The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary assessment of the Board with reference to the unaudited consolidated management accounts of the Group for the six months ended 30 June 2018 (the “**2018 Interim Period**”) and other information currently available to the Board, the Group expects to record an increase of approximately 40% to 55% in consolidated profit attributable to the Shareholders for the 2018 Interim Period, as compared to HK\$142 million for the six months ended 30 June 2017.
