

Instructions

This booklet sets out the results of allocation of Offer Shares under the Hong Kong Public Offering for applicants using **Yellow Application Forms** and applicants giving **electronic application instructions** to HKSCC via CCASS.

Only the identification numbers of wholly or partially successful applicants using **Yellow Application Forms** or giving **electronic application instructions** to HKSCC via CCASS are set out in this booklet. The allocation results for applicants using **White Application Forms** and **White Form eIPO** are set out in a separate booklet. **No allocation results for unsuccessful applications are shown in this booklet.**

The allocation results set out in this booklet are divided into three sections:

- Section 1: applications using **Yellow Application Forms** through designated CCASS Broker/Custodian Participants
- Section 2: applications made by CCASS Investor Participants using **Yellow Application Forms**
- Section 3: applications by giving **electronic application instructions** to HKSCC via CCASS

You should search for the allocation results in respect of your application under the relevant section.

In searching for allocation results in respect of your application using a **Yellow Application Form** or by giving **electronic application instructions** to HKSCC via CCASS, you should look for the identification number stated in the **Yellow Application Form** you submitted or the **electronic application instructions** you gave to HKSCC via CCASS, or the record you maintained with HKSCC, which may be a Hong Kong identity card number, a passport number or a Hong Kong business registration number. The entries are arranged in each section in ascending order alphabetically and numerically. Your identification number will not be shown in this booklet if your application using a **Yellow Application Form** or by giving **electronic application instructions** to HKSCC via CCASS is unsuccessful.
