Undertakings to the Hong Kong Stock Exchange pursuant to the Hong Kong Listing Rules

By Us

We have undertaken to the Hong Kong Stock Exchange that no further shares or securities convertible into our equity securities (whether or not a class already listed) may be issued by us or form the subject of any agreement to such an issue by us within six months from the date on which our H Shares first commence dealing on the Hong Kong Stock Exchange (whether or not such issue of shares or our securities will be completed within six months from the commencement of dealing), except:

- (a) in certain circumstances prescribed by Rule 10.08 of the Hong Kong Listing Rules; or
- (b) pursuant to our proposed A Share Offering. See the section headed “A Share Offering”.

By CITIC Group and CIFH

Each of CITIC Group and CIFH has undertaken to the Hong Kong Stock Exchange that, except to facilitate the exercise of the Over-allotment Option granted to the International Offering Underwriters, it shall not and shall procure that the relevant registered holder shall not:

- (a) in the period commencing on the date by reference to which disclosure of its shareholding is made in this prospectus and ending on the date which is six months from the date on which dealings in our H Shares commence on the Hong Kong Stock Exchange (the “First Six-month Period”), dispose of or enter into any agreement to dispose of or otherwise create any options, rights, interests or encumbrances in respect of, any of those shares or securities of the Company in respect of which it is shown by this prospectus to be the beneficial owner; or
- (b) in the period of six months commencing on the date on which the First Six-month Period expires, dispose of, nor enter into any agreement to dispose of or otherwise create any options, rights, interests or encumbrances in respect of, any of the shares or securities referred to in (a) above if, immediately following such disposal or upon the exercise or enforcement of such options, CITIC Group and CIFH collectively would cease to be our controlling shareholder.

Each of CITIC Group and CIFH has also undertaken to the Hong Kong Stock Exchange and us that, within the period commencing on the date by reference to which disclosure of its shareholding is made in this prospectus and ending on the date which is 12 months from the date on which dealings in our H Shares commence on the Hong Kong Stock Exchange, it will:

- (a) when it pledges or charges any of shares or of other share capital beneficially owned by it in favor of an authorized institution (as defined in the Banking Ordinance (Chapter 155 of the Laws of

UNDERWRITING

Hong Kong)) for a bona fide commercial loan, immediately inform us of such pledge or charge together with the number of such shares or other securities so pledged or charged; and

- (b) when it receives any indications, either verbal or written, from any pledge or chargee of any of shares or of other securities pledged or charged that such shares or securities will be disposed of, immediately inform us of any such indication.

Undertakings to the Underwriters

By Us

We have, pursuant to the Hong Kong Underwriting Agreement, undertaken to each of the Joint Global Coordinators, the Joint Bookrunners, the Joint Sponsors, the Joint Lead Managers and the Hong Kong Underwriters that, except for the issue of H Shares by our company pursuant to the Global Offering (including pursuant to the Over-allotment Option) or for the issue of A Shares by our company pursuant to the A Share Offering, at any time after the date of the Hong Kong Underwriting Agreement up to and including the date falling six months after the date on which dealings in the H Shares commence on the Hong Kong Stock Exchange, we will not without the Joint Global Coordinators' prior written consent and unless in compliance with the Hong Kong Listing Rules:

- (a) offer, pledge, charge, allot, issue, sell, contract to allot, issue or sell, sell any option or contract to purchase, purchase any option or contract to sell, grant or agree to grant any option, right or warrant to purchase or subscribe for, lend or otherwise transfer or dispose of, either directly or indirectly, or repurchase, any of our share capital or any securities convertible into or exercisable or exchangeable for or that represent the right to receive such share capital; or
- (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of our share capital,

whether any of such transactions described in (a) or (b) above is to be settled by delivery of our share capital or such other securities, in cash or otherwise. In the event of a disposal as described in (a) or (b) above of any shares or any interest therein or any of our securities after the date falling six months after the date on which dealings in the H Shares commence on the Hong Kong Stock Exchange, we will take all reasonable steps to ensure that such an issue or disposal will not create a disorderly or false market for our shares.

Indemnity

We have agreed to indemnify the Hong Kong Underwriters for certain losses which they may suffer, including losses arising from their performance of their obligations under the Hong Kong Underwriting Agreement and any breach by us of the Hong Kong Underwriting Agreement.

Commission and Expenses

The Hong Kong Underwriters will receive a gross underwriting commission of 2.5% of the offer price payable for the Hong Kong Offer Shares initially offered under the Hong Kong Public Offering, out of which they will pay any sub-underwriting commissions. For unsubscribed Hong Kong Offer Shares reallocated to the International Offering, we will pay an underwriting commission at the rate applicable to the International Offering and such commission will be paid to the Joint Global Coordinators and the relevant Underwriters (but not the Hong Kong Underwriters).

The aggregate commissions and fees, together with listing fees, SFC transaction levy, the Hong Kong Stock Exchange trading fee, legal and other professional fees, and printing and other expenses relating to the Global Offering are estimated to amount to approximately HK\$951 million (assuming an offer price of

UNDERWRITING

HK\$5.46, which is the mid-point of our indicative offer price range, and assuming the Over-allotment Option is not exercised) in total.

Hong Kong Underwriters' Interest in Our Company

Save for its obligations under the Hong Kong Underwriting Agreement and save as disclosed in this prospectus, none of the Hong Kong Underwriters has any shareholding interests in our company or any right (whether legally enforceable or not) to subscribe for or to nominate persons to subscribe for securities in our company.

The International Offering

In connection with the International Offering, it is expected that we will, on or about April 20, 2007, shortly after determination of the Offer Price, enter into the International Underwriting Agreement with the Joint Global Coordinators and the International Offering Underwriters. Under the International Underwriting Agreement, the International Offering Underwriters to be named therein would severally agree to subscribe or procure subscribers for the International Offer Shares initially being offered in the International Offering.

RESTRICTIONS ON THE OFFER SHARES

No action has been taken to permit a public offering of the Offer Shares, other than in Hong Kong and Japan, or the distribution of this prospectus in any jurisdiction other than Hong Kong. Accordingly, this prospectus may not be used for the purpose of, and does not constitute, an offer or invitation in any jurisdiction or in any circumstances in which such an offer or invitation is not authorized or to any person to whom it is unlawful to make such an offer or invitation.

In particular, the Offer Shares have not been offered or sold, and will not be offered or sold, directly or indirectly, in the PRC.

STABILIZATION AND OVER-ALLOTMENT

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the securities in the secondary market, during a specified period of time, to retard and, if possible, prevent, any decline in the market price of the securities below the offer price. In Hong Kong and certain other jurisdictions, the price at which stabilization is effected is not permitted to exceed the offer price.

In connection with the Global Offering, Citigroup Global Markets Asia Limited, as stabilizing manager (the "Stabilizing Manager"), or any person acting for it, on behalf of the Underwriters, may over-allocate or effect short sales or any other stabilizing transactions with a view to stabilizing or maintaining the market price of our H Shares at a level higher than that which might otherwise prevail in the open market. Short sales involve the sale by the Stabilizing Manager of a greater number of H Shares than the Underwriters are required to purchase in the Global Offering. "Covered" short sales are sales made in an amount not greater than the Over-allotment Option.

The Stabilizing Manager may close out any covered short position by either exercising the Over-allotment Option to purchase additional H Shares or purchasing H Shares in the open market. In determining the source of the H Shares to close out the covered short position, the Stabilizing Manager will consider, among other things, the price of H Shares in the open market as compared to the price at which they may purchase additional H Shares pursuant to the Over-allotment Option. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the H Shares while the Global Offering is in progress. Any market purchases of our H Shares may be effected on any stock exchange, including the Hong Kong Stock Exchange, any over-the-counter market or otherwise, provided that they are made in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilizing Manager or any person acting for it to conduct any such stabilizing activity, which if commenced, will be done at the absolute discretion of the Stabilizing Manager and may be

UNDERWRITING

discontinued at any time. Any such stabilizing activity is required to be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of our H Shares that may be over-allocated will not exceed the number of our H Shares that may be sold under the Over-allotment Option namely 732,821,000 H Shares, which is approximately 15% of the number of Offer Shares initially available under the Global Offering less any H Shares which may be issued to BBVA and CIFH pursuant to their exercise of the anti-dilution right and top-up right, respectively, in the event that the whole or part of the Over-allotment Option is exercised.

In Hong Kong, stabilizing activities must be carried out in accordance with the Securities and Futures Price Stabilizing Rules. Stabilizing action permitted pursuant to the Securities and Futures Price Stabilizing Rules includes (i) over-allocation for the purpose of preventing or minimizing any reduction in the market price, (ii) selling or agreeing to sell our H Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price, (iii) subscribing, or agreeing to subscribe, for our H Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above, (iv) purchasing, or agreeing to purchase, our H Shares for the sole purpose of preventing or minimizing any reduction in the market price, (v) selling our H Shares to liquidate a long position held as a result of those purchases and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v).

Stabilizing actions by the Stabilizing Manager, or any person acting for it, will be entered into in accordance with the laws, rules and regulations in place in Hong Kong on stabilization.

As a result of effecting transactions to stabilize or maintain the market price of our H Shares, the Stabilizing Manager, or any person acting for it, may maintain a long position in our H Shares. The size of the long position, and the period for which the Stabilizing Manager, or any person acting for it, will maintain the long position is at the discretion of the Stabilizing Manager and is uncertain. In the event that the Stabilizing Manager liquidates this long position by making sales in the open market, this may lead to a decline in the market price of our H Shares.

Stabilizing action by the Stabilizing Manager, or any person acting for it, is not permitted to support the price of our H Shares for longer than the stabilizing period, which begins on the day on which trading of our H Shares commences on the Hong Kong Stock Exchange and ends on the thirtieth day after the last day for the lodging of applications under the Hong Kong Public Offering. The stabilizing period is expected to end on May 18, 2007. As a result, demand for our H Shares, and their market price, may fall after the end of the stabilizing period. These activities by the Stabilizing Manager may stabilize, maintain or otherwise affect the market price of the H Shares. As a result, the price of the H Shares may be higher than the price that otherwise might exist in the open market. Any stabilizing action taken by the Stabilizing Manager, or any person acting for it, may not necessarily result in the market price of our H Shares staying at or above the offer price either during or after the stabilizing period. Bids for or market purchases of our H Shares by the Stabilizing Manager, or any person acting for it, may be made at a price at or below the offer price and therefore at or below the price paid for our H Shares by purchasers. A public announcement in compliance with the Securities and Futures (Price Stabilizing) Rules will be made within seven days of the expiration of the stabilizing period.
