### ISSUE MANDATE TO ISSUE SHARES AND EXTENSION MANDATE

In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the Issue Mandate to issue Shares. At the Annual General Meeting, an ordinary resolution numbered 5(A) will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with additional Shares not exceeding 20% of the number of issued Shares (excluding any Treasury Shares) as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, 3,088,761,000 Shares have been fully paid and the Company did not have any Treasury Shares. Subject to the passing of the ordinary resolution numbered 5(A) and on the basis that the Company does not have any Treasury Shares and no further Shares are issued or bought back after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 617,752,200 Shares (including any sale or transfer of Treasury Shares out of treasury).

In addition, subject to a separate approval of the ordinary resolution numbered 5(C), the number of Shares purchased by the Company under ordinary resolution numbered 5(B) will also be added to extend the Issue Mandate as mentioned in ordinary resolution numbered 5(A) provided that such additional value shall represent up to 10% of the number of issued Shares as at the date of passing the resolutions in relation to the Issue Mandate and Buy-back Mandate. The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Issue Mandate.

### BUY-BACK MANDATE TO BUY BACK SHARES

In addition, an ordinary resolution numbered 5(B) will be proposed at the Annual General Meeting to approve the granting of the Buy-back Mandate to the Directors to exercise the powers of the Company to buy back Shares representing up to 10% of the number of issued Shares (excluding any Treasury Shares) as at the date of passing of the resolution in relation to the Buy-back Mandate.

As at the Latest Practicable Date, 3,088,761,000 Shares were in issue and the Company did not have any Treasury Shares. Subject to the passing of the ordinary resolution numbered 5(B) and on the basis that the Company does not have any Treasury Shares and no further Shares are issued or bought back after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 308,876,100 Shares pursuant to the Buy-back Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Buy-back Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

---

## LETTER FROM THE BOARD

---

The Buy-back Mandate and the Issue Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or the applicable laws of Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

### RE-ELECTION OF RETIRING DIRECTORS

In accordance with article 83(3) of the Articles of Association, any Director appointed to fill a casual vacancy on the Board or as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.

In accordance with article 84(1) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years; and in accordance with article 84(2) of the Articles of Association, any Director appointed by the Board pursuant to article 83(3) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

Accordingly, Ms. Wang Xiaoying and Mr. Yan Yude being the executive Directors and Mr. Yin Dajia being an independent non-executive Director will hold office as the Directors until the Annual General Meeting and being eligible, offered themselves for re-election at the Annual General Meeting.

The Nomination Committee of the Company has reviewed the structure and composition of the Board, the confirmations and disclosure given by the Directors, the qualification, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and criteria set out in the Company's Board Diversity Policy and Director Nomination Policy and the Company's corporate strategy and the independence of the independent non-executive Directors. All independent non-executive Directors, in particular Mr. Yin Dajia who was appointed as an independent non-executive Director on 16 January 2025, have made an annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules. The Board is satisfied that, taking into account, *inter alia*, the valuable independent judgement, advice and objective views contributed by the independent non-executive Directors, they are of such character, integrity and experience commensurate with office of independent non-executive Director. The Board is not aware of any circumstance that might influence the independence of Mr. Yin Dajia.

Details of the above retiring Directors who are subject to re-election at the Annual General Meeting are set out in Appendix I to this circular in accordance with the relevant requirements of the Listing Rules.

### **PROPOSED DECLARATION AND PAYMENT OF FINAL DIVIDEND AND SPECIAL DIVIDEND OUT OF THE SHARE PREMIUM ACCOUNT**

At the meeting of the Board held on 27 November 2025, the Board recommended the declaration and payment of the Final Dividend of HKD0.2 cents per Share and the Special Dividend of HKD0.3 cents per Share in respect of the year ended 31 August 2025.

As at the Latest Practicable Date, there were a total of 3,088,761,000 Shares in issue. Based on the number of issued Shares as at the Latest Practicable Date, the Final Dividend and Special Dividend, if declared and paid, will amount to approximately HK\$6.18 million and HK\$9.27 million, respectively. Subject to the fulfilment of the conditions set out in the section headed "Conditions of the Payment of Final Dividend and Special Dividend out of the Share Premium Account" below, the Final Dividend and Special Dividend are intended to be paid out of the Share Premium Account pursuant to Article 134 of the Articles and in accordance with the Companies Act.

---

## LETTER FROM THE BOARD

---

As at 31 August 2025, based on the audited consolidated financial statements of the Group, the amount standing to the credit of the Share Premium Account was approximately RMB765.6 million. Following the payment of the Final Dividend and Special Dividend, there will be a remaining balance of approximately RMB751.6 million standing to the credit of the Share Premium Account.

### **Conditions of the Payment of the Final Dividend and Special Dividend out of the Share Premium Account**

The payment of the Final Dividend and Special Dividend out of the Share Premium Account is conditional upon the satisfaction of the following conditions:

- (a) the passing of an ordinary resolution by the Shareholders declaring and approving the payment of the Final Dividend and Special Dividend out of the Share Premium Account pursuant to Article 134 of the Articles; and
- (b) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, immediately following the date on which the Final Dividend and Special Dividend are paid, unable to pay its debts as they fall due in the ordinary course of business.

Subject to the fulfilment of the above conditions, the Final Dividend and Special Dividend will be paid in cash on Tuesday, 10 February 2026 to the Shareholders whose names appear on the register of members of the Company on Friday, 30 January 2026, being the record date of determination of entitlements of the Final Dividend and Special Dividend.

**The conditions set out above cannot be waived. If the conditions set out above are not satisfied, the Final Dividend and Special Dividend will not be paid.**

### **Reasons for and effect of the payment of the Final Dividend and Special Dividend out of the Share Premium Account**

To reward the Shareholders, the Board considers it appropriate to distribute the Final Dividend and Special Dividend to repay the Shareholders' support. After taking into account a number of factors including cash flow and financial condition of the Company, the Board considers it is appropriate and proposes that the Final Dividend and Special Dividend be paid out of the Share Premium Account. The Board considers such arrangement to be in the interests of the Company and its Shareholders as a whole. The Board believes that the payment of the Final Dividend and Special Dividend will not have any material adverse effect on the underlying assets, business, operations or financial position of the Group and does not involve any reduction in the authorised or issued share capital of the Company or reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares.

Accordingly, each of the resolutions set out in the notice of the Annual General Meeting will be taken by way of poll.

On a poll, every Shareholder presents in person or by proxy or, in the case of a Shareholder being a corporation, by its duly authorised representative, shall have one vote for every fully paid Share of which he/she is the holder. the National Outstanding Independent College Educator (全國優秀獨立學院教育工作者) by the China Independent Institute Association\* (中國獨立學院協會) in July 2010. Mr. Yin graduated from the Sichuan Foreign Language Institute\* (四川外語學院) (currently known as Sichuan International Studies University (四川外國語大學)) with a bachelor's degree in English in July 1969.

Mr. Yin has entered into a service contract with the Company with effect from 16 January 2025 for a term of three years, automatically renewable until terminated by not less than one month's notice in writing served by either party on the other, subject to retirement by rotation and re-election at the annual general meeting of the Company in accordance with the articles of association of the Company and the Listing Rules. Under the service contract, the director service fee payable to Mr. Yin is HK\$120,000 or equivalent RMB per year and there is no discretionary bonus paid to him. The remuneration package of Mr. Yin is determined by reference to his duty, experience, workload and time devoted to the Group.

*The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Buy-back Mandate.*

## **SHARE CAPITAL**

As at the Latest Practicable Date, the number of issued Shares was 3,088,761,000 Shares of nominal value of HK\$0.01 each which have been fully paid and the Company did not have any Treasury Shares. Subject to the passing of the resolution granting the Buy-back Mandate and on the basis that the Company does not have any Treasury Shares and no further Shares are issued or bought back before the Annual General Meeting, the Company will be allowed to buy back a maximum of 308,876,100 Shares which represent 10% of the issued Shares (excluding any Treasury Shares) during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting of the Company revoking or varying such mandate.

## **REASONS FOR AND FUNDING OF SHARE BUY-BACKS**

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to buy back its Shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and the Shareholders as a whole. Shares repurchased by the Company and held as Treasury Shares may be resold on the market at full market prices as a means of fund raising or used for other purposes as allowed under Listing Rules, the applicable laws and regulations of the Cayman Islands and the Memorandum and Articles of Association. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Buy-back of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. The Directors may not buy back the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make buy-backs with profits of the Company or out of a new issuance of shares made for the purpose of the buy-back or, if authorized by the Articles of Association and subject to the Companies Act, out of capital and, in the case of any premium payable on the buy-back, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Act, out of capital.

The Directors have no present intention to buy back any Shares and they would only exercise the power to buy back in circumstances where they consider that the buy-back would be in the best interests of the Company. The Directors believe that if the Buy-back Mandate is exercised in full, it may have a material adverse impact on the working capital or gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 August 2025, being the date to which the latest published audited consolidated

financial statements of the Company were made up. The Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

## **GENERAL**

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention if the Buy-back Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors will exercise the Buy-back Mandate pursuant to the proposed resolution in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Buy-back Mandate is approved by the Shareholders.

The Company confirms that neither this explanatory statement nor the proposed Buy-back Mandate has any unusual features.

The Shares repurchased by the Company shall be held as Treasury Shares and/or cancelled, depending on market conditions, the Company's capital management needs and funding arrangements at the time of repurchases. For any Treasury Shares deposited with Central Clearing and Settlement System ("CCASS") pending resale on the Stock Exchange, the Company will (i) procure its stockbroker not to give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions. The Company will take appropriate measures to ensure that it would not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the relevant laws if those shares were registered in the Company's own name as Treasury Shares.

## **TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If as a result of a buy-back of Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any buy-back of Shares pursuant to the Buy-back Mandate.

As at the Latest Practicable Date, as far as the Directors are aware, substantial Shareholders having interests in 10% or more in the issued Shares are as follows:

<b>Name of Shareholders</b>	<b>Nature of interest</b>	<b>Number of Shares Interested</b>	<b>Approximate percentage of interest in the issued share capital</b>
Bank of China Limited	Security interest	458,876,100(L)	14.86%
Virscend Holdings <sup>(1)</sup>	Beneficial owner	1,320,632,045(L)	42.76%
Mr. Yan Yude <sup>(1)(2)</sup>	Interest in a controlled corporation and interest of spouse	1,390,939,045(L)	45.03%
Ms. Wang Xiaoying <sup>(3)</sup>	Interest in a controlled corporation and interest of spouse	1,390,939,045(L)	45.03%

*Notes:*

- (1) Mr. Yan Yude is the sole shareholder and sole director of Virscend Holdings and is therefore deemed to be interested in the Shares held by Virscend Holdings.
- (2) Mr. Yan Yude is a shareholder and a director of HKCME and is therefore deemed to be interested in the Shares held by HKCME. Mr. Yan Yude is the husband of Ms. Wang Xiaoying and is therefore deemed to be interested in the Shares indirectly held by Ms. Wang Xiaoying through Smart Ally.
- (3) Ms. Wang Xiaoying is the sole shareholder and sole director of Smart Ally and is therefore deemed to be interested in the Shares held by Smart Ally. Ms. Wang Xiaoying is also the spouse of Mr. Yan Yude and is therefore deemed to be interested in the Shares indirectly held by Mr. Yan Yude through Virscend Holdings and HKCME.
- (4) L represents "Long Position".

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Yan Yude was interested in 1,390,939,045 Shares, representing approximately 45.03% in aggregate number of issued Shares. In the event that the Directors should exercise in full the Buy-back Mandate, the shareholding of Mr. Yan Yude in the Company will be increased to approximately 50.04% of the issued Shares. To the best knowledge and belief of the Directors, such increase would give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to buy back the Shares to the extent that will trigger the obligations under the Takeovers Code for Mr. Yan Yude to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

The Listing Rules prohibit a company from making buy-back on the Stock Exchange if the result of the buy-back would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of the Company would be in public hands. The Directors do not propose to buy back Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

**SHARE BUY-BACK MADE BY THE COMPANY**

No buy-backs of Shares has been made by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

**SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the twelve months preceding the Latest Practicable Date were as follows:

<b>Month</b>	<b>Highest prices HK\$</b>	<b>Lowest prices HK\$</b>
