### **GENERAL MANDATE TO ISSUE SHARES**

In order to ensure greater flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue new Shares, approval is to be sought for the Shareholders, pursuant to the Listing Rules, for the General Mandate to issue Shares. An ordinary resolution no. 4(A) will be proposed at the Annual General Meeting to grant the General Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with new Shares in the share capital of the Company up to 20 per cent of the number of issued Shares as at the date of the passing of the resolution in relation to the General Mandate. As at the Latest Practicable Date, there was 1,494,800,500 Shares in issue. Subject to the passing of the above resolution and on the basis that no further Shares are issued or bought-back after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 298,960,100 Shares.

In addition, subject to a separate approval of the ordinary resolution no. 4(C), the number of Shares bought-back by the Company under ordinary resolution no. 4(B), if approved by the Shareholders at the Annual General Meeting, will also be added to extend the 20 per cent limit of the General Mandate as mentioned in the ordinary resolution no. 4(A) provided that such additional number shall not exceed 10 per cent of the issued Shares as at the date of the passing of the General Mandate and the Buy-back Mandate.

### **BUY-BACK MANDATE TO BUY-BACK SHARES**

In addition, an ordinary resolution no. 4(B) will be proposed at the Annual General Meeting to approve the Buy-back Mandate to the Directors to exercise the powers of the Company to buy-back Shares representing up to 10 per cent of the number of issued Shares as at the date of the passing of the resolution in relation to the Buy-back Mandate. As at the Latest Practicable Date, there was 1,494,800,500 Shares in issue. Subject to the passing of the above resolution and on the basis that no further Shares are issued or bought-back after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to buy-back a maximum of 149,480,050 Shares.

An explanatory statement required by the Listing Rules in connection with the Buy-back Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

### **RE-ELECTION OF RETIRING DIRECTORS**

As at the Latest Practicable Date, Mr. Lin Junling was deemed to be interested in 4,681,205 Shares, which are share options granted by the Board under the share option scheme of the Company, representing approximately 0.31 per cent of the entire issued share capital of the Company, within the meaning of Part XV of the Securities and Futures Ordinance.

The director's remuneration of Mr. Lin Junling for 2017 was RMB1,416,000, which has been determined with reference to his performance, duties and responsibilities with the Company and the prevailing market condition.

*The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Buy-back Mandate.*

## **SHARE CAPITAL**

As at the Latest Practicable Date, the total number of Shares in issue was 1,494,800,500 Shares. Subject to the passing of the resolution granting the Buy-back Mandate and on the basis that no further Shares are issued or bought-back after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to buy-back a maximum of 149,480,050 Shares which represent 10 per cent of the total number of issued Shares during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Cayman Company Law or the Articles of Association; or (iii) the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting prior to the next annual general meeting of the Company.

## **REASONS AND FUNDING OF BUY-BACK**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to buy-back its Shares on the Stock Exchange. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

Buy-backs of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Cayman Company Law and the Listing Rules. The Cayman Company Law provides that the amount of capital repaid in connection with a share buy-back may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the buy-back or out of capital subject to and in accordance with the Cayman Company Law. The amount of premium payable on buy-back may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are bought-back in the manner provided for in the Cayman Company Law.

The Directors would only exercise the power to buy-back in circumstances where they consider that the buy-back would be in the best interests of the Company. The Directors consider that if the Buy-back Mandate was to be exercised in full at the current prevailing market value, it may not have a material adverse impact on the working capital and/or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2017, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## **GENERAL**

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries, in the event that the Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Buy-back Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.

No core connected person of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Buy-back Mandate is exercised.

If as a result of a buy-back of Shares by the Company pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Dingxin Company Limited ("**Dingxin**") was interested in 1,014,000,000 Shares, representing approximately 67.84 per cent of the issued Shares.

Dingxin was wholly owned by Honesty Global Holdings Limited ("**Honesty Global**"), the holding vehicle incorporated in the British Virgin Islands used by TMF (Cayman) Ltd., the trustee of the Ou Family Trust which is a discretionary trust established by Mr. Ou Guofei (as the settlor) with Mr. Ou Zonghong (the chairman, executive director and chief executive officer of the Company) being the protector. Accordingly, each of Honesty Global, Mr. Ou Guofei and Mr. Ou Zonghong was deemed to be interested in the Shares held by Dingxin.

In the event that the Directors should exercise in full the Buy-back Mandate, the shareholding of Dingxin in the Company will be increased to approximately 75.37 per cent of the issued Shares and the number of Shares held by the public would fall below 25 per cent of the total number of Shares in issue. To the best knowledge and belief of the Directors, such increase would not give rise to any obligation to make a mandatory offer under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeover Codes as a result of any buy-back of Shares pursuant to the Buy-back Mandate.

The Listing Rules prohibit a company from making buy-back on the Stock Exchange if the result of the buy-back would be that less than 25 per cent (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to buy-back Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

## SHARE BUY-BACK MADE BY THE COMPANY

No buy-back of Shares (whether on the Stock Exchange or otherwise) have been made by the Company in the six months preceding the Latest Practicable Date.

**SHARE PRICES**

The highest and lowest traded prices for Shares recorded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:
