On 20 September 2019, the Lender entered into the Loan Agreement with the Borrower in relation to the provision of the loan facility of HK\$50,000,000 which is available for drawdown subject to terms of the Loan Agreement and shall be repaid in one year from the date of the Loan Agreement when the Loan amount and the accrued interest are due to be repaid in full by the Borrower to the Lender.

The loan and accrued interest have been fully repaid by the Borrower in January 2020.

INFORMATION OF THE BORROWER

The Borrower is a merchant. To the best knowledge, information and belief of the Directors after having made all reasonable enquiries, the Borrower is an independent third party not connected with the Company or connected persons of the Company.

REASONS FOR ENTERING INTO THE LOAN AGREEMENT

The principal activities of the Company and its subsidiaries are (i) provision of QR codes on product packaging and solutions and advertising display services; (ii) the manufacture and sale of packaging products; and (iii) investments and trading in securities and money lending. The Lender is a registered money lender holding a valid money lenders licence under the Money Lenders Ordinance (Chapter 163 of the Laws of Hong Kong) and is principally engaged in the business of money lending services.

The granting of the Loan to the Borrower pursuant to the Loan Agreement is in the ordinary course of business of the Group and on normal commercial terms. The terms of the Loan Agreement were negotiated on an arm's length basis between the Lender and the Borrower, and were on normal commercial terms based on the Group's credit policy.

The Directors consider and believe that the terms of the Loan Agreement and the entering into of the Loan Agreement are fair and reasonable, and in the interests of the Company and its shareholders as a whole.
