ANNUAL REPORT 2005

Corporate profile

China Shipping Container Lines Company Limited ["CSCL" or the "Company"], is a specialized corporation affiliated to China Shipping (Group) Company, involved in container liner services and other relative services including vessel chartering, cargo canvassing and booking, customs clearance, storage, container and other related domains. CSCL was established in Shanghai in 1997, converted into a joint stock limited company on 3 March, 2004 and successfully listed on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") on 16 June, 2004. CSCL has emerged as a major global player during the eight years. It is currently ranked as the sixth container shipping company in terms of operating capacity.

As at 31 December, 2005, CSCL has a young and modern fleet comprised of 141 vessels with a total operating capacity of 348,000TEU. CSCL has inaugurated over 70 international major trade lanes and feeders including America, Europe, Mediterranean, Australia and Africa. CSCL has 302 agency points (103 domestic, 199 abroad) which are located at the main trade area in the world. With its superior capability, CSCL is a dominant player in the domestic container shipping market in China.

CSCL is stepping steadily towards the target of getting stronger and bigger, with ultimate target to become a world-class shipping company. During the 8 years of development, CSCL has continuously followed its principle of unifying development and management to enhance efficiency and return. In addition, we are committed to contributing to the society and building our credibility among customers. The advanced equipment, high technology and good management will surely lead CSCL to a bright future, to achieve its target of being one of the leading liner shipping companies in the world.
