objective of the standard is to provide an accounting model for insurance contracts that is more useful and consistent for insurers. In contrast to the requirements in IFRS 4, which are largely based on grandfathering previous local accounting policies, the standard provides a comprehensive model for insurance contracts, covering all relevant accounting aspects. The core of the standard is the general model, supplemented by:

- a specific adaptation for contracts with direct participation features (the variable fee approach)
- a simplified approach (the premium allocation approach) mainly for short-duration contracts.

IFRS 17 is effective for reporting periods beginning on or after 1 January 2021. Early application is permitted, provided the entity also applies IFRS 9 and IFRS 15 on or before the date it first applies IFRS 17. The standard is not expected to have any impact on the Group.

Annual Improvements to IFRSs 2014-2016 Cycle, issued in December 2016, sets out amendments to IFRS 1, IFRS 12 and IAS 28. Except for the amendments to IFRS 12 which have been adopted by the Group for the current year's financial statements, the Group expects to adopt the amendments from 1 January 2018. None of the amendments are expected to have a significant financial impact on the Group. Details of the amendments to IFRS 1 and IAS 28 are as follows:

- IFRS 1 First-time Adoption of International Financial Reporting Standards: Deletes the short-term exemptions for first-time adopters because the reliefs provided in the exemptions are no longer applicable.
- IAS 28 Investments in Associates and Joint Ventures: Clarifies that an entity that is a venture capital organisation, or other qualifying entity, may elect, at initial recognition on an investment-by-investment basis, to measure its investments in associates and joint ventures at fair value through profit or loss. If an entity that is not itself an investment entity has an interest in an associate or joint venture that is an investment entity, the entity may elect to retain the fair value measurement applied by that investment entity associate or joint venture to the investment entity associate's or joint venture's interests in subsidiaries when applying the equity method. This election is made separately for each investment entity associate or joint venture, at the later of the date on which (i) the investment entity associate or joint venture is initially recognised; (ii) the associate or joint venture becomes an investment entity; and (iii) the investment entity associate or joint venture first becomes a parent. These amendments should be applied retrospectively.

31 December 2017

2.3 ISSUED BUT NOT YET EFFECTIVE INTERNATIONAL FINANCIAL REPORTING STANDARDS (continued)

Annual Improvements to IFRSs 2015-2017 Cycle, issued in December 2017, sets out amendments to IFRS 3, IFRS 11, IAS 12 and IAS 23. The Group expects to adopt the amendments from 1 January 2019. None of the amendments are expected to have a significant financial impact on the Group. Details of the amendments are as follows:

- IFRS 3 Business Combinations: Clarifies that, when an entity obtains control of a business that is a joint operation, it must apply the requirements for a business combination achieved in stages and remeasure its entire previously held interest in the joint operation at fair value.
- IFRS 11 *Joint Arrangements*: Clarifies that when an entity that participates in, but does not have joint control of a joint operation, obtains joint control over that joint operation that is a business, it does not remeasure the interest it previously held in that joint operation.
- IAS 12 *Income Taxes*: Clarifies that an entity recognises all income tax consequences of dividends in profit or loss, other comprehensive income or equity, depending on where the entity recognised the originating transaction or event that generated the distributable profits giving rise to the dividend.
- IAS 23 Borrowing Costs: Clarifies that an entity treats as part of general borrowings any specific borrowing originally made to develop a qualifying asset, and that is still outstanding, when substantially all of the activities necessary to prepare that asset for its intended use or sales are complete.

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investments in associates and joint ventures

An associate is an entity in which the Group has a long term interest of generally not less than 15% of the equity voting rights and over which it is in a position to exercise significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Group's investments in associates and joint ventures are stated in the consolidated statement of financial position at the Group's share of net assets under the equity method of accounting, less any impairment losses. Adjustments are made to bring into line any dissimilar accounting policies that may exist.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments in associates and joint ventures (continued)

The Group's share of the post-acquisition results and other comprehensive income of associates and joint ventures is included in the consolidated statement of profit or loss and other comprehensive income. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the consolidated statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and its associates or joint ventures are eliminated to the extent of the Group's investments in the associates or joint ventures, except where unrealised losses provide evidence of an impairment of the assets transferred. Goodwill arising from the acquisition of associates or joint ventures is included as part of the Group's investments in associates or joint ventures.

If an investment in an associate becomes an investment in a joint venture or vice versa, the retained interest is not remeasured. Instead, the investment continues to be accounted for under the equity method. In all other cases, upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

When an investment in an associate or a joint venture is classified as held for sale, it is accounted for in accordance with IFRS 5 Non-current Assets Held for Sale and Discontinued Operations.

Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The consideration transferred is measured at the acquisition date fair value which is the sum of the acquisition date fair values of assets transferred by the Group, liabilities assumed by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree that are present ownership interests and entitle their holders to a proportionate share of net assets in the event of liquidation at fair value or at the proportionate share of the acquiree's identifiable net assets. All other components of non-controlling interests are measured at fair value. Acquisition-related costs are expensed as incurred.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts of the acquiree.

If the business combination is achieved in stages, the previously held equity interest is remeasured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability is measured at fair value with changes in fair value recognised in profit or loss. Contingent consideration that is classified as equity is not remeasured and subsequent settlement is accounted for within equity.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Business combinations and goodwill (continued)

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred, the amount recognised for non-controlling interests and any fair value of the Group's previously held equity interests in the acquiree over the identifiable net assets acquired and liabilities assumed. If the sum of this consideration and other items is lower than the fair value of the net assets acquired, the difference is, after reassessment, recognised in profit or loss as a gain on bargain purchase.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is tested for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired. The Group performs its annual impairment test of goodwill as at 31 December. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the Group are assigned to those units or groups of units.

Impairment is determined by assessing the recoverable amount of the cash-generating unit (group of cash-generating units) to which the goodwill relates. Where the recoverable amount of the cash-generating unit (group of cash-generating units) is less than the carrying amount, an impairment loss is recognised. An impairment loss recognised for goodwill is not reversed in a subsequent period.

Where goodwill has been allocated to a cash-generating unit (or group of cash-generating units) and part of the operation within that unit is disposed of, the goodwill associated with the operation disposed of is included in the carrying amount of the operation when determining the gain or loss on the disposal. Goodwill disposed of in these circumstances is measured based on the relative value of the operation disposed of and the portion of the cash-generating unit retained.

Fair value measurement

The Group measures its investment properties and equity investments at fair value at the end of each reporting period. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurement (continued)

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 based on quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 based on valuation techniques for which the lowest level input that is significant to the fair value measurement is observable, either directly or indirectly
- Level 3 based on valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of reporting period.

Impairment of non-financial assets

Where an indication of impairment exists, or when annual impairment testing for an asset is required (other than inventories, construction contract assets, financial assets, investment properties, goodwill and non-current assets/a disposal group classified as held for sale), the asset's recoverable amount is estimated. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

An impairment loss is recognised only if the carrying amount of an asset exceeds its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss is charged to profit or loss in the period in which it arises in those expense categories consistent with the function of the impaired asset.

An assessment is made at the end of reporting period as to whether there is an indication that previously recognised impairment losses may no longer exist or may have decreased. If such an indication exists, the recoverable amount is estimated. A previously recognised impairment loss of an asset other than goodwill is reversed only if there has been a change in the estimates used to determine the recoverable amount of that asset, but not to an amount higher than the carrying amount that would have been determined (net of any depreciation/amortization) had no impairment loss been recognised for the asset in prior years. A reversal of such an impairment loss is credited to profit or loss in the period in which it arises, unless the asset is carried at a revalued amount, in which case the reversal of the impairment loss is accounted for in accordance with the relevant accounting policy for that revalued asset.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Related parties

A party is considered to be related to the Group if:

- (a) the party is a person or a close member of that person's family and that person
 - (i) has control or joint control over the Group;
 - (ii) has significant influence over the Group; or
 - (iii) is a member of the key management personnel of the Group or of a parent of the Group;

or

- (b) the party is an entity where any of the following conditions applies:
 - (i) the entity and the Group are members of the same group;
 - (ii) one entity is an associate or joint venture of the other entity (or of a parent, subsidiary or fellow subsidiary of the other entity);
 - (iii) the entity and the Group are joint ventures of the same third party;
 - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group or an entity related to the Group;
 - (vi) the entity is controlled or jointly controlled by a person identified in (a);
 - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); and
 - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Group or to the parent of the Group.

Property, plant and equipment and depreciation

Property, plant and equipment, other than construction in progress, are stated at cost less accumulated depreciation and any impairment losses. When an item of property, plant and equipment is classified as held for sale or when it is part of a disposal group classified as held for sale, it is not depreciated and is accounted for in accordance with IFRS 5. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property, plant and equipment and depreciation (continued)

Expenditure incurred after items of property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to profit or loss in the period in which it is incurred. In situations where the recognition criteria are satisfied, the expenditure for a major inspection is capitalised in the carrying amount of the asset as a replacement. Where significant parts of property, plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Buildings and other infrastructure	3.13%-4.50%
Machinery	6.67%–18.00%
Office equipment and others	9.50%-18.00%

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately. Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at least at each financial year end.

An item of property, plant and equipment including any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in profit or loss in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

Construction in progress represents a building under construction, which is stated at cost less any impairment losses, and is not depreciated. Cost comprises the direct costs of construction and capitalised borrowing costs on related borrowed funds during the period of construction. Construction in progress is reclassified to the appropriate category of property, plant and equipment when completed and ready for use.

Investment properties

Investment properties are interests in land and buildings (including the leasehold interest under an operating lease for a property which would otherwise meet the definition of an investment property) held to earn rental income and/or for capital appreciation, rather than for use in the production or supply of goods or services or for administrative purposes; or for sale in the ordinary course of business. Such properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and any impairment losses.

Depreciation is calculated on the straight-line basis to write off the cost of each item of such properties to its residual value over its estimated useful life. The principal annual rate used for this purpose is as follows:

Buildings 4.50%

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Intangible assets (other than goodwill)

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is the fair value at the date of acquisition. The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are subsequently amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year end.

Software

Purchased software is stated at cost less any impairment losses and is amortized on the straight-line basis over its estimated useful life of 10 years.

Research and development costs

All research costs are charged to profit or loss as incurred.

Expenditure incurred on projects to develop new products is capitalised and deferred only when the Group can demonstrate the technical feasibility of completing the intangible asset so that it will be available for use or sale, its intention to complete and its ability to use or sell the asset, how the asset will generate future economic benefits, the availability of resources to complete the project and the ability to measure reliably the expenditure during the development. Product development expenditure which does not meet these criteria is expensed when incurred.

Deferred development costs are stated at cost less any impairment losses and are amortized using the straightline basis over the commercial lives of the underlying products not exceeding five to seven years, commencing from the date when the products are put into commercial production.

Operating concessions

For details of the accounting policy of operating concessions, please refer to "Service concession arrangements" below.

Operating contract rights

Operating contract rights represent the fair value of operating rights of WTPs or RWTPs acquired through business combination. These intangible assets are amortized on the straight-line basis over the remaining period of the operating contract rights.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Operating leases

Leases where substantially all the rewards and risks of ownership of assets remain with the lessor are accounted for as operating leases. Where the Group is the lessor, assets leased by the Group under operating leases are included in non-current assets, and rentals receivable under the operating leases are credited to profit or loss on the straight-line basis over the lease terms. Where the Group is the lessee, rentals payable under operating leases net of any incentives received from the lessor are charged to profit or loss on the straight-line basis over the lease terms.

Prepaid land lease payments under operating leases are initially stated at cost and subsequently recognised on the straight-line basis over the lease terms.

Service concession arrangements

The Group has entered into a number of service concession arrangements with the Grantors. The service concession arrangements consist of Build-Operate-Transfer (the "BOT") arrangements and Transfer-Operate-Transfer (the "TOT") arrangements. Under the BOT arrangements, the Group carries out construction work of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure for the Grantors and receives in return the rights to operate the service project concerned for a specified period of time (the "operation period") in accordance with the pre-established conditions set by the Grantors, and the service project should be transferred to the Grantors with nil consideration at the end of the operation period. A TOT arrangement is similar to a BOT arrangement, except that the Group pays consideration for the rights to operate the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure that have been built.

Consideration given by the Grantors

A financial asset (financial receivable) is recognised to the extent that the Group has an unconditional right to receive cash or another financial asset from or at the direction of the Grantors for the construction services rendered and/or the consideration paid and payable by the Group for the rights to operate WTPs, and the Grantors have little, if any, discretion to avoid payment, usually because the agreements are enforceable by law. The Group has an unconditional right to receive cash if the Grantors contractually guarantee to pay the Group specified or determinable amounts even if the payment is contingent on the Group ensuring that the infrastructure meets specified quality of efficiency requirements. The financial asset (financial receivable) is accounted for in accordance with the policy set out for loans and receivables under "Investments and other financial assets" below.

An intangible asset (operating concession) is recognised to the extent that the Group receives the rights to charge users of public service or the grantors remunerate the Group on the basis of the extent of use of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure by users, but with no guarantees as to the amounts that will be paid to the Group, which is not an unconditional right to receive cash because the amounts are contingent on the extent that the public use the service. The intangible asset (operating concession) is accounted for in accordance with the policy set out for "intangible assets" above, which is amortized on a straight-line basis over the terms of operation ranging from 25 to 30 years.

If the Group is paid for the construction services partly by a financial asset and partly by an intangible asset, then each component of the consideration is accounted for separately and is recognised initially at the fair value of the consideration.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Service concession arrangements (continued)

Construction or upgrade services

Revenue and costs relating to construction or upgrade services are accounted for in accordance with the policy set out for "Construction contracts" below.

Operating services

Revenue relating to operating services is accounted for in accordance with the policy for "Revenue recognition" below. Costs for operating services are expensed in the period in which they are incurred.

Build-Transfer (the "BT") arrangements

The Group carries out construction work of municipal infrastructure or infrastructure related to the WTPs under BT contracts for certain PRC governmental authorities or agencies of the government and agrees with these BT customers to enter into a repurchase agreement for the above construction services for periods ranging from three to four years (the "Repurchase Period").

Consideration given by the BT customers

A financial asset (financial receivable) is recognised when the Group has an unconditional right under the BT arrangements to receive a fixed and determinable amount of payments during the Repurchase Period and is accounted for in accordance with the policy set out for loans and receivables under "Investments and other financial assets" below.

Construction services

Revenue and costs relating to construction services are accounted for in accordance with the policy set out for "Construction contracts" below.

Investments and other financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as financial assets at fair value through profit or loss, loans and receivables and available-for-sale financial investments, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. When financial assets are recognised initially, they are measured at fair value plus transaction costs that are attributable to the acquisition of the financial assets, except in the case of financial assets recorded at fair value through profit or loss.

All regular way purchases and sales of financial assets are recognised on the trade date, that is, the date that the Group commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments and other financial assets (continued)

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of sale in the near term. Derivatives, including separated embedded derivatives, are also classified as held for trading unless they are designated as effective hedging instruments as defined by IAS 39.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with positive net changes in fair value presented as other income and gains and negative net changes in fair value presented as finance costs in profit or loss. These net fair value changes do not include any dividends or interest earned on these financial assets, which are recognised in accordance with the policies set out for "Revenue recognition" below.

Financial assets designated upon initial recognition as at fair value through profit or loss are designated at the date of initial recognition and only if the criteria in IAS 39 are satisfied.

Derivatives embedded in host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated as at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss category.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such assets are subsequently measured at amortized cost using the effective interest rate method less any allowance for impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and includes fees or costs that are an integral part of the effective interest rate. The effective interest rate amortization is included in other income and gains in profit or loss. The loss arising from impairment is recognised in profit or loss in finance costs for loans and in other expenses for receivables.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments and other financial assets (continued)

Available-for-sale financial investments

Available-for-sale financial investments are non-derivative financial assets in listed and unlisted equity investments and debt securities. Equity investments classified as available for sale are those which are neither classified as held for trading nor designated as at fair value through profit or loss. Debt securities in this category are those which are intended to be held for an indefinite period of time and which may be sold in response to needs for liquidity or in response to changes in market conditions.

After initial recognition, available-for-sale financial investments are subsequently measured at fair value, with unrealised gains or losses recognised as other comprehensive income in the available-for-sale financial investment revaluation reserve until the investment is derecognised, at which time the cumulative gain or loss is recognised in profit or loss in other income, or until the investment is determined to be impaired, when the cumulative gain or loss is reclassified from the available-for-sale financial investment revaluation reserve to profit or loss in other gains or losses. Interest and dividends earned whilst holding the available-for-sale financial investments are reported as interest income and dividend income, respectively and are recognised in profit or loss as other income in accordance with the policies set out for "Revenue recognition" below.

When the fair value of unlisted equity investments cannot be reliably measured because (a) the variability in the range of reasonable fair value estimates is significant for that investment or (b) the probabilities of the various estimates within the range cannot be reasonably assessed and used in estimating fair value, such investments are stated at cost less any impairment losses.

The Group evaluates whether the ability and intention to sell its available-for-sale financial assets in the near term are still appropriate. When, in rare circumstances, the Group is unable to trade these financial assets due to inactive markets, the Group may elect to reclassify these financial assets if management has the ability and intention to hold the assets for the foreseeable future or until maturity.

For a financial asset reclassified from the available-for-sale category, the fair value carrying amount at the date of reclassification becomes its new amortized cost and any previous gain or loss on that asset that has been recognised in equity is amortized to profit or loss over the remaining life of the investment using the effective interest rate. Any difference between the new amortized cost and the maturity amount is also amortized over the remaining life of the asset using the effective interest rate. If the asset is subsequently determined to be impaired, then the amount recorded in equity is reclassified to profit or loss.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Group's consolidated statement of financial position) when:

- the rights to receive cash flows from the asset have expired; or
- the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership of the asset. When it has neither transferred nor retained substantially all the risks and rewards of the asset nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets

The Group assesses at the end of the year whether there is objective evidence that a financial asset or a group of financial assets is impaired. An impairment exists if one or more events that occurred after the initial recognition of the asset have an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated. Evidence of impairment may include indications that a debtor or a group of debtors is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganisation and observable data indicating that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

Financial assets carried at amortized cost

For financial assets carried at amortized cost, the Group first assesses whether impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be, recognised are not included in a collective assessment of impairment.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of financial assets (continued)

Financial assets carried at amortized cost (continued)

The amount of any impairment loss identified is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not yet been incurred). The present value of the estimated future cash flows is discounted at the financial asset's original effective interest rate (i.e., the effective interest rate computed at initial recognition).

The carrying amount of the asset is reduced through the use of an allowance account and the loss is recognised in profit or loss. Interest income continues to be accrued on the reduced carrying amount using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. Loans and receivables together with any associated allowance are written off when there is no realistic prospect of future recovery and all collateral has been realised or has been transferred to the Group.

If, in a subsequent period, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or reduced by adjusting the allowance account. If a write-off is later recovered, the recovery is credited to other expenses in profit or loss.

Available-for-sale financial investments

For available-for-sale financial investments, the Group assesses at the end of each reporting period whether there is objective evidence that an investment or a group of investments is impaired.

If an available-for-sale asset is impaired, an amount comprising the difference between its cost (net of any principal payment and amortization) and its current fair value, less any impairment loss previously recognised in the consolidated statement of profit or loss and other comprehensive income, is removed from other comprehensive income and recognised in the consolidated statement of profit or loss and other comprehensive income.

In the case of equity investments classified as available for sale, objective evidence would include a significant or prolonged decline in the fair value of an investment below its cost. "Significant" is evaluated against the original cost of the investment and "prolonged" against the period in which the fair value has been below its original cost. Where there is evidence of impairment, the cumulative loss — measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that investment previously recognised in the consolidated statement of profit or loss and other comprehensive income — is removed from other comprehensive income and recognised in the consolidated statement of profit or loss and other comprehensive income. Impairment losses on equity instruments classified as available for sale are not reversed through the consolidated statement of profit or loss and other comprehensive income. Increases in their fair value after impairment are recognised directly in other comprehensive income.

The determination of what is "significant" or "prolonged" requires judgement. In making this judgement, the Group evaluates, among other factors, the duration or extent to which the fair value of an investment is less than its cost.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Group's financial liabilities include trade and bills payables, other payables, interest-bearing bank and other borrowings, and corporate bonds.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost, using the effective interest rate method unless the effect of discounting would be immaterial, in which case they are stated at cost. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the effective interest rate amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortization is included in finance costs in profit or loss.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled, or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and a recognition of a new liability, and the difference between the respective carrying amounts is recognised in profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined on the first-in, first-out basis. Net realisable value is based on estimated selling prices less any estimated costs to be incurred to completion and disposal.

Cash and cash equivalents

For the purpose of the consolidated statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short term highly liquid investments that are readily convertible into known amounts of cash, are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the Group's cash management.

For the purpose of the consolidated statement of financial position, cash and cash equivalents comprise cash on hand and at banks, including term deposits, and assets similar in nature to cash, which are not restricted as to use.

Provisions

A provision is recognised when a present obligation (legal or constructive) has arisen as a result of a past event and it is probable that a future outflow of resources will be required to settle the obligation, provided that a reliable estimate can be made of the amount of the obligation.

When the effect of discounting is material, the amount recognised for a provision is the present value at the end of reporting period of the future expenditures expected to be required to settle the obligation. The increase in the discounted present value amount arising from the passage of time is included in finance costs in profit or loss.

A contingent liability recognised in a business combination is initially measured at its fair value. Subsequently, it is measured at the higher of (i) the amount that would be recognised in accordance with the general guidance for provisions above; and (ii) the amount initially recognised less, when appropriate, cumulative amortization recognised in accordance with the guidance for revenue recognition.

Income tax

Income tax comprises current and deferred tax. Income tax relating to items recognised outside profit or loss is recognised outside profit or loss, either in other comprehensive income or directly in equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the year, taking into consideration interpretations and practices prevailing in the countries in which the Group operates.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income tax (continued)

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries and an associate, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carryforward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carryforward of unused tax credits and unused tax losses can be utilised, except:

- when the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of deductible temporary differences associated with investments in subsidiaries and an associate, deferred tax assets are only recognised to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if and only if the Group has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Government grants

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the costs, which it is intended to compensate, are expensed.

Where the grant relates to an asset, the fair value is credited to a deferred income account and is released to the consolidated statement of profit or loss and other comprehensive income over the expected useful life of the relevant asset by equal annual instalments or deducted from the carrying amount of the asset and released to the consolidated statement of profit or loss and other comprehensive income by way of a reduced depreciation charge.

Where the Group receives government loans granted with no or at a below-market rate of interest for the construction of a qualifying asset, the initial carrying amount of the government loans is determined using the effective interest rate method, as further explained in the accounting policy for "Financial liabilities" above. The benefit of the government loans granted with no or at a below-market rate of interest, which is the difference between the initial carrying value of the loans and the proceeds received, is treated as a government grant and released to the consolidated statement of profit or loss and other comprehensive income over the expected useful life of the relevant asset by equal annual instalments.

Revenue recognition

Revenue is recognised when it is probable that the economic benefits will flow to the Group and when the revenue can be measured reliably, on the following bases:

- from construction contracts, on the percentage of completion basis, as further explained in the accounting policy for "Construction contracts" below;
- (b) from the rendering of operation service of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure, when the service is provided;
- interest income, on an accrual basis using the effective interest method by applying the rate that exactly (c) discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, when appropriate, to the net carrying amount of the financial asset;
- (d)rental income, on a time proportion basis over the lease terms; and
- dividend income, when the shareholders' rights to receive payment have been established.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Construction contracts

Contract revenue primarily comprises (i) the agreed contract amount and appropriate amounts from variation orders, claims and incentive payments in respect of the construction services under the BT arrangements, (ii) the fair value of the construction services under the BOT arrangements, and (iii) the agreed contract amount and appropriate amounts from variation orders, claims and incentive payments in respect of the construction services under Engineering Procurement Construction ("EPC") contracts. Contract costs incurred comprise direct materials, the costs of subcontracting, direct labour and an appropriate proportion of variable and fixed construction overheads.

BT arrangements

Revenue from the construction services under the BT arrangements is recognised using the percentage of completion method, measured by reference to the proportion of costs incurred to date to the estimated total cost of the relevant contract.

Provision is made for foreseeable losses as soon as they are anticipated by management. Where contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is treated as an amount due from contract customers. Where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is treated as an amount due to contract customers.

BOT arrangements

Revenue from the construction services under the BOT agreements is estimated on a cost-plus basis with reference to the prevailing market rate of gross margin at the date of the agreement applicable to similar construction services rendered in similar locations, and is recognised using the percentage of completion method, measured by reference to the proportion of costs incurred to date to the estimated total cost of the relevant contract.

EPC arrangements

When the outcome of a construction contract under the EPC agreements can be estimated reliably, contract costs are recognised as an expense by reference to the stage of completion of the contract at the end of the reporting period. When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, contract costs are recognised as an expense in the period in which they are incurred.

When the outcome of a construction contract under the EPC agreements can be estimated reliably, contract revenue and expenses are recognised in profit or loss in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to surveyors of work performed. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable. An expected loss on a contract is recognised immediately in profit or loss.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Construction contracts (continued)

EPC arrangements (continued)

Where contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is treated as an amount due from contract customers. Where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is treated as an amount due to contract customers.

Share-based payments

The Company operates a share option scheme for the purpose of providing incentives and rewards to eligible participants who contribute to the success of the Group's operations. Employees (including directors) of the Group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments ("equity-settled transactions").

The cost of equity-settled transactions with employees for grants is measured by reference to the fair value at the date at which they are granted. The fair value is determined by an external valuer using a binomial model, further details of which are given in note 29 to the consolidated financial statements.

The cost of equity-settled transactions is recognised in employee benefit expense, together with a corresponding increase in equity, over the period in which the performance and/or service conditions are fulfilled. The cumulative expense recognised for equity-settled transactions at the end of each reporting period until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest. The charge or credit to the consolidated statement of profit or loss and other comprehensive income for a period represents the movement in the cumulative expense recognised as at the beginning and end of that period.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Group's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

For awards that do not ultimately vest because non-market performance and/or service conditions have not been met, no expense is recognised. Where awards include a market or non-vesting condition, the transactions are treated as vesting irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

Where the terms of an equity-settled award are modified, as a minimum an expense is recognised as if the terms had not been modified, if the original terms of the award are met. In addition, an expense is recognised for any modification that increases the total fair value of the share-based payments, or is otherwise beneficial to the employee as measured at the date of modification.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Share-based payments (continued)

Where an equity-settled award is cancelled, it is treated as if it had vested on the date of cancellation, and any expense not yet recognised for the award is recognised immediately. This includes any award where nonvesting conditions within the control of either the Group or the employee are not met. However, if a new award is substituted for the cancelled award, and is designated as a replacement award on the date that it is granted, the cancelled and new awards are treated as if they were a modification of the original award, as described in the previous paragraph.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of earnings per share.

Other employee benefits

Pension scheme

The employees of the Group's subsidiaries which operate in Mainland China are required to participate in a central pension scheme operated by the local municipal government. These subsidiaries are required to contribute a certain percentage of their payroll costs to the central pension scheme. The contributions are charged to profit or loss as they become payable in accordance with the rules of the central pension scheme.

Short term employee benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

Housing fund and other social insurances

The Group has participated in defined social security contribution schemes for its employees pursuant to the relevant laws and regulations of the PRC. These include a housing fund, basic medical insurance, unemployment insurance, injury insurance and maternity insurance. The Group makes monthly contributions to the housing fund and other social insurances. The contributions are charged to profit or loss on an accrual basis. The Group has no further obligations beyond the contributions made.

Termination benefits

Termination benefits are recognised at the earlier of when the Group can no longer withdraw the offer of those benefits and when the Group recognises restructuring costs involving the payment of termination benefits.

31 December 2017

2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, i.e., assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of those assets. The capitalisation of such borrowing costs ceases when the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs capitalised. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Dividends

Final dividends are recognised as a liability when they are approved by the shareholders in a general meeting.

Interim dividends are simultaneously proposed and declared, because the Company's memorandum and articles of association grant the directors the authority to declare interim dividends. Consequently, interim dividends are recognised immediately as a liability when they are proposed and declared.

Foreign currencies

The consolidated financial statements are presented in RMB, which is the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency. Foreign currency transactions recorded by the entities in the Group are initially recorded using their respective functional currency rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rates of exchange ruling at the end of the year. Differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of a non-monetary item measured at fair value is treated in line with the recognition of the gain or loss on change in fair value of the item (i.e., translation difference on the item whose fair value gain or loss is recognised in other comprehensive income or profit or loss is also recognised in other comprehensive income or profit or loss, respectively).

As at the end of the year, the assets and liabilities of these entities whose functional currencies differ from the presentation currency are translated into RMB at the exchange rates prevailing at the end of the year and the statements of profit or loss and other comprehensive income are translated into RMB at the weighted average exchange rates for the year.

31 December 2017

2.5 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and their accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amounts of the assets or liabilities affected in the future.

Judgements

In the process of applying the Group's accounting policies, management has made the following judgements, apart from those involving estimations, which have the most significant effect on the amounts recognised in the consolidated financial statements:

Accounting for service concession arrangements

The Group engages in certain service concession arrangements in which the Group carries out construction work of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure for the Grantors and receives in return the rights to operate the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure concerned in accordance with the pre-established conditions set by the Grantors. In accordance with IFRIC 12 Service Concession Arrangements, the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure under the service concession arrangements may be classified as intangible assets or financial assets. The WTPs, RWTPs, WDPs, STPs or other municipal infrastructure are classified as intangible assets if the Group receives a right (a licence) to charge users of the public service or if the Grantors remunerate the Group on the basis of the extent of use of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure by users, but with no guarantees as to the amounts that will be paid to the Group. Whenever only part of the investment by the Group under these service concession arrangements is covered by a payment commitment from the Grantors, it is recognised as a financial receivable up to the amount guaranteed by the Grantors, and as an intangible asset for the balance. The Group recognises a financial receivable if it has an unconditional contractual right under the service concession arrangements to receive a determinable amount of payments during the concession period irrespective of the usage of the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure.

Subsequent to initial recognition, the financial receivable is measured at amortized cost using the effective interest method.

Revenue from the construction service under the terms of service concession arrangements is estimated on a cost-plus basis with reference to a prevailing market rate of gross margin at the date of agreement applicable to similar construction services rendered in similar locations, and is recognised on the percentage of completion method, measured by reference to the proportion of costs incurred to date to the estimated total cost of the relevant contract. The Group's prevailing margins of gross construction margin were valued by Crowe Horwath (HK) Consulting & Valuation Limited ("Crowe Horwath (HK)"), an independent third-party valuer that has appropriate qualifications and recent experience in valuation of gross construction margin.

When the Group receives a payment during the concession period, it will apportion such payment among (i) a repayment of the financial receivables (if any), which will be used to reduce the carrying amount of the financial receivables on the statement of financial position, (ii) interest income, which will be recognised as revenue in profit or loss and (iii) revenue from operating and maintaining the WTPs, RWTPs, WDPs, STPs or other municipal infrastructure in profit or loss.

Judgement is also exercised in determining the fair value of the financial receivables. Discount rates, estimates of future cash flows and other factors are used in the valuation process.

31 December 2017

2.5 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (continued)

Judgements (continued)

Accounting for business combinations

Accounting for business combinations requires the Group to allocate the cost of acquisition to specific assets acquired and liabilities assumed based on their estimated fair values at the date of acquisition. In connection with the business combinations in note 31, the Group has undertaken a process to identify all assets and liabilities acquired. Judgements made in identifying all acquired assets and determining the estimated fair value assigned to each class of assets acquired and liabilities assumed could materially impact the calculation of goodwill. Estimated fair values are based on information available near the acquisition date and on expectations and assumptions that have been deemed reasonable by management.

Withholding tax arising from the distribution of dividends

The Group's determination as to whether to accrue for withholding taxes arising from the distributions of dividends from certain subsidiaries according to the relevant tax jurisdictions is subject to judgement on the timing of the payment of the dividends or on whether certain subsidiaries of the Group are determined to be Chinese resident enterprises by the PRC governing tax authorities in the future. Management considered that it is not probable that the Group's subsidiaries in the PRC will distribute retained profits as at the end of the year in the foreseeable future, and accordingly no additional provision for withholding tax was made. Where the final outcome of these matters is different from the amounts originally rewarded, the difference will impact the deferred tax provision in the period in which the difference arises.

Estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the year, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

Useful lives and residual values of items of property, plant and equipment

In determining the useful lives and residual values of items of property, plant and equipment, the Group periodically reviews the changes in market conditions, expected physical wear and tear, and the maintenance of the asset. The estimation of the useful life of the asset is based on historical experience of the Group with similar assets that are used in a similar way. Depreciation amount will be adjusted if the estimated useful lives and/or the residual values of items of property, plant and equipment are different from previous estimation. Useful lives and residual values are reviewed, at the end of the year, based on changes in circumstances.

Current income tax and deferred income tax

The Group is subject to income taxes in Hong Kong and Mainland China. Estimation is required in determining the provision for taxation. There are many transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome of these matters is different from the amounts originally recorded, the differences will impact on the current income tax and deferred income tax in the periods in which the differences arise.

31 December 2017

2.5 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (continued)

Estimation uncertainty (continued)

Current income tax and deferred income tax (continued)

Deferred tax assets relating to certain temporary differences or unused tax losses are recognised as management considers it is probable that future taxable profit will be available against which the temporary differences or the unused losses can be utilised. The realisation of the deferred tax assets mainly depends on whether sufficient future profits will be available in the future. In cases where the actual future profits generated are less than expected, a material reversal of deferred tax assets may arise, which will be recognised in profit or loss in the period in which such a reversal takes place. Details of deferred tax assets are contained in note 19 to the consolidated financial statements.

Percentage of completion of construction contracts

The Group recognises revenue according to the percentage of completion of individual contracts of construction works, which requires estimation to be made by management. The stage of completion is estimated by reference to the actual costs incurred over the total budgeted costs. Due to the nature of the activity undertaken in construction works, the date at which the activity is entered into and the date at which the activity is completed usually fall into different accounting periods. Hence, the Group reviews and revises the percentage of completion of construction works. Where the actual contract revenue is less than expected or actual contract costs are more than expected, a foreseeable loss may arise.

Estimation of total budgeted costs and cost to completion for construction contracts

Total budgeted costs for construction contracts comprise (i) direct material costs and direct labour, (ii) costs of subcontracting, and (iii) an appropriation of variable and fixed construction overheads. In estimating the total budgeted costs for construction contracts, management refers to information such as (i) current offers from subcontractors and suppliers, (ii) recent offers agreed with sub-contractors and suppliers, and (iii) professional estimation on material costs, labour costs and other costs.

Impairment of trade receivables and financial receivables

The Group maintains an allowance for estimated loss arising from the inability of its customers to make the required payments. The Group makes its estimates based on its customers' creditworthiness and historical write-off experience. If the financial condition of its customers will deteriorate such that the actual impairment loss might be higher than expected, the Group would be required to revise the basis for making the allowance and its future results would be affected.

Financial receivables

Estimation is exercised in determining the fair values of the financial receivables at initial recognition. These fair values are computed on the discounted cash flow method using a discount rate based upon the market-related rate for a similar instrument as at the date of initial recognition. The assumptions and estimates used can materially affect the fair values of the financial receivables.

31 December 2017

2.5 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (continued)

Estimation uncertainty (continued)

Share-based payments

The Group measures the cost of equity-settled transactions with employees by reference to the fair value of the equity instruments at the date at which they are granted. Estimating fair value requires determining the most appropriate valuation model for a grant of equity instruments, which is dependent on the terms and conditions of the grant. This also requires determining the most appropriate inputs to the valuation model including the expected life of the option, volatility and dividend yield and making assumptions about them. Details of sharebased payments are contained in note 29 to the consolidated financial statements.

Impairment of goodwill

The Group determines whether goodwill is impaired at least on an annual basis. This requires an estimation of the value in use of the cash-generating units to which the goodwill is allocated. Estimating the value in use requires the Group to make an estimate of the expected future cash flows from the cash-generating units and also to choose a suitable discount rate in order to calculate the present value of those cash flows. Further details are given in note 17.

OPERATING SEGMENT INFORMATION

For management purposes, the Group's operating businesses are structured and managed separately according to their nature. Each of the Group's operating segments represents a strategic business unit that provides services which are subject to risks and returns that are different from those of the other operating segments. Summary details of the operating segments are as follows:

- the segment of Urban Water Treatment engages in the design, construction, upgrade and operation of WTPs, RWTPs, STPs, WDPs, and in the operation and maintenance of waste water treatment facilities entrusted by governments ("O&M");
- the segment of Water Environment Comprehensive Remediation engages in river harnessing and improvement, foul water body treatment, sponge city construction, pipeline network projects and construction of urban comprehensive pipe tunnel; and
- the segment of Rural Water Improvement engages in the construction and operation related to "the Construction of Beautiful Village" such as: waste water treatment, pipeline construction for collecting waste water and rural living environment improvement.

Management monitors the results of the Group's operating segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on the reportable segment results, which is a measure of adjusted profit before tax. The adjusted profit before tax is measured consistently with the Group's profit before tax except that unallocated income and gains, finance costs as well as corporate and other unallocated expenses are excluded from such measurement.

Segment assets and liabilities mainly comprise operating assets and liabilities that are directly attributable to the segment or can be allocated to the segment on a reasonable basis.

Segment assets exclude investment properties, unallocated intangible assets, unallocated deferred tax assets, unallocated prepayments, deposits and other receivables, pledged deposits, unallocated cash and cash equivalents, and other unallocated head office and corporate assets as these assets are managed on a group basis.

Segment liabilities exclude corporate bonds, unallocated other payables and accruals, and other unallocated head office and corporate liabilities as these liabilities are managed on a group basis.

Intersegment sales and transfers are transacted with reference to the selling prices used for sales made to third parties at the then prevailing market prices.

REVENUE

The Group has entered into a number of service concession arrangements with the Grantors on a BOT or a TOT basis in respect of its WTPs, RWTPs, WDPs, STPs or other municipal infrastructure. These service concession arrangements generally involve the Group as an operator in (i) constructing WTPs, RWTPs, WDPs, STPs or other municipal infrastructure for those arrangements on a BOT basis; (ii) paying a specific amount for those arrangements on a TOT basis; and (iii) operating WTPs, RWTPs, WDPs, STPs or other municipal infrastructure on behalf of the Grantors for periods ranging from 17 to 30 years (the "Service Concession Periods"), and the Group will be paid for its services over the Service Concession Periods at prices stipulated through a pricing mechanism.

The Group carries out construction works of other municipal infrastructure under EPC arrangements and agrees with EPC customers to enter into a settled agreement for the construction work during the construction.

The Group also carries out construction works of municipal infrastructure or infrastructure related to WTPs under BT arrangements for certain BT customers and agrees with these BT customers to enter into a repurchase agreement for the construction work for periods ranging from three to four years.

Revenue represents: (1) an appropriate proportion of contract revenue of construction contracts under BOT arrangements, BT arrangements, EPC arrangements and other construction service projects, net of tax and government surcharges; (2) the revenue from operation of WTPs, RWTPs, WDPs, STPs or other municipal infrastructure under BOT arrangements and TOT arrangements and the provision of Operation and Maintenance services; and (3) financial income on financial receivables. The amount of each significant category of revenue during the year is as follows:

	2017 RMB'000	2016 RMB'000
Revenue from construction services Revenue from operating services Financial income	1,355,980 695,044 472,916	980,267 535,706 410,529
	2,523,940	1,926,502

8. DIRECTORS' AND CHIEF EXECUTIVE'S REMUNERATION

Directors' and chief executive's remuneration for the year, disclosed pursuant to the Listing Rules, section 383(1) (a), (b), (c) and (f) of the Hong Kong Companies Ordinance and Part 2 of the Companies (Disclosure of Information about Benefits of Directors) Regulation, is as follows:

	2017	2016
	RMB'000	RMB'000
Fees	2,222	2,319
Other emoluments:		
Salaries, allowances and benefits in kind	9,412	8,153
Equity-settled share option expenses	1,852	4,128
Pension scheme contributions (defined contribution scheme)	123	52
Total	13,609	14,652

During the year ended 31 December 2014, certain directors were granted share options, in respect of their services to the Group, under the share option scheme of the Company, further details of which are set out in note 29 to the consolidated financial statements. The fair value of such options, which has been recognised in profit or loss over the vesting period, was determined as at the date of grant and the amount included in the consolidated financial statements for the current year is included in the above directors' remuneration disclosures.

Independent non-executive directors

The fees paid to independent non-executive directors during the year were as follows:

	2017 RMB'000	2016 RMB'000
Mr. Tsui Yiu Wa Alec Mr. Peng Yongzhen Mr. Chang Qing	308 308 308	316 316 316

Mr. Zhang Weizhong is also the chief executive of the Company.

There was no arrangement under which a director waived or agreed to waive any remuneration during the year.

Mr. Wang Tianci was appointed as an executive director, with effect from 26 May 2017.

Mr. Zhuang Ping was resigned from the Company as a non-executive director on 31 March 2017 .

31 December 2017

9. **FIVE HIGHEST PAID EMPLOYEES**

The five highest paid employees included five directors during the year ended 31 December 2017 and during the year ended 31 December 2016 respectively, details of whose remuneration are set out in note 8 above. There was no highest paid employee during the year ended 31 December 2017 and 31 December 2016 who is neither a director nor a chief executive of the Company.

10. INCOME TAX EXPENSE

Pursuant to The PRC Enterprise Income Tax Law Implementing Regulations (中華人民共和國企業所得稅法實施 條例), most of the subsidiaries established in the PRC, engaged in the operations of waste water treatment projects, are eligible for tax holiday of a three-year full exemption followed by a three-year half exemption commencing from their respective first years of generating operating revenue (the "3+3 Tax Holiday"). At the end of the year, these subsidiaries were qualified for the 3+3 Tax Holiday or in the process of preparation and submission of the required documents to the respective tax authorities to apply for the 3+3 Tax Holiday.

Pursuant to Caishui [2011] No.58 Circular of the Ministry of Finance, the State Administration of Taxation, the General Administration of Customs on Issues Relating to Preferential Tax Policies for the Development of the Western Region (財政部、國家稅務總局、海關總署關於西部大開發稅收優惠政策問題的通知), certain subsidiaries operating in the western region of Mainland China were subject to a preferential corporate income tax rate of 15%, provided that the revenues from principal activities comprised more than 70% of the total revenues in the year.

Under the relevant PRC Corporate Income Tax Law and respective regulations, except for preferential treatments available to certain subsidiaries as mentioned above, other subsidiaries within the Group were subject to corporate income tax at the statutory rate of 25%.

Pursuant to the rules and regulations of the Cayman Islands and the British Virgin Islands, the Group is not subject to any income tax in the Cayman Islands and British Virgin Islands.

No provision for Hong Kong profits tax has been made as the Group had no assessable profits derived from or earned in Hong Kong during the year.

	RMB'000	RMB'000
Current		
— Mainland China	70,704	37,426
Deferred	38,483	53,974
Total tax charge for the year	109,187	91,400

31 December 2017

10. INCOME TAX EXPENSE (continued)

A reconciliation of the tax expense applicable to profit before tax at the statutory rate for the country in which the Company and the majority of its subsidiaries are domiciled to the tax expense at the effective tax rate, and a reconciliation of the applicable rate (i.e., the statutory tax rate) to the effective tax rate, are as follows:

	2017 RMB'000	%	2016 RMB'000	%
Profit before tax	536,796		437,392	
Income tax charge at the statutory income tax rate	134,199	25.0	109,348	25.0
Effect of the preferential income tax rate for some entities	(9,408)	(1.8)	(27,453)	(6.3)
Expenses not deductible for tax purposes	3,714	0.7	3,474	0.8
Tax effect of tax losses not recognised	4,131	0.8	13,139	3.0
Tax losses utilised from previous periods Tax effect of share of profits and losses	(10,019)	(1.9)	(418)	(0.1)
of associates and joint ventures	(13,430)	(2.5)	(6,690)	(1.5)
Tax charge at the effective rate	109,187	20.3	91,400	20.9

The share of tax attributable to associates and joint ventures amounting to RMB8,228,000 (2016: RMB6,192,000) is included in "Share of profits and losses of associates" and "Share of profit and loss of joint ventures" in the profit or loss.

31 December 2017

11. EARNINGS PER SHARE ATTRIBUTABLE TO ORDINARY EQUITY HOLDERS OF THE PARENT

The calculation of the basic earnings per share amount is based on the profit for the year attributable to ordinary equity holders of the parent, and the weighted average number of ordinary shares in issue during the

The diluted earnings per share amount is calculated by dividing the profit for the year attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares assumed to have been issued at no consideration on the deemed exercise of all share options during the year.

The share options that could have potentially dilutive impact on the basic earnings per share amount were issued in December 2014. No adjustment has been made to the basic earnings per share amounts presented for the years ended 31 December 2017 and 2016 in respect of a dilution as the share options outstanding had anti-dilutive effect on the basic earnings per share amounts presented.

The calculations of basic and diluted earnings per share are based on:

	2017 RMB'000	2016 RMB'000
Earnings:		
Profit attributable to ordinary equity holders of the parent used		
in the basic and diluted earnings per share calculations	414,448	334,577

At 31 December 2017, certain of the Group's buildings with a net carrying amount of approximately RMB20,929,000 (2016: RMB21,283,000) were pledged to secure certain bank loans granted to the Group (note 26).

Certain infrastructure with a net carrying amount as at 31 December 2017 of approximately RMB13,457,000 (2016: RMB14,867,000) is situated on a piece of land which is legally owned and provided for use by the noncontrolling shareholder of Jilin Kangda Environmental Protection Company Limited ("Jilin Kangda"), a subsidiary of the Group. The subsidiary is contractually authorised to use the land without charge throughout its operating period.

As the payments for the land lease cannot be separated reliably from the payments for the purchase of office buildings, the entire payments are included in the costs of the relevant buildings.

Impairment testing of goodwill

Goodwill acquired through business combinations in the amount of approximately RMB60,219,000 as at 31 December 2017 has been allocated to the waste water treatment plant and the manufacture of chemicals for waste water treatment cash-generating units for impairment testing. The recoverable amounts of the waste water treatment plant and the manufacture of chemicals for waste water treatment cash-generating units have been determined based on a value in use calculation using cash flow projections based on a financial budget covering a three-year period approved by senior management. The discount rates applied to the cash flow projections are 12.00% to 16.93% respectively.

Assumptions were used in the value in use calculation of the waste water treatment plant and the manufacture of chemicals for waste water treatment cash-generating units for 31 December 2017. The following describes each key assumption on which management has based its cash flow projections to undertake impairment testing of goodwill:

Budgeted gross margins — The basis used to determine the value assigned to the budgeted gross margins is the average gross margins achieved in the year immediately before the budget year, increased for expected efficiency improvements, and expected market development.

Discount rates — The discount rate used is before tax and reflect specific risks relating to the relevant units.

The values assigned to the key assumptions on market development of industrial products and infrastructure industries, discount rates and raw materials price inflation are consistent with external information sources.

31 December 2017

18. FINANCIAL RECEIVABLES

	2017	2016
	RMB'000	RMB'000
Description for the formation of the control of the	0.007.000	7.044./12
Receivables for service concession arrangements	9,087,022	7,044,612
Receivables for BT arrangements		9,643
Net financial receivables	9,087,022	7,054,255
Portion classified as current assets	(1,410,155)	(1,268,065)
Non-current portion	7,676,867	5,786,190

Receivables for service concession arrangements arose from the service concession contracts to build and operate WTPs or STPs and were recognised to the extent that the Group has an unconditional contractual right to receive cash from or at the direction of the Grantor.

Receivables for BT arrangements arose from the BT contracts to build municipal infrastructure or infrastructure related to WTPs and were recognised when the BT customers completed the inspection process and entered into repurchase agreements with the Group, according to which, the Group has an unconditional contractual right to receive cash from the BT customers.

Financial receivables were unbilled receivables, and were neither past due nor impaired. Financial receivables were mainly due from governmental authorities in Mainland China, as the Grantors in respect of the Group's service concession arrangements or BT customers in respect of the Group's BT arrangements. Based on past experience, the directors of the Company are of the opinion that no provision for impairment is necessary in respect of these balances as there has not been a significant change in credit quality and the balances still considered fully recoverable. The Group does not hold any collateral or other credit enhancements over these balances.

As at 31 December 2017, the Group's financial receivables with a carrying value of RMB4,982,241,000 (2016: RMB3,913,773,000) were pledged to secure certain bank loans granted to the Group (note 26).

31 December 2017

19. DEFERRED TAX

The deferred tax assets and liabilities recognised by the Group, and the movements thereon, during the year are as follows:

31 December 2017

Deferred tax liabilities	Service concession arrangements RMB'000	borrowings and corporate	Fair value adjustments of the available- for-sale financial assets RMB'000	Total RMB'000
At 1 January 2017 Deferred tax liabilities recognised from	(457,430)	(8,390)	-	(465,820)

At 31 December 2016	291	430	52,994	53,715
AL DECEMBER 2010			52,774	33,713

The Group also has tax losses arising in Mainland China of RMB502,211,000 (2016: RMB329,036,000) that will expire in one to five years for offsetting against future taxable profits.

Pursuant to the PRC Corporate Income Tax Law, a 10% withholding tax is levied on dividends declared to foreign investors from the foreign investment enterprises established in Mainland China. The requirement is effective from 1 January 2008 and applies to earnings after 31 December 2007. The Group is therefore liable to withholding taxes on dividends distributed by those subsidiaries established in Mainland China in respect of earnings generated from 1 January 2008.

At 31 December 2017, no deferred tax liability has been recognised for withholding taxes that would be payable on unremitted earnings that are subject to withholding taxes of the Group's subsidiaries established in Mainland China. In the opinion of the directors, it is not probable that these subsidiaries will distribute such earnings in the foreseeable future.

There are no income tax consequences attaching to the payment of dividends by the Company to its shareholders.

31 December 2017

20. TRADE AND BILLS RECEIVABLES

The Group's major customers are the PRC government authorities or agencies. The Group not only provides construction service and operation service pursuant to its service concession arrangements, but also provides construction service under other construction service projects and BT arrangements.

Trade and bills receivables represent the unsettled amounts being billed to the customers in accordance with the terms specified in the contracts governing the relevant transactions. The Group does not have a standardised and universal credit period granted to the construction service customers. The credit period for individual customers of construction service is considered on a case-by-case basis. Trade receivables are noninterest-bearing.

	2017	2016
	RMB'000	RMB'000
Trade receivables:		
Receivables for urban water treatment	466,026	403,824
Receivables for water environment comprehensive remediation	679,694	346,310
	1,145,720	750,134
Bills receivable	350	15,074
	1,146,070	765,208

An ageing analysis of the Group's trade receivables, based on the invoice date or billing date and net of provision for impairment of trade receivables, at the end of the year is as follows:

	RMB'000
Within 3 months	425,496
4 to 6 months	175,503
7 to 12 months	168,573
Over 12 months	376,148

31 December 2017

20. TRADE AND BILLS RECEIVABLES (continued)

An ageing analysis of the trade receivables, that are neither individually nor collectively considered to be impaired, is as follows:

Neither past due nor impaired
Past due but not impaired:
Less than 3 months past due
4 to 6 months past due
Over 6 months past due

2017	2016
RMB'000	RMB'000
822,699	492,461
168,411	106,473
45,796	47,512
108,814	103,688
1,145,720	750,134

Receivables that were neither past due nor impaired relate to different local government authorities or agencies for whom there was no recent history of default.

Receivables that were past due but not impaired relate to government authorities or agencies that have a good track record with the Group. Based on past experience, the directors are of the opinion that no provision for impairment is necessary in respect of these balances as there has not been a significant change in credit quality and the balances are still considered fully recoverable. The Group does not hold any collateral or other credit enhancements over these balances.

Movements in the provision for impairment of trade receivables are as follows:

At beginning of the year	
Impairment losses recognised (note (a))	
Impairment losses written off (note (a))	
•	

2017	2016
RMB'000	RMB'000
_	_
4,341	_
(4,341)	_
-	_

At end of the year

Note:

During the year ended 31 December 2017, the Group entered into a supplemental agreement with the customer of Yucheng BT project on acceleration of cash settlement of BT receivables, according to which the customer was granted a discount totalling RMB4,341,000.

At 31 December 2017, the Group's trade receivables with a carrying value of RMB205,045,000 (2016: RMB126,559,000) were pledged to secure certain bank loans granted to the Group (note 26).

31 December 2017

21. PREPAYMENTS, DEPOSITS AND OTHER RECEIVABLES

	2017 RMB'000	2016 RMB'000
Loans to third parties Deposits Prepayments Deductible input VAT Staff advances Other receivables Less: Provision for impairment	260,000 87,779 73,834 67,507 11,270 325,201 (1,747)	518,430 135,549 79,891 - 6,535 312,348 (1,747)
Portion classified as current assets	823,844	1,051,006
Non-current portion	393,254	292,964

Included in the above provision for impairment of other receivables is a provision for individually impaired other receivables of RMB1,747,000 (2016: RMB1,747,000) with a carrying amount before provision of RMB17,466,000 (2016: RMB17,466,000).

Apart from the described above, the financial assets included in prepayments, deposits and other receivables were neither past due nor impaired and relate to balances for which there was no recent history of default.

22. CONSTRUCTION CONTRACTS

	2017	2016
	RMB'000	RMB'000
Contract costs incurred plus recognised profits less		
recognised losses to date	967,489	565,001
Less: Progress billings	(887,004)	(376,631)

31 December 2017

23. CASH AND CASH EQUIVALENTS AND PLEDGED DEPOSITS

	2017 RMB'000	2016 RMB'000
Cash and bank balances Less: Pledged deposits	1,884,488 (194,855)	767,729 (92,444)
Cash and cash equivalents	1,689,633	675,285
Cash and bank balances denominated in: — RMB — United States dollars — Hong Kong dollars	1,617,343 32,190 40,100	623,334 23,484 28,467
Cash and cash equivalents	1,689,633	675,285

The RMB is not freely convertible into other currencies. However, under Mainland China's Foreign Exchange Control Regulations and Administration of Settlement, Sale and Payment of Foreign Exchange Regulations, the Group is permitted to exchange RMB for other currencies through banks authorised to conduct foreign exchange business.

Cash at banks earns interest at floating rates based on daily bank deposit rates. The bank balances and pledged deposits are deposited with creditworthy banks with no recent history of default. The carrying amounts of cash and cash equivalents and pledged deposits in the consolidated statement of financial position approximate to their fair values.

At 31 December 2017, the Group's pledged deposits with a carrying value of RMB23,046,000 (2016: RMB24,517,000) were pledged to secure certain bank loans granted to the Group (note 26).

31 December 2017

24. TRADE AND BILLS PAYABLES

Trade and bills payables are non-interest-bearing. The credit periods granted by each individual supplier are on a case-by-case basis and set out in the supplier contracts.

For retention money payables included in trade payables, in respect of guarantees granted by the suppliers, the due dates usually range from one to two years after the completion of the construction work or the preliminary acceptance of equipment.

	2017	2016
	RMB'000	RMB'000
Bills payable (note (a))	192,319	117,848
TOT payables (note (b))	3,985	6,985
Trade payables	1,094,205	791,867
	1,290,509	916,700
		_
Less: Non-current portion	2,851	6,304
Current portion	1,287,658	910,396

Notes:

- As at 31 December 2017, the Group's bills payable were secured by the pledged deposits amounting to RMB137,023,000 (2016: (a) RMB59,427,000).
- TOT payables represented amounts due to the Grantors based on payment schedules set out in the relevant TOT contracts at (b) the end of the year.

An ageing analysis of the Group's trade and bills payables as at the end of the year is as follows:

	2017	2016
	RMB'000	RMB'000
Within 3 months	628,760	414,965
4 months to 6 months	218,935	145,824
7 months to 12 months	186,239	140,205
Over 12 months	256,575	215,706
	1,290,509	916,700

The carrying amounts of the current portion of the trade and bills payables approximate to their fair values.

31 December 2017

25. OTHER PAYABLES AND ACCRUALS

Payables for the acquisitions
Amounts due to non-controlling shareholders *
Interest payables
Other taxes payables
Salary and welfare payable
Other payables

2017 RMB'000	2016 RMB'000
270,972	150,938

2017

The Group's bank borrowings of RMB21,700,000 (2016: RMB50,700,000) were secured by the investment in the subsidiary, Beijing Chang Sheng Si Yuan Environmental Protection Technology Co., Ltd. (北京長盛思源環保科技 有限公司). The Group's bank borrowings of RMB62,208,000 (2016: RMB69,120,000) were secured by the investment in the subsidiary, Dong'e County Guohuan Sewage Treatment Co., Ltd. (東阿縣國環污水處理有限公 司). The Group's bank borrowings of RMB112,000,000 (2016: RMB91,000,000) were secured by the investment in the subsidiary, Guangrao Kangda Environmental Protection Water Co., Ltd. (廣饒康達環保水務有限公司). The Group's bank borrowings of RMB41,026,000 (2016: Nil) were secured by the investment in the subsidiary, Linging City Guohuan Sewage Treatment Co., Ltd. (臨清市國環污水處理有限公司). The Group's bank borrowings of RMB 43,870,000 (2016: Nil) were secured by the investment in the subsidiary, Liaocheng Jiaming Guohuan Sewage Treatment Co., Ltd. (聊城嘉明國環污水處理有限公司). The Group's bank borrowings of RMB44,500,000 (2016: Nil) were secured by the investment in the subsidiary, Qishan. The Group's bank borrowings of RMB49,211,000 (2016: Nil) were secured by the investment in the subsidiary, Qitaihe. The Group's bank borrowings of RMB141,000,000 (2016: Nil)were secured by the investment in the subsidiary, Wenzhou Chuangyuan.

The Group's bank borrowings of RMB250,000,000 (2016: RMB50,000,000) were secured by Mr. Zhao Juanxian, who is the controlling shareholder of the Company.

27. CORPORATE BONDS

A corporate bond with a principal amount of RMB200,000,000 was issued by Chongging Kangda, an indirectly wholly-owned subsidiary of the Company, to certain institutional investors on 13 July 2017 pursuant to the subscription agreement dated 7 July 2017, which is due on 10 April 2018 and bears interest at the rate of 5.6% per annum.

A corporate bond with a principal amount of RMB300,000,000 was issued by Chongqing Kangda, an indirectly wholly-owned subsidiary of the Company, to certain institutional investors on 10 August 2017 pursuant to the subscription agreement dated 24 July 2017, which is due on 14 August 2018 and bears interest at the rate of 6.2% per annum.

A corporate bond with a principal amount of RMB300,000,000 was issued by Chongqing Kangda, an indirectly wholly-owned subsidiary of the Company, to certain institutional investors on 14 September 2017 pursuant to the subscription agreement dated 7 September 2017, which is due on 15 June 2018 and bears interest at the rate of 6.5% per annum.

31 December 2017

27. CORPORATE BONDS (continued)

A corporate bond with a principal amount of RMB300,000,000 was issued by Chongqing Kangda, an indirectly wholly-owned subsidiary of the Company, to certain institutional investors on 19 December 2017 pursuant to the subscription agreement dated 12 December 2017, which is due on 16 September 2018 and bears interest at the rate of 7.0% per annum.

As at 31 December 2017, the carrying amount of the bond issued by the Group on 18 December 2015 was RMB889,137,000, with a maturity date on 18 December 2022 and an interest rate at 5.5% per annum.

As at 31 December 2017, the carrying amount of the bond issued by Chongging Kangda, an indirectly whollyowned subsidiary of the Company, was RMB59,704,000, which is due on 1 July 2019 and bears interest at the rate of 5.8% per annum.

31 December 2017

29. SHARE OPTION SCHEME

On 19 December 2014, the Company granted a total of 84,500,000 share options to subscribe for a total of 84,500,000 ordinary shares in the share capital of the Company under the share option scheme ("Share Option Scheme") adopted by the Company on 14 June 2014.

The purpose of the Share Option Scheme is to give the key staff an opportunity to have a personal state in the Company and help motivate them to optimise their future performance and efficiency to the Group and to attract and retain or otherwise maintain on-going relationships with such eligible participants who are significant to and whose contributions are or will be beneficial to the performance, growth or success of the Group, and additionally in the case of management staff, to enable the Group to attract and retain individuals with experience and ability.

All share options granted to the Share Option Scheme participants have a vesting period of three years as follows: 30% on 19 December 2015, 30% on 19 December 2016 and 40% on 19 December 2017. Each Share Option Scheme award granted pursuant to the Share Option Scheme has same terms and conditions. The grant and vesting of the Share Option Scheme awards pursuant to the Share Option Scheme are in compliance with Rule 10.08 of the Listing Rules.

The exercise price of share options is determinable by the directors, but may not be less than the higher of (i) the Stock Exchange closing price of the Company's shares on the date of offer of the share options; and (ii) the average Stock Exchange closing price of the Company's shares for the five trading days immediately preceding the date of offer.

The following share options were outstanding under the Share Option Scheme during the year:

	Weighted average exercise price HK\$ per share	Number of options
At 1 January 2017 Forfeited during the year Expired during the year	3.386 3.386 3.386	50,190 (1,300) (20,730)
At 31 December 2017	3.386	28,160

No share options were granted during the year (2016: Nil), and the Group recognised a share option expense of RMB7,115,000 (2016: RMB15,857,000) during the year ended 31 December 2017.

31 December 2017

29. SHARE OPTION SCHEME (continued)

The fair value of equity-settled share options granted during the year was estimated as at the date of grant, using a binomial model, taking into account the terms and conditions upon which the options were granted. The following table lists the inputs to the model used:

2017

Dividend yield (%)	_
Expected volatility (%)	41.88~44.80
Historical volatility (%)	41.88~44.80
Risk-free interest rate (%)	0.508~1.186
Expected life of options (year)	2
Annual employer retaining rate (%)	95

The expected life of the options is not necessarily indicative of the exercise patterns that may occur. The expected volatility reflects the assumption that the historical volatility is indicative of future trends, which may also not necessarily be the actual outcome. The historical volatility is set by the median volatility of the comparable companies in the corresponding period.

No other features of the options granted were incorporated into the measurement of fair value.

During the year, there were no share options exercised. At the end of the year, the Company had 28,160,000 share options outstanding under the Share Option Scheme. The exercise in full of the outstanding share options would, under the present capital structure of the Company, result in the issue of 28,160,000 additional ordinary shares of the Company and additional share capital of HK\$95,350,000 (before issue expenses).

At the date of approval of the consolidated financial statements, the Company had 28,160,000 share options outstanding under the Share Option Scheme, which represented approximately 1.36% of the Company's shares in issue as at that date.

30. RESERVES

The amounts of the Group's reserves and the movements therein for the current and prior years are presented in the consolidated statement of changes in equity on page 64 of the consolidated financial statements.

31 December 2017

31. BUSINESS COMBINATIONS

On 5 June 2017, Chongging Kangda, an indirectly wholly-owned subsidiary of the Company, acquired a 100% interest in Shandong Fengmin at a total consideration of approximately RMB31,000,000, of which RMB21,700,000 have been paid during the year ended 31 December 2017 and RMB9,300,000 remained unsettled at 31 December 2017.

On 1 July 2017, Chongging Kangda, an indirectly wholly-owned subsidiary of the Company, acquired a 70% interest in Wenzhou Chuangyuan, at a total consideration of approximately RMB145,110,000, of which RMB30,000,000 and RMB115,110,000 have been paid during the year ended 31 December 2015 and 31 December 2017 respectively. Meanwhile, pursuant to the agreements between Chongging Kangda, Zhongtong Zhiye Group Co., Ltd. (中通置業集團有限公司) ("Zhongtong Zhiye") and Zhejiang Xinbang Holdings Group Co., Ltd. (浙江新邦控股集團有限公司) ("Zhejiang Xinbang"), Chongqing Kangda was given the present access to returns over all of the shares held by Zhongtong Zhiye and Zhejiang Xinbang at a total consideration of approximately RMB64,690,000, which have been paid by Chongqing Kangda during the year ended 31 December 2017. Then there is no non-controlling interest presented in equity and Chongqing Kangda accounts for the business combination of Wenzhou Chuangyuan as though it acquired a 100% interest.

On 31 August 2017, Kangda Investment (Hong Kong) Company Limited, an indirectly wholly-owned subsidiary of the Company, acquired a 100% interest in Meiling Zibo, a 100% interest in Jining Meiling, a 100% interest in Qingzhou Meiling (Meiling Zibo, Jining Meiling and Qingzhou Meiling are collectively referred to as the "Meiling Group") at a total consideration of approximately RMB377,250,000, of which RMB229,482,000 have been paid during the year ended 31 December 2017 and RMB131,609,000 remained unsettled at 31 December 2017.

The above acquisitions were made as part of the Group's strategy to expand its market geographic coverage in the waste water treatment industry or reclaimed waste water treatment industry and increase the operating efficiency of WTPs or RWTPs.

31 December 2017

31. BUSINESS COMBINATIONS (continued)

The fair values of the identifiable assets and liabilities of the subsidiaries acquired during the year as at their respective dates of acquisition were as follows:

		Shandong Fengmin	Wenzhou Chuangyuan	Meiling Group
	Notes	RMB'000	RMB'000	RMB'000
Property, plant and equipment	12	_	418	335
Inventories		_	720	853
Investment in a joint venture		_	_	78,295
Financial receivables		_	571,891	_

Cash and cash equivalents		_	19,997	489
Trade and bills payables		(1,386)	(566)	(1,246)
Other payables and accruals		(651)	(283,603)	(189,522)
Interest-bearing bank borrowings		_	(45,000)	_
Deferred tax liabilities	19 _	(994)	(57,327)	(96,522)
Total identifiable net assets at fair value		31,000	209,800	377,250
Goodwill on acquisition	_	_	_	
Purchase consideration at fair value	_	31,000	209,800	377,250

None of the financial receivables and trade receivables has been impaired and it is expected that the full contractual amounts can be collected.

The transaction costs related to these acquisitions have been expensed and are included in administrative expenses in profit or loss.

31 December 2017

31. BUSINESS COMBINATIONS (continued)

	Shandong Fengmin RMB'000	Wenzhou Chuangyuan RMB'000	Meiling Group RMB'000
An analysis of the cash flows in respect of the acquisitions is as follows:			
Cash consideration paid during the year Cash and cash equivalents acquired	(21,700)	(179,800) 19,997	(229,482) 489
Net outflow of cash and cash equivalents included in cash flows used in investing activities	(21,700)	(159,803)	(228,993)
Transaction costs of the acquisition included in cash flows from operating activities			

Since the acquisitions, Shandong Fengmin contributed approximately RMB3,711,000 to the Group's revenue and approximately RMB326,000 to the Group's profit for the year ended 31 December 2017. Wenzhou Chuangyuan contributed approximately RMB32,297,000 to the Group's revenue and approximately RMB14,629,000 to the Group's profit for the year ended 31 December 2017. Meiling Group contributed approximately RMB23,082,000 to the Group's revenue and approximately RMB4,793,000 to the Group's profit for the year ended 31 December 2017.

Had the acquisitions taken place at the beginning of the year, the revenue of the Group and the profit of the Group for the year would have been RMB2,612,609,000 and RMB464,543,000, respectively.

During the year, the Group also settled certain outstanding considerations by cash in relation to the business combinations for the year ended 31 December 2016 amounting to RMB20,875,000.

31 December 2017

At 31 December 2017	6,395,062	2,048,841	33,277	3,171

33. OPERATING LEASE ARRANGEMENTS

(a) As lessor

The Group leases its investment properties under operating lease arrangements, with terms ranging from one to ten years. The terms of the leases generally require the tenants to pay security deposits and provide for periodic rent adjustments according to the then prevailing market conditions.

At 31 December 2017, the Group had total future minimum lease receivables under non-cancellable operating leases with its tenants falling due as follows:

Within one year In the second to fifth years, inclusive

2017	2016
RMB'000	RMB'000
1,175	706
2,243	2,105
3,418	2,811

31 December 2017

33. OPERATING LEASE ARRANGEMENTS (continued)

(b) As lessee

The Group leases certain office properties and a land property under operating lease arrangements with leases negotiated for terms ranging from 1 to 22 years (2016: 1 to 23 years).

At 31 December 2017, the Group had total future minimum lease payments under non-cancellable operating leases falling due as follows:

Within one year In the second to fifth years, inclusive Over five years

2017	2016
RMB'000	RMB'000
5,427	3,634
6,793	1,462
1,962	2,080
14,182	7,176

34. CONTINGENT LIABILITIES

At the end of the year, the Group did not have any significant contingent liabilities.

35. PLEDGE OF ASSETS

Details of the Group's bank loans, which are secured by the assets of the Group, are included in note 26 to the consolidated financial statements.

36. COMMITMENTS

In addition to the operating lease commitments detailed in note 33(b) above, the Group had the following commitments:

(a) Capital commitments

The Group had the following capital commitments at the end of the year:

	2017	2016
	RMB'000	RMB'000
Contracted, but not provided for	413,574	838,060

(b) The Group had the following commitments with respect to service concession arrangements at the end of the year:

	2017 RMB'000	2016 RMB'000
Contracted, but not provided for	2,761,838	2,836,148

31 December 2017

37. RELATED PARTY TRANSACTIONS

(a) In addition to the transactions detailed elsewhere in the consolidated financial statements, the Group had the following material transactions with related parties during the year:

37. RELATED PARTY TRANSACTIONS (continued)

- (a) In addition to the transactions detailed elsewhere in the consolidated financial statements, the Group had the following material transactions with related parties during the year: (continued)
 - Huizhou Kangda Yingzhihuang Water Co., Ltd. (惠州康達英之皇水務有限公司) ("Yingzhihuang") is a non-whollyowned subsidiary of the Group.
 - Dong'e County Guohuan Sewage Treatment Co., Ltd. (東阿縣國環污水處理有限公司), Liaocheng Jiaming Guohuan Sewage Treatment Co., Ltd. (聊城嘉明國環污水處理有限公司), Linqing City Guohuan Sewage Treatment Co., Ltd. (臨清市國環污水處理有限公司), Jining Guohuan Sewage Treatment Co., Ltd. (濟寧市國環污水處理有限 公司), Yanggu County Guohuan Sewage Treatment Co., Ltd. (陽穀縣國環污水處理有限公司), Liaocheng Municipal Guohuan Sewage Treatment Co., Ltd. (聊城市國環污水處理有限公司), and Shen County Guohuan Sewage Treatment Co., Ltd. (莘縣國環污水處理有限公司) are collectively known as "Seven Guohuan subsidiaries".

The Group is contractually authorised to use a piece of land which is legally owned by the non-controlling shareholder of Jilin Kangda without charge, and such use also constitutes a related party transaction during the year. Meanwhile, the Group is also authorised to use certain infrastructure without charge which are legally owned and provided by the non-controlling shareholder of Xinzhongzhou Water.

The Group's bank borrowings in 2017 amounting to RMB250,000,000 (2016: RMB50,000,000) were secured by Mr. Zhao Juanxian, who is the controlling shareholder (note 26).

The above related party transactions were conducted in accordance with the terms mutually agreed between the parties.

39. FAIR VALUE AND FAIR VALUE HIERARCHY OF FINANCIAL INSTRUMENTS

The carrying amounts and fair values of the Group's financial instruments, other than those with carrying amounts that reasonably approximate to fair values, are as follows:

	Carrying amounts		Fair values	
	2017	2016	2017	2016
	RMB'000	RMB'000	RMB'000	RMB'000
Financial assets				
Available-for-sale financial investments	621,000	158,400	621,000	158,400
Prepayments, deposits and other receivables, non-current portion Financial receivables,	265,200	250,000	277,759	295,482
non-current portion	7,676,867	5,786,190	7,824,974	6,177,787
	8,563,067	6,194,590	8,723,733	6,631,669
Financial liabilities				
Trade and bills payables,				
non-current portion	2,851	6,304	2,718	6,010
Interest-bearing bank and other	0.500.005	0.440.047	0 / 10 100	0.400.505
borrowings, non-current portion	3,589,235	2,160,917	3,612,408	2,188,535
Corporate bonds	2,048,841	1,246,825	2,048,841	1,246,825
	5,640,927	3,414,046	5,663,967	3,441,370

Management has assessed that the fair values of cash and cash equivalents, pledged deposits, trade and bills receivables, the current portion of financial receivables, the current portion of trade and bills payables, the current portion of financial assets included in prepayments, deposits and other receivables, the current portion of financial liabilities included in other payables and accruals, and the current portion of interest-bearing bank borrowings approximate to their carrying amounts largely due to the short term maturities of these instruments.

The Group's finance department headed by the finance manager is responsible for determining the policies and procedures for the fair value disclosure of financial instruments. The finance manager reports directly to the chief financial officer. At the end of the year, the finance department analyses the movements in the values of financial instruments and determines the major inputs applied in the valuation. The valuation is reviewed and approved by the chief financial officer.

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

31 December 2017

39. FAIR VALUE AND FAIR VALUE HIERARCHY OF FINANCIAL INSTRUMENTS (continued)

The fair values of the non-current portion of financial receivables, prepayments, deposits and other receivables, trade and bills payables, interest-bearing bank and other borrowings, and corporate bonds have been calculated by discounting the expected future cash flows using rates currently available for instruments with similar terms, credit risk and remaining maturities. The Group's own non-performance risks for trade and bills payables, interest-bearing bank and other borrowings, and corporate bonds as at the end of the year were assessed to be insignificant.

40. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial instruments comprise interest-bearing bank and other borrowings, corporate bonds, cash and cash equivalents and pledged deposits. The main purpose of these financial instruments is to raise finance for the Group's operations. The Group has various other financial assets and liabilities such as financial receivables, trade and bills receivables and trade and bills payables, which arise directly from its operations.

The main risks arising from the Group's financial instruments are interest rate risk, credit risk and liquidity risk. Generally, the senior management of the Company meets regularly to analyse and formulate measures to manage the Group's exposure to these risks. In addition, the board of directors of the Company holds meetings regularly to analyse and approve the proposals made by the senior management of the Company. Generally, the Group introduces conservative strategies on its risk management. As the Group's exposure to these risks is kept to a minimum, the Group has not used any derivatives and other instruments for hedging purposes. The Group does not hold or issue derivative financial instruments for trading purposes. The board of directors of the Company reviews and agrees policies for managing these risks and they are summarised below.

(a) Interest rate risk

The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long term debt obligations with floating interest rates.

The Group regularly reviews and monitors the mix of fixed and floating interest rate borrowings in order to manage its interest rate risk. The Group's interest-bearing bank and other borrowings, corporate bonds, pledged deposits and cash and cash equivalents are stated at amortized cost and not revalued on a periodic basis. Floating rate interest income and expenses are credited/charged to profit or loss as earned/incurred.

If there would be a general increase/decrease in the market interest rates by one percentage point, with all other variables held constant, the Group's consolidated pre-tax profit would have decreased/increased by approximately RMB52,066,722 and RMB35,828,226 for the years ended 31 December 2017 and 2016 respectively, and there would be no impact on other components of the consolidated equity, except for retained profits, of the Group. The sensitivity analysis above has been determined assuming that the change in market interest rates had occurred at the end of the year and had applied the exposure to interest rate risk to those financial instruments in existence at that date.

31 December 2017

40. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

(b) Credit risk

The carrying amounts of cash and cash equivalents, pledged deposits, trade and bills receivables, financial receivables and financial assets included in prepayments, deposits and other receivables represent the Group's maximum exposure to credit risk in relation to these financial assets. Substantially all of the Group's cash and cash equivalents and pledged deposits are held in major financial institutions located in Mainland China and Hong Kong, which management believes are of high credit quality. The Group has policies to control the size of the deposits to be placed with various reputable financial institutions according to their market reputation, operating scale and financial background with a view to limiting the credit exposure to each financial institution to an acceptable level.

The Group trades only with recognised and creditworthy third parties. In addition, receivable balances are monitored on an ongoing basis and the Group's exposure to bad debts is not significant.

As the Group's major customers are either PRC government authorities or agencies at the provincial and local levels or other state-owned enterprises, the Group believes that they are reliable and of high credit quality and hence, there is no significant credit risk with these customers. The senior management of the Company keeps reviewing and assessing the creditworthiness of the Group's existing customers on an ongoing basis.

(c) Liquidity risk

The liquidity of the Group is primarily dependent on its ability to maintain adequate cash inflows from operations to meet its debt obligations as they fall due, and its ability to obtain external financing to meet its committed future capital expenditure.

The maturity profile of the Group's financial liabilities at the end of the year, based on the contractual undiscounted payments, is as follows:

	31 December 2017				
	Within 1 year RMB'000	1 to 2 years RMB'000	2 to 5 years RMB'000	More than 5 years RMB'000	Total RMB'000

(d) Capital management

The Group's primary objectives for managing capital are to safeguard the Group's ability to continue as a going concern and to maintain healthy capital ratio in order to support its business and maximise shareholders' value.

The Group sets the amount of capital in proportion to risk. The Group manages its capital structure and makes adjustments to it in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debts. No change was made in the objectives, policies or processes for managing capital during the year.

The Group monitors capital using a gearing ratio, which is net debt divided by the capital plus net debt. Net debt includes trade and bills payables, other payables and accruals, interest-bearing bank and other borrowings, corporate bonds less cash and cash equivalents and pledged deposits. Capital includes the equity attributable to owners of the parent and non-controlling interests as stated in the consolidated statement of financial position.

31 December 2017

40. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

(d) Capital management (continued)

The Group's strategy is to maintain the gearing ratio at a healthy capital level in order to support its businesses. The principal strategies adopted by the Group include, but are not limited to, reviewing future cash flow requirements and the ability to meet debt repayment schedules when they fall due, maintaining a reasonable level of available banking facilities and adjusting investment plans and financing plans, if necessary. The gearing ratios at the end of the years were as follows:

	2017 RMB'000	2016 RMB'000
Trade and bills payables (note 24) Other payables and accruals (note 25) Interest-bearing bank and other borrowings (note 26) Corporate bonds (note 27) Less: Cash and cash equivalents (note 23) Less: Pledged deposits (note 23)	1,290,509 514,524 6,395,062 2,048,841 (1,689,633) (194,855)	916,700 263,125 4,521,009 1,246,825 (675,285) (92,444)
Net debt Total equity Capital and net debt	8,364,448 4,206,861 12,571,309	6,179,930 3,693,167 9,873,097
Gearing ratio	67%	63%

41. EVENTS AFTER THE REPORTING PERIOD

On 27 March 2018, the board of directors of the Company recommends a final dividend of RMB2.0 cents per ordinary share (2016: RMB1.6 cents per ordinary share) for the year ended 31 December 2017. The proposed final dividend for the year is subject to the approval of the Company's shareholders at the forthcoming annual general meeting.

31 December 2017

42. STATEMENT OF FINANCIAL POSITION OF THE COMPANY

Information about the statement of financial position of the Company at the end of the reporting period is as

	2017 RMB'000	2016 RMB'000

42. STATEMENT OF FINANCIAL POSITION OF THE COMPANY (continued)

Note:

A summary of the Company's reserves is as follows:

	Share premium RMB'000	Share option reserve RMB'000	Retained profits/ (accumulated losses) RMB'000	Total RMB'000
At 1 January 2016	1,791,487	33,423	3,029	1,827,939
Final 2015 dividends declared Total comprehensive income for the year Equity-settled share option expense	(33,080)	- - 15,857	50,621 -	(33,080) 50,621 15,857
At 31 December 2016	1,758,407	49,280	53,650	1,861,337
At 1 January 2017	1,758,407	49,280	53,650	1,861,337
Final 2016 dividends declared Shares repurchased Total comprehensive income for the year Equity-settled share option expense	(33,080) (9,792) - -	- - - 7,115	- - (86,674) -	(33,080) (9,792) (86,674) 7,115
At 31 December 2017	1,715,535	56,395	(33,024)	1,738,906

The share option reserve comprises the fair value of share options granted which are yet to be exercised, as further explained in the accounting policy for share-based payments in note 2.4 to the consolidated financial statements. The amount will either be transferred to the share premium account when the related options are exercised, or be transferred to retained profits should the related options expire or be forfeited.

43. APPROVAL OF THE CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements were approved and authorised for issue by the board of directors on 27 March 2018.

FINANCIAL SUMMARY

A summary of the results and of the assets, liabilities and total equity of the Group for the last five financial years is as set below:

RESULTS

	Year ended 31 December
