

Business Strategy

Building a strong presence in China for our IT services with e-commerce being the core, by capitalising on our management edge and financial strength to further develop networking, software and IT related services on top of our existing IT products distribution business.

神州數碼總體戰略路線

立足國內市場，圍繞以電子商務為核心的IT服務，充分利用現有管理優勢和資本槓杆，以IT產品分銷為基礎，重點發展網絡、軟件及相關服務。
