## FORWARD-LOOKING STATEMENTS

---

This prospectus contains certain forward-looking statements relating to the Group that are based on the beliefs, intentions, expectations or predictions of the management of the Company for the future as well as assumptions made by and information currently available to the management of the Company as of the date of this prospectus. These forward-looking statements are, by their nature, subject to significant risks and uncertainties. These forward-looking statements include, without limitation, statements relating to:

- the Group’s operations and business prospects;
- the Group’s future developments, trends and conditions in the industry and geographical market in which the Group operates;
- the Group’s strategies, plans, objectives and goals;
- changes to regulatory and operating conditions in the industry and geographical market in which the Group operates;
- the Group’s ability to control costs;
- the Company’s dividend policy;
- the amount and nature of, and potential for, future development of the Group’s business;
- certain statements in the section headed “Financial Information” in this prospectus with respect to trends in prices, volumes, operations, margins, overall market trends and risk management; and
- the general economic trends and conditions.

When used in this prospectus, the words “anticipate”, “believe”, “could”, “estimate”, “expect”, “going forward”, “intend”, “may”, “ought to”, “plan”, “project”, “potential”, “seek”, “should”, “will”, “would” and similar expressions, as they relate to the Group or the management of the Group, are intended to identify forward-looking statements. These forward-looking statements reflect the views of the management of the Company as of the date of this prospectus with respect to future events and are not a guarantee of future performance or developments. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. Actual results and events may differ materially from information contained in the forward-looking statements as a result of a number of factors, including:

- any changes in the laws, rules and regulations relating to any aspects of the Group’s business operations;
- general economic, market and business conditions, including capital market developments;
