

The Group is well aware of the keen competition within the telecommunication product industry. Resulting from the rapid launch of different new models of mobile phone in the past, most telecommunication product customers have suffered from the reduction in the average selling price for their products. In order to avoid the early erosion in the average selling price, the Group's telecommunication product customers have begun to re-schedule the launch of some new models of mobile phone since August 2006. The re-schedule will definitely decelerate the growth of the Group but the extent of the impact cannot be assessed for the moment because it will depend on the duration of the re-schedule and the number of new models of mobile phone re-scheduled for launching.

The road ahead for the Group will be full of business opportunities and challenge. Equipped with sound financial position and ample experience in the manufacture of highly delicate PCB, the Group is ready to catch the business opportunities and confront the challenge.

CORPORATE GOVERNANCE

In the opinion of the directors, the Company has complied with the applicable code provisions of the Code on Corporate Governance Practices as set out in Appendix 14 of the Listing Rules throughout the 6 months ended 30 September 2006, except for the following deviations:

Chairman and Chief Executive Officer

According to the Code Provision A.2.1, the roles of chairman and chief executive officer ("CEO") should be separate and should not be performed by the same individual. The division of responsibilities between the chairman and CEO should be clearly established and set out in writing.

The Company does not have a separate Chairman and CEO, and Mr. Chan Sik Ming, Harry currently holds both positions. The Board believes that vesting the roles of both Chairman and CEO in the same person ensures consistent leadership within the Group and enables more effective and efficient planning of long-term strategies and implementation of business plans. The Board believes that the balance of power and authority will not be impaired and is adequately ensured by an effective Board which comprises experienced and high calibre individuals with a sufficient number thereof being independent non-executive directors.
