## **SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,536,169,665 Shares of nominal value of US\$0.0001 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 153,616,966 Shares which represent 10% of the issued share capital of the Company during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the date on which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

## **REASONS AND FUNDING OF REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules, the Companies Law and any other applicable laws. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company, the share premium account of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either or both the profits of the Company or the share premium account of the Company before or at the time the Company's Shares are repurchased, or in the manner provided for in the Companies Law.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2017, being the date on which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**GENERAL**

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum and Articles of Association and the Companies Law.

No core connected person, as defined in the Listing Rules, has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Repurchase Mandate is approved by the Shareholders.

**TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Wang Guoqiang ("**Mr. Wang**") and Mr. Ethan Wu ("**Mr. Wu**") are parties acting in concert (the "**Concert Parties**") for the purpose of the Takeovers Code, and are deemed to be interested in a total of 651,074,000 Shares, representing approximately 42.38% of the issued share capital of the Company, of which 489,512,000 Shares held by Truepath Limited, 137,372,000 Shares held by Widescope Holdings Limited and 21,600,000 Shares held by True Harmony Limited, respectively. In the event that the Directors should exercise in full the Repurchase Mandate, the aggregate interests of the Concert Parties will be increased to approximately 47.09% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase will give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code for the Controlling Shareholders. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

**SHARE REPURCHASE MADE BY THE COMPANY**

No repurchase of Shares (whether on the Stock Exchange or otherwise) had been made by the Company in the six months prior to the Latest Practicable Date.

**SHARE PRICES**

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange during the 12 months preceding the Latest Practicable Date:
