The following is an explanatory statement, as required by the Listing Rules, to provide you with the requisite information for your consideration of the Repurchase Mandate.

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase shares, either directly or indirectly, on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that (i) the shares of such company proposed to be repurchased must be fully paid up, (ii) such company must have previously sent to its shareholders an explanatory statement containing all the necessary information as required under Rule 10.06(1)(b) of the Listing Rules, and (iii) all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders at a general meeting duly held and convened, either by way of a general mandate or by specific approval of a particular transaction, in compliance with the requirements under Rule 10.06(1)(c) of the Listing Rules.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,254,749,656 Shares of nominal value of US\$0.01 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the AGM, the Company may repurchase pursuant to the Repurchase Mandate a maximum of 125,474,965 Shares which represent 10% of the total number of Shares in issue as at the date of passing of the relevant resolution at the AGM during the period commencing on such date and ending on the earliest of (a) the conclusion of the next annual general meeting of the Company following the AGM; or (b) the date by which the next annual general meeting of the Company following the AGM is required to be held by the Cayman Companies Law or the Articles of Association; or (c) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company following the AGM.

REASONS AND FUNDING OF THE REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Company's memorandum of association, Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands (including Cayman Companies Law). The

Cayman Companies Law provides that the amount paid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Cayman Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for under the Cayman Companies Law.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Repurchase Mandate were to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2017, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge and belief, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if the same is approved by the Shareholders and is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No core connected person, as defined in the Listing Rules, has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is granted by the Shareholders at the AGM.

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interests in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge and belief of the Directors, as at the Latest Practicable Date, Mr. LIU Dong, was beneficially interested in 273,609,836 Shares, representing approximately 21.81% of the existing issued share capital of the Company. Such 273,609,836 Shares were held by Excel Orient Limited, a limited company incorporated in the British Virgin Islands, which is an investment holding company wholly owned by Mr. LIU Dong. In the event that the Directors exercise in full the Repurchase Mandate, the interests of Mr. LIU Dong in the Company will be increased to approximately 24.23% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in the number of Shares in public hands falling below the prescribed minimum percentage of 25%.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.
