

# Corporate Profile

Global Tech (Holdings) Limited (the “Company”) and its subsidiaries (collectively the “Group”) is a rapidly emerging mobile handsets distributor in Asia, offering downstream distribution solutions to its clients. The Group currently engages in fully-integrated brand building, selling, marketing and distribution of mobile handsets and provision of after-sales services across the Greater China region.

Over the past years, the Group has developed strong sales and distribution capabilities in the mobile handsets business. It has also built and maintained a cohesive network with its business partners to facilitate effective sales and marketing strategies. These strengths, coupled with its unique product portfolio strategy that focuses on leading-edge technology and novel design concepts, have secured the Group strongly amongst the top-end luxurious handsets markets.

Leveraging on its extensive distribution network and market knowledge accumulated in the region, the Group will continue to seek for suitable business expansion opportunities that offer high business integration capacity and sustainable returns. With its solid foundation and prudent investment strategies, the Group will continue to uphold its commitment to offer enhanced value to its customers, partners and shareholders.
