The summarised consolidated results, assets and liabilities of the Group for the last five financial years, as extracted from the published audited financial statements and reclassified as appropriate, are set out below. The amounts for each year in the five year summary have been adjusted for the effects of the retrospective change in accounting policy affecting the impairment of goodwill and the change in the presentation of the service charges in respect of the Group's room sales and food and beverage sales, as detailed in notes 30 and 6 to the financial statements, respectively.
