## About Nikko AM Global Internet ETF

The Nikko AM Global Internet ETF is a sub-fund of the Nikko AM Hong Kong Exchange Traded Funds Series (the "Trust"), which is an umbrella unit trust created by the trust deed between the Nikko Asset Management Hong Kong Limited as manager and BNP Paribas Trust Services (Hong Kong) Limited (as previous trustee) made under Hong Kong law, as amended and/or supplemented from time to time, including by a Deed of Retirement and Appointment of Trustee, pursuant to which BNP Paribas Securities Services, acting through its Hong Kong Branch (as the previous trustee) was formerly appointed as trustee of the Trust in place of BNP Paribas Trust Services (Hong Kong) Limited with effect from 30 August 2021, and subsequently by a Supplemental Deed, pursuant to which BNP Paribas, acting through its Hong Kong Branch (the "Trustee") was appointed as trustee of the Trust in place of BNP Paribas Securities Services, acting through its Hong Kong Branch with effect from 1 October 2022. The Trust and the Nikko AM Global Internet ETF is authorised as a collective investment scheme by the Hong Kong Securities and Futures Commission ("SFC") under Section 104 of the Securities and Futures Ordinance (Cap. 571) of Hong Kong and falls within Chapter 8.6 of the Code on Unit Trusts and Mutual Funds issued by the SFC. The units of the Nikko AM Global Internet ETF are listed on the Stock Exchange of Hong Kong ("SEHK"). The units of Nikko AM Global Internet ETF have been accepted as eligible securities by Hong Kong Securities Clearing Company Limited ("HKSCC") for deposit, clearing and settlement in the Central Clearing and Settlement System ("CCASS").

The Nikko AM Global Internet ETF's investment objective is to seek to provide investment results that, before fees and expenses, closely correspond to the performance of the iEdge-Factset Global Internet Index (the "Index"). There is no assurance that the Nikko AM Global Internet ETF will achieve its investment objective.

In order to achieve the investment objective, the Nikko AM Global Internet ETF intends to primarily adopt a full replication strategy through investing directly in stocks included in the Index in substantially the same weightings as these stocks have in the Index.

The Index aims to track the performance of developed market securities in the internet technologies segments. Stocks captured within the Index include companies primarily in internet and data services, general internet and online services, internet support services, financial software and services, virtual reality and engineering software and online retail business segments. The Index has a basket size of 30 stocks and is free float market capitalisation weighted with a 10% stock cap on each individual Index constituent.

Note: Investors are advised to refer to the Nikko AM Global Internet ETF's prospectus for more details on the Nikko AM Global Internet ETF.

## About NikkoAM Metaverse Theme Active ETF 1

The NikkoAM Metaverse Theme Active ETF is a sub-fund of the Nikko AM Hong Kong Exchange Traded Funds Series (the "Trust"), which is an umbrella unit trust created by the trust deed between the Nikko Asset Management Hong Kong Limited as manager and BNP Paribas Trust Services (Hong Kong) Limited (as previous trustee) made under Hong Kong law, as amended and/or supplemented from time to time, including by a Deed of Retirement and Appointment of Trustee, pursuant to which BNP Paribas Securities Services, acting through its Hong Kong Branch (as the previous trustee) was formerly appointed as trustee of the Trust in place of BNP Paribas Trust Services (Hong Kong) Limited with effect from 30 August 2021, and subsequently by a Supplemental Deed, pursuant to which BNP Paribas, acting through its Hong Kong Branch (the "Trustee") was appointed as trustee of the Trust in place of BNP Paribas Securities Services, acting through its Hong Kong Branch with effect from 1 October 2022. The Trust and the NikkoAM Metaverse Theme Active ETF is authorised as a collective investment scheme by the Hong Kong Securities and Futures Commission ("SFC") under Section 104 of the Securities and Futures Ordinance (Cap. 571) of Hong Kong and falls within Chapter 8.10 of the Code on Unit Trusts and Mutual Funds issued by the SFC. The units of the NikkoAM Metaverse Theme Active ETF are listed on the Stock Exchange of Hong Kong ("SEHK"). The units of NikkoAM Metaverse Theme Active ETF have been accepted as eligible securities by Hong Kong Securities Clearing Company Limited ("HKSCC") for deposit, clearing and settlement in the Central Clearing and Settlement System ("CCASS").

The NikkoAM Metaverse Theme Active ETF's investment objective is to achieve long term capital growth by primarily investing in companies involved in activities relating to, or that provide products, services, technologies or technological capabilities that contribute to, the development of the Metaverse (collectively, "Metaverse Business"). There is no assurance that the Sub-Fund will achieve its investment objective.

The "Metaverse" can be described as a persistent virtual, three-dimensional, fully immersive world that allows a substantial number of users to seamlessly interact as they do in the real world. The Metaverse provides for the redefinition of content creation and ownership, facilitate individual creator economies<sup>14</sup>, enhance digital content curation and aggregation, potentially transforming existing business models and economics across various industries. The Metaverse will need to be supported by both physical infrastructure and virtual layers.

The NikkoAM Metaverse Theme Active ETF will invest primarily (i.e. at least 70% of its Net Asset Value ("NAV")) in equities of companies which are involved in the Metaverse Business. The equities (which may include listed American Depositary Receipts ("ADRs") and Global Depositary Receipts ("GDRs")) in which the Sub-Fund will primarily invest may be listed on any exchange globally. The Sub-Fund will invest up to 85% of its NAV in emerging markets. Exposure to these equities may be obtained by investing in exchange traded funds ("ETFs") as a means of transition management if access to such equities is not yet available to the Sub-Fund. Investments in ETFs by the Sub-Fund are considered and treated as listed securities for the purposes of and subject to the requirements in Chapters 7.1, 7.1A and 7.2 of the Code.

# REPORT OF THE MANAGER (continued)

The NikkoAM Metaverse Theme Active ETF may use financial derivatives instruments for hedging purposes only.

Currently, the Manager has no intention for the NikkoAM Metaverse Theme Active ETF to (i) invest in any financial derivative instruments for non-hedging (i.e. investment) purposes, (ii) invest in structured deposits, asset backed securities, asset backed commercial papers and mortgage backed securities, (iii) enter into securities lending transactions, sale and repurchase or reverse repurchase transactions or other similar over-the-counter transactions, or (iv) enter into securities borrowing transactions. The Manager will seek the prior approval of the SFC (if required) and provide at least one month's prior notice to unitholders before the NikkoAM Metaverse Theme Active ETF engages in any such investments.

The investment strategy of the NikkoAM Metaverse Theme Active ETF is subject to the investment restrictions set out in Part 1 of this Prospectus.

In addition to the relevant investment restrictions set out in the Code, the NikkoAM Metaverse Theme Active ETF is subject to the following additional restrictions. The NikkoAM Metaverse Theme Active ETF does not currently:

- (i) intend to invest more than 5% of its net asset value in aggregate into collective investment schemes (excluding any collective investment scheme which is listed and traded on any exchange);
- (ii) intend to acquire shares in any single company if, as a result of such acquisition, the total number of shares in such company held by all collective investment schemes which are managed by the Manager would exceed 50% of the total number of all issued and outstanding shares in such company; or
- (iii) intend to engage in short selling.
- <sup>14</sup> Web 3.0, which is one of the tools that will aid the development of the Metaverse, will effectively allow individuals to create content (be it a music video, or a podcast or an app, or a digital painting, for example), maintain ownership of and monetise the content into perpetuity (for example being paid each time the digital content is used). This will incentivise content creation, and economies that will spawn from this.

Note: Investors are advised to refer to the NikkoAM Metaverse Theme Active ETF's prospectus for more details on the NikkoAM Metaverse Theme Active ETF.

#### REPORT OF THE MANAGER (continued)

This document is for information only with no consideration given to the specific investment objective, financial situation and particular needs of any specific person. Any securities mentioned herein are for reporting or illustration purposes only and should not be construed as a recommendation for investment. You should seek advice from a financial adviser before making any investment. In the event that you choose not to do so, you should consider whether the investment selected is suitable for you. Investments in unit trusts or ETFs are not deposits in, obligations of, or guaranteed or insured by Nikko Asset Management Hong Kong Limited ("Nikko AM Hong Kong").

# Past performance or any prediction, projection or forecast is not indicative of future performance.

Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (the sub-funds of Nikko AM Hong Kong Exchange Traded Funds Series) may use or invest in financial derivative instruments. The value of units and income from them may fall or rise. Investments in the Sub-Funds are subject to investment risks, including the possible loss of principal amount invested. You should read the relevant prospectus and product key facts sheet obtainable from appointed distributors of Nikko AM Hong Kong before investing.

If you are in any doubt about any of the contents, you should obtain independent professional advice.

Investment involves risks. Past performance or any prediction, projection or forecast is not indicative of future performance. The value of units and income from them may fall or rise. Investments in the Sub-Funds are subject to investment risks, including the possible loss of principal amount invested. You should not make investment of decision on the basis of this material alone. You should read the Prospectus and Key Facts Statement for details including the risk factors and the arrangement in the event that the Sub-Funds are delisted. Investors should also note that the Sub-Funds are different from a typical unit trust and units may only be created or redeemed directly by a participating dealer in large creation or redemption units.

The trading price of the Units on the SEHK is driven by market factors such as the demand and supply of the Units. Therefore, the Units may trade at a substantial premium or discount to the NAV.

The Manager may at its discretion pay distribution to unitholders. There is no guarantee to the payment of distribution or frequency of payment. The Manager may at its discretion pay the dividends out of the capital. Payment of dividends out of capital or effectively out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment. Any such distribution may result in an immediate reduction in the NAV per Unit of the Sub-Funds.

# REPORT OF THE TRUSTEE TO THE UNITHOLDERS

We hereby confirm that, in our opinion, the Manager of Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF) (collectively the "Sub-Funds"), the Sub-Funds of Nikko AM Hong Kong Exchange Traded Funds Series (the "Trust") has, in all material respects, managed the Sub-Funds in accordance with the provisions of the Trust Deed dated 27 August 2019, as amended and/or supplemented from time to time, for the financial year ended 30 June 2023.

For and on behalf of the Trustee BNP Paribas, acting through its Hong Kong Branch 26 October 2023

# STATEMENT OF RESPONSIBILITIES OF THE MANAGER AND THE TRUSTEE

#### Manager's Responsibilities

The Manager of Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF) (collectively the "Sub-Funds"), the sub-funds of Nikko AM Hong Kong Exchange Traded Funds Series, is required by the Code on Unit Trusts and Mutual Funds established by the Securities & Futures Commission of Hong Kong (the "SFC Code") and the Trust Deed dated 27 August 2019, as amended and/or supplemented from time to time (the "Trust Deed") to cause to be made up the financial statements for each annual accounting year which give a true and fair view of the financial position of the Sub-Funds at the end of that year and of the transactions for the year ended. In preparing these financial statements the Manager is required to:

- select suitable accounting policies and as agreed with the Trustee then apply them consistently;
- make judgements and estimates that are prudent and reasonable; and
- cause to be made up the financial statements on the basis that the Sub-Funds will continue in operation unless it is inappropriate to assume this.

The Manager is also required to manage the Sub-Funds in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

Nikko AM Hong Kong Exchange Traded Funds Series (the "Trust") is an open-ended umbrella unit trust governed by its Trust Deed. As at 30 June 2023, the Trust has established two sub-funds, namely, Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF).

## Trustee's Responsibilities

The Trustee of the Sub-Funds is required to

- ensure that the Sub-Funds, in all material respect, are managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Sub-Funds and rights attaching thereto; and
- report to the unitholders for each annual accounting year should the Manager not managing the Sub-Funds in accordance with the Trust Deed.

## INDEPENDENT AUDITOR'S REPORT

#### TO THE UNITHOLDERS OF NIKKO AM GLOBAL INTERNET ETF AND NIKKOAM METAVERSE THEME ACTIVE ETF (FORMERLY KNOWN AS NIKKOAM E-GAMES ACTIVE ETF) (the Sub-Funds of Nikko AM Hong Kong Exchange Traded Funds Series)

#### Report on the Audit of the Financial Statements

#### Opinion

#### What we have audited

The financial statements of Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF) (each a separate sub-fund of Nikko AM Hong Kong Exchange Traded Funds Series and referred as the "Sub-Funds"), which are set out on pages 12 to 38, comprise:

- the statements of financial position as at 30 June 2023;
- the statements of comprehensive income for the year then ended;
- the statements of changes in net assets attributable to unitholders for the year then ended;
- the statements of cash flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

#### Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of each of the Sub-Funds as at 30 June 2023, and of each of their financial transactions and each of their cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA").

#### **Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We are independent of the Sub-Funds in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter identified in our audit is summarised as follows.

#### Key Audit Matter

Existence and valuation of investments

As at 30 June 2023, the investments of Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF mainly comprised listed equities valued at US\$9,127,958 and US\$16,319,089 respectively, and depository receipts valued at US\$2,405,038 and US\$1,361,653 respectively.

We focused on the existence and valuation of the investments because the investments represented the principal element of the Sub-Funds' net asset values as at 30 June 2023.

Refer to note 4(a) and 5 to the financial statements.

#### How our audit addressed the Key Audit Matter

- We understood, evaluated and tested the key internal controls exercised by the Manager and the Trustee (the "Management") over the existence and valuation of investments.
- We tested the existence of investments by obtaining direct confirmations from the custodians and agreeing the Sub-Funds' holdings of investments to the confirmations.
- We tested the valuation of the Sub-Funds' investments by comparing the pricing used by the Sub-Funds to external pricing sources as at year end date.

Based on the procedures we performed, we found no material exceptions from our testing.

# INDEPENDENT AUDITOR'S REPORT

#### TO THE UNITHOLDERS OF NIKKO AM GLOBAL INTERNET ETF AND NIKKOAM METAVERSE THEME ACTIVE ETF (FORMERLY KNOWN AS NIKKOAM E-GAMES ACTIVE ETF) (the Sub-Funds of Nikko AM Hong Kong Exchange Traded Funds Series) (continued)

#### Other Information

The manager and the trustee of the Sub-Funds are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management for the Financial Statements

The Management of the Sub-Funds is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Sub-Funds is responsible for assessing the Sub-Funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Sub-Funds or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Sub-Funds is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 27 August 2019, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Sub-Funds have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and the relevant disclosure provisions of Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sub-Funds' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

# INDEPENDENT AUDITOR'S REPORT

#### TO THE UNITHOLDERS OF NIKKO AM GLOBAL INTERNET ETF AND NIKKOAM METAVERSE THEME ACTIVE ETF (FORMERLY KNOWN AS NIKKOAM E-GAMES ACTIVE ETF) (the Sub-Funds of Nikko AM Hong Kong Exchange Traded Funds Series) (continued)

#### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Sub-Funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Sub-Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Management, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Report on Matters under the Relevant Disclosure Provisions of the Trust Deed and the relevant disclosure provisions of Appendix E of the SFC Code

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and the relevant disclosure provisions of Appendix E of the SFC Code.

The engagement partner on the audit resulting in this independent auditor's report is Ms. Li Lien.

# NOTES TO THE FINANCIAL STATEMENTS

#### 1. General

Nikko AM Hong Kong Exchange Traded Funds Series (the "Trust") is an umbrella unit trust governed by its Trust Deed dated 27 August 2019, as amended and/or supplemented from time to time (the "Trust Deed"). The Trust has two sub-funds, Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF) (each the "Sub-Fund" and collectively referred to as the "Sub-Funds"), of which one class of units was issued for each Sub-Fund. The units of the Sub-Funds, NikkoAM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF) were first issued on 23 October 2019 and 15 June 2020 respectively.

The Trust is authorised by the Securities and Futures Commission of Hong Kong (the "SFC") under Section 104(1) of the Hong Kong Securities and Futures Ordinance and is required to comply with the Code on Unit Trusts and Mutual Funds established by the SFC (the "SFC Code").

#### Nikko AM Global Internet ETF

The Sub-Fund's investment objective is to seek to provide investment results that, before fees and expenses, closely correspond to the performance of the iEdge-Factset Global Internet Index (the "Index").

In order to achieve the investment objective, the Sub-Fund intends to primarily adopt a full replication strategy through investing directly in stocks included in the Index.

The Index aims to track the performance of developed market securities in the internet technologies segments. In order to provide the performance of the Index, the Sub-Fund may invest in stocks listed in United States of America, United Kingdom, France, Germany, Hong Kong, Japan, Korea and Singapore, and may include or exclude other markets from time to time.

#### NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF)

#### Prior to 6 September 2022

The Sub-Fund's investment objective was to achieve long term capital growth by primarily investing in companies directly or indirectly involved in electronic games, mobile games or electronic sports businesses (collectively referred to as the "E-Games business").

The Sub-Fund invested primarily (i.e. at least 70% of its net asset value ("NAV")) in equities of companies which are directly or indirectly involved in E-Games business.

#### With effect from 6 September 2022

The Sub-Fund's investment objective is to achieve long term capital growth by primarily investing in companies involved in activities relating to, or that provides products, services, technologies or technological capabilities that contribute to, the development of the Metaverse (collectively, the "Metaverse Business").

The Sub-Fund will invest primarily (i.e. at least 70% of its net asset value ("NAV")) in equities of companies which are involved in the Metaverse Business.

These equities (which may include listed American Depositary Receipts ("ADRs") and Global Depositary Receipts ("GDRs")) in which the Sub-Fund will primarily invest may be listed on any exchange globally. The Sub-Fund will invest up to 85% of its NAV in emerging markets. Exposure to these equities may be obtained by investing in exchange traded funds ("ETFs") as a means of transition management if access to such equities is not yet available to the Sub-Fund.

#### Manager

The Manager of the Sub-Funds is Nikko Asset Management Hong Kong Limited (the "Manager"), a limited liability company incorporated under the laws of Hong Kong and regulated by the SFC.

# NOTES TO THE FINANCIAL STATEMENTS

#### 1. General (continued)

#### Sub-Manager

Nikko Asset Management Asia Limited (the "Sub-Manager") has been appointed by the Manager as the Sub-Manager of the Sub-Funds. The Manager has delegated its management functions in relation to the Sub-Funds to the Sub-Manager.

The Manager and the Sub-Manager are wholly owned subsidiary of Nikko Asset Management International Limited, an indirectly owned subsidiary of Sumitomo Mitsui Trust Holdings, Inc..

#### Trustee

With effect from 1 October 2022, BNP Paribas Securities Services, acting through its Hong Kong Branch retired as Trustee of the fund pursuant to Clause 31.1 of the trust deed. BNP Paribas, acting through its Hong Kong Branch was appointed as Trustee of the Trust on the same date.

## 2. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to the financial years presented, unless otherwise stated.

All references to net asset value ("NAV") throughout these financial statements refer to net assets attributable to unitholders unless otherwise stated.

#### (a) Basis of preparation

The financial statements of the Sub-Funds have been prepared in accordance with the Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements are prepared under the historical cost convention as modified by the fair valuation of financial assets held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Sub-Funds' accounting policies.

#### Standards and amendments to existing standards effective 1 July 2022

There are no standards, amendments to standards or interpretations that are effective for annual period beginning 1 July 2022 that have a material impact on the financial statements of the Sub-Funds.

# New standards, amendments and interpretations effective after 1 July 2022 and have not been early adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2022, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Sub-Funds.

# (b) Financial assets at fair value through profit or loss

## (i) Classification

The Sub-Funds classify their investments based on both the Sub-Funds' business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Sub-Funds primarily focus on fair value information and uses that information to assess the assets' performance and to make decisions. The Sub-Funds have not taken the option to irrevocably designate any equity securities as fair value through other comprehensive income.

As such, the Sub-Funds classify their investment portfolio as financial assets at fair value through profit or loss.

The Sub-Funds' policy requires the Manager to evaluate the information about these financial assets on a fair value basis together with other related financial information.

(An umbrella unit trust established in Hong Kong)

# NOTES TO THE FINANCIAL STATEMENTS

#### 2. Summary of significant accounting policies (continued)

#### (b) Financial assets at fair value through profit or loss (continued)

#### (ii) Recognition, derecognition and measurement

Regular purchases and sales of investments are recognised on the trade date – the date on which the Sub-Funds commit to purchase or sell the investment. Financial assets at fair value through profit or loss are initially recognised at fair value.

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or the Sub-Funds have transferred substantially all risks and rewards of ownership.

Realised gains and losses on investments represent the difference between the investments' initial carrying amounts and disposal amounts. Net change in unrealised gains and losses comprise changes in the fair value of investments for the period and from reversal of the prior period's unrealised gains and losses for investments which were realised in the reporting period.

Subsequent to initial recognition, all financial assets at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the 'financial assets at fair value through profit or loss' category are presented in the statement of comprehensive income within net gains/(losses) on financial assets at fair value through profit or loss in the year in which they arise.

Dividend income from financial assets at fair value through profit or loss is recognised in the statements of comprehensive income within dividend income when the Sub-Funds' right to receive payments is established.

## (c) Fair value estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on quoted market price at the close of trading on the reporting date. The quoted market prices used for the financial assets held by the Sub-Funds were the last traded market price which falls within the bid-ask spread. In circumstances where the last traded price is not within the bid-ask spread, the Manager will determine the point within the bid-ask spread that is most representative of fair value.

The fair value of financial assets that are not traded in an active market is determined using valuation techniques.

#### (d) Transfer between levels of fair value hierarchy

Transfers between levels of fair value hierarchy are deemed to have occurred at the end of the reporting year.

#### (e) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

# NOTES TO THE FINANCIAL STATEMENTS

#### 2. Summary of significant accounting policies (continued)

#### (f) Due from and due to brokers and other receivables

Amounts due from and to brokers represent receivables for securities sold and payables for securities purchased that have been contracted for but not yet settled or delivered on the statement of financial position date respectively. The due from brokers balance is held for collection.

These amounts are recognised initially at fair value and subsequently measured at amortised cost.

At each reporting date, the Sub-Funds shall measure loss allowance on amounts due from broker and other receivables at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. If, at the reporting date, the credit risk has not increased significantly since initial recognition, the Sub-Funds shall measure the loss allowance at an amount equal to 12-month expected credit losses. A significant increase in credit risk is defined as any contractual payment which is more than 30 days past due. Any contractual payment which is more than 90 days past due is considered credit impaired.

## (g) Income and expenses

Interest income is recognised on a time-proportionate basis using the effective interest method. It includes interest income from cash and cash equivalents.

Dividend income from financial assets at fair value through profit or loss is recognised in the statement of comprehensive income when the Sub-Funds' right to receive payment are established with the corresponding foreign withholding taxes recorded as a taxation charge.

Expenses are accounted for on an accrual basis.

#### (h) Transaction costs

Transaction costs are costs incurred to acquire financial assets at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs when incurred, are immediately recognised in profit or loss as an expense.

## (i) Foreign currency translation

#### (i) Functional and presentation currency

Items included in each of the Sub-Funds' financial statements are measured using the currency of the primary economic environment in which the Sub-Funds operate (the "functional currency"). The Manager considers the United States dollar (the "US\$") as the currency that most faithfully represents the economic effects of the underlying transactions, events and conditions. The financial statements are presented in United States dollar which is the Sub-Funds' functional and presentation currency.

#### (ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign currency assets and liabilities are translated into the functional currency using the exchange rate prevailing at the reporting date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of all assets and liabilities denominated in foreign currencies are recognised in the statements of comprehensive income.

The Sub-Funds do not isolate that portion of foreign exchange gains or losses on trading securities, which is due to changes in foreign exchange rates from which is due to changes in the market price of securities. Such fluctuations are included in the net gain or loss on financial assets at fair value through profit or loss in the statement of comprehensive income.

# NOTES TO THE FINANCIAL STATEMENTS

#### 2. Summary of significant accounting policies (continued)

#### (j) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

#### (k) Redeemable units

Units are redeemable at the unitholder's option. Units can be redeemed by the unitholders at any time, subject to redemption terms, whether in kind (i.e. the redemption of units in exchange for a transfer of securities plus any cash amount) or in cash only.

Units are issued and redeemed at the unitholder's option at prices based on each Sub-Fund's net asset value per unit at the time of issue or redemption. Each Sub-Fund's net asset value per unit is calculated by dividing the net assets attributable to the unitholders with the total number of outstanding units.

Units are classified as equity when there is one class of units that is the sole share class outstanding for a Sub-Fund as at the statement of financial position date and these units meet all the other conditions of equity classification under HKAS 32 "Financial Instruments: Presentation".

These conditions include:

- the puttable instruments must entitle the holder to a pro-rata share of net assets in the event of liquidation;
- the puttable instruments must be the most subordinated class and class features must be identical;
- there must be no contractual obligations to deliver cash or another financial asset other than the obligation on the issuer to repurchase; and
- the total expected cash flows from the puttable instrument over its life must be based substantially on the profit or loss of the issuer.

# (I) Taxation

The Sub-Funds currently incur withholding taxes imposed by certain countries on investment income and capital gains. Such income or gains are recorded gross of withholding taxes in the statement of comprehensive income.

Withholding taxes are shown as a separate item in the statement of comprehensive income.

#### (m) Segmental reporting

Operating segments are reported in a manner consistent with the internal reporting used by the chief operating decision-maker. The Manager, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the chief operating decision-maker that makes strategic decisions.

# NOTES TO THE FINANCIAL STATEMENTS

#### 3. Critical accounting estimates and assumptions

The Manager makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are outlined below.

In preparing these financial statements, the Manager has made certain assumptions and used various estimates concerning the fair value of the securities that are suspended from trading which is dependent on what might happen in the future. The resulting accounting estimates may not equal the related actual results.

## Fair value of securities that are suspended from trading

The Manager used its judgment in determining the fair values of these investments and involved a higher degree of subjectivity. The Manager judgment in determining the fair values of the suspended investments includes factors such as the duration of suspension period, the relevant market information and news of the suspended listed equities, the price movement of comparable listed equities/index during the suspension period and, if applicable, the market prices of the suspended listed equities upon resumption of trading after year end.

As at 30 June 2022, the investment held by Nikko AM Global Internet ETF included a listed equity of US\$nil, which has been suspended for trading. Having considered the factors mentioned above, the Manager has based on their best estimation and has assessed the fair value of this equity security at zero value as at 30 June 2022. Such listed equity investment was subsequently disposed on 3 March 2023. Refer to Note 5.

# 4. Financial risk management

The Sub-Funds' activities expose them to a variety of risk, including but not limited to market price risk, interest rate risk, currency risk, credit risk and liquidity risk arising from the financial instruments held. The financial instruments are held in accordance with the published investment policies of the Sub-Funds and managed accordingly to achieve the investment objectives.

The Sub-Funds' overall risks management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Sub-Funds' financial performance. The risk management policies employed by the Sub-Funds to manage these risks are discussed below:

## (a) Market price risk

Market price risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the individual instrument or factors affecting all instruments in the market.

(An umbrella unit trust established in Hong Kong)

# NOTES TO THE FINANCIAL STATEMENTS

#### 4. Financial risk management (continued)

#### (a) Market price risk (continued)

#### Nikko AM Global Internet ETF

The Sub-Fund's investment objective is to seek to provide investment results that, before fees and expenses, closely correspond to the performance of the iEdge-Factset Global Internet Index (the "Index"). In order to achieve the investment objective, the Sub-Fund intends to primarily adopt a full replication strategy through investing directly in stocks included in the Index in substantially the same weightings as these stocks have in the Index. The Sub-Fund may switch between the replication strategy and the representative sampling strategy, in its absolute discretion, and as often as it believes is appropriate in order to achieve the investment objective of the Sub-Fund by tracking the Index as closely as possible for the benefit of investors. The Manager may cause the Sub-Fund to deviate from the index weighting (in pursuing a representative sampling strategy) on the condition that the maximum deviation from the index weighting of any constituent will not exceed 4 percentage points above or below such weighting.

The Index aims to track the performance of developed market securities in the internet technologies segments. In order to provide the performance of the Index, the Sub-Fund may invest in stocks listed in United States of America, United Kingdom, France, Germany, Hong Kong, Japan, Korea and Singapore, and may include or exclude other markets from time to time.

All securities investments present a risk of loss of capital. The Sub-Fund's market price risk is managed through diversification of investment portfolio. The Manager monitors the investments and rebalances the portfolio investments on a regular basis to reflect changes to the composition of, or the weightings of stocks in, the Index.

As at 30 June 2023, a 26% (2022: 32%) fall or rise in the Index, with all other variables remaining constant, would have decreased or increased the net asset value of the Sub-Fund by US\$2,987,940 (2022:US\$4,767,285).

#### NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF)

#### Prior to 6 September 2022

The Sub-Fund's investment objective was to achieve long term capital growth by primarily investing in companies directly or indirectly involved in electronic games, mobile games or electronic sports businesses (collectively referred to as the "E-Games business").

The Sub-Fund invested primarily (i.e. at least 70% of its net asset value ("NAV")) in equities of companies which are directly or indirectly involved in E-Games business.

#### With effect from 6 September 2022

The Sub-Fund's investment objective is to achieve long term capital growth by primarily investing in companies involved in activities relating to, or that provides products, services, technologies or technological capabilities that contribute to, the development of the Metaverse (collectively, the "Metaverse Business"). The Sub-Fund will invest primarily (i.e. at least 70% of its net asset value ("NAV")) in equities of companies which are involved in the Metaverse Business.

The equities (which may include listed American Depositary Receipts ("ADRs") and Global Depositary Receipts ("GDRs")) in which the Sub-Fund will primarily invest may be listed on any exchange globally. The Sub-Fund will invest up to 85% of its NAV in emerging markets. Exposure to these equities may be obtained by investing in exchange traded funds ("ETFs") as a means of transition management if access to such equities is not yet available to the Sub-Fund.

The Manager employs an actively managed investment strategy for the Sub-Fund. The Sub-Fund does not seek to track any index or benchmark, and there is no replication or representative sampling conducted by the Manager. Instead, investments of the Sub-Fund will be based on the Manager's view of market conditions and international investment trends and environment.

As at 30 June 2023, a 19% (2022: 20%) fall or rise in the general market benchmark, with all other variables remaining constant, would have decreased or increased the net asset value of the Sub-Fund by US\$3,510,045 (2022: US\$2,873,545).

The tables below disclose the financial assets at fair value through profit or loss of the Sub-Funds by geographical locations as at 30 June 2023 and 30 June 2022.

#### (b) Interest rate risk

Interest rate risk arises from the effects of fluctuations in the prevailing levels of market interest rates on the fair value of financial assets and liabilities and their future cash flow.

The financial assets and liabilities of the Sub-Funds are mostly non-interest bearing except for the cash and cash equivalents. As a result, the Manager considers that the Sub-Funds are not currently subject to significant amounts of risk due to fluctuations in the prevailing levels of market interest rates. Any temporary excess cash and cash equivalents are invested at short term market interest rates where appropriate.

As at 30 June 2023, Nikko AM Global Internet ETF and NikkoAM Metaverse Theme Active ETF (formerly known as NikkoAM E-Games Active ETF) have bank balances of US\$11,091 (2022: US\$22,629) and US\$845,919 (2022: US\$702,186) respectively. A change in interest rate levels is not considered to have a material impact to the Sub-Funds.

#### (c) Currency risk

Currency risk is the risk that the value of financial instrument will fluctuate due to changes in foreign exchange rates.

The Sub-Funds may invest in assets denominated in currencies other than its functional currency, the United States dollar. Consequently, the Sub-Funds are exposed to risks that the exchange rate of the United States dollar relative to other currencies may change in a manner which has an adverse effect on the reported value of that portion of the Sub-Funds' assets which are denominated in currencies other than the United States dollar.

To minimize currency risk, the Sub-Funds hold their excess cash mainly in its functional currency and executes spot foreign exchange transactions to facilitate trade settlements.

The tables below summarise the Sub-Funds' exposure to currency risks as at 30 June 2023 and 2022.

# NOTES TO THE FINANCIAL STATEMENTS

#### 4. Financial risk management (continued)

### (d) Credit risk

Credit risk is the risk that a counterparty to a financial instrument fails to discharge its obligations and causes the Sub-Funds to incur a financial loss. The Sub-Funds seek to minimise the risk of loss by careful choice of counterparties and by minimising the reliance placed on individual counterparties.

All trade settlements with approved counterparties are on delivery versus payment and/or receipt versus payment basis, with exceptions of IPOs, new issues and placement transactions. Hence, the risk of default is minimised, as delivery of securities sold is only made when the broker has received payment. Payment is made on a purchase when the securities have been received by the broker. The trade will fail if either party fails to meet its obligation. The counterparty risk is minimised as all the investments and cash are held with financial institutions that the Manager considers as reputable.

Credit risk arises from cash and cash equivalents, expense reimbursement receivable, and credit exposures to brokers arising from outstanding and committed transactions. The Sub-Funds are also exposed to the risk that its assets held with the custodian may not be recoverable in the event of default by the custodian.

The tables below summarise the credit rating of banks and custodians in which the Sub-Funds' assets are held as at 30 June 2023 and 2022:

Nikko AM Global Internet ETF

As at 30 June 2023, the credit ratings are based on Local Long-Term Bank Deposits from Moody's (2022: Long-Term Local Issuer Ratings from a relevant rating agency).

The maximum exposure to credit risk at the reporting date is the carrying amount of the financial assets.

The Sub-Funds measure credit risk and expected credit losses using probability of default, exposure at default and loss given default. The Manager considers both historical analysis, current situation and forward looking information in determining any expected credit loss. As at 30 June 2023 and 2022, amount due from brokers, expense reimbursement receivable, dividend receivables and cash and cash equivalents are due to be settled within 1 month. The Manager considers the probability of default to be insignificant as the counterparties generally have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month expected credit loss as any such impairment would be wholly insignificant to the Sub-Funds.

# NOTES TO THE FINANCIAL STATEMENTS

#### 4. Financial risk management (continued)

#### (e) Liquidity risk

Liquidity risk is the risk that the Sub-Funds may encounter difficulty in settling a liability, including a redemption request.

The Sub-Funds are exposed to daily cash redemptions from redeeming unitholders. The Manager manages liquidity risk by maintaining sufficient cash and marketable securities to meet the normal operating commitments. Cash and cash equivalents have maturity less than three months and the majority of the Sub-Funds' investments are traded in active markets and can be readily disposed of.

The tables below analyse the Sub-Funds' financial liabilities into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts in the tables are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

#### (f) Capital risk management

The Sub-Funds' capital are represented by the net assets attributable to unitholders. In order to achieve the investment objectives, the Sub-Funds endeavour to invest the subscriptions in investments that meet the Sub-Funds' investment objectives while maintaining sufficient liquidity to meet redemption requests. Such liquidity is augmented by the holding of liquid investments.

#### 5. Fair value estimation

The fair value of financial assets and liabilities traded in active markets (such as trading securities) are based on quoted market prices at the close of trading on the year end date. The Sub-Funds utilise the last traded market price as its fair valuation inputs for both financial assets and financial liabilities.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

The carrying amounts of assets and liabilities other than financial assets at fair value through profit or loss are reasonable approximations of their fair values.

The Sub-Funds classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
- Level 3 Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

For the purpose of determining the appropriate level in the fair value hierarchy, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgment and consideration of factors specific to the asset or liability.

The Sub-Funds consider observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

Investments classified within Level 3 have significant unobservable inputs as there are no readily available quoted market prices. During the year ended 30 June 2022, the Sub-Fund invests in the listed equity of Yandex NV, a company incorporated in Netherlands and listed on NASDAQ. The equity has been suspended for trading on NASDAQ since 28 February 2022. The Manager has taken into consideration of the uncertainties of timing for trading resumption and the impact on business of Yandex due to the economic sanctions in relation to Russia and has assessed the fair value of such equity security at zero value as at 30 June 2022. The fair value of such equity security is estimated by the Manager based on their analysis of the investment's duration of suspension period and the relevant market information of Yandex. The equity was disposed during the year ended 30 June 2023. There was no transfer between levels during the year ended 30 June 2023.

Note 1 Transfers between levels of fair value hierarchy are deemed to have occurred at the end of the reporting year.

### 8. Number of units in issue and net assets attributable to unitholders

The Sub-Funds', net assets attributable to unitholders represent an equity in the statements of financial position, carried at the redemption amount that would be payable at the statements of financial position date if the unitholders exercised the right to redeem the units.

Units are issued in cash or through an in-kind creation of an Index Basket with the remaining balances in cash, and are redeemed in cash or through an in-kind with the remaining balances in cash by the participating dealer. Subscriptions and redemptions of units during the years ended 30 June 2023 and 2022 are shown on the statement of changes in net assets attributable to unitholders. In accordance with the objectives and risk management policies outlined in note 4(a), the Manager endeavors to invest in appropriate investments while maintaining sufficient liquidity to meet redemption, such liquidity being augmented by disposal of listed securities where necessary.

In accordance with the provisions of the Trust Deed and the Sub-Funds' prospectus, listed investments are stated at the last traded price on the valuation day for the purpose of determining the net asset value per unit for subscriptions and redemptions and for various fee calculations. The price is then adjusted at fair value within bid-ask spread for reporting purpose.

The movements in number of units for the year are as follows:

### 9. Reconciliation between NAV per statement of financial position and published NAV

According to the Prospectus of the Sub-Funds, the fair value of financial assets at fair value through profit or loss is recognised based on the latest official closing price of such investment and that is not recognised in accordance to HKFRS which require the latest official price within the bid-ask spread as the most representative of fair value. To the extent that the accounting basis adopted by the Sub-Funds deviate from HKFRS, the Manager may make necessary adjustments in the annual financial statements for the financial statements to be in compliance with HKFRS.
