*Sub-Fund: NAV-to-NAV return, net return with dividend (if any) reinvested

Note:

Past performance information is not indicative of future performance. Investors may not get back the full amount invested. The computation basis of the performance is based on the calendar year end NAV To NAV, with dividend reinvested. These figures show by how much the Sub-Fund increased or decreased in value during the calendar year being shown.

Performance data has been calculated in RMB, including ongoing charges and excluding subscription fee and redemption fee you might have to pay.

Where no past performance is shown there was insufficient data available in that year to provide performance.

This report is exempted from pre-vetting and authorisation by the Securities and Futures Commission of Hong Kong (“SFC”) and has not been reviewed by the SFC. SFC authorisation is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance.

The MSCI China A50 Connect Index is calculated and published by MSCI Inc. It seeks to represent the performance of the top 50 large cap China A shares using a sector-neutral approach.

Fund Activities

The average daily trading volume for the Sub-Fund during the period was reported by Bloomberg to be approximately RMB 0.168 million. As of 31st December 2025, the Sub-Fund comprised of 21,000,000 outstanding units.

STATEMENT OF RESPONSIBILITIES OF THE MANAGER AND THE TRUSTEE

MANAGER'S RESPONSIBILITIES

The Manager of E Fund (HK) MSCI China A50 Connect ETF (the "Sub-Fund"), a sub-fund of E Fund ETFs Trust, is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed dated 25th July 2012, as amended (the "Trust Deed") to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Sub-Fund at the end of that period and of the transactions for the year then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Sub-Fund will continue in operation unless it is inappropriate to assume this.

The Manager is also required to manage the Sub-Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

E Fund ETFs Trust (the "Trust") is an umbrella unit trust governed by its Trust Deed. As at 31st December 2025, the Trust has four sub-funds, namely, E Fund (HK) CSI Liquor Index ETF, E Fund (HK) MSCI China A50 Connect ETF (the "Sub-Fund"), E Fund (HK) MSCI Asia Pacific Select High Dividend Index ETF and E Fund (HK) FTSE AI Select Index ETF.

TRUSTEE'S RESPONSIBILITIES

The Trustee of the Sub-Fund is required to:

- ensure that the Sub-Fund is managed by the Manager in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Sub-Fund and rights attaching thereto; and
- report to the unitholders for each annual accounting period on the conduct of the Manager in the management of the Sub-Fund.

Independent Auditor's Report

To the Unitholders of E Fund (HK) MSCI China A50 Connect ETF

Report on the Audit of the Financial Statements

Opinion

What we have audited

The financial statements of E Fund (HK) MSCI China A50 Connect ETF (the "Sub-Fund"), which are set out on pages 11 to 32, comprise:

- the statement of financial position as at 31st December 2025;
- the statement of comprehensive income for the year then ended;
- the statement of changes in net assets attributable to unitholders for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, comprising material accounting policy information and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Sub-Fund as at 31st December 2025, and of its financial transactions and its cash flows for the year then ended in accordance with IFRS Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Sub-Fund in accordance with the Code of Ethics for Professional Accountants as issued by the Hong Kong Institute of Certified Public Accountants (the “Code”), as applicable to audits of financial statements of public interest entities. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter identified in our audit is related to the Sub-Fund’s investments and derivatives and corresponding net gains on investments and derivatives:

Other Information

The manager and the trustee (the "Management") of the Sub-Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Management of the Sub-Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with IFRS Accounting Standards, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Sub-Fund is responsible for assessing the Sub-Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Sub-Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Sub-Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 25th July 2012, as amended ("Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Sub-Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sub-Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Sub-Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Sub-Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Management, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on matters under the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

The engagement partner on the audit resulting in this independent auditor's report is Hui Wing Yee.

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

E Fund ETFs Trust (the “Trust”) is an umbrella unit trust constituted by its trust deed dated 25th July 2012, as amended (the “Trust Deed”) and authorised by the Securities and Futures Commission of Hong Kong (the “SFC”) pursuant to Section 104(1) of the Hong Kong Securities and Futures Ordinance. The terms of the Trust Deed are governed by the laws of Hong Kong. As at 31st December 2025, the Trust has four sub-funds, namely, E Fund (HK) CSI Liquor Index ETF, E Fund (HK) MSCI China A50 Connect ETF (the “Sub-Fund”), E Fund (HK) MSCI Asia Pacific Select High Dividend Index ETF and E Fund (HK) FTSE AI Select Index ETF, which are authorised by the SFC. The sub-funds are also listed on The Stock Exchange of Hong Kong Limited. These financial statements relate to the Sub-Fund only. The date of inception of the Sub-Fund was 9th December 2021.

The Manager and the Trustee of the Sub-Fund are E Fund Management (Hong Kong) Co., Limited (the “Manager”) and HSBC Institutional Trust Services (Asia) Limited (the “Trustee”) respectively.

The Sub-Fund was designated to track the performance of the MSCI issuers by market capitalisation out of the constituents of the MSCI China A50 Connect Index which is compiled and published by MSCI Inc.

The investment objective of the Sub-Fund is to provide investment results that, before deduction of fees and expenses, closely correspond to the performance of the underlying index, namely, MSCI China A50 Connect Index.

In order to achieve the investment objective of the Sub-Fund, the Manager will adopt a physical representative sampling strategy. The Sub-Fund will adopt a physical representative sampling strategy by investing up to 100% of its Net Asset Value in Index Securities.

Under current regulations in the People’s Republic of China (the “PRC”), foreign investors can invest in the domestic securities market through certain qualified foreign institutional investors that have obtained status as a Qualified Foreign Institutional Investor (“QFII”) or a Renminbi Qualified Foreign Institutional Investor (“RQFII”) from the China Securities Regulatory Commission (“CSRC”) to remit foreign freely convertible currencies in the case of a QFII and Renminbi (“RMB”) in the case of a RQFII into the PRC for the purpose of investing in the PRC’s domestic currencies markets.

Effective from 1st November 2020, with the implementation of Measures for the Administration of Domestic Securities and Futures Investment by QFII and RQFII and its implementing rules (collectively, the “QFI”), the Manager is able to select whether to use foreign convertible currencies or RMB to make investment under the RQFII regime. The Manager has obtained QFI status from the CSRC.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

(a) Basis of preparation

The financial statements of the Sub-Fund have been prepared in accordance with IFRS Accounting Standards. IFRS Accounting Standards comprise the following authoritative literature:

- IFRS Accounting Standards
- IAS Standards
- Interpretations developed by the IFRS Interpretations Committee (IFRIC Interpretations) or its predecessor body, the Standing Interpretations Committee (SIC Interpretations).

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of investments.

The preparation of financial statements in conformity with IFRS Accounting Standards requires the use of certain critical accounting estimates. It also requires the Trustee and the Manager to exercise their judgment in the process of applying the Sub-Fund's accounting policies.

(i) Standards and amendments to existing standards effective 1 January 2025

There are no standards, amendments to standards or interpretations that are effective for annual periods beginning on 1 January 2025 that have a material effect on the financial statements of the Sub-Fund.

(ii) New standards, amendments and interpretations effective after 1 January 2025 and have not been early adopted by the Sub-Fund

A number of new standards, amendments to standards and interpretations are effective for period beginning after 1 January 2025, and have not been early adopted in preparing these financial statements. The Sub-Fund's assessment of the impact of these new standards and amendments is set out below:

i) Amendments to the Classification and Measurement of Financial Instruments – Amendments to IFRS 9 and IFRS 7 (effective for annual periods beginning on or after 1st January 2026)

ii) IFRS 18 Presentation and Disclosure in Financial Statements (effective for annual periods beginning on or after 1 January 2027)

The Sub-Fund is currently still assessing the effect of the forthcoming standard and amendments. No other new standards or amendments to standards are expected to have a material effect on the financial statements of the Sub-Fund.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES INFORMATION (CONTINUED)

(b) Investments

(i) Classification

The Sub-Fund classifies its investments based on the Sub-Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Sub-Fund primarily focuses on fair value information and uses that information to assess the assets' performance and to make decisions. The Sub-Fund has not taken the option to irrevocably designate any equity securities as measured at fair value through other comprehensive income. All investments are measured at fair value through profit or loss.

(ii) Recognition/derecognition

Purchases and sales of investments are accounted for on the trade date basis. Investments and derivatives are derecognised when the rights to receive cash flows from the investments and derivatives have expired or the Sub-Fund has transferred substantially all risks and rewards of ownership.

(iii) Measurement

Investments are initially recognised at fair value. Transaction costs are expensed in the statement of comprehensive income.

Subsequent to initial recognition, all investments are measured at fair value. Realised and unrealised gains and losses on investments are recognised in the statement of comprehensive income in the period in which they arise. Realised gains and losses on investments represent the difference between the investments' initial carrying amounts and disposal amounts. Net change in unrealised gains and losses comprise changes in the fair value of investments for the period and from reversal of the prior period's unrealised gains and losses for investments and derivatives which were realised in the reporting period. Realised and unrealised gains and losses on investments are recognised in the statement of comprehensive income in the year in which they arise.

(iv) Fair value estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets (such as publicly traded derivatives and trading securities) are based on quoted market prices at the close of trading on the reporting date. The Sub-Fund utilises the last traded market price for both listed financial assets and liabilities where the last traded price falls within the bid-ask spread. In circumstances where the last traded price is not within the bid-ask spread, management will determine the point within the bid-ask spread that is most representative of fair value.

The fair value of financial assets that are not traded in an active market (such as over-the-counter derivatives) is determined by using broker quotes or valuation techniques.

(v) Transfers between levels of the fair value hierarchy

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

(c) Derivatives

Derivatives are recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at their fair value. Fair values are obtained from quoted market prices and pricing models as appropriate. All derivatives are carried as assets when fair value is positive and as liabilities when fair value is negative. Realised and unrealised gains and losses on derivatives are recognised in the statement of comprehensive income in the year in which they arise.

(d) Dividend income and interest income

Dividend income is recorded on the ex-dividend date with the corresponding withholding taxes recorded as an expense.

Interest income is recognised on a time-proportionate basis using the effective interest method. Interest income includes interest from cash and cash equivalents.

(e) Distribution to unitholders

Distribution to unitholders is recognised in the statement of changes in net assets attributable to unitholders when it is approved by the Manager.

(f) Other receivables and payables and expected credit losses

Other receivables, including amounts due from the Manager and payables, including management fee payable and other accounts payable are recognised initially at fair value and subsequently stated at amortised cost using the effective interest method.

At each reporting date, the Sub-Fund shall measure the loss allowance on cash and cash equivalents and other receivables at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. If, at the reporting date, the credit risk has not increased significantly since initial recognition, the Sub-Fund shall measure the loss allowance at an amount equal to 12-months expected credit losses. Significant financial difficulties of the counterparties, probability that the counterparties will enter bankruptcy or financial reorganisation, and default in payments are all considered indicators that a loss allowance may be required. A significant increase in credit risk is defined by management as any contractual payment which is more than 30 days past due. Any contractual payment which is more than 90 days past due is considered credit impaired.

(g) Expenses

Expenses are accounted for on an accrual basis.

(h) Cash and cash equivalents

Cash and cash equivalents include cash at bank with original maturities of three months or less.

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES INFORMATION (CONTINUED)

(i) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Sub-Fund operates (the “functional currency”). The Sub-Fund invests in A-Shares in the PRC and the performance of the Sub-Fund is measured and reported to the unitholders in RMB. The Manager considers RMB as the currency that most faithfully represents the economic effects of the underlying transactions, events and conditions. The financial statements are presented in RMB, which is the Sub-Fund’s functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign currency assets and liabilities are translated into the functional currency using the exchange rates prevailing at the reporting date.

Foreign exchange gains and losses arising from translation are included in the statement of comprehensive income.

Foreign exchange gains and losses relating to financial assets carried at fair value through profit or loss are presented in the statement of comprehensive income within net gain/(loss) on investments and derivatives.

(j) Redeemable units

The Sub-Fund issues redeemable units which are redeemable at the holder’s option and which represent puttable financial instruments of the Sub-Fund. The Sub-Fund classifies its puttable financial instruments as equity in accordance with IAS 32 (Amendment) “Financial instruments: Presentation” as those puttable financial instruments meet all of the following criteria:

- the puttable financial instruments entitle the holder to a pro-rata share of net asset attributable to unitholders ;
- the puttable financial instruments are the most subordinated units in issue and unit features are identical;
- there are no contractual obligations to deliver cash or other financial assets other than the obligation on the issuer to repurchase; and
- the total expected cash flows from the puttable financial instruments over its life are based substantially on the profit or loss of the Sub-Fund.

Units are issued and redeemed at the holder’s option at prices based on the Sub-Fund’s net asset attributable to unitholders per unit at the time of issue or redemption. The Sub-Fund’s net asset value per unit is calculated by dividing the net assets attributable to unitholders with the total number of outstanding units.

In accordance with the prospectus of the Sub-Fund, investment positions are valued based on the last traded market price for the purpose of determining the net asset value per unit for subscriptions and redemptions of the Sub-Fund.

(k) Taxation

The Sub-Fund currently incurs withholding taxes imposed by the PRC on investment income. Such income is recorded gross of withholding taxes in the statement of comprehensive income. Withholding taxes are included as taxation in the statement of comprehensive income.

(l) Transaction cost

Transactions costs are costs incurred to acquire investments and derivatives. They include fees and commissions paid to agents, brokers and dealers, and transaction handling fees paid to Trustee. Transactions costs, when incurred, are immediately recognised in the statement of comprehensive income as an expense.

(m) Other income

Other income includes expense reimbursement by the Manager.

3. NUMBER OF UNITS IN ISSUE AND NET ASSETS ATTRIBUTABLE TO UNITHOLDERS PER UNIT

The Sub-Fund's capital is represented by the units in the Sub-Fund and shown as net assets attributable to unitholders in the statement of financial position. Creation and redemption of units during the period are shown in the statement of changes in net assets attributable to unitholders. In order to achieve the investment objectives, the Sub-Fund endeavors to invest its capital in accordance with the investment policies, whilst maintaining sufficient liquidity to meet redemption requests. Such liquidity is augmented by the holding of liquid investments.

In accordance with the provisions of the Sub-Fund's Trust Deed, investments and derivatives are stated at the official closing price or the last traded price on the market on the valuation day for the purpose of determining the net asset value per unit for creations and redemptions and for various fees calculation.

As stated in Note 2(j), redeemable units of the Sub-Fund are classified as equity.

The Sub-Fund's objectives and policies for managing its obligations to redeemable units are included in Note 9(g) on capital risk management.

The redeemable units as at 31st December for the Sub-Fund are as follows:

	31st December 2025 <i>Units</i>	31st December 2024 <i>Units</i>

5. DISTRIBUTIONS TO UNITHOLDERS

The Manager may at its discretion distribute income to investors, having regard to the Sub-Fund's net income after fees and costs. The Sub-Fund did not make any distribution for the year ended 31st December 2025 and 2024.

6. CONTINGENT ASSETS/ LIABILITIES

No contingent assets or liabilities balances were recognized as of 31st December 2025 and 2024.

7. TAXATION

No provision for Hong Kong profits tax has been made for the Sub-Fund as the Trust is authorised as a collective investment scheme under Section 104 of the Hong Kong Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Hong Kong Inland Revenue Ordinance.

Withholding tax on dividend income

The Sub-Fund invests in A-Shares listed in the PRC ("A-Shares") and is subject to 10% withholding tax on dividend income derived from the A-Shares. Withholding tax was charged on dividend income received from A-Shares during the year ended 31st December 2025 and 2024.

Capital gains tax on A-Shares

According to Caishui [2014] No. 79, QFIs without permanent establishment in the PRC or having an establishment in the PRC but the income derived in China is not effectively connected with such establishment are temporarily exempt from PRC CIT on capital gains derived from trading PRC equity investments (including A Shares) effective from 17th November 2014.

According to Caishui [2014] No. 81 and Caishui [2016] No. 127, capital gains derived by overseas investors from the trading of China A Shares via Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect are temporarily exempt from PRC CIT. The capital gains derived by QFIIs/RQFIIs and through the Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect from trading of marketable securities (including A-shares and other PRC listed securities) are exempted from VAT in the PRC under Circular 36 and other prevailing VAT regulations.

8. TRANSACTIONS WITH THE TRUSTEE, MANAGER AND THEIR CONNECTED PERSONS

The following is a summary of significant related party transactions and transactions entered into during the year between the Sub-Fund and the Trustee, the Manager and their connected persons. Connected persons are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC (the “SFC Code”). All transactions entered into during the year between the Sub-Fund and the Trustee, the Manager and their Connected Persons were carried out in the normal course of business and on normal commercial terms. To the best of the Manager’s knowledge, the Sub-Fund does not have any other transactions with the Trustee, the Manager and their affiliates, except for those disclosed below.

(a) Management fee

The fee structure of Sub-Fund was changed to a single management fee structure, with the Sub-Fund paying all of its fees, costs and expenses as a single flat fee (“Single Management Fee”). Fees and expenses taken into account in determining the Single Management Fee include, but are not limited to, the management fee, the Trustee’s fee, the Registrar’s fees, fees of the Service Agent, fund administration fees, custody fees, fees and expenses of the auditors, ordinary out-of-pocket expenses incurred by the Manager or the Trustee (and their delegates) and certain operating costs relating to the administration of the Sub-Fund including expenses of its legal counsel, auditors and other professionals, index licensing fees, the costs in connection with maintaining a listing of the Units on the SEHK, costs incurred in the preparation, printing and updating of any offering documents and the costs incurred in the preparation of supplemental deeds and the expenses incurred in convening meetings of Unitholders, printing and distributing annual and half-yearly financial reports and other circulars relating to the Sub-Fund and the expenses of publishing Unit prices.

For the avoidance of doubt, any such fees and expenses exceeding the Single Management Fee will be borne by the Manager and will not be charged to the Sub-Fund. Notwithstanding the above, the Single Management Fee will not include brokerage and transaction costs (including but not limited to fees, charges, commissions or spreads relating to the acquisition, holding or disposal of portfolio assets), stamp duty, taxes, fees and extraordinary items such as litigation expenses.

Manager is entitled to receive a management fee, at the rate of 0.25% (2024: 0.25%) per annum of the net asset value of Sub-Fund, accrued daily, calculated as at each dealing day and payable monthly in arrears.

For the year ended 31st December 2025, the Manager was entitled to management fee of RMB108,232 (2024: RMB151,371) for the Sub-Fund. As at 31st December 2025, management fee of RMB12,685 (2024: RMB48,405) was payable to the Manager for the Sub-Fund.

(b) Trustee fee

The trustee fee is inclusive of fees payable to The Hongkong and Shanghai Banking Corporation Limited (the “Custodian”) and HSBC Bank (China) Company Limited (the “PRC Custodian”).

The fee structure of Sub-Fund was changed to a single management fee structure and no trustee fee was incurred by the Sub-Fund for the years ended 31st December 2025 and 2024.

(f) Transaction costs on investments

For the year ended 31st December 2025, the Trustee was entitled to transaction handling fees of RMB12,150 (2024: RMB14,130) for the Sub-Fund included in transaction costs on investments. As at 31st December 2025, transaction handling fee of RMB720 (2024: RMB630) was payable to the Trustee for the Sub-Fund and the same is included in other accounts payable.

(g) Other fees

For the years ended 31st December 2025 and 31st December 2024, the Sub-Fund does not have any transactions with the Trustee and its related parties.

(h) Amounts due from the Manager

For the year ended 31st December 2025, there was expense reimbursement of RMB12,150 (2024: RMB14,130) from the Manager, representing the reimbursement of transaction handling fees that fell outside the scope of the Single Management Fee. As at 31st December 2025, the amounts due from manager is RMB41,488 (2024: RMB2,880). The expense reimbursement is classified as other income. The receivable is unsecured, non-interest bearing and repayment within 3 months.

(i) Units held by connected person

During the year ended 31st December 2025 and 2024, the Sub-Fund has been purchased and sold by the connected person of the Manager and Trustee acting as a market intermediary. They act as an agent of its own investors and were not entitled to any profits from the transactions in shares of the Sub-Fund.

9. FINANCIAL RISK MANAGEMENT

The objective of the Sub-Fund is to provide investment results that, before deduction of fees and expenses, closely correspond to the performance of MSCI China A50 Connect Index. The Sub-Fund's activities may expose it to a variety of risks including but not limited to market price risk, interest rate risk, credit risk, liquidity risk and currency risk which are associated with the markets in which the Sub-Fund invests.

The following is a summary of the main risks and risk management policies.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

9. FINANCIAL RISK MANAGEMENT (CONTINUED)

(a) Market price risk

Market price risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the individual instrument or factors affecting all instruments in the market.

The Sub-Fund is designated to track the performance of the Index, therefore the exposures to market risk in the Sub-Fund will be substantially the same as the respective tracked index in each of the relevant period. The Manager manages the Sub-Fund's exposures to market risk by ensuring that the key characteristics of the portfolio, such as security weight and industry weight, are closely aligned with the characteristics of the tracked index.

At the reporting date, the Sub-Fund's investments by industries (excluding derivatives) are as follows:

	31st December 2025		31st December 2024	
	Fair value	% of net	Fair value	% of net
	<i>RMB</i>	asset value	<i>RMB</i>	asset value
Listed equities - by industry

Health Care	2,648,689	4.68%	3,093,053	6.13%
Industrials	8,145,105	14.40%	8,013,048	15.86%
Information Technology	12,291,594	21.72%	8,326,116	16.48%
Materials	6,600,921	11.66%	4,457,738	8.83%
Real Estate	385,634	0.68%	530,442	1.05%
Utilities	1,967,749	3.47%	2,442,771	4.84%
	<u>53,644,173</u>	<u>94.77%</u>	<u>50,345,780</u>	<u>99.72%</u>

As at 31st December 2025, the Sub-Fund held 50 out of 50 constituents (2024: 50 out of 50 constituents) comprising the Index in proportion to the constitution of the Index. The Sub-Fund is therefore exposed to similar market price risk as the Index.

As at 31st December 2025, for the Sub-Fund, if the Index were to increase by 44% (2024: 32%) with all other variables held constant, this would increase the net asset value by approximately RMB23,603,436 (2024: RMB16,110,650). Conversely, if the Index were to decrease by 11% (2024: 20%) this would decrease the net asset value by approximately RMB5,900,859 (2024: RMB10,069,156).

The Manager has used its view of what would be a reasonable shift in each key market to estimate the change for use in the sensitivity analysis above.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

9. FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Interest rate risk

The majority of the Sub-Fund's financial assets and liabilities are non-interest bearing. As a result, the Sub-Fund is not subject to significant amounts of risk due to fluctuations in the prevailing levels of market interest rates.

At the reporting date, interest rate risk arises from cash and cash equivalents. As interest from these interest-bearing assets are immaterial, the Manager considers that changes in their fair value and future cash flows in the event of a change in market interest rates will not be material.

(c) Credit risk

Credit risk is the risk that an issuer or a counterparty will be unable or unwilling to pay amounts in full when due.

The Sub-Fund limits its exposure to credit risk by transacting the majority of its securities and contractual commitment activities with broker-dealers, banks and regulated exchanges with high credit ratings and/or that the Sub-Fund considers to be well established.

The Sub-Fund's financial assets which are potentially subject to concentration of credit risk consist principally of bank deposits, assets held with the Custodian and broker. The table below summarises the assets placed with the Custodian and broker and the credit rating of the Custodian and broker is at or above investment grade as at 31st December 2025 and 2024.

	RMB	Credit rating	Source of credit rating

The maximum exposure to credit risk at the reporting date for the Sub-Fund is the carrying amounts of the financial assets as shown in the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

9. FINANCIAL RISK MANAGEMENT (CONTINUED)

(c) Credit risk (Continued)

The Sub-Fund measures credit risk and expected credit losses using the probability of default, exposure at default and loss given default. The Manager considers both historical analysis and forward-looking information in determining any expected credit losses. The Manager considers the probability of default of cash and cash equivalents and amounts due from the Manager to be insignificant as the counterparties generally have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month expected credit losses as any such impairment would be insignificant to the Sub-Fund.

(d) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in settling a liability, including a redemption request.

The Sub-Fund is exposed to daily redemption of units in the Sub-Fund. Units are redeemable at the holder's option based on the Sub-Fund's net assets attributable to shareholders per share at the time of redemption, calculated in accordance with the Sub-Fund's Trust Deed.

The Sub-Fund invests all of their assets in investments that are traded in active market and can be readily disposed of. The Sub-Fund's securities are considered readily realizable, as they are listed. It is the intent of the Manager to monitor the Sub-Fund's liquidity position on daily basis.

The following table analyses the Sub-Fund's financial liabilities into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying amounts, as the impact of discounting is not significant.

9. FINANCIAL RISK MANAGEMENT (CONTINUED)

(d) Liquidity risk (Continued)

The Sub-Fund manages its liquidity risk by investing in investments that it expects to be able to liquidate within 3 months or less. The following table illustrates the expected liquidity of assets held.

	Less than 3 months <i>RMB</i>	3 months to 1 year <i>RMB</i>	Over 1 year <i>RMB</i>	Total <i>RMB</i>

As at 31st December 2024				
Total assets	50,539,247	-	-	50,539,247

(e) Currency risk

The Sub-Fund is not exposed to any material currency risk arising from balances and transactions in foreign currencies as its assets and liabilities are denominated in RMB, the Sub-Fund's functional and presentation currency.

(f) Fair value estimation

The Sub-Fund classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (Level 3).

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgment, considering factors specific to the asset or liability.

The determination of what constitutes observable requires significant judgment by the Sub-Fund. The Sub-Fund considers observable data to be such market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

Investments and whose values are based on quoted market prices in active markets, and are therefore classified within level 1, include active listed equity securities. The Sub-Fund does not adjust the quoted prices for these investments.

Financial instruments that trade in markets that are not considered to be active and are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within level 2 and include suspended equity securities. As at 31st December 2025 and 2024, the Sub-Fund held nil suspended stock. As at 31st December 2025, the Sub-Fund held unlisted funded total return swap which was classified within level 2 (2024:Nil).

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently. As at 31st December 2025 and 2024, the Sub-Fund held Nil investment classified within level 3.

There are no transfers between levels during the year ended 31st December 2025 and 2024.

For financial assets and liabilities carried at amortised cost, their carrying amounts are a reasonable approximation of fair value. The carrying amounts of these financial assets and liabilities are considered by the Manager to approximate their fair value as they are short-term in nature and the effect of discounting is immaterial.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

9. FINANCIAL RISK MANAGEMENT (CONTINUED)

(g) Capital risk management

The Sub-Fund's capital is represented by the redeemable units outstanding. The Sub-Fund's objective is to provide investment results that correspond closely to the performance of the Index. The Manager may:

- Redeem and issue units in accordance with the constitutive documents of the Sub-Fund;
- Exercise discretion when determining the amount of distributions to the unitholders of the Sub-Fund; and
- Suspend the subscription and redemption of units under certain circumstances stipulated in the prospectus of the Sub-Fund;
