

Business Activities 業務概要

Headquartered in Beijing, Digital China Holdings Limited (the "Company") and its subsidiaries (the "Group") is the largest IT product distributor and systems integrator as well as a leading networking product developer in China. Ranging from corporate-used hard- and software to consumer-targeted mobile handset, digital camera, etc., Digital China distributed products of over 40 brands. Its distribution network comprises some 6,000 resellers spanning over all second and third tier cities in China.

Spun off from the Hong Kong-listed Legend Group Limited, Digital China was separately listed on the Hong Kong Stock Exchange on 1 June 2001. Digital China is an affiliate to Beijing's Legend Holdings Limited.

Digital China is a constituent of the Hang Seng Mainland Composite Index – Information Technology as well as the Morgan Stanley Capital International Standard Index.

While being placed 4th on China's 100 Leading Software Enterprises by the Ministry of Information (2002), Digital China was also ranked 27th in China's 100 Largest Publicly Traded Enterprises by Fortune Magazine in the same year.
