The Directors believe that the granting of the Repurchase Mandate is in the interest of the Company and the Shareholders.

Shares repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2017) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, China Resources Company Limited, the substantial shareholder of the Company (as defined in the Listing Rules), was interested in 466,824,016 Shares, representing approximately 36.00% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Repurchase Mandate in full, the aggregate shareholding interest of China Resources Company Limited would be increased to approximately 40.00% of the issued share capital of the Company.

The Directors consider that such increase in shareholding may give rise to an obligation for China Resources Company Limited to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not have any present intention to exercise the proposed Repurchase Mandate to such an extent as would give rise to such an obligation.

In addition, the Directors do not have any intention to exercise the proposed Repurchase Mandate to the effect that it will result in the public float to fall below the percentage as required under the Listing Rules or such other minimum percentage agreed by the Stock Exchange from time to time.

8. REPURCHASE OF SHARES MADE BY THE COMPANY

During the 6 months immediately preceding the Latest Practicable Date, the Company has not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
