

The background of the slide is a close-up photograph of a wooden plank wall. The planks are arranged in a staggered pattern. A horizontal band of lighter, whitish-grey wood runs across the middle of the image, creating a visual separation. The top and bottom sections are composed of darker, reddish-brown wood planks with prominent, wavy grain patterns. The text "Financial Statements" is centered within the lighter band.

Financial Statements

Independent auditor's report

To the Shareholders of Pacific Basin Shipping Limited

(Incorporated in Bermuda with limited liability)

We have audited the financial statements of Pacific Basin Shipping Limited (the "Company"), set out on pages 82 to 143, which comprise the consolidated and company balance sheets as at 31 December 2006, and the consolidated income statement, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes. We have also audited the disclosures contained in sections 2, 3, 4 and 6 of the Remuneration Report ("the auditable part") on pages 60 to 65, which are referred to in note 22 to the financial statements.

Responsibility of Directors for the Financial Statements

The Directors of the Company are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the disclosure requirements of the Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Responsibility of Auditor

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with Section 90 of the Companies Act 1981 of Bermuda, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

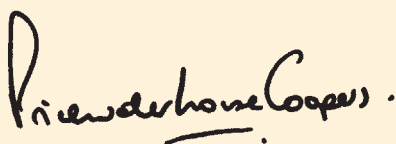

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements, together with those parts of the Remuneration Report referred to in note 22 to the financial statements, give a true and fair view of the state of affairs of the Company and the Group as at 31 December 2006 and of the profit and cash flows of the Group for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.
