

Corporate Profile

Global Tech (Holdings) Limited (the “Company”) and its subsidiaries (collectively the “Group”) engage in fully integrated brand building, sales and marketing, distribution and after-sales servicing activities across the Greater China region.

Maintaining excellent relationship with its manufacturing, distribution and applications development partners, the Group has been endeavouring the best of its effort in contributing to the evolution of mobile telecommunications in the region, enhancing people’s quality of everyday communication with technologies that are handy, user-friendly, essential and affordable.

The Group has been perpetuating its mission of offering seamless integration to experiences of both manufacturers in distribution and end-users in visualizing and utilizing the technologies by investing heavily in improvement of distribution chain management and education of front-line and back-office staff.

It has also made relentless efforts in improving transparency and adopting better corporate governance principles to maintain continuing support from its shareholders, fellow staff members, bankers, suppliers and other stakeholders.
