DIRECTORS' REPORT

UPDATE ON FUND'S REGISTRATION STATUS

As at June 22, 2001, the Fund has been registered as a mutual fund in accordance with the Securities and Exchange Act B.E. 2535 ("SEA") (Registration Number 14/2544) under the approval of the Thai Securities and Exchange Commission ("SEC").

This means that:

- a. The regulatory supervision of the Fund has been transferred from the Bank of Thailand to the SEC.
- b. The Siam Commercial Bank Public Company Limited has changed its role from the Fund's Custodian to the Fund's Supervisor. The Supervisor's duties are wider than those of the Custodian with the main responsibilities to ensure the Investment Manager's strict compliance with Section 125 of the SEA and to verify the Investment Manager's calculation of the Fund's Net Asset Value.

The supervisory fee remained the same as the previous custodian fee with a chargeable rate of 0.08% p.a. of the Fund's NAV on the last business day of each week and deducted monthly from the Fund.

This new registration has the main advantage of paving the way for the Fund to apply for future open-end status with the SEC, which would require it to operate under the governing laws of the SEA.
