THE HONGKONG ELECTRIC COMPANY, LIMITED TEN-YEAR SCHEME OF CONTROL STATEMENT

(a) Scheme of Control

The activities of HK Electric are subject to a Scheme of Control Agreement ("SoCA") agreed with the Government. The 2009-2018 SoCA expired on 31 December 2018. In April 2017, the Government, HK Electric and HK Electric Investments Limited entered into a new SoCA for a term of 15 years from 1 January 2019 to 31 December 2033.

The new SoCA provides for HK Electric to earn a Permitted Return of 8% of average net fixed assets. The Permitted Return is determined after any excess capacity adjustment, in accordance with the Annex to the SoCA. No excess capacity adjustment was made in 2019 and 2018. Any excess or deficiency of the gross tariff revenue over the sum of total operating costs, Scheme of Control Net Return and Scheme of Control taxation charges is transferred to/(from) a Tariff Stabilisation Fund from/(to) the statement of profit or loss of HK Electric. When transfer from the Tariff Stabilisation Fund to the statement of profit or loss is required, the amount transferred shall not exceed the balance of the Tariff Stabilisation Fund. In calculating the Scheme of Control net revenue, interest relating to the acquisition of fixed assets (whether it has been charged to revenue or capitalised) up to 7% per annum, is added to, and a tax adjustment is made against, net revenue after taxation. In addition, each year a charge calculated by applying the average of one-month Hong Kong Interbank Offered Rate on the average balance of the Tariff Stabilisation Fund is transferred from the statement of profit or loss of HK Electric to a Rate Reduction Reserve.

| HK\$ million | 2019 | 2018 | 2017 | 2016 | 2015 | 2014 | 2013 | 2012 | 2011 | 2010 |
