

# COMPANY PROFILE

The Man Yue Group of Companies (the “Group”) was founded in 1979 and listed on the Hong Kong Stock Exchange in 1997. The Group’s core business is the manufacture and sale of aluminum electrolytic capacitors (“E-Caps”).

The Group offers full range of E-Cap products, from miniature to large can E-Caps, to satisfy the needs of its global customers, the majority of whom are the world’s leading electrical and electronic brands. In 2006, the Group launched an innovative type of E-Caps known as Conductive Polymer Aluminum Solid Capacitors (“Polymer Capacitors”). As one of the world’s leading E-Caps manufacturers, the Group owns the renowned SAMXON and X-CON brands, both of which are well-known for their superior quality, strong R&D capabilities, and established global network. The Group’s products comply fully with RoHS and the like environmental protection regulations in different parts of the world.

The Group headquarters in Hong Kong and operates state-of-the-art manufacturing facilities in Mainland China, locating in Dongguan and Wuxi, with a total production capacity of over 790 million pieces per month. The Group also owns an aluminum foil factory in Qingyuan that produces aluminum foils for the Group’s internal consumption. The Group has world-wide distribution offices located in Hong Kong, Mainland China, Taiwan, Malaysia and the United States of America.
