Notes to the Accounts

Contingencies

- (a) Cathay Pacific Airways ("Cathay Pacific") has under certain circumstances undertaken to maintain specified rates of return within the Cathay Pacific group's leasing arrangements. The Directors of Cathay Pacific do not consider that an estimate of the potential financial effect of these contingencies can practically be made.
- (b) At 31st December 2010, contingent liabilities existed in respect of guarantees given by the Cathay Pacific group on behalf of associated companies and staff relating to lease obligations, bank loans and other liabilities of up to HK\$262 million (2009: HK\$262 million).
- (c) Cathay Pacific operates in many jurisdictions and in certain of these there are disputes with the tax authorities. Provisions have been made to cover the expected outcome of the disputes to the extent that outcomes are likely and reliable estimates can be made. However, the final outcomes are subject to uncertainties and resulting liabilities may exceed provisions.
- (d) Cathay Pacific is the subject of investigations and proceedings with regard to its air cargo operations by the competition authorities of various jurisdictions, including the European Union, Canada, Australia, Switzerland, Korea and New Zealand. Cathay Pacific has been cooperating with the authorities in their investigations and, where applicable, vigorously defending itself. The investigations and proceedings are focused on issues relating to pricing and competition. Cathay Pacific is represented by legal counsel in connection with these matters.

On 15th December 2008, Cathay Pacific received a Statement of Claim from the New Zealand Commerce Commission with regard to its air cargo operations. Cathay Pacific, with the assistance of legal counsel, has responded.

On 17th July 2009, Cathay Pacific received an Amended Statement of Claim from the Australian Competition & Consumer Commission with regard to its air cargo operations. Cathay Pacific, with the assistance of legal counsel, has responded.

On 27th May 2010, the Korean Fair Trade Commission ("KFTC") announced it will fine several airlines, including Cathay Pacific, for their air cargo pricing practices. On 29th November 2010, KFTC issued a written decision and Cathay Pacific's fine was KRW 5.35 billion which is approximately HK\$36 million at the exchange rate current as of the date of the announcement. Cathay Pacific has filed an appeal in the Seoul High Court challenging the KFTC's decision in December 2010.

On 9th November 2010, the European Commission announced that it had issued a decision in its Airfreight investigation finding that, amongst other things, Cathay Pacific and a number of other international cargo carriers agreed to cargo surcharge levels and that such agreements infringed European competition law. The European Commission has imposed a fine of Euros 57,120,000 (equivalent to HK\$618 million) on Cathay Pacific. Cathay Pacific filed an appeal with the General Court of the European Union in January 2011.

Cathay Pacific has been named as a defendant in a number of civil complaints, including class litigation and third party contribution claims, in a number of countries including the United States, Canada, Korea, United Kingdom and Australia alleging violations of applicable competition laws arising from its conduct relating to its air cargo operations. In addition, civil class action claims have been filed in the United States and Canada alleging violations of applicable competition laws arising from Cathay Pacific's conduct relating to certain of its passenger operations. Cathay Pacific is represented by legal counsel and is defending those actions.

The investigations, proceedings and civil actions are ongoing and the outcomes are subject to uncertainties. Cathay Pacific is not in a position to assess the full potential liabilities but makes provisions based on facts and circumstances in line with the relevant accounting policy.
