

## **Aiming for perfection**

Specializing in the design, manufacture and marketing of Liquid Crystal Display panels and modules, JIC visualizes information accurately and beautifully. We are currently the supplier of choice to many of the world's leading consumer electronics and communications companies. Our vision is clear. The Company's primary focus is to continue diversifying our LCD capabilities and to further offer economies of scale and cost efficient solutions that will add value and pro-actively meet the increasing production needs of our customers.
