NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 September 2020

I. BASIS OF PREPARATION

These condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”) and the applicable disclosures required by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”).

These condensed consolidated financial statements should be read in conjunction with the annual consolidated financial statements of the Group for the year ended 31 March 2020. The accounting policies (including the significant judgements made by management in applying the Group’s accounting policies and the key sources of estimation uncertainty) and methods of computation used in the preparation of these condensed financial statements are consistent with those used in the annual consolidated financial statements for the year ended 31 March 2020 except for the adoption of new and revised standards as set out below.

Suspension of trading in shares of the Company and appointment of the joint and several provisional liquidators (for restructuring purposes only)

On 30 June 2020, the Company published an announcement on the Stock Exchange containing extracts of its Unaudited Results.

As additional time was required by the then auditors of the Company (the “Former Auditors”) to finalize their audit procedures in respect of the annual results for the year ended 31 March 2020 (the “2020 Annual Results”), the Company was unable to announce its 2020 Annual Results by the deadline prescribed by the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”). The trading of the Company’s shares on the Stock Exchange was suspended with effect from 2 July 2020 (the “Suspension”).

As a direct result of the above stated developments, certain creditors of the Group accelerated the repayment obligations of certain indebtedness of the Group and ceased providing facilities to the Group, leading to a detrimental effect on the Group’s cash flow, a series of events of default by the Group on its indebtedness and various legal actions against the Company and its subsidiaries. To facilitate a restructuring of the Company’s indebtedness, the Company filed with the Supreme Court of Bermuda (the “Bermuda Court”) on 18 July 2020 (Hong Kong time) a petition for the winding up of the Company and an application for the appointment of joint and several provisional liquidators on a “light touch” basis for restructuring purposes.

On 24 July 2020, the Bermuda Court ordered that Messrs. Lai Kar Yan (Derek) and Ho Kwok Leung Glen, both of Deloitte Touche Tohmatsu, and Ms. Rachele Ann Frisby of Deloitte Ltd. be appointed as the joint provisional liquidators of the Company (the “JPLs”) for the purpose of, inter alia, formulating, proposing and implementing a restructuring plan of the indebtedness of the Company. The board of Directors (the “Board”) continues to manage the day-to-day affairs of the Company in all respects, subject to the oversight and monitoring of the JPLs.

I. BASIS OF PREPARATION (CONTINUED)

Suspension of trading in shares of the Company and appointment of the joint and several provisional liquidators (for restructuring purposes only) (Continued)

On 13 August 2020, on the application of the JPLs, the High Court of Hong Kong (“Hong Kong Court”) recognised their appointment and further ordered that no action or proceedings shall be proceeded with or commenced against the Company or its assets in Hong Kong for the duration of the provisional liquidation proceedings in Bermuda.

Since their appointment, the JPLs, together with the Board, have taken steps to stabilize operations of the Group and improve the liquidity of the Group, as well as to develop and implement a restructuring plan of the indebtedness of the Group, including (i) reducing cash outflows through staff redundancy and other cost cutting measures, reducing capital expenditure, and winding down non-core businesses; (ii) deconsolidation of non-core businesses of the Group, by way of voluntary liquidation and disposal; (iii) having identified the Investor (as defined below) for the Proposed Restructuring (as defined below and details of which are set out below at the paragraphs under the section headed the “Proposed Restructuring of the Group”) to provide necessary funds to regularize the Company’s paper manufacturing business, which shall be retained in the Group upon completion of the Proposed Restructuring (the “Retained Group”), and to provide recovery to the Company’s creditors; (iv) developing, proposing and implementing a restructuring of the capital and indebtedness of the Company’s paper manufacturing business conducted through its subsidiary Universal Pulp & Paper (Shandong) Co. Ltd. (“UPPSD”) (the “UPPSD Bankruptcy Reorganisation”); and (v) developing and proposing a scheme of arrangement between the Company and its creditors (the “ListCo Scheme”), with the objective to achieve a resumption of trading of the shares of the Company on the Stock Exchange (the “Resumption”).

Going Concern

As at 30 September 2020, the Group’s current liabilities exceeded its current assets by HK\$2,911,280,000. Current portion of the Group’s borrowings and lease liabilities amounted to approximately HK\$597,254,000 and HK\$8,431,000 respectively while its cash and cash equivalents amounted to approximately HK\$217,122,000. Included in the Group’s borrowings as at 30 September 2020 was a principal amount of HK\$608,927,000 due to various banks under loan facilities to which the Company was a guarantor. The Group had failed to comply with the financial covenants of these loan facilities in respect of its current ratio as stipulated in the loan agreements. This non-compliance constituted an event of default under the loan agreements, such that the banks may exercise their rights to serve notice to terminate the loan agreements and forthwith demand all principal amounts and interests immediately due and payable. These conditions indicate the existence of material uncertainties which may cast significant doubt on the Group’s ability to continue as a going concern and its ability to realise its assets and discharge its liabilities in the normal course of business. Notwithstanding the above, in view of the measures already taken by the JPLs and the Directors of the Company in improving the liquidity and solvency position of the Group and the progress made in respect of the Proposed Restructuring of the Group, the consolidated financial statements have been prepared on the assumption that the Group will continue as a going concern and therefore do not include any adjustments relating to the realization and classification of non-current assets and non-current liabilities that may be necessary if the Group is unable to continue as a going concern. The validity of the going concern assumption is dependent on the successful and favorable outcomes of the measures taken by the Group including the completion of the Proposed Restructuring.

Should the Group fails to achieve its plans and measures, it may be unable to continue as a going concern, and adjustments would have to be made to write down the carrying value of the assets to their recoverable amounts, to provide for any further liabilities which might arise and to classify non-current assets and liabilities as current assets and liabilities respectively. The effects of these potential adjustments have not been reflected in these consolidated financial statements.

I. BASIS OF PREPARATION (CONTINUED)

Listing status of the Company

By way of letters dated 21 July 2020, 26 November 2020 and 11 June 2021, the Stock Exchange imposed the following resumption guidance (the “Resumption Guidance”) for the Company:

1. Address all audit issues raised by the Former Auditors (the “Audit Issues”);
2. Conduct an appropriate independent investigation into the Audit Issues, announce the findings and take appropriate remedial actions;
3. Publish all outstanding financial results required under the Listing Rules and address any audit modifications;
4. Have the winding-up petition (or winding-up order, if made) against the Company withdrawn or dismissed;
5. Announce all material information for the Company’s shareholders and investors to appraise the Company’s position;
6. Demonstrate its compliance with Rule 13.24 of the Listing Rules;

8. Re-comply with Rules 3.05, 3.10(1), 3.21 and 3.25 of the Listing Rules.

For details, please refer to the announcement made by the Company dated 23 July 2020, 27 November 2020 and 18 June 2021.

Under Rule 6.01A(1) of the Listing Rules, the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 18 months. In the case of the Company, the 18-month period expires on 1 January 2022 (the “Delisting Deadline”). If the Company fails to remedy the issue(s) causing its trading suspension, fully comply with the Listing Rules to the Stock Exchange’s satisfaction and resume trading in its shares by 1 January 2022, the Listing Division will recommend the Listing Committee to proceed with the cancellation of the Company’s listing. Under Rules 6.01 and 6.10 of the Listing Rules, the Stock Exchange also has the right to impose a shorter specific remedial period, where appropriate.

The Company is taking appropriate steps to remedy the issues causing the Suspension and fully comply with the Listing Rules to the Stock Exchange’s satisfaction before trading in the shares is allowed to resume. On 20 September 2021, the Company submitted a resumption proposal (the “Resumption Proposal”) to the Stock Exchange. The Company is currently attending to the queries of the Stock Exchange with regards to the Resumption Proposal.

Please refer to the announcements of the Company dated 30 September 2020, 4 January 2021, 8 April 2021, 7 July 2021 and 5 October 2021 for details of the progress of the Resumption. The Company will keep its shareholders and public informed of the developments in this regard by making further announcements as and when appropriate.

- (b) all the claims against the Company shall be fully and finally discharged under ListCo Scheme by way of the SchemeCo accepting and assuming an equivalent liability in place of the Company in respect of the claims of the creditors of the Company. In return, the Scheme Creditors will be entitled to receive dividends from the realization of the assets of the SchemeCo pursuant to the ListCo Scheme in full and final settlement of their claims against the SchemeCo;
- (c) the assets of the SchemeCo to be realised for the benefit of the Scheme Creditors shall include:
 - (i) the remaining balance of the gross Subscription Proceeds of approximately HK\$119,872,142 after deducting the costs of implementing the Proposed Restructuring;
 - (ii) 240,482,142 New Shares to be issued and allotted by the Company to the SchemeCo (the “Creditors’ Shares”) for the benefit of the Scheme Creditors, representing approximately 17% of the issued ordinary share capital of the Company after the completion of the Capital Reorganisation and as enlarged by the issue and allotment of the Subscription Shares, Placement Shares and Creditors’ Shares and assuming all preference shares have been converted, subject to the right to dispose the Creditors’ Shares as detailed in paragraph (viii) below;

Proposed Restructuring of the Group (Continued)

(5) Listco scheme (Continued)

- (c) the assets of the SchemeCo to be realised for the benefit of the Scheme Creditors shall include: (Continued)
 - (v) the inter-company account receivables due from the Excluded Subsidiaries to the Retained Group in the amount of approximately HK\$300 million;
 - (vi) the cash, bank deposits and account receivables of the Company as at the effective date of the ListCo Scheme (apart from the account receivables due from the Retained Group);
 - (vii) all claims or litigations and all potential claims or litigation rights against third parties raised by the Retained Group (to the extent transferrable under the applicable law and approved by the relevant party);
 - (viii) a right to the SchemeCo exercisable by the scheme administrators in their absolute discretion (for the benefit of the Scheme Creditors other than the Scheme Creditors who elected to hold the Creditors' Shares in their own names or through CCASS) to dispose the Creditors' Shares on behalf of the relevant Scheme Creditors, either (i) in the open market at the market price; or (ii) instructing a placing agent (the "Placing Agent for Placing Out") at one or more times during the 12 months from the Closing to place such number of the Creditors' Shares to independent placees at price(s) procured by the Placing Agent for Placing Out on a best effort basis (the "Placing Price for Placing Out") and, given the guarantee by the Investor (the "Price Protection") to pay the shortfall between the Placing Price for Placing Out and the issue price of the Creditors' Shares (i.e. HK\$0.121056 per share) should the Placing Price for Placing Out be lower than the issue price of the Creditors' Shares, to realise such Creditors' Shares at a price not less than the issue price of the Creditors' Shares, thereby offering a certain minimum realization from the Creditors' Shares in exchange for the relevant Scheme Creditors releasing their admitted claims against the Company.

On 30 September 2021, the Company held a meeting of the creditors of the Company (the "Scheme Meeting") pursuant to the order dated 1 September 2021 granted by the Hong Kong Court. The resolution to approve the ListCo Scheme was duly passed. Subsequently, the ListCo Scheme was sanctioned by the Hong Kong Court on 28 October 2021.

I. BASIS OF PREPARATION (CONTINUED)

Proposed Restructuring of the Group (Continued)

(6) UPPSD bankruptcy reorganisation

Upon completion of the Proposed Restructuring, the Retained Group shall continue to be engaged in paper manufacturing business conducted through UPPSD.

As set out in the Company's announcement dated 22 November 2021, due to the then liquidity shortage of the Group and the eventual suspension of production of UPPSD in late September 2020, in order to provide and ring-fence working capital to resume UPPSD's operation so as to preserve its operational value, UPPSD, Xiamen C&D Paper and Shandong Herun Holding Group Co., Ltd.* ("Shandong Herun") (a PRC company wholly-owned by Mr. Li Shengfeng, the majority ultimate beneficial owner of Zhejiang Xinshengda) entered into the an agreement dated 24 October 2020 (the "Entrusted Operation Agreement"), pursuant to which, Xiamen C&D Paper and Shandong Herun formed their joint venture Shandong Bairun (owned by Xiamen C&D Paper as to 55% and owned by Shandong Herun as at 45%) in November 2020 to operate the paper manufacturing facility of UPPSD (the "Entrusted Assets") on an entrusted basis (the "Entrusted Operation").

The resumption of manufacturing operations of UPPSD was funded by Shandong Bairun on the bases that UPPSD was paid/reimbursed the costs of its staff and Shandong Bairun would pay all operating expenses (including raw material and maintenance costs). Shandong Bairun would not, however, bear liabilities (trade or otherwise) that arose prior to the commencement of the Entrusted Operation. Shandong Bairun would not be entitled to any increase in value of the Entrusted Assets and the operations of UPPSD. Also, Shandong Bairun would not bear any risk of deterioration in value of the Entrusted Assets and risks of seizure of the Entrusted Assets (e.g. Shandong Bairun could terminate the Entrusted Operation Agreement if major assets of UPPSD were under bankruptcy proceedings or enforcement action such that it became impractical for Xiamen C&D Paper, Shandong Herun and Shandong Bairun to continue production in accordance to the terms of the Entrusted Operation Agreement).

The Company/UPPSD also retained control over UPPSD/the Entrusted Assets, including but not limited to selling assets of and/or interests in UPPSD and rights to reject any proposed addition/upgrade to the Entrusted Assets.

In view of the above, the Company is of the view that there is no impact on the accounting treatment of UPPSD in the Company's consolidated financial statements after entering into the Entrusted Operation Agreement.

On 23 December 2020, UPPSD received the notice from the People's Court of Xuecheng District, Zaozhuang City, Shandong Province (the "Shandong Court"), informing that a creditor of UPPSD had filed a bankruptcy application against UPPSD (the "UPPSD Bankruptcy Application"). Despite the objection filed by UPPSD to the Shandong Court, UPPSD received a civil judgement issued by the Shandong Court, advising that the UPPSD Bankruptcy Application was accepted and that a bankruptcy administrator (the "UPPSD Bankruptcy Administrator") was appointed on 30 December 2020. Accordingly, the Company lost control over UPPSD and financial results and position of UPPSD were deconsolidated from the Group with effect from 31 December 2020 in accordance with the requirements of HKFRS 10 Consolidated Financial Statements.

I. BASIS OF PREPARATION (CONTINUED)

Proposed Restructuring of the Group (Continued)

(6) UPPSD bankruptcy reorganisation (Continued)

Following the execution of the Term Sheet, UPPSD submitted an application to the Shandong Court and the UPPSD Bankruptcy Administrator to seek for a conversion of the bankruptcy proceedings of UPPSD into a bankruptcy reorganisation, which was approved by the Shandong Court with effect from 20 April 2021.

On 29 July 2021, the UPPSD Bankruptcy Administrator convened the second meeting of creditors of UPPSD for the purpose of considering and approving the UPPSD Bankruptcy Reorganisation plan as summarised below:

- (a) UPPSD shall become a wholly-owned subsidiary of the Company (through SPV1 and SPV2) through the UPPSD Bankruptcy Reorganisation;
- (b) settlement of four creditors' priority claims with an aggregate amount of RMB4,960,533.58 in one lump sum payment by cash in priority to other creditors with unsecured claims, with their unsecured claims totalling RMB1,084,101,760.80 settled in the method as provided in (d), (e) and (f) below;
- (c) settlement of two creditors' verified tax claims with an aggregate amount of RMB48,333,787.65 in one lump sum payment by cash;
- (d) settlement of each creditor's unsecured claims with principal amount of RMB200,000 (inclusive) or below in full by way of cash;
- (e) for each creditor's unsecured claims with principal amount exceeding RMB200,000, settlement will be completed within four (4) years in five (5) instalments of 20% every year. The first instalment payment shall be made to repay creditor's unsecured claim of principal amount below RMB200,000 (inclusive) and 20% of the principal amount in excess of RMB200,000. The four subsequent instalments of 20% of the principal amount in excess of RMB200,000 shall be paid on or before the first, second, third and fourth anniversary date of the first instalment payment. Remaining debts shall not bear any interest for the period of settlement in instalments;
- (f) the settlement of the inter-company debts due by UPPSD to the Excluded Subsidiaries in the total sum of RMB741,989,908.38 as recognised by the UPPSD Bankruptcy Administrator in one lump sum payment of RMB50,000,000;
- (g) upon the completion of UPPSD Bankruptcy Reorganisation, UPPSD shall forfeit its all accounts receivables, prepayments and other receivables due by the Group to UPPSD, which amounted to RMB156,943,268.36 based on the liquidation audit on UPPSD commissioned by the UPPSD Bankruptcy Administrator; and
- (h) termination of the Entrusted Operation Agreement.

I. BASIS OF PREPARATION (CONTINUED)

Proposed Restructuring of the Group (Continued)

(6) UPPSD bankruptcy reorganisation (Continued)

The UPPSD Bankruptcy Reorganisation was approved by its creditors and the Shandong Court on 29 July 2021 and 31 July 2021 respectively and the UPPSD Bankruptcy Administrator was discharged with effect from 1 August 2021. The Entrusted Operation Agreement have also been terminated with effect from 1 August 2021 and UPPSD resumed its self-operation. Financial results and position of UPPSD were consolidated to those of the Group in accordance with the requirements of HKFRS 10 Consolidated Financial Statements with effect from 1 August 2021.

On 11 October 2021, following the first instalment payment by UPPSD in accordance to the UPPSD Bankruptcy Reorganisation plan, the Shandong Court handed down a judgment confirming that the UPPSD Bankruptcy Reorganisation has been successfully implemented and ordered the termination of the UPPSD's bankruptcy reorganisation proceedings.

(7) Resumption

To satisfy the Resumption Guidance as imposed by the Stock Exchange before the Delisting Deadline, the details of which are set out in the preceding paragraph.

Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiaries (collectively referred to as the "Group") for the six months ended 30 September 2020. A subsidiary is an entity (including a structured entity), directly or indirectly, controlled by the Company. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee (i.e., existing rights that give the Group the current ability to direct the relevant activities of the investee).

When the Company has, directly or indirectly, less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- (a) the contractual arrangement with the other vote holders of the investee;
- (b) rights arising from other contractual arrangements; and
- (c) the Group's voting rights and potential voting rights.

The financial statements of the subsidiaries are prepared for the same reporting period as the Company, using consistent accounting policies. The results of subsidiaries are consolidated from the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

I. BASIS OF PREPARATION (CONTINUED)

Basis of consolidation (Continued)

Profit or loss and each component of other comprehensive income are attributed to the owners of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation. The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control described above. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises (i) the assets (including goodwill) and liabilities of the subsidiary, (ii) the carrying amount of any non-controlling interest and (iii) the cumulative translation differences recorded in equity; and recognises (i) the fair value of the consideration received, (ii) the fair value of any investment retained and (iii) any resulting surplus or deficit in profit or loss. The Group's share of components previously recognised in other comprehensive income is reclassified to profit or loss or retained profits, as appropriate, on the same basis as would be required if the Group had directly disposed of the related assets or liabilities.

During the period between the reporting date and date of these consolidated financial statements, the Group had deconsolidated certain subsidiaries of the Group as set out below.

Paper manufacturing segment

As set out in the paragraphs under "UPPSD Bankruptcy Reorganisation", the Company lost control over UPPSD upon the appointment of the UPPSD Bankruptcy Administrator and UPPSD was deconsolidated from the Group in accordance with the requirements of HKFRS 10 Consolidated Financial Statements with effect from 31 December 2020.

The UPPSD Bankruptcy Reorganisation was approved by its creditors and the Shandong Court on 29 July 2021 and 31 July 2021 respectively and the UPPSD Bankruptcy Administrator was discharged. On 1 August 2021, the Company regained the control over UPPSD and UPPSD was consolidated into the Group in accordance with the requirements of HKFRS 10 Consolidated Financial Statements.

Paper trading segment

The Group's paper trading business was primarily carried out by Samson Paper Company Limited ("SMHK") (an indirectly wholly-owned subsidiary of the Company incorporated in Hong Kong) and its subsidiaries; Samson Paper (China) Company Limited ("SMC") (an indirectly wholly-owned subsidiary of the Company incorporated in the Hong Kong) and its subsidiaries in the PRC (the "PRC Paper Trading Subsidiaries") and indirectly wholly-owned subsidiaries of the Company incorporated in the South East Asia (e.g. Malaysia).

I. BASIS OF PREPARATION (CONTINUED)

Paper trading segment (Continued)

The paper trading business of the Group was most severely and immediately impacted by the withdrawal of banking facilities and acceleration of repayment obligations by certain creditors of the Group as a result of the Suspension, in particular, it was unable to make new purchases for maintaining normal trading operations. Some employees of the paper trading segment left the Group in light of the disruptions and uncertainty surrounding the Group's operation. The Board and the JPLs decided to wind down or dispose the paper trading business in view of its substantial working capital requirement and the Group's then liquidity position and its vulnerability against business interruption.

SMHK was the principal borrower of the Group with most of its indebtedness being guaranteed by the Company. Some of the SMHK's creditors had issued proceedings in the Hong Kong court against SMHK. On 10 August 2020, SMHK received a demand letter from a supplier demanding an immediate payment of approximately US\$355,000 and HK\$623,586,000.

With a view to protecting interests of all unsecured creditors of SMHK and to maintain the prospect of an holistic approach to the restructuring of the Company's indebtedness, the sole shareholder of SMHK passed a special resolution on 14 August 2020 to put SMHK into creditors' voluntary liquidation because it could not, by reason of its liabilities, continue in business. Messrs. Lai Kar Yan (Derek) and Ho Kwok Leung, Glen of Deloitte Touche Tohmatsu were appointed as the joint and several liquidators of SMHK (the "SMHK Liquidators") and their appointment was subsequently confirmed at a creditors' meeting on 25 August 2020. Upon the commencement of its liquidation, SMHK laid off all remaining employees with immediate effect but re-employed a small number of sales personnel on a short-term basis to facilitate the collection of accounts receivable.

Similarly, the PRC Paper Trading Subsidiaries had been wound down since September 2020. Most staff were made redundant and a limited number of staff were re-employed on a short-term basis to assist with the winding down. Following the cessation of business of the PRC Paper Trading Subsidiaries, SMC was put into creditors' voluntary liquidation on 30 June 2021. Messrs. Lai Kar Yan (Derek), Ho Kwok Leung, Glen and Kam Chung Hang (Forrest) of Deloitte Touche Tohmatsu were appointed as the joint and several liquidators of SMC (the "SMC Liquidators") and their appointment was confirmed at a creditors' meeting on 9 July 2021.

Upon appointment of the SMHK Liquidators and the SMC Liquidators, the Group lost control over SMHK and SMC. SMHK and its subsidiaries (the "De-consolidated Group A") and SMC and its subsidiaries (the "De-consolidated Group B") were therefore deconsolidated from the consolidated financial statements of the Group with effect from 15 August 2020 and 1 July 2021 respectively in accordance with the requirements of HKFRS 10 Consolidation Financial Statements.

The SMHK Liquidators, the SMC Liquidators and the Directors of the Company had taken all reasonable steps to preserve and maintain the books and records of the De-consolidated Group A and the De-consolidated Group B respectively that were left behind by the former management and accounting departments of the De-consolidated Group A and the Deconsolidated Group B, including but not limited to management accounts, ledgers and sub-ledgers account, vouchers, bank statements, agreements and documentation (collectively referred to as the "Basic Records"). However, despite the SMHK Liquidators, the SMC Liquidators and the Directors of the Company used their best endeavor to locate (i) certain supporting documents, such as invoices, receipts and purchaser orders, regarding certain business transactions; (ii) detailed explanations on the journal entries (collectively referred to as the "Specific Records"), they were unable to access the Specific Records as a result of the resignation or redundancy of the relevant senior management and accounting staff. The Company was unable to determine whether these Specific Records were absent in the first place or they were updated due to the departure of the former management and the accounting staff.

I. BASIS OF PREPARATION (CONTINUED)

Paper trading segment (Continued)

Apart from those in the De-consolidated Group A and the De-consolidated Group B, certain subsidiaries of the Company were disposed subsequent to the reporting period. The books and records of these subsidiaries available to the Group at the material time which were retained by the Group upon the disposal were not found to be of a sufficient level for audit purposes. Despite the Directors of the Company have taken all reasonable steps and have used their best endeavors to resolve the matter, including but not limited to repeated verbal and written requests to the disposed subsidiaries, the Company has been unable to access to the complete set of books and records of these subsidiaries and detailed explanations on the accounting records and is unable to determine whether the records retained by the Group upon disposal was updated.

Other than the subsidiaries mentioned above, certain subsidiaries have been deregistered subsequent to the reporting period following staff redundancy and the cessation of business, the books and records of these subsidiaries available to the Group at the material time which were retained by the Group were not found to be of a sufficient level for audit purposes. Set out below the financial results and positions of paper trading segment of the Group for the reporting period:

I. BASIS OF PREPARATION (CONTINUED)

Property development and investment (“PID”) segment

The Group was also engaged in the PID business including (i) the development of Nantong Business Park through subsidiaries of Seng Jin Group Limited (“SJ Limited”), namely SJ (China) Company Limited (“SJ (China)”) and Jordan Property (Nantong) Co Ltd (“Jordan Nantong”); (ii) investment in warehouses and offices in the PRC and Hong Kong for rental income through SMHK and its subsidiary and certain PRC subsidiaries of SJ Limited.

Following the financial turmoil experienced by the Group in July 2020, SJ (China) has had limited access to working capital from the Group and defaulted payments to its creditors. Creditors have since taken action to freeze land and buildings owned by SJ (China) in Nantong Business Park, causing suspension in construction and certain phases of the development to be suspended from sale. There was increasing pressure from the local government on SJ (China) to resume construction. Certain management of the Group overseeing the operations of SJ (China) have departed the Group. The local management and staff were distressed by the disruptions to SJ (China)’s operation and uncertainties over its prospect and appealed to the Group to resolve the indebtedness of SJ (China) and maintain job stability.

On 16 September 2021, the shareholder of SJ Limited passed a qualifying resolution to wind up SJ Limited by way of an insolvent liquidation. Messrs. Lai Kar Yan (Derek) and Kam Chung Hang (Forrest) of Deloitte Touche Tohmatsu and Mr. Ryan Jarvis of Deloitte Ltd. were appointed as the joint and several liquidators of SJ Limited (the “Seng Jin Liquidators”).

Upon appointment of the Seng Jin Liquidators, the Group lost control over SJ Limited (including SJ (China) and Jordan Nantong). Financial results and positions of SJ Limited and its subsidiaries (the “De-consolidated Group C”) were therefore deconsolidated from the Group with effect from 17 September 2021 in accordance with the requirements of HKFRS 10 Consolidated Financial Statements.

The Company had maintained limited books and records of the De-consolidated Group C. Despite the repeated requests from the Company and its auditors during the course of the audit of the Group’s consolidated financial statements for the six months ended 30 September 2020, the local management and the staff of the De-consolidated Group C, in view of the disruptions surrounding the operations of SJ (China), did not provide sufficient supporting documents and detailed explanations for the accounting entries to the auditors of the Company. The Seng Jin Liquidators and the Directors of the Company consider that it was impracticable to provide the complete accounting records of the De-consolidated Group C given (i) the supporting documents were kept in the local PRC office where the remaining staff and management were not supportive in view of the crisis of the Group and SJ (China); (ii) the Seng Jin Liquidators and the Directors of the Company were unable to determine whether those records were being updated in the first place; and (iii) the Seng Jin Liquidators and the Directors of the Company had no other access to such records despite the fact that the Seng Jin Liquidators and Directors of the Company have taken all reasonable steps and have used their best endeavor to access such records.

Other than the De-consolidated Group C, SMHK and one of its subsidiaries were also engaged in the PID business. Due to the reasons set out above in the paper trading segment, the Company was unable to access to the Specific Records of SMHK and its subsidiary in relation to the PID business.

Others segment

Following the Suspension and the defaults of the Group, there was limited working capital available to fund the overheads of other business. In the circumstances, the Group disposed its marine vessels repair business in Singapore which was carried out by Hypex International Pte Ltd (“Hypex International”) and its subsidiaries (the “De-Consolidated Group D”) in September 2020.

The books and records of the De-consolidated Group D available to the Group at the material time which were retained by the Group were not found to be of a sufficient level for audit purposes. Despite the directors have taken all reasonable steps and have used their best endeavors to resolve the matter, including repeated requests to Hypex International, the Company has been unable to access to the complete set of books and records of these subsidiaries and is unable to determine whether the records retained by the Group upon disposal was updated and complete.

Other than Hypex International, certain subsidiaries were disposed or deregistered subsequent to the reporting period. Due to the resignation of the former management and majority of the accounting staff, the Company was unable to determine whether these Specific Records of these subsidiaries were absent in the first place nor was it able to access the Specific Records of these subsidiaries for audit purposes. Certain other subsidiaries which form part of the others segment were held under De-consolidated Group A and De-consolidated Group B. Due to the reasons set out above in the paper trading segment, the Company was unable to obtain access to the Specific Records of these subsidiaries in others segment.

2. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the HKICPA that are relevant to its operations and effective for its accounting year beginning on 1 April 2020. HKFRSs comprise Hong Kong Financial Reporting Standards (“HKFRS”); Hong Kong Accounting Standards (“HKAS”); and Interpretations. The Group has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

The accounting policies applied in these financial statements are the same as those applied in the Group’s consolidated financial statements as at and for the year ended 31 March 2020. A number of new or amended standards are effective from 1 April 2020 but they do not have a material effect on the Group’s condensed consolidated financial statements.

3. FAIR VALUE MEASUREMENTS

Except as disclosed below, the carrying amounts of the Group’s financial assets and financial liabilities as reflected in the condensed consolidated statement of financial position approximate their respective fair values.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following disclosures of fair value measurements use a fair value hierarchy that categorises into three levels the inputs to valuation techniques used to measure fair value:

Level 1 inputs: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date.

Level 2 inputs: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Subsequently, by way of a letter dated 16 July 2020 (the “Former Auditor Letter”) to the Board, the Former Auditors set out details of outstanding audit issues concerning the 2020 Annual Results which were published by the Company on 17 September 2020 through an announcement on the Stock Exchange.

As a direct result of the above stated developments, certain creditors of the Group accelerated the repayment obligations of certain indebtedness of the Group and ceased providing facilities to the Group, leading to a detrimental effect on the Group’s cash flow and series of events of default by the Group on its indebtedness. To facilitate a restructuring of the Company’s indebtedness, the Company filed with the Supreme Court of Bermuda (the “Bermuda Court”) on 18 July 2020 (Hong Kong time) a petition for the winding up of the Company and an application for the appointment of joint and several provisional liquidators on a “light touch” basis for restructuring purposes.

On 24 July 2020, Messrs. Lai Kar Yan (Derek) and Ho Kwok Leung Glen, both of Deloitte Touche Tohmatsu, and Ms. Rachelle Ann Frisby of Deloitte Ltd. were appointed by the Bermuda Court as the joint provisional liquidators (the “JPLs”) of the Company for the purpose of, inter alia, formulating, proposing and implementing a restructuring plan of the indebtedness of the Company. The Board continues to manage the day-to-day affairs of the Company in all aspects, subject to the oversight and monitoring of the JPLs.

Listing status of the Company

By way of letters dated 21 July 2020, 26 November 2020 and 11 June 2021, the Stock Exchange imposed the following resumption guidance (the “Resumption Guidance”) for the Company:

1. Address all audit issues raised by the Former Auditors (the “Audit Issues”);
2. Conduct an appropriate independent investigation into the Audit Issues, announce the findings and take appropriate remedial actions;
3. Publish all outstanding financial results required under the Listing Rules and address any audit modifications;
4. Have the winding-up petition (or winding-up order, if made) against the Company withdrawn or dismissed;
5. Announce all material information for the Company’s shareholders and investors to appraise the Company’s position;
6. Demonstrate its compliance with Rule 13.24 of the Listing Rules;

7. Conduct an independent internal control review and demonstrate adequate internal control systems being put in place to meet the obligations under the Listing Rules; and
8. Re-comply with Rules 3.05, 3.10(1), 3.21 and 3.25 of the Listing Rules.

Under Rule 6.01A(1) of the Listing Rules, the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 18 months. In the case of the Company, the 18-month period expires on 1 January 2022 (the “Delisting Deadline”). If the Company fails to remedy the issue(s) causing its trading suspension, fully comply with the Listing Rules to the Stock Exchange’s satisfaction and resume trading in its shares by 1 January 2022, the Listing Division will recommend the Listing Committee to proceed with the cancellation of the Company’s listing. Under Rules 6.01 and 6.10 of the Listing Rules, the Stock Exchange also has the right to impose a shorter specific remedial period, where appropriate.

Liquidation and winding down of paper trading business

Upon their appointment, the JPLs, together with the Board, carried out a review of the different business segments of the Group. Among all segments, as the principal bank borrower of the Group, the paper trading business was most severely and immediately impacted by the withdrawal of banking facilities and acceleration of repayment obligations by certain creditors of the Group, in particular, it was unable to make new purchases for maintaining normal trading operations. The Board and the JPLs decided to wind down or dispose the paper trading business in view of its substantial working capital requirement and the Group’s then liquidity position and its vulnerability against business interruption.

Meanwhile, some creditors had issued proceedings in the Hong Kong Court against Samson Paper Company Limited (“SMHK”), which is a major operating subsidiary of the paper trading business in Hong Kong and also a principal bank borrower of the Group, with most of these borrowings being guaranteed by the Company. Operations of SMHK was severely disrupted and some employees had left SMHK in light of the uncertainty then surrounding the Group’s operation.

With a view to protecting interests of all unsecured creditors of SMHK and to maintain the prospect of an holistic approach to the restructuring of the Company’s indebtedness, SMHK was put into voluntary liquidation on 14 August 2020 because it could not, by reason of its liabilities, continue in business. Financial results and position of SMHK and its subsidiaries (the “De-consolidated Group A”) were deconsolidated from those of the Group on 15 August 2020. Upon the commencement of its liquidation, SMHK laid off all employees (over 80 employees) with immediate effect but re-employed a small number of sales personnel on a short-term basis to facilitate the collection of accounts receivables. As one of the longest established subsidiaries of the Group, SMHK served as headquarter office of the Group in Hong Kong and some of its employees provided managerial and accounting services to other subsidiaries of the Company.

Upon the vacant possession and disposal of SMHK’s premises which served as the Group’s headquarter office, with very limited manpower at that time, the liquidators of SMHK and the management of the Group could only use their best endeavor to arrange for preservation and relocation of books and records of the Group then available in their then form.

Similarly, the paper trading business in the PRC, which was conducted through 19 subsidiaries/branches of the Company in 19 major cities of the PRC with 510 staff, had been wound down since September 2020. Most staff were made redundant and approximately 54 staff (out of 510 staff) were re-employed on a short-term basis to assist with the collection of accounts receivables. Following the cessation of operations of the PRC paper trading business, the remaining staff gradually left the Group before June 2021. On 30 June 2021, Samson Paper (China) Company Limited (“SMC”), an indirect wholly-owned subsidiary of the Company and the holding Company of PRC subsidiaries engaging in the paper trading business, was put into creditors’ voluntary liquidation. Financial results and position of SMC and its subsidiaries (the “De-consolidated Group B”) were deconsolidated from those of the Group with effect from 1 July 2021.

Deconsolidation of Property Development and Investment (“PID”) Segment

The Company was also engaged in the PID segment including (i) the development of Nantong Business Park through SJ (China) Company Limited (“SJ (China)”) and Jordan Property (Nantong) Co Ltd. (“Jordan Nantong”) which are wholly-owned subsidiaries of Seng Jin Group Limited (“SJ Limited”); and (ii) investment in warehouses and offices in the PRC and Hong Kong for rental income through Jordan Property Investment (XM) Company Limited (a subsidiary of SJ Limited) and SMHK, which have been deconsolidated from the Group upon the appointment of liquidators to SJ Limited and SMHK.

Following the financial turmoil experienced by the Group in July 2020, SJ (China) has had limited access to working capital from the Group and defaulted payments to its creditors. Creditors have since taken action to freeze land and buildings owned by SJ (China) in Nantong Business Park, causing suspension in construction and certain phases of the development to be suspended from sale. There was increasing pressure from the local government on SJ (China) to resume construction. The distressed local workforce appealed to the Group to resolve the indebtedness of SJ (China) and maintain job stability.

As the Group intends to focus on the Paper Manufacturing business, coupled with defaults and inherent constraints on working capital of Nantong Business Park, it was resolved to put SJ Limited, an indirect wholly-owned subsidiary of the company and the holding company of SJ (China) and Jordan Nantong, into insolvent liquidation on 16 September 2021. Financial results and position of SJ Limited and its subsidiaries (the “De-consolidated Group C”) were deconsolidated from those of the Group on 17 September 2021.

Disposal of other auxiliary businesses

The Group was also engaged in Fast Moving Consumer Goods business (the “FMCG business”) and other businesses including trading of consumable aeronautic parts and the provision of related services, and provision of logistic services and marine services (the “Other Businesses”).

Following the Suspension and the defaults of the Group, there was limited working capital available to fund the overheads of FMCG business and Other Businesses. In the circumstances, the Group disposed of its marine vessels repair business in Singapore (conducted through Hypex International Pte. Ltd. and its subsidiaries (the “De-Consolidated Group D”)) in September 2020 and the FMCG business in January 2021.

Resignation of directors and senior management

Shortly after the Suspension, the non-executive directors and independent non-executive directors of the Company resigned. Subsequently, the executive directors of the Company resigned from the Company and other positions within the Group (including directorship of certain subsidiaries) during the period from February 2021 to May 2021. The Board are now comprised of two executive directors, Mr. Choi Wai Hong, Clifford (“Mr. Choi”) and Mr. Lau Wai Leung, Alfred (“Mr. Lau”) and an independent non-executive director, Mr. Leung Vincent Gar-gene (“Mr. Leung”) who were first appointed as independent non-executive directors of the Company after the Suspension (with Mr. Choi and Mr. Lau being re-designated as executive directors in May 2021).

The chief financial officer of the Company (who was also an executive director and the company secretary of the Company) resigned from the Company and other positions within the Group (including directorship of certain subsidiaries) in February 2021. The Company appointed Mr. Yu Ngai, who joined the Group as the deputy chief financial officer in July 2020, as the chief financial officer.

The departure of directors and senior management, together with the large-scale of redundancy/resignation of staff, resulted in severe under-staffing of the accounting function of the Group and undermined the Group's effort in updating the accounting information of the Group and obtaining explanation or information in relation to historical transactions from management and accounting personnel at the relevant time. In preparing the financial information of the Group, the current management of the Group could only rely on the books and records available to them, which might not be up-to-date and complete, without explanations of management and accounting personnel at the relevant time.

Proposed Restructuring of the Group

On 30 July 2021, the Company, the JPLs, Xiamen C&D Paper & Pulp Co., Ltd* ("Xiamen C&D Paper"), Zhejiang Xinshengda Holding Group Co., Ltd* ("Zhejiang Xinshengda"), NCD Investment Holding Limited (the "Investor") (a company incorporated in the British Virgin Islands owned by Xiamen C&D Paper as to 55% and Zhejiang Xinshengda as to 45%) and Shandong Bairun Pulp & Paper Co. UPPSD Bankruptcy Reorganisation

Upon completion of the Proposed Restructuring, the Retained Group shall continue to be engaged in paper manufacturing business conducted through UPPSD.

As set out in the Company's announcement dated 22 November 2021, due to the then liquidity shortage of the Group and the eventual suspension of production of UPPSD in late September 2020, in order to provide and ring-fence working capital to resume UPPSD's operation so as to preserve its operational value, UPPSD, Xiamen C&D Paper and Shandong Herun Holding Group Co., Ltd.* ("Shandong Herun") (a PRC company wholly owned by Mr. Li Shengfeng, the majority ultimate beneficial owner of Zhejiang Xinshengda) entered into the an agreement dated 24 October 2020 (the "Entrusted Operation Agreement"), pursuant to which, Xiamen C&D Paper and Shandong Herun formed their joint venture Shandong Bairun (owned by Xiamen C&D Paper as to 55% and owned by Shandong Herun as at 45%) in November 2020 to operate the paper manufacturing facility of UPPSD (the "Entrusted Assets") on an entrusted basis (the "Entrusted Operation").

The resumption of manufacturing operations of UPPSD was funded by Shandong Bairun on the bases that UPPSD was paid/reimbursed the costs of its staff and Shandong Bairun would pay all operating expenses (including raw material and maintenance costs). Shandong Bairun would not, however, bear liabilities (trade or otherwise) that arose prior to the commencement of the Entrusted Operation. Shandong Bairun would not be entitled to any increase in value of the Entrusted Assets and the operations of UPPSD. Also, Shandong Bairun would not bear any risk of deterioration in value of the Entrusted Assets and risks of seizure of the Entrusted Assets (e.g. Shandong Bairun could terminate the Entrusted Operation Agreement if major assets of UPPSD were under bankruptcy proceedings or enforcement action such that it became impractical for Xiamen C&D Paper, Shandong Herun and Shandong Bairun to continue production in accordance to the terms of the Entrusted Operation Agreement).

The Company/UPPSD also retained control over UPPSD/the Entrusted Assets, including but not limited to selling assets of and/or interests in UPPSD and rights to reject any proposed addition/upgrade to the Entrusted Assets.

In view of the above, the Company is of the view that there is no impact on the accounting treatment of UPPSD in the Company's consolidated financial statements after entering into the Entrusted Operation Agreement.

On 23 December 2020, UPPSD received the notice from the People's Court of Xuecheng District, Zaozhuang City, Shandong Province (the "Shandong Court"), informing that a creditor of UPPSD had filed a bankruptcy application against UPPSD (the "UPPSD Bankruptcy Application"). Despite the objection filed by UPPSD to the Shandong Court, UPPSD received a civil judgement issued by the Shandong Court, advising that the Bankruptcy Application was accepted and that a bankruptcy administrator (the "UPPSD Bankruptcy Administrator") was appointed on 30 December 2020. UPPSD Bankruptcy Administrator had taken custody of UPPSD assets and company seal in accordance to the relevant rules and regulations. Accordingly, the Company lost control over UPPSD and financial results and position of UPPSD were deconsolidated from the Group with effect from 31 December 2020 in accordance with the requirements of HKFRS 10 Consolidated Financial Statements.

Following the execution of the Term Sheet, UPPSD submitted an application to the Shandong Court and the UPPSD Bankruptcy Administrator to seek for a conversion of the bankruptcy proceedings of UPPSD into a bankruptcy reorganisation, which was approved by the Shandong Court with effect from 20 April 2021.

On 29 July 2021, the UPPSD Bankruptcy Administrator convened the second meeting of creditors of UPPSD for the purpose of considering and approving the UPPSD Bankruptcy Reorganisation plan as summarised below:

- a. UPPSD shall become a wholly owned subsidiary of the Company (through SPV1 and SPV2) through the UPPSD Bankruptcy Reorganisation;
- b. settlement of four creditors' priority claims with an aggregate amount of RMB4,960,533.58 in one lump sum payment by cash in priority to other creditors with unsecured claims, with their unsecured claims totalling RMB1,084,101,760.80 settled in the method as provided in (d), (e) and (f) below;
- c. settlement of two creditors' verified tax claims with an aggregate amount of RMB48,333,787.65 in one lump sum payment by cash;
- d. settlement of each creditor's unsecured claims with principal amount of RMB200,000 (inclusive) or below in full by way of cash;
- e. for each creditor's unsecured claims with principal amount exceeding RMB200,000, settlement will be completed within four (4) years in five (5) instalments of 20% every year. The first instalment payment shall be made to repay creditor's unsecured claim of principal amount below RMB200,000 (inclusive) and 20% of the principal amount in excess of RMB200,000. The four subsequent instalments of 20% of the principal amount in excess of RMB200,000 shall be paid on or before the first, second, third and fourth anniversary date of the first instalment payment. Remaining debts shall not bear any interest for the period of settlement in instalments;
- f. the settlement of the inter-company debts due by UPPSD to the Excluded Subsidiaries in the total sum of RMB741,989,908.38 as recognised by the UPPSD Bankruptcy Administrator in one lump sum payment of RMB50,000,000;
- g. upon the completion of UPPSD Bankruptcy Reorganisation, UPPSD shall forfeit its all accounts receivables, prepayments and other receivables due by the Group to UPPSD, which amounted to RMB156,943,268.36 based on the liquidation audit on UPPSD commissioned by the UPPSD Bankruptcy Administrator; and
- h. termination of the Entrusted Operation Agreement.

The UPPSD Bankruptcy Reorganisation was approved by its creditors and the Shandong Court on 29 July 2021 and 31 July 2021 respectively and the UPPSD Bankruptcy Administrator was discharged with effect from 1 August 2021. The Entrusted Operation Agreement has also been terminated with effect from 1 August 2021 and UPPSD resumed its self-operation.

On 11 October 2021, following the first instalment payment by UPPSD in accordance to the UPPSD Bankruptcy Reorganisation plan, the Shandong Court handed down a judgment confirming that the UPPSD Bankruptcy Reorganisation has been successfully implemented and ordered the termination of the UPPSD's bankruptcy reorganisation proceedings.
