團物色回報可觀及潛力優厚的投資機會。GenRx 已開始投資於首屈一指的專業醫療保健機構，在香港及內地提供癌症護理中心、牙科保健網絡、綜合專科醫療中心及專科診所。

GenRx 於二零零零年七月夥同美國的醫療專家，成立了安美國際有限公司（安美國際）。安美國際於二零零一年十一月在香港港安醫院率先設立了癌科治療中心，提供全面的癌

investment opportunities in Hong Kong and the Mainland that were considered to be offering growth prospect for the Group. It aims to invest in the premier specialized healthcare service providers that offer cancer care centres, dental care networks, multi-specialty medical centres and specialty clinics in Hong Kong and the Mainland.

In July 2000, it, together with a group of American medical specialists, sets up AmMed International Corporation Ltd. (AmMed) which opened its first cancer centre at Hong Kong Adventist Hospital in November 2001 to provide

AmMed Cancer Centre at Hong Kong Adventist Hospital is installed with state-of-the-art equipment.

症治療服務，並夥同美國紐約斯隆/凱德琳癌症研究中心設立地區附屬中心。另外，安美國際有限公司計劃於上海設立一所擁有尖端技術設施的癌症中心，並計劃在北京及廣州設立類似的醫療中心。GenRx 是安美國際的最大單一股東。

GenRx 亦計劃在中國建立最大的私人牙科保健網絡，現時已注資恆健牙科醫務所及瑞爾齒科集團。兩者分別在香港及內地的主要城市如北京、上海和深圳等地經營私人牙科診所。此外，GenRx 亦投資於矯齒科業務，並在上海成立亞正齒科。

comprehensive cancer treatment. AmMed has an established regional affiliation with the Memorial Sloan-Kettering Cancer Institute in New York. In China, AmMed is working to set up a state-of-the-art cancer centre in Shanghai and similar facilities in Beijing and Guangzhou. GenRx is the single largest shareholder in AmMed.

As part of its plan to build the largest private dental service network in the Greater China, GenRx also invested in Health & Care Dental Group and Arrail Dental Group that separately operate private dental clinics in Hong Kong and major Chinese cities including Beijing, Shanghai and Shenzhen. GenRx has also invested in the orthodontics field via the launching of Orthodontics Asia in Shanghai.
