## **DESIGN HOUSE OF FASHION EYEWEAR**

Headquartered in Hong Kong, Sun Hing Vision is the eyewear design house behind many international premier brands. As an innovative design house, Sun Hing Vision's frames are distinguished by subtle details. This is resulted from a synthesis of time-honored craftsmanship and today's latest trends. Our expert team of in-house designers, state-of-the-art manufacturing facilities and employees who are dedicated to style and technology, ensure that every design, and ultimately, frame, is a work of art.

Sun Hing Vision's product lines comprise a wide array of metal and plastic ophthalmic frames and sunglasses. The Group has made substantial investments in continually modifying its production facilities to stay at the forefront of the industry.
