On 29 November 2023, COSCO SHIPPING Ports Management Company Limited ("COSCO SHIPPING Ports Management") as the tenant entered into a new tenancy agreement with Wing Thye Holdings Limited ("Wing Thye") as the landlord (the "49F Tenancy Agreement") in respect of the leasing of the Unit Nos. 4901, 4902A, 4902B and 4903 situated at 49th Floor of High Block (COSCO Tower), Grand Millennium Plaza, No. 183 Queen's Road Central, No. 33 Wing Lok Street, Hong Kong (the "49F Properties") for a term of three years commencing from 29 November 2023 at a monthly rental of HK\$1,404,480 exclusive of government rent, rates, management fees and other outgoings. The monthly management fees payable to Wing Thye under the 49F Tenancy Agreement is HK\$95,760 (subject to revision by the incorporated owners and the management company of the building of which the 49F Properties form part from time to time). The (i) rental and (ii) management fees and other outgoings paid by COSCO SHIPPING Ports Management under the 49F Tenancy Agreement for the period from 1 January 2024 to 31 December 2024 were HK\$16,151,520 and HK\$1,251,264 respectively.

Apart from the 49F Tenancy Agreement and New 49F Tenancy Agreement, COSCO SHIPPING Ports Management as the tenant also entered into a tenancy agreement with Malayan Corporations Limited ("Malayan Corporations") as the landlord (the "42F Tenancy Agreement", together with the 49F Tenancy Agreement, the "Tenancy Agreements") in respect of Unit No. 4206 situated at the 42nd Floor of COSCO Tower, 183 Queen's Road Central, Hong Kong (the "42F Property") on 29 November 2023. Pursuant to the 42F Tenancy Agreement, COSCO SHIPPING Ports Management agreed to rent from Malayan Corporations the 42F Property for a term of three years commencing from 29 November 2023 at a monthly rental of HK\$325,512 exclusive of government rent, rates, management fees and other outgoings. Report of the Directors

The payments to be made by the Group contemplated under the Tenancy Agreements comprise different components and hence different accounting treatments will apply. Pursuant to HKFRS 16 “Leases”, the monthly rentals of the 42F Property and the 49F Properties leased under the Tenancy Agreements will be recognised as right-of-use assets with the estimated aggregate consideration of approximately HK\$56,180,000. The right-of-use assets represent the Company’s right to use the underlying leased assets over the lease term and the lease liabilities represent its obligation to make lease payments (i.e. the rent). The assets and the liabilities arising from the leases are initially measured on present value basis and calculated by discounting the non-cancellable lease payments under the Tenancy Agreements, using the incremental borrowing rate as the discount rate. Under HKFRS 16 and in the consolidated financial statements of the Group, the Group shall recognise (i) depreciation charge over the life of the right-of-use assets, and (ii) interest on the lease liabilities over the lease term.

Accordingly, the Group will recognise the monthly rentals as acquisitions of right-of-use assets taking into account the aggregate discounted amount of the monthly rentals in accordance with HKFRS 16. Such acquisitions of right-of-use assets will constitute one-off connected transactions for the Company under Chapter 14A of the Listing Rules. The management fees and other outgoings under the Tenancy Agreements (the “Other Charges”) will be recognised as expenses in the Group’s profit and loss accounts in the periods in which they are incurred, and the payment of such expenses will be regarded as continuing connected transactions for the Company under Chapter 14A of the Listing Rules.

The Company intended to continue to occupy the 49F Properties on a long term basis as the head office of itself and its subsidiaries and as its principal place of business in Hong Kong. In addition, the Company considered it necessary and appropriate to rent the 42F Property, which has the advantage of close proximity to the Company’s head office at 49th floor of the same building, to cater for the operation and growth of the Group. In negotiating the rental under the Tenancy Agreements, the directors of the Company had made reference to the professional opinion given by Cushman & Wakefield Limited, an independent professional valuer. The monthly rental agreed for the 49F Properties and the 42F Property as provided in the Tenancy Agreements were at market levels and were fair and reasonable.

Both Wing Thye and Malayan Corporations are wholly-owned subsidiaries of COSCO SHIPPING (Hong Kong) Co., Limited (“COSCO SHIPPING (Hong Kong)”). COSCO SHIPPING Ports Management is a wholly-owned subsidiary of the Company. COSCO SHIPPING is a controlling shareholder of both the Company and COSCO SHIPPING (Hong Kong). Accordingly, each of Wing Thye and Malayan Corporations is a connected person of the Company. The payment of the rentals under the Tenancy Agreements is regarded as acquisitions of assets by the Group and constitutes connected transactions of the Company; and the payment of the Other Charges constitutes continuing connected transactions of the Company under the Listing Rules.

For further details, please refer to announcement of the Company dated 29 December 2023.

Report of the Directors

(2) Financial Services Master Agreement

On 30 August 2022, the Company entered into a financial services master agreement (the "Financial Services Master Agreement") with COSCO SHIPPING Finance Co., Ltd. ("COSCO SHIPPING Finance"). Under the Financial Services Master Agreement, COSCO SHIPPING Finance agreed to provide its services to the Group for deposit transactions (the "Deposit Transactions"), loan transactions (the "Loan Transactions"), clearing transactions (the "Clearing Transactions") and other financial services which COSCO SHIPPING Finance may offer to the Group from time to time (the "Further Financial Services") (collectively, the "Transactions") for the period from 1 January 2023 to 31 December 2025 (both dates inclusive).

In respect of the Deposit Transactions, the rate of interest which would accrue on any deposits placed by the Group with COSCO SHIPPING Finance under the Financial Services Master Agreement will: (a) be no lower than the benchmark rate for the same type of deposits for the same term stipulated by the People's Bank of China from time to time; (b) make reference to market interest rates, being the interest rates offered by independent third party commercial banks and/or financial institutions providing the same type of deposit services on normal commercial terms in their ordinary course of business in the same or nearby service area, and in accordance with the principle of fairness and reasonableness; and (c) make reference to the interest rates offered by COSCO SHIPPING Finance to COSCO SHIPPING and subsidiaries held by COSCO SHIPPING as to more than 51%, companies held by COSCO SHIPPING and such subsidiaries (individually or jointly) as to more than 20% (or as to less than 20% but with COSCO SHIPPING and such subsidiaries (individually or jointly) being the largest shareholder), and enterprise legal entities (事業單位法人) and social organisation legal entities (社會團體法人) under COSCO SHIPPING or such subsidiaries with the same qualities for the same type of deposit services in the same period of time. The annual caps representing the daily maximum aggregate amount of deposits placed by the Group with COSCO SHIPPING Finance (including the amount of any interest accrued thereon) for each of the three years ended or ending 31 December 2023, 2024 and 2025 were RMB3,500,000,000. The maximum daily aggregate amount of deposits for the year ended 31 December 2024 was RMB3,410,811,000.

The deposit interest rates offered by COSCO SHIPPING Finance to the Group were no less favourable to the Group than those offered by independent third party commercial banks and/or financial institutions for comparable deposits. The Financial Services Master Agreement did not preclude the Group from using the services of other financial institutions as it thought fit and appropriate for the benefit of the Group. Where required, the Group could solicit other reference quotations, where available, from independent third party commercial banks and/or financial institutions in respect of similar transactions for comparison and consideration. The Financial Services Master Agreement provided the Group with additional means of financing and improved the efficiency of the use of its funds through favourable interest income and costs of financing.

COSCO SHIPPING Finance is a subsidiary of COSCO SHIPPING, a controlling shareholder of the Company, and is therefore a connected person of the Company. Hence, the Transactions constituted continuing connected transactions of the Group.

The Deposit Transactions were subject to the announcement requirements and the reporting, annual review, circular (including independent financial advice) and independent shareholders' approval requirements under Chapter 14 and Chapter 14A of the Listing Rules and were approved by the independent shareholders of the Company at the special general meeting held on 1 December 2022. As no Further Financial Services were requested by the Group from COSCO SHIPPING Finance for the year ended 31 December 2024, no fee was charged by COSCO SHIPPING Finance for such services. For the Loan Transactions and the Clearing Transactions which are fully exempt from the requirements under Chapter 14A of the Listing Rules including annual reporting requirements, shareholders may refer to the announcement of the Company dated 30 August 2022 for their details if interested.

For further details, please refer to the announcement of the Company dated 30 August 2022 and the circular of the Company dated 21 September 2022.

Report of the Directors

Accordingly, GZ Port Company and GZ Port Holding are each a substantial shareholder of a subsidiary of the Company. Therefore, members of the GZ Port Company Group and GZ Port Holding Group are connected persons of the Company at the subsidiary level.

Lianyungang Port has a 45% equity interest in Lianyungang New Oriental, a subsidiary of the Company, and accordingly, Lianyungang Port is a substantial shareholder of a subsidiary of the Company. As the aforementioned Shipping and Terminal Related Services Master Agreements expired on 31 December 2024, and it was expected that the Group would continue to enter into transactions of similar nature to transactions under the Shipping and Terminal Related Services Master Agreements with the relevant counterparties, the relevant members of the Group had entered into new master agreements on 30 October 2024 as required to renew the Shipping and Terminal Related Services Master Agreements, each for a term of 3 years from 1 January 2025 to 31 December 2027.
