Overseas Regulatory Announcement

Reference is made to the announcement on connected transaction of China Oilfield Services Limited (the “**Company**”) dated 28 November 2018 in relation to the disposal of tankers and related business (the “**Announcement**”). Due to the translation work of the professional third-party translation company, the Company hereby adjusted certain wording in the English version of the Announcement as follows:

1. “*In accordance with the principle of fairness, and with reference to the net valuation aforesaid, both parties agreed that the profit or loss (transitional profit and loss) for the period from the asset valuation base date to the expected closing date of assets shall be discounted according to the data adopted in the valuation report, i.e. RMB7.7562 million shall belong to Northsea Shipping, while the actual profit or loss arising from the operation during the transitional period shall belong to the Company.*” is changed to “*In accordance with the principle of fairness, and with reference to the net valuation aforesaid, both parties agreed that the estimated profit or loss (transitional profit and loss) for the period from the asset valuation base date to the expected closing date of assets shall be adjusted according to the data adopted in the valuation report, i.e. RMB7.7562 million shall belong to Northsea Shipping, while the actual profit or loss arising from the operation during the transitional period shall belong to the Company.*”
2. “*After the completion of the transaction, it is expected that the Company will record a revenue before taxation of approximately RMB62 million, which is the difference between the consideration of the disposal of the Subject Assets and the net asset value as on the closing date, 15 December 2018.*” is changed to “*After the completion of the transaction, it is expected that the Company will record a gain before taxation of approximately RMB62 million, which is the difference between the consideration of the disposal of the Subject Assets and the net asset value as on the closing date, 15 December 2018.*”

Chinese version of the announcement remains unchanged.
