The board of directors (the "**Board**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 and other information currently available, the Group expects to record an increase in net profit of not less than 50% for the six months ended 30 June 2026 as compared to the corresponding period in 2025.

The expected increase in net profit of the Company for the six months ended 30 June 2026 was mainly attributable to the following reasons:

The information contained in this announcement is solely based on the preliminary assessment by the Board based on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026, which have not yet been audited or reviewed by the Company's independent auditors or its audit committee and may be subject to amendments and adjustments. Shareholders and potential investors are advised to refer to the details in the interim results of the Company for the six months ended 30 June 2026 which are expected to be published by the end of August 2026.
