

THE COMPANY

Since our listing in 1991, Galaxy Entertainment Group Limited (Hong Kong listed stock code 0027) has built a solid business foundation in Hong Kong and mainland China. Through business acquisitions, we have been constantly expanding our investment portfolios on an enterprising yet prudent strategy aiming to provide shareholders with the best return on their investment.

Following our acquisition of the gaming and entertainment business in Macau in July 2005, our primary business objective is to be a leading operator of gaming and entertainment facilities in Macau. Our major subsidiary, Galaxy Casino, S.A. has a gaming concession from the Macau Government and is one of only three companies licensed by the Macau Government to operate casinos in Macau.

We also maintain our leading position as a major supplier of quality construction materials in Hong Kong and mainland China and driven by the strong economic growth of Macau, we have been expanding into the area to capitalize on our expertise.
