LETTER FROM THE BOARD

ISSUE MANDATE AND REPURCHASE MANDATE

The Directors propose to seek the approval of the Shareholders at the AGM by way of passing an ordinary resolution for granting the general mandate to the Directors (i) to allot, issue and otherwise deal with new Shares with an aggregate nominal amount not exceeding 20% of the aggregate nominal amount of the issued Shares as at the date of passing the relevant resolution and the extension of the aforesaid mandate by addition thereto the number of Shares repurchased pursuant to the proposed general mandate for repurchase of Shares up to a maximum of 10% of the issued Shares as at the date of passing the relevant resolution as described below, and (ii) to repurchase Shares with total nominal amount not exceeding 10% of the total fully paid-up nominal amount of the Shares in issue at the date of passing the relevant resolution, at any time during the period ending on the earlier of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or its Bye-laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in the general meeting of the Company.

As at the Latest Practicable Date, the number of Shares in issue was 6,156,928,860 Shares. On the basis that no further Shares will be issued or repurchased prior to the AGM, (i) the Issue Mandate in full would enable the Company to allot, issue and deal with a maximum of 1,231,385,772 Shares, and (ii) the Repurchase Mandate in full would enable the Company to repurchase a maximum of 615,692,886 Shares.

The purpose of the general mandate to allot, issue and deal with new Shares is to enable the Directors to capture right timing of the securities market to widen the capital base of the Company. The Directors have no present intention to issue or repurchase any Shares under the general mandates to be sought at the AGM.

An explanatory statement as required by the Listing Rules for information on the general mandate to repurchase Shares is set out in Appendix I to this circular.

RE-ELECTION OF RETIRING DIRECTORS

According to Bye-laws 87, at each annual general meeting one-third of the Directors for the time being or, if their number is not a multiple of three, the number nearest to but not greater than one-third, shall retire from office by rotation, provided that every Director shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. The Directors to retire by rotation shall include any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire by rotation shall be those who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

In accordance with Bye-laws 87, Dr. Liu Ruopeng as executive Director and Dr. Liu Jun and Dr. Wong Kai Kit as Independent Non-executive Directors, shall retire by rotation at the AGM and, being eligible, will offer themselves for re-election at the AGM.

Details of the above retiring Directors to be re-elected at the AGM are set out in Appendix II to this circular.

LETTER FROM THE BOARD

SPECIFIC MANDATE TO ISSUE SHARES UNDER RESTRICTED SHARE AWARD SCHEME

Under the Restricted Share Award Scheme, the Share Award Committee shall not make any further RS Award which will result in the aggregate number of Shares awarded by the Board under the Restricted Share Award Scheme in excess of 170,303,388 Shares, representing 5% of the issued Shares as at the date on which the Board adopted the Restricted Share Award Scheme, i.e. 10 December 2014. In addition, the total number of new Shares which may be allotted and issued to the Trustee under the Restricted Share Award Scheme shall not exceed 85,151,694 Shares, representing 2.5% of the issued Shares as at the date on which the Board adopted the Restricted Share Award Scheme.

Pursuant to the Scheme Rules, the Share Award Committee shall determine the Reference Awarded Sum for the purchase of the existing Ordinary Shares or for the issue of new Shares to be awarded. After the Reference Awarded Sum has been determined, the Share Award Committee shall procure the Company to purchase existing Shares or to issue new Shares as the Restricted Shares. In determining whether to purchase existing Shares or to issue new Shares, the Share Award Committee shall take into account, among other things, the existing market price of the Shares comparing to the expectation on the performance of the market price of the Shares in a foreseeable period, flexibility of purchasing Shares from open market, the dilutive effect to the existing shareholders, financial burden to the Company and tax efficiency of the arrangement, etc.

The Share Award Committee may grant RS Award to a connected person of the Company. Where any grant of RS Award (by way of allotment and issue of new Ordinary Shares under the RSA Specific Mandate) is proposed to be made to any person who is a connected person of the Company within the meaning of the Listing Rules, the Company shall comply with such provisions of the Listing Rules as may be applicable, including any reporting, announcement and/or independent shareholders' approval requirements under Chapter 14A of the Listing Rules, unless otherwise exempted under the Listing Rules.

The selected participants under the Restricted Share Award Scheme will be required to pay the grant price representing a discount of not less than 50% to the closing price of the Share on the date of grant in obtaining the RS Award. The Company intends to apply the proceeds from the grant price, if any, for general working capital of the Group.

At the special general meeting of the Company held on 10 December 2014, an ordinary resolution was passed to grant a specific mandate to the Directors to allot and issue new Shares under the Restricted Share Award Scheme not exceeding 85,151,694 Shares, i.e. 2.5% of the number of Shares in issue as at the date on which the Board adopted the Restricted Share Award Scheme. Since the adoption of the Restricted Share Award Scheme and up to the Latest Practicable Date, no Shares has been issued and allotted under the RSA Specific Mandate.

LETTER FROM THE BOARD

The Restricted Share Award Scheme is effective for a term of 10 years from 10 December 2014. The Directors consider that it is a good practice to follow the same requirements under the Listing Rules in respect of the Issue Mandate to obtain shareholders' approval for the RSA Specific Mandate annually. The existing RSA Specific Mandate is going to expire at the conclusion of the AGM. The Directors believe that it is in the interests of the Company and the Shareholders as a whole to obtain the Shareholders' approval for the unutilised number of new Shares to be issued under the Restricted Share Award Scheme, i.e. 85,151,694 Shares.

Accordingly, an ordinary resolution for the RSA Specific Mandate to be granted to the Directors to allot and issue new Shares under the Restricted Share Award Scheme not exceeding 85,151,694 Shares will be proposed at the AGM. The RSA Specific Mandate shall lapse at the earlier of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws to be held; and (iii) the revocation or variation of the approval given by such ordinary resolution by a resolution of members of the Shareholders in general meeting. Principal terms of the Restricted Shares Award Schemes were disclosed in the Company circular dated 24 November 2014.

As at the Latest Practicable Date, the substantial shareholders of the Company, New Horizon Wireless Technology Limited ("New Horizon") and Central Faith International Ltd. ("Central Faith"), were beneficially interested in 3,078,000,000 Ordinary Shares and 1,042,981,013 Ordinary Shares, representing approximately 49.99% and approximately 16.94% of the issued Ordinary Shares respectively. If the new Shares under the Restricted Share Award are issued in full, the fair value of the new Shares is approximately HK\$150,718,500 (based on share price on Latest Practicable Date). New Horizon and Central Faith will decrease their shareholding in the Company to approximately 49.31% and approximately 16.71% respectively.

If any Share issued under the Restricted Share Award Scheme in the future, the Company will disclose in the annual report the fair value of the shares issued, with separate disclosure of the impact of employee costs on the Company.

As at the Latest Practicable Date, the Company has no present intention to, nor any negotiation of, issue any of the Shares under the RSA Specific Mandate. No shareholder is required to abstain from voting for the resolution for the specific mandate related to Restricted Shares Award Scheme.

Application will be made to the Stock Exchange for the listing of, and permission to deal in the new Shares under the Restricted Share Award Scheme.

AGM

The notice of the AGM is set out on pages 14 to 18 of this circular. At the AGM, resolutions will be proposed for the Shareholders to consider and, if thought fit, among other things, to approve (i) the grant of general mandates to Directors to issue and repurchase Shares; (ii) the re-election of the retiring Directors; and (iii) the refreshment of specific mandate to issue Shares under the Restricted Share Award Scheme.

LETTER FROM THE BOARD

A form of proxy for use at the AGM is sent to the Shareholders together with this circular.

Whether or not the Shareholders are able to attend the AGM, the Shareholders are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon as soon as possible and in any event not less than 48 hours before the time for holding of the AGM or adjournment thereof. Completion and return of the form of proxy will not preclude the Shareholders from attending and voting at the AGM or any adjourned meeting thereof should the Shareholders so wish. If you attend and vote at the AGM, the authority of your proxy will be revoked.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of the Shareholders at a general meeting must be taken by poll. Therefore, all resolutions put to the vote at the AGM will be taken by way of poll. An announcement on the results of the poll will be published by the Company after the AGM in the manner prescribed under the Listing Rules.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Board believes that the proposed granting of the general mandates to the Directors to repurchase Shares and to issue new securities and adding any Shares repurchased under the Repurchase Mandate to the Issue Mandate, the re-election of Directors and the refreshment of the specific mandate to issue Shares under the Restricted Share Award Scheme to be put before the AGM are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

Your attention is also drawn to the information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of the Board
KuangChi Science Limited
Dr. Liu Ruopeng
Chairman and Executive Director

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

REPURCHASE MANDATE

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules relating to an ordinary resolution to be proposed at the AGM to approve a general and unconditional mandate to be given to the Directors to exercise the powers of the Company to purchase, at any time until the next annual general meeting of the Company or such earlier period as stated in the ordinary resolution, shares of HK\$0.01 each in the capital of the Company, up to a maximum of 10% of the aggregate nominal amount of issued Shares as at the date of passing the resolution.

The Directors believe the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole and accordingly recommend the Shareholders to vote in favour of the relevant resolution to be proposed at the AGM.

SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 6,156,928,860 Shares. Subject to the passing of an ordinary resolution for the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 615,692,886 Shares.

REASONS FOR REPURCHASES

The Directors consider that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

Repurchases of Shares will be funded entirely from funds legally available for such purpose in accordance with the Bye-laws and the applicable laws of Hong Kong. It is presently proposed that any Shares repurchased under the Repurchase Mandate would be repurchased out of the capital paid up on the repurchased Shares, profits of the Company which would otherwise be available for distribution or the Company's share premium account.

IMPACT ON WORKING CAPITAL

There might be a material adverse impact on the working capital requirements or gearing levels of the Company (as compared with the position disclosed in its audited financial statements contained in the annual report of the Company for the year ended 31 December 2017) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make repurchase of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

None of the Directors, to the best of their knowledge having made all reasonable enquiries, nor any of their respective associates, having any present intention to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is granted.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that he has a present intention to sell to the Company or its subsidiaries any of his Shares, or has undertaken not to do so, in the event that the Repurchase Mandate is granted.

TAKEOVERS CODE AND SHARE REPURCHASES

In the event that the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

To the best knowledge of the Directors and according to the register of substantial shareholders interests in Share kept under section 336 of Part XV of the SFO, as at the Latest Practicable Date, the substantial shareholders of the Company, New Horizon and Central Faith, were beneficially interested in 3,078,000,000 Ordinary Shares and 1,042,981,013 Ordinary Shares, representing approximately 49.99% and approximately 16.94% of the issued Ordinary Shares respectively. The aggregate shareholding of New Horizon and Starbliss Holdings Limited, being the core connected person(s) (as defined in the Listing Rules), amount to approximately 50.90%.

If the Repurchase Mandate is exercised in full, New Horizon and Central Faith will increase their shareholding in the Company to approximately 55.55% and approximately 18.82% respectively. Such increase will not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

Save as aforesaid, the Directors are not aware of any consequences of any purchases made under the Repurchase Mandate which may arise under the Takeovers Code.

The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such extent that the aggregate amount of Shares in public hands would reduce below 25%.

SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:
