* *for identification purposes only*

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange or any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,104,786,727 Shares.

Subject to the passing of the ordinary resolution in respect of the granting of the Repurchase Mandate at the Annual General Meeting and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, i.e. being 2,104,786,727 Shares, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a total of 210,478,672 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

3. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole.

Shares repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for share repurchase in accordance with its Memorandum, the Articles of Association, the Companies Law and other applicable laws of the Cayman Islands, as the case may be.

5. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2017) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months up to and including the Latest Practicable Date were as follows:

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the regulations set out in the Memorandum and the Articles of Association.

8. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, BII HK, controlling shareholder of the Company (as defined in the Listing Rules), was interested in 1,157,634,900 Shares representing approximately 55.00% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Repurchase Mandate in full, the shareholding of BII HK would be increased to approximately 61.11% of the issued share capital of the Company.

The Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not consider such increase in shareholding would reduce the issued share capital in the public to less than 25% (or the relevant prescribed minimum percentage required by the Stock Exchange).

9. SHARE REPURCHASE MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
