

正德厚生 臻于至善 
Responsibility makes perfection

ABOUT THE COVER

In July 1997, the sovereignty of Hong Kong was returned to the PRC. In September 1997, China Mobile Limited was incorporated in Hong Kong. It was listed in both Hong Kong and New York in October in the same year.

At the time of its initial public offering, the assets of China Mobile Limited only comprised of the mobile telecommunications companies in Guangdong and Zhejiang Provinces. After several transactions during a period of 10 years, China Mobile Limited had acquired the mobile telecommunications companies in all 31 provinces in Mainland China. In 2006, the Company successfully acquired China Mobile Peoples Telephone Company Limited in Hong Kong. At present, China Mobile Limited is a listed company that owns the largest mobile telecommunications network and the biggest subscriber base in the world.
