
FORWARD-LOOKING STATEMENTS

We have included in this document forward-looking statements. Statements that are not historical facts, including statements about our intentions, beliefs, expectations or predictions for the future, are forward-looking statements.

This document contains forward-looking statements that relate to our current expectations and views of future events. These forward-looking statements are contained principally in “Summary,” “Risk Factors,” “Industry Overview,” “Business,” “Financial Information” and “Future Plans and [REDACTED].” These statements relate to events that involve known and unknown risks, uncertainties and other factors, including those listed in “Risk Factors”, which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements.

In some cases, these forward-looking statements can be identified by words or phrases such as “may,” “will,” “expect,” “anticipate,” “aim,” “estimate,” “intend,” “plan,” “believe,” “potential,” “continue,” “is/are likely to” or other similar expressions. These forward-looking statements include, among other things, statements relating to: (i) the market opportunities of our products; (ii) our operations and business prospects; (iii) our business strategies and plans to achieve these strategies; (iv) industry trends and competition; (v) general economic, political and business conditions in the industries and markets in which we operate; (vi) relevant government policies and regulations relating to our industry, business and corporate structure; (vii) our ability to attract and retain senior management and key employees; (viii) our ability to maintain good relationships with business partners; (ix) our ability to control costs and expenses; (x) our ability to defend our intellectual rights and protect confidentiality; (xi) our dividend policy; (xii) changes or volatility in interest rates, foreign exchange rates, equity prices, trading volumes, commodity prices and overall market trends; (xiii) capital market developments; (xiv) all other risks and uncertainties described in the section headed “Risk Factors” in this document; and (xv) other statements in this document that are not historical facts.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, the forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realized. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section. In this document, statements of or references to our intentions or those of the Directors are made as of the date of this document. Any such information may change in light of future developments.
