### **POSITIVE PROFIT ALERT**

This announcement is made by Chia Tai Enterprises International Limited (the “Company”, and together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap 571 of the Laws of Hong Kong).

The board of directors of the Company (the “Board”) wishes to inform shareholders of the Company (the “Shareholders”) and potential investors that, based on preliminary information, the consolidated profit attributable to the Shareholders for the six months ended 30 June 2018 (the “2018 First Half”) is expected to increase to more than double the corresponding amount of US\$6.5 million recorded for the six months ended 30 June 2017. Such increase in consolidated profit was mainly attributable to a significant increase in share of profit of a joint venture due principally to growth in infrastructure investments and the resulting increased sales of Caterpillar machinery equipment in western China in the 2018 First Half.

The information contained in this announcement is based on information currently available to the Company and the Company is still in the process of preparing the unaudited consolidated results for the 2018 First Half. The Company expects to announce the interim results of the Group in mid-August 2018.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
