

## HONG KONG IS OUR HOME

In July this year, the Group celebrated its 30th anniversary. Since its establishment, the Group has grown and prospered, despite ups and downs in the economic climate along the way, and it has maintained its faith in the territory's future throughout.

Over the years, the Group's investment focus has always been on Hong Kong. Its experience has shown that adversity can be overcome with determination and conviction, and the Group has followed this belief, helping to build the remarkable place that Hong Kong is today.

Looking to the future, the Group will use its strengths – a powerful brand name, highly capable management and dedicated team of staff – to maintain its position in today's highly-competitive market, tackling the challenges ahead with confidence.
