

Corporate Profile

EPI focuses on the high growth non-ferrous metals industry in the areas of copper, aluminium and zinc. Building on the solid foundations of its scrap copper business, EPI is developing a portfolio of businesses including global sourcing, smelting, logistic, warehousing, financing of metal businesses and investment in mining. The Group plans to accelerate its growth through selective mergers and acquisitions and by integrating the services of related supply chains, thus creating a worldwide non-ferrous metals sourcing network that provides major non-ferrous metals quasi-sovereign enterprises in China with high quality, value-added services. The Group also continues to operate its consumer electronics business on an ODM and OEM basis, serving existing clients in the United States, Europe and Asia. In this way, EPI aims to become a leader in its field in China and achieve stable, strong returns for its shareholders.
