Automatic Conversion

If a Capital Adequacy Trigger Event occurs, then an Automatic Conversion will occur without delay (but no later than one month following either (i) the Ordinary Reporting Date, if a Capital Adequacy Trigger Event has occurred as of a Quarterly Financial Period End Date, or (ii) the Extraordinary Calculation Date, if a Capital Adequacy Trigger Event has occurred as of such date).

An "**Automatic Conversion**" is the irrevocable and automatic release of all of the Company's obligations under the Securities in consideration of the Company's issuance of the Conversion Shares to the Conversion Shares Depository (or to the relevant recipient in accordance with the terms of the Securities) (on behalf of the securityholders) on the date on which the Automatic Conversion will take place, or has taken place, as applicable (such date, the "**Conversion Date**"), all in accordance with the terms of the 6.375% Securities or 5.625% Securities, as applicable, and the 6.375% Securities Indenture or the 5.625% Securities Indenture, as applicable.

After a Capital Adequacy Trigger Event, subject to certain conditions, the Company expects the Conversion Shares Depository to deliver to the securityholders on the settlement date (as determined pursuant to the terms of the 6.375% Securities Indenture or the 5.625% Securities Indenture, as applicable) either (i) Conversion Shares or (ii) if the Company elects, in its sole and absolute discretion, that a Conversion Shares Offer be made, the Conversion Shares Offer Consideration.

Trigger Event*

A "**Capital Adequacy Trigger Event**" shall occur if the end-point CET1 Ratio as of any Quarterly Financial Period End Date or Extraordinary Calculation Date, as the case may be, is less than 7.0% on such date.

For the purposes of this definition, the term "common equity Tier 1 capital" will have the meaning assigned to such term in CRD IV (as the same may be amended or replaced from time to time) as interpreted and applied in accordance with the Relevant Rules then applicable to the HSBC Group or by the PRA (or any successor entity primarily responsible for the Company's prudential supervision) (the "Relevant Regulator").

"**Risk Weighted Assets**" means, as of any date, the aggregate amount, expressed in US dollars, of the risk weighted assets of the HSBC Group as of such date, as calculated by the Company on a consolidated basis and without applying the transitional provisions set out in Part Ten of the CRR in accordance with the Relevant Rules applicable to the Company as at such date (which calculation will be binding on the trustee, the paying agent and the securityholders). For the purposes of this definition, the term "risk weighted assets" means the risk weighted assets or total risk exposure amount, as calculated by the Company in accordance with the Relevant Rules.

"Relevant Rules" means, at any time, the laws, regulations, requirements, guidelines and policies relating to capital adequacy (including, without limitation, as to leverage) then in effect in the United Kingdom including, without limitation to the generality of the foregoing, any delegated or implementing acts (such as regulatory technical standards) adopted by the European Commission and any regulators, requirements, guidelines and policies relating to capital adequacy adopted by the Relevant Regulator from time to time (whether or not such requirement, guidelines or policies are applied generally or specifically to the Company or to the Company and any of the Company's holding or subsidiary companies or any subsidiary of any such holding company).

The Company may elect, at its sole and absolute discretion, that the Conversion Shares Depository make an offer of all

or some of the Conversion Shares issued in connection with the 6.375% Securities or the 5.625% Securities, as applicable, to all or some of the Company's ordinary shareholders at a cash price per Conversion Share equal to the Conversion Shares Offer Price, subject to certain conditions.

The "**Conversion Shares Offer Price**" is fixed initially at £2.70 and is subject to certain anti-dilution adjustments as described below.

Conversion Shares Offer Consideration

"Conversion Shares Offer Consideration" means in respect of each Security (i) if all the Conversion Shares are sold in the Conversion Shares Offer, the *pro rata* share of the cash proceeds from such sale attributable to such Security converted from sterling (or any such other currency in which the Ordinary Shares are denominated) into US dollars at the prevailing rate (as calculated pursuant to the 6.375% Securities Indenture or the 5.625% Securities Indenture, as applicable) as of the date that is three Depository Business Days prior to the relevant settlement date as determined by the Conversion Shares Depository (less the *pro rata* share of any foreign exchange transaction costs) (the "**pro rata cash component**"), (ii) if some but not all of the Conversion Shares are sold in the Conversion Shares Offer, (x) the *pro rata* cash component and (y) the *pro rata* share of the Conversion Shares not sold pursuant to the Conversion Shares Offer attributable to such Security rounded down to the nearest whole number of Conversion Shares, and (iii) if no Conversion Shares are sold in a Conversion Shares Offer, the relevant Conversion Shares attributable to such Security rounded down to the nearest whole number of Conversion Shares, subject in the case of (i) and (ii)(x) above to deduction from any such cash proceeds of an amount equal to the *pro rata* share of any stamp duty, stamp duty reserve tax, or any other capital, issue, transfer, registration, financial transaction or documentary tax that may arise or be paid as a consequence of the transfer of any interest in the Conversion Shares to the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities) in order for the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities) to conduct the Conversion Shares Offer.

"Depository Business Day" means a day on which the Conversion Shares Depository is open for general business.

*Adjustments to the
Conversion Price and
the Conversion Shares
Offer Price*

Adjustments are not required for every corporate or other event that may affect the market price of the Conversion Shares and an Independent Financial Adviser may make modifications as it determines to be appropriate.

Optional Redemption

The 6.375% Securities and the 5.625% Securities may be redeemed in whole (but not in part) at the option of the Company in its sole discretion on any 6.375% Securities Reset Date or 5.625% Securities Reset Date, respectively, at a redemption price equal to 100% of the principal amount plus any accrued and unpaid interest to (but excluding) the date of redemption (which interest will exclude any interest that is cancelled or deemed to have been cancelled).

relevant taxing jurisdiction is a party, or a change in an official application or interpretation of those laws or regulations on or after the Issue date, including a decision of any court or tribunal that becomes effective on or after the Issue Date.

A "**Regulatory Event**" shall be deemed to have occurred if the Company determines, at any time after the Issue Date, there is a change in the regulatory classification of the Securities that results or will result in either (i) their exclusion in whole from the HSBC Group's regulatory capital; or (ii) reclassification in whole as a form of the HSBC Group's regulatory capital that is lower than additional Tier 1 capital.

*Agreement with Respect
to the Exercise of UK
Bail-in Power*

By its acquisition of the Securities, each securityholder (including each beneficial owner) will acknowledge, agree to be bound by and consent to the exercise of any UK bail-in power by the relevant UK resolution authority that may result in (i) the reduction or cancellation of all, or a portion, of the principal amount of, or interest on, the Securities and/or (ii) the conversion of all, or a portion, of the principal amount of, or interest on, the Securities into shares or other securities or other obligations of the Company or another person, including by means of an amendment or modification to the terms of the 6.375% Securities Indenture or 5.625% Securities Indenture, as applicable, or of the 6.375% Securities or the 5.625% Securities, as applicable, to give effect to the exercise by the relevant UK resolution authority of such UK bail-in power. Each securityholder also will acknowledge and agree that the rights of such securityholder are subject to, and will be varied, if necessary, so as to give effect to, the exercise of any UK bail-in power by the relevant UK resolution authority.

For these purposes, a "**UK bail-in power**" is any statutory write-down and/or conversion power existing from time to time under any laws, regulations, rules or requirements relating to the resolution of credit institutions, banks, banking companies, investment firms and their parent undertakings incorporated in the United Kingdom in effect and applicable in the United Kingdom to the Company or other members of the HSBC Group, including but not limited to the UK Banking Act 2009, as the same may

be amended from time to time (whether pursuant to the UK Financial Services (Banking Reform) Act 2013 or otherwise), and any laws, regulations, rules or requirements which are implemented, adopted or enacted within the context of an EU directive or regulation of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions, banks, banking companies, investment firms and their parent undertakings, pursuant to which obligations of a credit institution, bank, banking company, investment firm, its parent undertaking or any of its affiliates can be cancelled, written down and/or converted into shares or other securities or obligations of the obligor or any other person (and a reference to the "**relevant UK resolution authority**" is to any authority with the ability to exercise a UK bail-in power).

*Transfers after

As a result, the securityholders will not be able to settle the transfer of any Securities through DTC following the suspension date, and any sale or other transfer of the Securities that a securityholder may have initiated prior to the suspension date that is scheduled to settle after the suspension date will be rejected by DTC and will not be settled through DTC.

For the avoidance of doubt, holders of any of the Company's existing or future Tier 2 capital instruments will be Senior Creditors. Listing

Application has been made to The Irish Stock Exchange plc for the Securities to be admitted to the Official List and to trading on Global Exchange Market.

Waiver granted by the SEHK and specific mandate for the issuance of the Securities

The Company announced on 24 March 2014 that it had applied for, and the SEHK had granted, a waiver from strict compliance with the requirements of Rule 13.36(1) of the Hong Kong Listing Rules pursuant to which the Company was permitted to seek (and, if approved, utilise) an authority (the "**Mandate**") to issue contingent convertible securities ("**CCSs**") (and to allot Ordinary Shares into which they may be converted or exchanged) in excess of the limit of the general mandate of 20 per cent of the Company's issued share capital.

At the 2014 annual general meeting of the Company, the shareholders of the Company approved the Mandate allowing the Company to allot Ordinary Shares or rights to subscribe for Ordinary Shares to persons other than existing shareholders in connection with the issue of CCSs up to an aggregate nominal amount of US\$2,250,000,000, equivalent to approximately 24 per cent of the Company's issued ordinary share capital as of the date of this announcement. Such Mandate is effective until the Company's annual general meeting in 2015 or the close of business on 30 June 2015, whichever is the earlier, and is in addition to any general mandate granted by the shareholders at any annual general meeting of the Company to allot Ordinary Shares up to 20 per cent of the total issued ordinary share capital of the Company as at the date of such meeting. The Company expects to seek similar authorities on an annual basis. For further details, please refer to the notice of the 2014 annual general meeting of the Company dated 24 March 2014 and the announcement of the Company dated 23 May 2014 disclosing the poll results of such meeting.

Accordingly, the issuance of the Securities is not subject to approval by the shareholders of the Company.

Application for listing

If a Capital Adequacy Trigger Event occurs, and Ordinary Shares are issued pursuant to the conversion of the Securities, application will be made by the Company to the UK Listing Authority and to the London Stock Exchange for the Ordinary Shares to be admitted to the Official List and to trading respectively, to the SEHK for the listing of, and permission to deal in, the Ordinary Shares, and to the New York, Paris and Bermuda stock exchanges for listing of the Ordinary Shares.

Reasons for the issuance of the Securities and use of proceeds

The Company intends to use the net proceeds from the sale of the Securities for general corporate purposes and to further strengthen the Company's capital base pursuant to requirements under CRD IV.

The aggregate gross proceeds from the issuance of the 6.375% Securities are expected to be US\$2,250,000,000. The net proceeds from the issuance of the 6.375% Securities, after the deduction of the commission to the 6.375% Securities Managers, are expected to be US\$2,227,500,000.

The aggregate gross proceeds from the issuance of the 5.625% Securities are expected to be US\$1,500,000,000. The net proceeds from the issuance of the 5.625% Securities, after the deduction of the commission to the 5.625% Securities Managers, are expected to be US\$1,485,000,000.

Fund raising activities in the past twelve months

The Company has not carried out any issue of equity securities (save and except the issue of Ordinary Shares by the Company pursuant to the Scrip Dividend Scheme and the Issuances of Ordinary Shares to Employees) during the 12 months immediately preceding the date of this announcement. For these purposes, "**Scrip Dividend Scheme**" means the scrip alternative scheme of the Company for shareholders of the Company to elect to receive dividends wholly or partly in the form of new fully-paid Ordinary Shares instead of in cash, and "**Issuances of Ordinary Shares to Employees**" means the issuances by the Company of Ordinary Shares to certain of its directors and employees pursuant to or in connection with the grant of share awards, share option schemes, or share saving schemes of the Company.

Effects on shareholding structure of the Company

In the event the Capital Adequacy Trigger Event occurs and assuming full conversion of the Securities at their respective initial conversion prices takes place, the Securities will be convertible into approximately 860,925,023 Ordinary Shares, representing approximately 4.50 per cent of the issued share capital of the Company as at the date of this announcement and approximately 4.30 per cent of the issued share capital of the Company as enlarged by the issue of such Conversion Shares. The Conversion Shares issued following an Automatic Conversion will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the Conversion Date, except in any such case for any right excluded by mandatory provisions of applicable law, and except that the Conversion Shares so issued will not rank for (or, as the case may be, the relevant securityholder will not be entitled to receive) any rights, distributions or payments, the entitlement to which falls prior to the Conversion Date.

The following table summarises the potential effects on the shareholding structure of the Company as a result of the issuance of the Securities (by reference to the information on shareholdings as at 11 September 2014 (being the latest practicable date prior to the release of this announcement) and assuming full conversion of the Securities):

Disclaimers

This announcement does not constitute an offer of any securities for sale. No action has been taken in any jurisdiction to permit a public offering of the Securities where such action is required other than in the United States. The offer and sale of the Securities may be restricted by law in certain jurisdictions.

The Securities mentioned in this announcement are not intended to be sold and should not be sold to "retail clients" (as defined in MiFID and/or in the United Kingdom Financial Conduct Authority's Conduct of Business Sourcebook ("**COBS**"), in each case, as amended from time to time) other than where the limited exemptions permitted by COBS 4.14.2 apply. By making or accepting an offer to purchase any securities from the Company or Securities Manager, each prospective investor represents, warrants, and undertakes to the Company and each of the relevant Securities Managers that (a) it is not a retail client (as described above) other than a retail client falling within the exceptions in section 4.14.2 of COBS; and (b) it will not sell or offer the Securities to retail clients (as described above) or do anything (including the distribution of this document) that would or might (i) result in the buying of the Securities or the holding of a beneficial interest in the Securities by a retail client, in each case other than as permitted by COBS; or (ii) result in a breach by the Company, the Securities Managers or any other person of COBS. References to COBS in this paragraph shall be deemed to include the amendments to COBS as contemplated by the Temporary Marketing Restriction (Contingent Convertible Securities) Instrument 2014 as if such instrument, which will come into force on 1 October 2014, was currently in force.

The distribution of this announcement in certain jurisdictions may be restricted by law. Persons into whose possession this announcement comes are required to inform themselves about and to observe any such restrictions.
