The above table lists the subsidiaries, associated companies, and jointly controlled entities which, in the opinion of the Directors of the Company, principally affect the results or assets of the Group. To give details of all subsidiaries, associated companies and jointly controlled entities would, in the opinion of the Directors, result in particulars of excessive length.

Unless otherwise stated, all companies are incorporated in Hong Kong and their issued share capital is ordinary share capital. All companies operate principally in their country of incorporation. None of the subsidiaries have issued any debt securities.

* The aggregate net assets and profit after taxation attributable to the Group of all subsidiaries, associated companies and jointly controlled entities the accounts of which are audited by firms other than PricewaterhouseCoopers amounted to HK\$230,415,000 (2001: HK\$237,275,000 excluding companies disposed of) and HK\$24,758,000 (2001: HK\$17,590,000 excluding companies disposed of) respectively. The companies listed are the principal ones of such companies.

* The aggregate net assets and loss after taxation attributable to the Group of all subsidiaries, associated companies and jointly controlled entities the accounts of which are not audited amounted to HK\$11,319,000 (2001: HK\$9,477,000 excluding companies disposed of) and HK\$1,152,000 (2001: profit of HK\$2,769,000 excluding companies disposed of) respectively. The companies listed are the principal ones of such companies.
