

Audit Committee Report

The Audit Committee (the "Committee") has five members, three of whom are Independent Non-executive Directors and two are Non-executive Directors with observer status and no voting rights.

The Committee oversees the financial reporting process. In this process, management is responsible for the preparation of Group financial statements including the selection of suitable accounting policies. Independent auditors are responsible for auditing and attesting to Group financial statements and evaluating Group system of internal controls. The Committee oversees the respective work of management and external auditors to endorse the processes and safeguards employed by them. The Committee reports to the Board on its findings after each Committee meeting.

The Committee reviewed and discussed with management and external independent auditors the 2006 consolidated financial statements included in the 2006 Annual Report. In this regard, the Committee had discussions with management with regard to new, or changes in, accounting policies as applied and significant judgments affecting the Group financial statements. The Committee also received reports and met with the independent auditors to discuss the general scope of their audit work (including the impact of changes in accounting policies as applied), and their assessment of Group internal controls.

Based on these reviews and discussions and the report of the independent auditors, the Committee recommended to the Board of Directors approval of the consolidated financial statements for the year ended 31 December 2006, with the Auditors' Report thereon.

The Committee also reviewed and recommended to the Board of Directors approval of the unaudited financial statements for the first six months of 2006, prior to public announcement and filing.

The Committee recommended to the Board that the shareholders be asked to re-appoint PricewaterhouseCoopers as the Group's independent auditors for 2007.
